Does Change-of-Life Make You Feel Older Than You Are?

In doctor's tests special medicine relieved those hot flashes, weakness, nervousness for women after women... then they could enjoy a happier middle-age!

Does change of life leave you so weak, irritable you feel older than you really are? Suffocated by hot flashes, constantly tense, so you can't be the affectionate wife of old? Don't despair! LYDIA PINKHAM'S Compound can relieve that physical distress and tension both. In doctor's tests using Pinkham's Compound, women after women got glorious relief without costly shots! Hot flashes quickly subsided. That awful nervousness was calmed. Then most women found they could go "smiling through" the trying years of change-of-life without that dreadful misery!

If change-of-life is making you feel older than you are, ask for LYDIA E. PINKHAM'S VEGETABLE COMPOUND at drug stores. Do it today. See how fast this special medicine for women helps you feel like your happy, active self again.

SLEEP 8 HOURS—WAKE UP TWEED! When due to simple iron-deficiency anemia, take Pinkham's Tablets. Rich in iron, they start to strengthen your blood within one day! Thus help restore your vitality.

San Francisco—Super Shell with Platformate has just delivered a mileage bonus of 4.33 percent. Platformate is Super Shell's mileage ingredient. Shell engineers test Super Shell for mileage in many different types of cars, in many different places. Here's how the test above was run. Exactly 250 cc (about half a pint) of a fuel blended without Platformate was fed into the test car's engine. The car was started, accelerated to 30 miles per hour, then held there until fuel ran out and the car rolled to a stop. Distance: 6186 feet (indicated by dotted line in background). Next, test was repeated, using Super Shell—the same fuel as before but with Platformate added. Precise same volume of fuel. Same car. Same speed. Same driver. Same conditions. Distance: 6454 feet. That's 4.33 percent farther than the car traveled with non-Platformate gasoline.

MILEAGE TEST

New documented tests prove that one of Super Shell's 9 ingredients packs extra mileage into every gallon

THE picture above was snapped a few moments after Super Shell with an extra mileage ingredient called Platformate delivered a mileage bonus of 4.33 percent.

That's a typical result from a series of mileage tests Shell engineers recently ran on the outskirts of San Francisco.

The tests compared two gasolines. One was a gasoline Shell scientists purposely blended without Platformate. The other was Super Shell—the same gasoline as before but with Platformate added.

Shell engineers used a 1962 convertible for the tests. You may be driving a similar car right now.

In test after test, Super Shell with Platformate consistently took the car about 4 percent farther than the gasoline blended without Platformate.

NOTE: For more details on these tests, see caption under picture. And for technical data, write to the Shell Oil Company,

50 West 50 Street, New York 20, N. Y.

Platformate gets its name from the platinum re-forming process used to make it.

Pressures up to 600 pounds per square inch and temperatures up to 1000 degrees literally tear petroleum apart. A precious platinum catalyst then helps re-form the petroleum into super-energy components.

RESULT: Platformate can release more energy per gallon than the finest 100-octane aviation gasoline. Your engine can convert extra energy into extra mileage.

Super Shell has 9 ingredients for top performance

Extra mileage is just one part of the top performance story. Super Shell's other ingredients complete the picture. Here's what they are and what they do.

TCP* for power, mileage, longer plug life.

Pentane mix* for fast "warm-up."

Butane* for quick starts.

Anti-knock mix—to resist all kinds of knock.

Alkylate—to help control "high-speed knock."

"Cat cracked" gasoline—for power.

Anti-icer—added in cold weather to help check carburetor icing stalls.

Gum preventive—to help keep carburetors clean inside.

Super Shell—the gasoline with 9 ingredients for top performance

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2880212.

How U.S. Savings Bonds turn home shoppers into home owners

The special dream for millions of Americans is to own their own homes. The starting place is a down payment. And for many Americans U.S. Savings Bonds have made the difference between "shopping for" and "owning" a home.

A habit that pays off

After the war many returning veterans used their Bond reserves for down payments on new homes.

Since that time thousands of Americans have used their Bonds to buy, furnish, and modernize their homes.

Bonds for building blocks

U.S. Savings Bonds are guaranteed to grow in value by Uncle Sam. You can buy them on the "installment plan" where you work, for as little as \$2.50 a week.

Every Bond you buy is a share in a stronger America. Why not start saving for your dream home today?

"Savings Bonds and a home belong in everyone's future," says O. G. Powell, President, National Association of Real Estate Boards

"U.S. Savings Bonds and home ownership are two ways of providing security for the future—a worthy goal for every family and for the nation. A sound economy depends upon thrift. A strong country is a land where men are free in mind, in spirit, and in the right to own property. The nation's nearly 70,000 Realtors urge America's young families to invest in U.S. Savings Bonds as a beginning toward achievement of these goals."

U.S. Savings Bonds

Buy them where you work or bank

For 50 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Department is grateful to The Advertising Council and this newspaper for their patriotic support.

TEACHING BY TV ... Closed circuit TV is becoming
one of education's most vital classroom aids. This new
educational medium is developing just in time to meet the
re-awakened interest in mathematics, languages, physics,
and chemistry from elementary school to college level.
And wherever distribution of TV is needed, Bell Tele-
phone companies are equipped to provide it. Your Bell
System's facilities, manpower and know-how are on the
spot to make possible the educational television network
which brings teaching programs to schools and homes
across the nation.

LATE VACATION PLANNING? For a happier time,
more fun for the family, your choice of reservations ...
go first by phone. Notify
friends and relatives of your
arrival, reserve rooms ahead
of time, order theatre tickets
in advance ... do it all by
phone. You'll arrive with
ready-made plans ... have
more time for fun while
you're there. ... come home
with happy memories of a
telephone-planned vacation.

MENTION THE BELL SYSTEM and any of its associated
companies and you'll probably think first of tele-
phones and other communications equipment that are such
an important part of life today. But did you know that
an organization of more than 200,000 Bell employees
(membership requirement—21 years of service!) maintains
a program of service and fellowship in thousands of com-
munities throughout the country? This organization's ser-
vices are many, but probably best known is its program of
transcribing books into Braille for the blind ... another
evidence of telephone employees' spirit of service.

IN THIS HIGH-POWERED DAY AND AGE we've
gone used to reading and hearing about millions and
billions. For example, the U. S. is in debt more than two
hundred ninety-six billion dollars. But, to most of us
used to thinking in terms of our personal income and
budget, it's a bit difficult to realize just how much a
billion really is. Comparisons ... help. For instance, from the
birth of Christ through 1961 there were only a little more
than one billion thirty million minutes of time.

Stranded—and not a soul in sight. Read the 10 tips from Shell, below. They could help you avoid getting stuck in the middle of nowhere.

Shell suggests 10 ways to reduce your chances of getting stranded when you're miles from help

1. Make your own roadside emergency kit and always carry it in your trunk. It could save you a lot of trouble someday. Your kit should include: a spare fan belt, a strong tow rope, a gallon can of water, a flashlight with extra batteries, pliers, screwdriver, and several wrenches.
2. Check both your spare tire and jack. A flat tire is usually more annoying than serious. But it can leave you stranded if your spare is flat or your jack doesn't work. So always have the air pressure in your spare checked at the same time as the rest of your tires. And make sure your jack is in good working order.
3. Find out where your car fuses are located. Your car has fuses that do the same job as the ones in your home. And they're just as easy to replace if you know where to find them. So have your Shell dealer show you where each fuse is. And carry extra fuses in your glove compartment.
4. Hide a spare ignition key in your car. If you've ever lost your keys in the back country, you know how important this is. Be sure that everyone who drives your car knows where the extra key is hidden.
5. Check for the three troubles that cause nearly half of all breakdowns. The American Automobile Association reports that tires, weak batteries, and faulty electrical systems account for 45 percent of all car breakdowns. So have your Shell dealer check all three frequently.
6. Don't plow through water. Here's a good rule to follow. If there's the slightest

- chance that the water is deep enough to reach your tailpipe, turn your car around and look for an alternate route. This may take you a few miles out of your way, but it's better than stalling in water.
- EXTREMELY IMPORTANT: Test your brakes after driving through water. Even a few inches of water can cause temporary brake failure. If this happens, drive with extreme caution until the brake linings dry.
7. Don't let your gas tank get below half full in lonely country. Americans ran out of gas more than 2 million times last year. If you know you'll be driving in a remote area, fill up before you get to it. And check your gas gauge regularly in isolated country. It can be a long way between service stations.
 8. Try these tips if a stuck wheel nut keeps you from changing a tire.
 - a) Make sure you're turning the lug wrench the right way. Some cars have right-hand threads. Others have left-hand threads. And they're not always clearly marked.
 - b) Give a stuck nut a few sharp raps with a hammer or rock. (Be careful not to hit any exposed lug threads.) Then try the wrench again. If the nut still refuses to budge, try turning the wrench with a sudden snapping motion.
 9. Try "rocking out" when you're stuck in mud or sand. Put the car in reverse and apply power gently. As soon as the wheels start to spin, reduce power and shift into forward gear. Ease forward until the wheels

- spin again. With each back and forth rock, your car should go a little further—until you're out of trouble.
10. If "rocking out" doesn't work, build a pathway of sticks. Place sticks or branches in front of and under the rear wheels. Start the car forward slowly, and gradually increase speed. By the time you reach the end of your path, you should have enough momentum to carry you forward.

Do You Want To Vote?--

If you want to vote next year — or the next — but sure to RE-REGISTER as soon as possible! A list is published elsewhere in this issue for that purpose. We suggest you refer to it! Voting is a privilege — a right, if maintained, must be exercised!

Yeah, Who Did That?--

SOMEONE asked: "Who was it that beat Kennedy and Sparkman in November?" Well, we are certain sure that it was not the good Democrats in Chilton County; and reasoning says that it was not the Republicans; so it would seem to remain a good question!

Who, Me?--

"I DO a lot of buying at Sears. . . ." "You can get it a lot cheaper in Birmingham (or Selma or Montgomery)." These are just two comments which we hear quite often in one form or another; and to us, they simply support our theory that concentrated efforts to entice "Trading At Home, are necessary—and sorely lacking among the merchants of Chilton County.

And in the past week, we have had two different parties volunteer the fact that they did their trading in Birmingham because—they felt like—local merchants don't seem to care whether they trade here or not!

You may be getting along pretty good, as you are, but too many of us do not realize how much business (dollars) we ARE losing to the larger cities around us. If we cannot help it, because of price or otherwise, that's one thing; but, when we don't TRY to help it—that's another horse—we're backsliding!

This is far from being simple criticism on the part of the News! We have far too much to do to sit around and "just be critical". We are making an appeal to those who should be interested in programs of promoting Trading At Home! We have been criticized for our opinion on this subject, and even boycotted to a certain degree, but you can see, it has not altered our opinion: We still believe that an effort should be made to interest our people in Trading At Home with local merchants. It is necessary, if we are to grow; and would be profitable to all of us, if carried out in a vigorous and imaginative way! We'll say it, anyhow: "How About Trading At Home!"

If We Print It. . .

CONSIDERING the whole; you cannot find a more economical means of advertising your business than in your community newspaper! We don't care if it is handbills, radio, TV, signs in the window, or shouting it on the street corner; there is no more economical or effective way to reach the buying power of Chilton County than through the pages of your community press!

The reason is simple: Our advertising code and our Editorial policy over the years have earned for us, the trust of the people whom we serve! "If we print it — It's true!" And that is not a mere slogan to us—it is the standard upon which we base our service to the people of Chilton County. It is not here today and gone tomorrow—it's an every day, every week, year in and year out effort!

That's why you can depend on the News to get your message across! If it is a legitimate message, our readers will listen to it! And if they are in the market for it, they will see you about serving them.

Yes, "If We Print It — It's True"—and we appreciate your active support of this ideal, which is common to every good American! dou . . llrwon rPan Dyil TLtd

Whasamatteryou?--

THERE is a decided lack of backbone in Chilton County! We are exposed daily to the idea of "let's you and him fight!" Very few seem to have the spunk, or the will to 'toe the mark!' Whasamatter?

Deserving The Right To Stand--

WE only apologize when we are wrong, and then we do it promptly! To "be hasty", and "to apologize" are not naturally synonymous. We have not apologized; publicly or privately for having called some "so-called" Democrats, Republicans, and we have no intention of doing any such thing. We are convinced that we are right on this particular item and if it has burned the Elephant hide a bit here and there, it must be deserved!

Speaking for the Republican Party in Chilton County, The Union-Banner last week, officially we presume, welcomed and invited ANY and EVERYONE into the fold of the "vast Republican cohort". So be it, then! The invitation is out—to EVERYBODY!

A party asked us the other day: "Exactly why are you a Democrat?" And he anticipated our answer — it was what he expected: "Because our father and our grandfather were Democrats . . . good Democrats!" This is not a connotation, nor does it in any way imply that we follow just to be following.

We are Methodist because our parents, grandparents and some other of our ancestors are Methodist! In politics, as in religion, we believe in the principles and ideals of those organizations to which we belong. We are also Americans; and we have a wonderful heritage because our ancestors fought and died for the principle of freedom!

If we have conviction about that in which we believe, and ideas foreign to our beliefs creep into our Party, Our Church or our Country, we do not sever our relationship with it, but rather we try to do something about these foreign ideas which are a threat to our freedom of belief.

If an unwanted stranger enters our home, with the intent of disrupting it, we do not go out the back door and leave our home, for which we have worked hard, to his pleasure. There is no question but that we would fight for it!

As a Democrat, we believe in Democracy; as a Methodist, we believe in God and as an American citizen, we believe in our Country! And this, with an open mind, and a conviction that what we believe is right, not simply because Pappy and Grandpappy believe it, but because we concur with the principles which they taught us and by which they live!

We have never compromised with our beliefs. We do not always agree with the actions, nor even the personal principles, of our elected officials; but to us, this is America in action: we CAN disagree with them and still do something about it! We will not run away from our chosen beliefs because we feel, or know, that some foreign element is within, seeking to destroy those beliefs. We will rather, fight the foreign element which we allowed to come in.

We don't care whether you are a Democrat or a Republican; but at least have the conviction to believe the same way today as yesterday, when it comes to the basic principles of life.

As far as we are concerned, being a good Democrat is something worth working for. If you choose to go to first one side and then to the other, to satisfy your own needs and selfish wants, then you deserve an integrated belief, whether it be political, religious or patriotic. And any organization believing as you do, and 'takes to its bosom' your philosophy of fence-straddling and 'going with the wind' deserves the likes of you!

If you know what conviction is, and you have some of it in you; for your own sake, say it out loud; repeat it to yourself and to others; stand for right, and deserve the right to stand!

Useful Definitions--

THERE seems to be some confusion within the Republican ranks in Chilton County about definitions. Here are two definitions that we hope at least two Republicans will set down to memory:

DEMOCRAT: So-called because he votes in a Democratic Primary, whether he belongs there or not!

GOOD DEMOCRAT: One who refuses to abandon his belief because undesirables are present. A citizen who thinks Democratically and acts with the basic principles and ideals of American freedom always foremost in mind!

MAN OF THE WEEK

A. REEDIE TAYLOR

MR. A. Reddie Taylor was born on October 12, 1906 on a little farm in Chilton County, about two and one-half miles from Clanton.

His parents are Mrs. Lovie Cox Taylor Pool and the late Loza Martin Taylor. Reddie's father died when Reddie was 12 years old and only a few months later, his only brother died. He has one half brother, Hubert Pool.

Reddie attended Concord and Chilton County High Schools. After high school he enrolled in a Montgomery business school where he worked and paid his own expenses and also helped support his mother.

While in business school he was offered a job as a bank teller in the Peoples Savings Bank and at the age of 19 he was managing his own store.

He is now a director of the Peoples Savings Bank, a partner in several business enterprises in Chilton County, including Muncher-Taylor Farm, Chico Quick Freight, Laurie Ann Dairy and he owns and operates Chicago Sales Co. in Clanton.

The accomplished Mr. Taylor is a member of the First Baptist Church, where he is serving as Assistant Sunday School Supt. He is also a member of the Kiwanis Club and the Finance Committee of the Chamber of Commerce.

As for immediate family, Mr. Taylor is several times married. Grandpa And he has two daughters, Mrs. Richard Muncher and Mrs. Tom Frank Scott; and one son, Reddie L. Taylor.

He is married to the former Pauline Lawrence. of Clanton.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

ON Thursday of last week the House of Representatives passed by a voice vote and sent to the Senate the \$4.6 billion Public Works Appropriations Bill for fiscal 1963. Contained in this legislation were funds benefitting directly two great river systems that traverse the Sixth District—the Warrior-Tombigbee and the Coosa-Alabama.

WARRIOR-TOMBIGBEE
On the Warrior-Tombigbee, the multi-million dollar Holt Lock and Dam is presently under construction. This facility was started last year with an appropriation of \$750,000, and included in the bill passed last week, is an additional \$3,500,000 to continue the orderly construction of this important installation.

The Holt Lock and Dam, located approximately nine miles upstream from Tuscaloosa, will eliminate four small navigation structures built in 1915 or earlier and is the last dam required in the modernization program presently underway on the Warrior-Tombigbee. There is an urgent need, however, for initiating construction of a new lock at the present John Hollis Bank Dam which is located approximately 18 miles upstream from the Holt structure.

The Bankhead Dam itself is not to be replaced. Although it was built in 1915, the concrete structure, to which 12-foot vertical lift gates were added in 1937, will serve usefully for many more years. Navigation, however, must pass the dam by means of two locks which are but 285.5 feet long and 92 feet wide. The Jackson, Demopolis, and Warrior locks and Dams, located between Tuscaloosa and Mobile, already have eliminated nine similar-sized locks while

the Holt Lock and Dam will replace four more.

During the consideration of the Appropriations Bill, I pointed out the necessity for beginning at once the studies necessary to determine the feasibility and justification of replacing the two small Bankhead Locks with a single lift, 600-by-110 foot chamber. I am pleased to report that the sum of \$75,000 was included for this study in the Public Works Appropriations Bill.

COOSA-ALABAMA
Also contained in the Public Works Appropriations Bill are funds that will make it possible for federal construction to begin on one of the largest undeveloped waterways in the United States—the Coosa-Alabama.

For work on the Alabama, the lower segment of the great Coosa-Alabama system, the bill contained \$100,000 to begin construction of the Millers Ferry Multiple Dam, \$210,000 to complete advanced planning of the Claiborne Navigation Dam, and \$150,000 to resume planning of the Jones Bluff Multiple Dam.

Investigations by the Corps of Engineers indicate that the three authorized facilities to be built by the government are economically justified. It has been recommended by the Corps of Engineers that the Millers Ferry Lock and Dam be built first, and construction of this priority facility can be begun this year with the funds that were approved last week by the House of Representatives.

The County Agent

(Reprinted)

(Instead of "County Agent" the following might well apply if we use "Federal Bureau" . . . any rate, we thought it was right amusin'!—ED.)

IF there's anything you wish to know, go ask the County Agent.

For he's the guy that runs the show, our local County Agent. When you start to make a crop, if you don't want to make a flop, before you start, you'd better stop, and see the County Agent.

NO matter what you wish to paint, go ask the County Agent. He'll tell you if you can, or can't. For he's the County Agent. He seems to know what's best for us, and there's no use to raise a fuss; just grin the fuss.

For he's the County Agent. HE gets his hope from up the line; I mean the County Agent. So smile as though you like it fine; when you ask the County Agent. Be ever humble, mild and meek, and always turn the other cheek; and three days out of four, go see the County Agent.

IF you find a 'hopper' in your crop; go tell the County Agent.

And poison until he says stop. For he's the County Agent. If you think it has become a shame; and you don't like it any more; it's you and I who are to blame.

And not the County Agent—

YOUR SOCIAL SECURITY

(This series of questions about Social Security is compiled from the questions sent to the Social Security Administration Office from Chilton County, Alabama) and answered by David G. Adams, Field Representative.

Any questions that you want to ask may be sent to: Social Security, Co Chilton County News, Clanton, Alabama.)

Q. My uncle died in 1957. You told me then he didn't work enough to leave any death payments. Now you say the requirements have been lowered. Since he had two years of covered work, can I get the Lump-Sum Death Payment?

A. No, only monthly benefits are made possible by these latest changes.

Q. How disabled must I be to get Disability Payments?

A. You must have a condition so severe that you can't do any work. Your condition must have existed for six months, and be expected to be permanent or last indefinitely.

Q. How much work is required to get disability payments?

A. You must have a total of five years' social security credit in the ten-year period just before you become disabled.

CONGRATULATIONS to Leigh and Lib Rickert and to Buddy and Nita Williams. Rickert is a boy, which makes two little Rickerts and Williams is a girl—she's the first for them. Guess that about everything up now—a boy here and a girl there! Now, we suppose we can order whatever we like!

AND speaking of small fry, the little mother at our house says she gets a "kick" out of most everything she does nowadays!

SAW a 19—, some'n or other model auto on the street last Monday. It was in good shape and looked like it was ready to go on the next "Untouchables" episode! Fellow in the back was stretched out anguishing in the luxury of a bygone era. Say, you don't suppose — now it couldn't have been him; he was smiling!

THE little ow-A D5 WE may be wrong about methods of going about it, but we are not wrong about the future potential of the Coosa River — as an industry — and what it can mean to the economy of Chilton County. Anyway, when we are wrong someone usually tells us; they haven't failed yet!

Things are serious! We do not mean to sound like an alarmist; for we believe that optimism breeds more optimism and thus, more success.

THE efforts that have been made by our County officials to a large degree, commendable, but they are only a minute of the whole story. Possibly have made a start already, considering what it will take effort before we realize any material from it, we have never known whether or not we are right, unless the people themselves buckle down to the task and see it through. We have the brains and the backs. We have the will and the Guiding Hand.

IMPORTANCE OF OXYGEN

OUR bodies need oxygen, and it is in the air we breathe. Oxidation is the chemical process in the body whereby food materials are converted to energy. Lack of oxygen to the tissues is called anoxia; and when this begins, there is usually an increase in the heart beat and increase in the breathing rate in an attempt to get more oxygen into the body. Oxygen shortage may result from atmospheric conditions or from deformities of the nose, enlarged tonsils, or asthma. Shortage of oxygen often occurs when the lungs are diseased and unable to do their work, as in pneumonia. Other reasons for oxygen shortage include hemorrhage, shock, and anemias. The most important cause, of course, is heart disease.

Oxygen therapy is the administration of oxygen, valuable in treating conditions in which there is interference with the normal intake of oxygen to the tissues. Shortness of breath and difficulty in breathing are sometimes experienced when a person is out of breath from exertion. In serious conditions of oxygen shortage, breathing may not become faster and deeper but may slow even to the point of ceasing. These conditions include excessive loss of blood, drowning, and electrocution.

Medically, oxygen is administered through the use of a mask, a tube inserted into the nose, or an oxygen tent. Oxygen is frequently given to premature infants whose breathing mechanism is weak at birth.

Progress. But there is no day goes by that we don't hear from some source, just bad business is with us. Of business are worse than lions, and the most precious thing, is more valuable than diamonds in short — people! And, we cannot more people, without money to earn a livelihood out of. We need volume. Big volume. Chilton County has long way in the past. We have expressed this wish times than a few in the past. We firmly believe that we are on the threshold of a new look—as far as our economy is concerned. But why? We mean those backs of our dollars to this County. We need to come. We need more to improve! We need to along the Coosa River, to be more accessible for the people, which could come from development.

'Old Man River' and take advantage of the vast opportunities which it holds for us. We are not capable of predicting how much the river, development could mean to us; and we are wise enough to know what it takes, to bring all this to pass, and we do know is that Chilton County, in some categories, classifies itself as "depressed area," which is, degrading and depressing, and speaks little of ability. We have not used of natural resources to their full capacity; but fortunate they are still there, waiting. There is no reason, waiting will take tremendous effort. No doubt, it will require enormous amounts of County money. But we think the people of Chilton County are willing to sacrifice if need be, some of our luxuries, if you can call them that, to insure a more stable, dependable economy. We think this is our potential. We never know whether or not we are right, unless the people themselves buckle down to the task and see it through. We have the brains and the backs. Miss Chapman To Wed Mr. McGee

DOROTHY M. CHAPMAN

Rehobeth Baptist Church in Lawley will be the setting for nuptial vows to be spoken by Miss Dorothy Mae Chapman and Mr. Thomas Dan McGee, Friday evening, August 31 at 8:30 P.M. Miss Chapman is the daughter of Mr. and Mrs. J. C. Chapman, Jr. Her grandparents are Mr. and Mrs. John C. Chapman, Sr. and Mrs. Mattie B. Ratliff and the late C. P. Ratliff.

Mr. McGee's parents are Mr. and Mrs. C. H. McGee. His grandparents are the late Mr. and Mrs. Ed McGee and the late Mr. and Mrs. Joe Lawley.

No wedding invitations are being sent, but friends and relatives of the couple are invited to attend the wedding and the reception that will follow in the basement of the Church.

DKG Plans New Year Of Programs

The Executive Board of the Alpha Beta Chapter of the Delta Kappa Gamma Society met in the new home of the first vice-president, Mrs. Harold Smith on Thursday afternoon, August 9, to plan the programs for the coming year.

All the programs were planned around the topic "Advancing With Women Leaders of The Modern World".

Mrs. Georgia Billingsley, a beloved, retired teacher of our County and a reserve chapter member was a welcomed visitor in the group. Mrs. Billingsley now lives in Ft. Worth, Texas.

Delightful refreshments were served at the close of the meeting to all officers and committee chairmen present.

The October meeting will be at "Live Longer Lodge", the lovely camp home of the Luther Little's on Hatchett Creek.

Chancey-Dalton Vows Said 12th

MISS Ann Chancey of Prattville became the bride of Rev. Perry Dalton of Clanton, Sunday, August 12, in the Prattville First Methodist Church at 4 P.M.

Rev. Charles Britt, the bride's pastor, officiated at the double ring ceremony.

Parents of the bride are Mr. and Mrs. Charles Britt, Prattville, and the bride's parents are Mr. and Mrs. Henry Dalton of Clanton.

The bride is a graduate of the Alabama Agricultural College and is a member of the Alpha Beta Chapter of the Delta Kappa Gamma Society. She is a member of the Alpha Beta Chapter of the Delta Kappa Gamma Society.

The bride was given in marriage by her father. Her bridesmaids were of charmingly lace or white satin with sleeves pointed over the hand. The high neckline featured a rolled lace collar. The full skirt swept into a chapel-length train. Her veil (a imported illusion fell from a crown of orange blossoms and she carried a bouquet of orchids, showered with Stephanotis.

Bridesmaids were Misses Linda McDonald and Peggy Pittman of Montgomery. Miss Corbelle Dalton of Clanton and Misses Betty Thompson, Elizabeth C. and Laurel Jo Stewart of Prattville.

Mrs. James Hall of Montgomery attended her sister as Matron of Honor. The bride's twin sister, Miss Nan Chancey of Prattville, served as Maid of Honor. Miss Gwen Hall of Montgomery, niece of the bride, served

Mrs. Perry Dalton

as junior bridesmaid.

Mr. Henry A. Roper of Clanton served his foster son as best man. Ushers were Ervin Dailey of Clanton, Alvin Dalton, Eugene Dalton and Jerry Dalton, brothers of the groom, of Clanton John H. Stoudenmire of Prattville and Jimmy Hall of Montgomery.

Mothers of the couple chose shades of beige for their dresses and hats to compliment the colors worn by attendants. Mrs. Chancey and Mrs. Dalton wore yellow orchids and Mrs. Roper chose a moss green orchid.

Mr. and Mrs. Chancey were hosts at a reception in the fellowship hall of the church immediately following the wedding. After a wedding trip to Gatlinburg Tenn., the couple will be at home at 1833 Galena St., Montgomery, near Huntington College, where they will be senior students. Rev. Dalton is

pastor of three Methodist churches in Tallapoosa County.

Mrs. Chancey entertained the bridesmaids with a luncheon on Sunday, August 12, and Mr. and Mrs. Roper were hosts at the after-renewal party Saturday night at the Guest house in Prattville.

PERSONAL NOTES

MR. and Mrs. Charles Leroy of Castleberry, Alabama were the guests of Mr. and Mrs. W.F. Haywood.

MR. and Mrs. Lamar Clayton and daughter Penny and cousins Swannie and Dixie Brooks of Birmingham, have returned from a two-week vacation in Florida. Some of the places of interest they visited were: Silver Springs, Tampa, Orlando, Cypress Gardens and Cocoa Beach.

JEMISON NEWS

By Mrs. George Naish

VACATION TRIP
Mr. and Mrs. C. E. Harrell and daughter, Veronica left August 4th for a vacation, first driving to Detroit, Mich. There they contacted friends and were dinner guests of one family. The Harrells went through the Henry Ford Museum and Greenfield Village to see historical exhibits.

Then to Gettysburg, Pa. There they went through the Civil War Wax Museum. This was very interesting to all, but especially to Veronica, as she has recently studied about that war. Battle scenes were almost real, home scenes were in color.

At Chattanooga they visited Rock City and home, after 12 days of travel.

JOY SUNDAY SCHOOL CLASS 100 PERCENT

The Joy Sunday School Class of the Baptist Church was 100% present on Sunday morning.

This class is composed of the Golden Age ladies of the church. On special occasions during the year this class remembers shut-ins who would be in the Class if able, with gifts and cards.

The class holds a business meeting each month, with a social hour following.

Mrs. H. C. Reeves has served the Class as teacher for two years.

YOUTH ASSEMBLY

Miss Jane Ellison read Proverbs 1:30 as a call to worship for the Assembly. Mr. Ned Lowery, Supt., read Romans 4:7; 6:23 and 10:9-10 and John 1:12 as verses that would assist a person in showing the way of Salvation to others. The Assembly sang "Rescue The Perishing" and were dismissed by Mr. Lowery.

WMU MEETING

The regular business and mission program meeting of the WMU was held Wednesday night, August 15 at 7 O'clock.

There were representatives from the Brotherhood, R.A.'s, Int. and Jr. G.A.'s to learn the how and why of WMU.

Before the program began, Mr. Ned Lowery led the assembly in singing. Mrs. Horace Little, program chairman, gave the introduction, "Central America." A new and living way, Guatemala, Honduras and Costa Rica were under discussion: the location, the climate, exports and general conditions and the religion, including WMU work and progress. Assisting Mrs. Little: Mrs. William Vines, V. O. Lenoir, Herman Shirley, Frances Davenport, Ruby Cobb, Mamie Atkinson, Virginia Shaw, George Naish and Mrs. Louis Brasher who read the Scripture. She led in prayer.

Mission books: Enrollment for Mission was given to each Circle chairman for reading.

MRS. SHIRLEY HOSTESS

Circle One of WMU studied "Communism's Plan of Action" when it met with Mrs. Herman Shirley, Monday afternoon.

Miss Mary Clements was program chairman. Assisting her with the program: Mrs. George Naish, Mrs. Lennie Cobb, Mrs. Naish, Mrs. Lennie Cobb, Mrs. Shirley and Mrs. V. O. Lenoir. WMU President, Mrs. J. A. Peterson gave excerpts from the news on Communism.

Communism's plan of action can be summed up in a series of words beginning with the letter "D": Deception, Destruction, Dictatorship, Death and Disillusionment.

The hostess served ice cream, pound cake and punch.

As a Missions Project, cards will be sent to all members in hospitals and nursing homes.

Miss Mary Clements, Mrs. Pat Clements and Mrs. Leo Shaw attended a tea and gift shower in Birmingham at the home of Mrs. Otis Scott. This shower honored Miss Janice Kennedy, the daughter of Charles Cobb, Jemison and Auburn. Mrs. Lennie Cobb mother of the groom-to-be was in the receiving line.

Mrs. Lucile Clements, Mrs. Hazel Martin and Mrs. I. A. Nolle Northcutt attended an OES meeting at Montevallo, Thursday night.

Mr. and Mrs. S. W. Cost, Della Cost and Nell Champion, are spending the week of 19-26 in Panama City, Fla.

Mr. and Mrs. Gerald Bonner of Hartford, Ala. spent Saturday through Tuesday with her parents, Mrs. Joe F. Cobb and sister, Mrs. Cobb. The Bonners and Mr. Cobb visited Mr. and Mrs. Eugene Swindall as Mrs. Cobb attended a tea and gift shower in honor of Charles Cobb's bride.

Mr. Cobb, the brother-elect, Charles is the brother-elect of Charles Cobb, Jemison and Auburn. Mrs. Lennie Cobb assisted at the tea, given at the home of Mrs. Otis Cook, Central Park, Birmingham.

Mrs. Robert Janert and three children, Julia, Karen and Stephen of Beaumont, Texas have been with her parents, Mr. and Mrs. Seymour Reynolds for a week. Mr. Janert came over on Sunday for a visit.

Diane Reeves of Birmingham, spent a week with her grandparents, Mr. and Mrs. H. C. Reeves.

Mr. and Mrs. James Lloyd Bean and Catherine and James, Jr. of Birmingham, spent the week-end with his mother, Mrs. Ida Bean.

Floyd B. Guy, wife and three children, Monica, Patricia and Johnny Mac of Albany, Ga. were guests of his family, the M. E. Guys.

Serving as ushers at the morning service at the Baptist Church: Dwight Cobb, Kenneth Davenport, James A. Chandler and Charles Cobb, who led the offertory prayer.

With Rev. and Mrs. Louis Brasher and Joe, Friday the 17th were the sister, Mrs. L. S. Pate Birmingham and Mrs. Brasher's sister-in-law, Mrs. Eugene Ball, Aliceville. With them on Saturday were Rev. Brasher's sister and family, Mr. and Mrs. G. C. Whitlock and son Tommy.

Mrs. Ruby Lanier of Wetumpka spent two weeks with her sister, Mrs. George Lewis and Mr. Lewis.

Mrs. Willie Bean, Mr. and Mrs. Arthur Tippet and several of their friends visited Mrs. Bean's sister, Mrs. Tom Cost, Sunday. Recent guests of Miss Mary Clements were, Lester Reese, his wife, Mrs. Jean Brown, Shirley and Norma Reese, Mr. and Mrs. Clyde Clements and family of Birmingham.

Miss Patricia Vines spent a week in Birmingham with her aunt and uncle, Mr. and Mrs. Donald Wyatt and children. Mrs. Vines, Cynthia, Anthony, Susan and Mrs. George Lewis spent Friday with them. Patricia returned home with them.

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinking) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation 128. Shrinks Hemorrhoids Without Surgery

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinking) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation 128. At all drug counters.

Northside Baptist

Horace E. Kimbrel, pastor

The Northside Baptist Church is happy to announce that their new pastor, Rev. Horace E. Kimbrel, and his family, moved into the Pastorial this week, and he will preach his first sermon officially as the pastor next Sunday. Brother Kimbrel comes highly recommended as a great Gospel Preacher and a successful pastor. For more than two years he has been serving very successfully the pastorate of the Aldrich Baptist Church in the Shelby Baptist Association near Montevallo.

THE church plans to give their new pastor and his family a wonderful reception Sunday by having 75 or more people present for the Grand Opening of his ministry at Northside. The spirit of the church is very high and many of the members have personally expressed a feeling of satisfaction that the church will go forward with great progress under the leadership of the Holy Spirit working through the pastor and the congregation.

Personal Notes...

MR. and Mrs. Horsley White, Miss Thelma White and Mrs. Willie T. Johnson and sons Tommy and Chris recently returned from a vacation trip to the Smoky Mountains. They went to Gatlinburg, Tenn. and also to Cherokee, N. C.

Robertson- Goodall Vows
Said In Birmingham

MRS. GORDON L. F. ROBERTSON, JR.

On August 18, 7:00 P.M. the First Christian Church in Birmingham was the scene of the wedding of Pattie Goodall to Gordon Lee Robertson, Jr.

The new Mrs. Robertson is the daughter of Dr. and Mrs. Albert Gordon Goodall, Sr. of Birmingham and Mr. Robertson is the son of Mr. and Mrs. G. L. Robertson, Sr. of Clanton.

Performing the ceremony was Dr. Thomas M. Giltner. The bride wore a gown of white silk organza with jeweled Alencon lace. The pointed basque bodice was designed with brief sleeves and portrait neckline edged with lace. The billowing skirt of organza was lavishly appliqued with lace and ended in a chapel train. The fingertip veil flowed from a double pearl crown. The bride carried a bouquet of white roses and tube roses.

Best Man of Honor was Mrs. Albert G. Goodall, Jr. of Gardendale and Maid of Honor was Dr. Ruth Bartlett Lewis of Panama City, Florida.

Other attendants were: Mrs. Daniel Gilmore, Montgomery, sister of the groom; Mrs. John Douglas Tinkler, Knoxville and Miss Rosemary Russell, Birmingham.

The groom's father served him as best man. Groomsmen were: Mr. Daniel Gilmore, Montgomery; Dr. Albert G. Goodall, Jr., Gardendale, brother of the bride; Mr. Jerry Frank Harris, Columbia, Tenn. and Mr. John Baker, Reform, Alabama.

Soloist was Mr. Glen Youngblood accompanied by Miss Elizabeth McNutt, organist.

After a honeymoon in Gatlinburg, Tenn. the couple will be at home in Chickasaw, Ala. For traveling, the bride wore a Cocoa knit suit with matching brown accessories and a corsage of yellow orchids.

Don Graham, Pastor

Our Revival, which was held from July 29 through August 4, was a wonderful inspiration to each of the members of the church. Brother James B. Cambron, pastor of the Union Baptist Church for the past 33 years, led our services. Our song services were directed by Richard Bohn, Minister of Music at the Bethel Baptist Church of the Birmingham Association. He led our Youth Choir and offered a solo nightly. On Saturday, our closing night, we had our Baptismal services.

There were fifteen candidates for Baptism and during our services twenty-eight decisions were made. This was truly a Revival and we thank each of you who attended our services.

The Young People of the church have decided to have a "Fellowship" every Sunday night after Training Union and the church service. This will begin officially in October. Last Sunday the Young People went to the Par-O-See Restaurant.

This Sunday we will go to the home of Mr. and Mrs. Osmond Glenn for refreshments. Starting in October, we will go to the Restaurant on one Sunday night, to someone's home the following, and the next will be spent at the church.

Our nominating committee will meet this week to nominate the people to fill the offices of our church. If you have any suggestions please get in touch with the pastor or the committee.

The boys and men of the church have planned a Campout on August 24. If you are a Junior and up, you are eligible. If you are younger and your father goes, you too, may go. They will leave the church at noon on Friday and will spend the night and return after breakfast on Saturday.

The Young Married People have planned a social at the home of Mr. and Mrs. Allen Ray on Sept. 13 at 7. This will be quite a turn-out — the men will furnish the food.

TENNESSEE

THE State Capitol building at Nashville was completed in 1845 and is considered to be a fine example of Greek Ionic architecture. It commands a view of the city and countryside from its vantage point on Cedar Knob. On the grounds are the tombs of President James K. Polk and his wife. The War Memorial Building covering two city blocks is just across the street from the Capitol. It houses an auditorium and offices and museum of history, natural sciences, ethnology and ornithology. Another city is a replica of ancient Athens' Parthenon.

Total Loss- Quick Freeze Barn Burns

THE cattle and storage barn at Chico Quick Freeze burned to the ground Wednesday morning at 11:00 o'clock and the flames, fed by hay stored in the barn, came very near to burning the main building.

Quick action by Clanton's volunteer firemen kept the fire from spreading to neighboring structures and reports from the Fire Department and spectators said that no cattle or other livestock were lost in the blaze. The building was estimated to be a total loss. The fire raged out of control for about 20 or 30 minutes before the firemen finally subdued it.

The barn is located directly behind the processing plant of the Quick Freeze, Mayor J. Hollis Jackson, owner, could not be reached before press-time for a statement.

Origin of the fire is yet unknown.

At County Fair -

Top Exhibit Prize Goes To Maple Springs Home Demonstration Club

Some Say Finest Exhibits Ever At This Year's Fair

attracting much attention at the County Fair this year. The 11 exhibits sponsored by Home Demonstration Clubs are the results of much planning and hard work by Club members, husbands and other interested people.

The exhibits are judged on quality (articles in exhibit of good quality and in good condition), attractiveness and arrangement (attractive sign or signs, attractive attention, articles in good proportion, neat and well arranged and use of color, light and motion), and educational value (tells a story or carries out the theme of the exhibit).

MAPLE Springs Home Demonstration Club First Place and received \$100.00 for the exhibit, "Find A Pot Of Gold At The End Of The Rainbow". Through personal money management, regular saving, planned spending, investing, using credit wisely, insurance estate planning and home ownership - examples were given of how this goal could be reached.

FRIENDSHIP Club won Second Prize of \$50.00 with the exhibit, "Old Fashioned Kitchen". This was a fireplace scene with pots and kettles for cooking food and the Mammy holding the baby while she churned. All furnishings and articles were old and things that would have been found in an old kitchen.

THIRD Prize of \$25.00 was won by Isabelle Club with exhibit "Social Evening". This was a garden party taking place

Civitan Corn Dogs At Fair...

HOW do you like your dogs? Corn Dogs, that is! Well, the Clanton Jaycees are willing and able to give them to you just the way you like them, if you'll come by their booth at the County Fair this week!

Come and get 'em!

COTTON PRICES DOWN SOME

PRICES for current ginings declined about \$1.00 per bale last week. Merchant demand is not strong, but shippers are buying a fair volume of cotton.

Best demand is for Strict Low Middling and Middling, 1-132 inches. Some demand was reported for Strict Low Middling and Middling 1-116 inches.

The Montgomery Cotton Exchange is quoting the following prices: Middling, 1 inch, 33.45 cents; Middling, 1-132, 34.10 cents; Middling, 1-116, 34.55 cents; Strict Low Middling, 1-132, 32.45 cents; Strict Low Middling, 1-116, 32.85 cents.

Reports from southeastern counties indicate that farmers are receiving from 10 to 25 points above loan values for current ginings.

Harvesting reached peak operations in southeast sections and increased in other sections of south Alabama. The use of mechanical pickers is increasing. Local showings interfered with harvesting in many sections.

Pleasant Valley Revival Begins

REVIVAL services at Pleasant Valley Baptist Church are planned for September 2-7. Services will be held daily at 10:30 A.M. and 7:30 P.M.

The pastor, Ralph Hornsby, will do the preaching. Mr. Hornsby is a graduate of Howard College and is currently a student at the Southwestern Seminary, and is now a law student at Howard College. We urge each member to attend and invite all visitors to come and to worship with us.

It's The Law...

IT is a law of the State of Alabama that all children entering school in September, 1962 for the first time must be six years old on or before October 1, 1962. To prove age it is necessary for parents to have a birth certificate, the Board of Education urges you to begin immediately to get the certificate because first graders will not be able to enroll in school without one.

If help is needed in securing a certificate, you may secure information from the Board of Education or from the Public Health Department.

Adventist School Opens Sept. 4th

THE Seventh Day Adventist School will open on September 4, for the coming school term. Those interested in enrolling children in the school are asked to contact one of the following: Mrs. Crowson at phone 1133; Mrs. Connerly, phone 477-M2; Mrs. Willis, phone 243-M4.

If you can correctly identify the accompanying Mystery Man, come by the News office as soon as possible Thursday, and give your name in the hat. If you're first you win! What could be simpler?

Mr. Campbell White of Billingsley and a recent Man Of The Week himself, won this week's post card entry. He too, will receive a six months subscription, absolutely free!

Patrons Again Asked To Help With Utility Bills

ALL Chilton County Schools will open Friday morning at 8:00 A.M. and will dismiss at 11:00 A.M. This will allow pupils to buy books and other school materials Friday afternoon.

Schools will be in session a full day on Tuesday, September 4, as Labor Day will be observed on Monday, September 3rd.

Again this year it will be necessary for the Board of Education to ask each school to assume the responsibility for the following utility bills: Electricity, phone, water and sewage. The Board is very appreciative of the manner in which the schools and patrons took care of these bills last year. It is the sincere desire of the Board to resume payment of such bills just as soon as it is possible to do so but until such time as it is possible, the Board asks the cooperation of all patrons to participate in the payment of the bills.

Harp And Harmony Convention, 2nd

THE Harp and Harmony Convention will be held at Pates Chapel on Sunday, September 2nd. The church is located off Highway 31, about 2 1/2 miles west of Thorsby. "All singers and lovers of singing are cordially invited to attend," says Al Mae Jones, secretary.

Jesse W. Sexton Buried Here

JESSE Wayne Sexton, 54 died in the local hospital on Thursday, August 23, after a long illness. Funeral services were held at 3:00 P.M. Friday at the First Baptist Church with Reverend Neil Glazier officiating. Martin Funeral Home directing. Burial was in the Mulberry Cemetery.

Pastor's Confab; Youth Rally On 8th

All pastors and other preachers, youth leaders, and young people will be very interested in two meetings coming up on the same date. The Baptist Pastor's Conference meets Saturday, September 8, 7 P.M. at the First Baptist Church, Clanton. The Youth Rally meets Saturday, September 8, 7:30 P.M. at the Macedonia Baptist Church.

The leaders of these organizations are planning extra wonderful programs for great spiritual refreshing at these meetings. Each of the host churches have their buildings air-conditioned. Folks go where they want to! Why not plan to attend these outstanding meetings and receive spiritual blessings for your souls?

Adventist School Opens Sept. 4th

THE Seventh Day Adventist School will open on September 4, for the coming school term. Those interested in enrolling children in the school are asked to contact one of the following: Mrs. Crowson at phone 1133; Mrs. Connerly, phone 477-M2; Mrs. Willis, phone 243-M4.

Mr. Sexton was an active member of the First Baptist Church of Clanton and of the Clanton Masonic Lodge No. 423. For a number of years he was employed by Baggett Transportation Company.

Mr. Sexton leaves a host of friends relatives and loved ones to mourn his untimely death.

Miss Bentley Chosen Cotton Maid For '62

BEFORE a crowd of some 250 persons, last Friday evening, a new queen was crowned, bearing the title of Miss Chilton. . .

This time it was the 1962 Miss of Cotton, and an already once-honored beauty, Miss Rebecca Bentley, Chilton's 1962 Peach Queen was crowned Maid of Cotton.

Miss Bentley, daughter of Mr. and Mrs. Sam Bentley of Thorsby, was crowned last year's Maid, Miss Carol Reese Mullins.

The 20-year-old Rebecca received a \$100 check from the Farm Bureau, co-sponsor of the Contest and her roses were presented by Pinedale Gardens of Clanton.

William Hicks was the fashion co-ordinator and William Helms was emcee. Miss Bentley, who is a student at the University of Alabama will represent Chilton County in the State competition later this year.

The President of Beta Sigma Phi, Mrs. Mary Ann Taylor, presented the new Maid with her flowers.

Sunday afternoon.

Mrs. Evie Harrison underwent surgery in Selma last week. Mrs. Harrison will again undergo surgery this week.

On Tuesday at last week the following people happened up at the Arntsen Harris residence, bringing with them the complete noon-day meal. This was a surprise to the Harris'. At noon a spread under the shade trees on the lawn. Such an enjoyable day for all present: Mrs. Mamie Cooke, Mrs. Mittie Hooks, Mrs. Lula Mae Woodward, Mrs. Ruth Arnold and son Billy and son Pharr, all of Selma; Mrs. Jesse Harris and daughter Katie Faye of Stanton.

Mr. and Mrs. R. A. Harris spent Thursday with Mrs. and Mrs. Arliss Harris and family of Selma.

Mr. and Mrs. Earnest Fulford are both confined to the Selma Baptist Hospital. At noon Monday 'twas reported that Mr. Fulford is some improved but Mrs. Fulford is gradually growing weaker. Mr. and Mrs. Fulford are the parents of Howard Fulford of Clanton.

Mr. and Mrs. J. B. (Bryant) Cooke announce the birth of a son at the Chilton County Hospital, Clanton. Mother and son are doing nicely at this writing. Congratulations to Mr. and Mrs. Cooke.

MRS. WILLIE DEE LEVINS SUCCEDES

Mrs. Willie Dee Levins, wife of Barney L. Levins, of Plantersville, died at the residence, August 7, 1962.

Mrs. Levins was born in Chilton County, approximately four miles from Plantersville, the daughter of the late Crawford Harris, a Chilton County and the late Bama Motley Harris, an Autauga County man. Mrs. Levins attended grammar and high school in Plantersville and was a student at Montevallo and Livingston Colleges. Mrs. Levins taught school in the grammar schools in Chilton, Dallas and Autauga Counties before her marriage in 1914 to Barney L. Levins. After her marriage she was a substitute teacher in the grammar and high schools in Dallas County.

Mrs. Levins had one brother, Earl Harris, who died several years ago at the age of 58.

Mr. and Mrs. Levins have one son, Gerald, of Plantersville; two grandchildren, Julia Olivia Levins and Charles Levins. Mrs. Levins was a bookkeeper for many years for John T. O'Neal and A. M. Pickering, lumbermen.

Mrs. Levins had many talents and those talents were used beautifully. After she was confined to bed, she made beautiful crochet dollies, and other items of hand work. She was never idle.

She was many years a member of the Plantersville Eastern Star Chapter No. 309. A very hard worker in her Chapter and one that the members turned to for leadership. Mrs. Levins, some three or four months before she died, made the final arrangements for her last rites.

Funeral services were 2:00 P.M. at the Plantersville Baptist Church. Her body lay in state from 12 noon till the hour of the funeral. Mrs. Levins requested that the Rev. A. S. Bentley, a life-long friend, retired Baptist Minister of Grove Hill, Ala. and the Rev. Dennis Elliott, pastor of the Plantersville Baptist Church jointly officiate.

Pallbearers were: W. C. Herrod, Jr., Milan B. Warren, Ernest Harris, Louie Barnes, John T. O'Neal, W. A. Friday, Onroe Sherrer with Breslin Service of Selma directing. Interment was in the Christian Cemetery.

Billy Traywick Is Four Years Old

On Tuesday, August 14, Billy Traywick, son of Mr. and Mrs. Thomas Traywick, was entertained with a birthday party honoring his fourth birthday. The guests were served cake, punch and ice cream. Afterwards the guests enjoyed a swim at the City pool.

The guests included: Jenelle and Nancy Mims, William Mims, Janice and Van Sue Mims, Ina Sue and Laura Ann Wyatt, Benny Traywick, Rita Weed, Carol Devaughn, Mary and Clark Walters, Phillip and Mike Mims, Alice Faye and Kathy Dykes, Joan and Becky Mims, Len. Val and Lorri Traywick.

September To Be Busy Month For Baptists

by M. G. FIELDS Superintendent of Missions

Lots of Spiritual action to be sponsored by the churches in the Chilton-Union Baptist Association during the month of September, which is near at hand, was approved by the churches at the Annual Association last October.

On September 6, 7:30 P.M., the pastors and superintendents of the churches who plan to participate in the pastor-led Sunday School enlargement campaign, are to meet with Rev. George Ricker, who is to be the Campaign Director. This meeting will be held at the West End Baptist Church, Clanton. On September 8, 2:00 P.M., the

day the Northcutt's visited Rev. and Mrs. J. H. Dodd in Birmingham.

Mr. and Mrs. Roy Lane attended the Singing at Community Baptist Church Sunday afternoon. They reported little Deborah Giles to be doing just fine after undergoing surgery. She is able to walk on her crutches and is planning to start to school. Just wonder how many able-bodied children are looking forward to the opening of school with the same anticipation as this little girl? She still desires your prayers for her continued improvement.

Mrs. Sam Davison has returned from the hospital. Sandra Nipper is also on the sick list. Don't forget church services next Sunday.

On Sunday, September 17, 7:30 P.M., the regular meeting of the Association will be held at the First Baptist Church, Clanton.

THEN on September 18, 2:30 P.M., the Fifth Sunday School Session will be held at the Baptist Church, Thorsby.

THE Woman's Missionary Union is looking forward to the annual meeting October 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, A.M. at the Ebenezer Baptist Church, Stanton. The Sunday School Quarterly Meeting will be held at the Ebenezer Baptist Church, Stanton, on October 8, 7:30 P.M. at the Baptist Church, Thorsby, and the Annual Association meets October 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, at Concord Baptist Church on the Second Day.

And Safeguard The Lives Of Our Children!

Safety Is YOUR Responsibility . .
When In Doubt, "STOP"

YOU, nobody but YOU controls YOUR car! If YOU are involved in an accident. . . If a child is injured or killed . . . YOU are responsible! Remember: children are hasty, unable to exercise judgement, it is up to YOU to watch out for them, to be extra-cautious, extra alert! YOUR judgement as an adult has qualified you for a driver's license. . . So YOU must accept the responsibility for the safety of our children by taking more than usual care, by being always on the alert! YOU can NEVER replace a LIFE!!

The first rule of safety is. . . SLOW DOWN AND LIVE! Those few extra moments you spend driving slowly may save a child's life — Perhaps YOUR own! Be sure your car is in top mechanical condition! Poor brakes and slippery tires can, in an emergency, mean death instead of life! Best of all, learn to understand and obey ALL traffic laws! Lister Hill - For Alabama--

WE have heard, of late, a comparison between an unknown Republican candidate for the U. S. Senate and our own Senator Lister Hill. In the particular category mentioned, there can be no logical comparison of any unknown individual - political or otherwise - and the Senator.

The evidence of this fact is best brought out by the comment of a party whom we overheard the other day. He said:

"There seems to be a lot of talk about people 'seeing' this unknown Republican candidate, and 'seldom seeing' Senator Hill." It happened that this speaker was standing in front of a large picture of the Chilton County Hospital and Nursing Home, and he continued: "I am looking at the image of Lister Hill right now!" And so are millions of other people who have benefited by this one man's efforts!

And there's your comparison! If you are doubtful of Democratic Progress, just take a look around you!

It's Got To Be The 'Beat'--

HERE'S a line or two from one of the popular (?) songs of today:

"You've already put big ole tears in my eyes,
Why must you throw dirt in my face?"
After hearing soul-stirring, heart-warming, lyrics such as this, we can't understand why the younger generation is wondering what's happening to the older generation!

It's got to be the 'beat'; it couldn't be the message!

Are They Havin' Any Fun?--

THE kids of today - the citizens of tomorrow - will be smarter, quicker to learn than their parents and grandparents. Of that there is no doubting!

But, are they having any fun? And if they aren't, could that be the reason for the crime, the so-called "suppressed desires", the lack of purpose common to the younger generation?

We're not looking for a sermon on the virtues of today's youth - we think we are well aware of them. We're speaking of the other side of the coin.

We mean real fun! Simple, natural fun! That of hunting in the woods with your beloved dog-friend; building a tree house in the old chinaberry tree and letting your imagination do the rest; or catching minnows - just for fun - in the creek that runs through Mr. Moore's cow pasture.

Or making a sling-shot out of an old inner-tube and string; climbing the old oak tree, just to see if you could do it, and how high was up!

Television has been a great contributor to modern kids losing out on these and many other simple, yet intriguing, joys and adventures of growing up. Mothers and dads have helped a lot, too! A boy who has built a house of pine straw in the woods, or discovered a setting hen in the barn, or picked "pop-beans" in the Autumn fields, has something that nobody can ever take from him. A communion with Nature and God's creations that give him a secure feeling in spite of the restlessness of the world. The individual who knows and loves Nature, isn't likely to become discouraged over some man-made hysteria. He is above the heads of those who never seek the solace of the quiet woods, with the winds lightly rustling through the tree tops; or the green fields, where the rabbits play and the Bob White, with inspired voice, thanks his Creator for the blessing of life!

Cotton Signs--

IF a fellow had the ambition - and the time - he could make himself quite a 'cotton crop' just picking up the "loosings" along the roadways from the trucks and wagons on their way to the gin in town. It's a sure sign that Old Man Winter is on his way, with Heaven knows what!

The County Fair--

A RESpite for young and old from the wearies of the world, comes each year with the County Fair.

It is a time of wonder and amazement for the young and for the older, a chance to relive some beautiful memories. Many people, especially the Clanton Jaycees, put much effort into the annual Chilton County Fair and it has become, not only enjoyable, but traditional. Livestock and poultry displays, business house wares and services, and things of interest to most everyone can be found at the Fair. Not to mention the variety of ways to have lots of fun and spend some of that hard-earned cash!

If you haven't already, live it up a little, attend the 1962 Chilton County Fair before it closes next Saturday night. It only comes, but once a year! And some say, "thank goodness", but they enjoy it more'n anybody.

The 'Grassroots' - Outposts of Freedom--

THE violence of pure prejudice is not the way of the true South!

And we wonder, as the "soft touches" of the integrationist and rabble-rousers are used up, in the larger metropolitan areas, how long it will take them to reach their tentacles into the peacefully segregated areas of the "grassroots".

Experience tells us that it may not be long! And it brings to mind the question, "Are the people of the 'grassroot' areas, such as Chilton County - the True South - willing and able to support their own educational systems - at least through grade school, possibly high school - without the demanding assistance of the Federal Government?" We know there is a lot of raw prejudice in our own County, just as there is a lot of fair and open-minded thinking. Are those so prejudiced willing to make efforts at establishing local schools, with local controls, and bear out the inevitable responsibility of maintaining such systems? Or will they merely rear up on their hind legs, so to speak, and balk at any suggestion of intelligent remedy of the problem?

We can ill afford to sacrifice our children's education to the egotistic hatefulness of those who think they are better than most, and who demand that someone owes them something, from somewhere!

Those who handle the problem, if and when it comes to us, must be our well-educated citizens of character and intelligent determination to see that right prevails. We do not want a fanatic group of egotists guiding, or misguiding, the fate of our children, regardless of their intentions!

Let us decide what we would do in a situation of "forced fraternization" and then see that we are prepared to do it, when the time comes. Planning - intelligent planning - is the one great hope of the Southern way of life - in fact, of Freedom itself! Stupid reaction is the one failure we do not intend to make, or let be made! We cannot!

Chilton's "Drive For Safety"--

NOTE, if you will, our Safety Plea in this issue, sponsored by local merchants who believe that it is good to remind us to be careful with the lives of others. With school getting underway next week (Friday in fact), and the Labor Day Week-end upon us (31st thru 3rd) we can all be too careless, but we cannot be too careful!

The merchants who bring you this timely message will be found listed at the bottom of the "Safety" page, and would appreciate your heeding their sound advice on caution! We also thank them for their community spirit!

The Art Of Complaining--

A GENTLEMAN from Georgia was through the other day looking for folks who had been "hurt" financially by the new Interstate which "by-passes" Clanton. We have no doubt that he found plenty of them! We do hope that he found enough "optimists" in the group to offset the bad publicity we have already received because of this progress for the State. If we have suffered less at the "hands" of the highway, we certainly hope that this County is one that can make an asset out of a liability and go on to bigger and better achievements!

MAN OF THE WEEK

JOE SMITH

"MR. CIVITAN" of Clanton! That's a distinction that our Man of the Week holds, and though it is his own doing, we don't think anyone would challenge us on the statement!

Better known by his friends and customers as "Joe", Joe Smith is a landmark in Chilton County.

Mr. Smith has been in Chilton County for 27 years and has operated his own business - the Joe Smith Service Station - for about 17 years. He has been at his present location on Seventh Street and 4th Ave. North for the past 12 years. And, we would venture to say, has made for himself and his business, about a million and a half good friends. Joe has a very pleasing personality and an uncanny memory for first names. In fact, we wouldn't be surprised if he could call 99 percent of the population by their given name!

Joe and Mrs. Smith have two children, Bonny, who is employed at Newport Business Forms in Clanton and Jo Ann, who is Mrs. Bill Hays. Joe is a granddaddy twice over.

Mrs. Joe Smith has been employed as a clerk at the County Courthouse for the past eight years.

They are active members of the West End Baptist Church in Clanton and Joe is, as we said, "Mr. Civitan" in Clanton. He was the charter president of the Clanton Civitan Club back a few years ago. He has served two terms as Lt. Gov. of the

Central District of Civitan International and was awarded the Honor Scroll during each term of service. He was public relations man for five clubs in the local Club. Joe Smith is not a great man, if you judge greatness by literary accomplishment or scientific achievement. But Joe Smith, the man, as his name implies, is the kind of fellow that we need more of in this troubled world in a troubled day. He is plain and simply, a good, solid, American citizen. We salute him for his achievements in civic affairs of this community and for his devotion to his God, his family, and his Country!

Report from Washington

BY
ARMISTEAD SELDEN
Congressman, Sixth District

THE outstanding progress made in recent years on the Warrior-Tombigbee and the Coosa-Alabama (reported in last week's column) indicates that the vital waterway will be functioning in the not too distant future for the benefit of the state and nation.

TENNESSEE- TOMBIGBEE--

Still pending, however, is an extremely important waterway development directly affecting not only the Sixth District and the State of Alabama, but also the states of Mississippi and Tennessee. This is the linking of the Tennessee River with the Gulf of Mexico in order to provide an alternate route from the Great Lakes to the Gulf.

The United States Corps of Engineers recently completed an exhaustive investigation and recommended that the proposed Tennessee-Tombigbee project be constructed to serve as the most feasible alternate route. The Engineer's report endorses changing the classification of the project from a "deferred-for-study" status to "active".

This project, which was envisaged 150 years ago but not authorized by Congress until 1946 is designed to connect by a canal the Tennessee River with the Gulf of Mexico in order to provide a slack water channel 10-16 feet deep with a minimum width of 170 feet, stretching 253 miles from Demopolis, Alabama to the Pickwick Pool on the Tennessee River.

The Tombigbee is navigable now from Demopolis, situated at the Tombigbee's juncture with the Warrior River, to the Port of Mobile.

In its report, the Corps of Engineers concludes that construction of the Tennessee-Tombigbee Waterway "in accordance with the plans proposed herein is feasible from an engineering standpoint and the economic benefits to be derived therefrom are of widespread nature and of sufficient magnitude to warrant the undertaking of the project."

Final approval until after the President's budget for fiscal year 1963 had been sent to Congress. Consequently, no planning funds were budgeted for the proposed Tennessee-Tombigbee Waterway. Despite this fact, the Alabama, Mississippi, and Tennessee delegations, as well as other interested parties from these states, urged the Appropriations Committee to include such funds in the current appropriation bill.

While our request for funds was not granted in this instance, the House Appropriations Committee included a statement in its report that action would be deferred "without prejudice" on this project "until there had been an opportunity to go into all of the details concerning its justification, with the Corps of Engineers."

IMPORTANT BENEFITS--

The benefits accruing from the connection of the Tennessee with the Gulf of Mexico are of primary importance to the states of Alabama, Tennessee, and Mississippi, as well as to the mid-continent region. Also, the project can be expected to benefit a large segment of the national population through the lowering of production and marketing costs effected by cheaper transportation along the water route.

Despite the failure to secure planning funds for the Tennessee-Tombigbee Waterway during the present session of Congress, the release this year of a favorable report by the Corps of Engineers is a definite step forward. Efforts to secure favorable action by both the Bureau of the Budget and the Congress should receive high priority in the months ahead.

Chamber of Commerce Agrees With Us On River Development

Mr. Bob Tucker
Chilton County News

Dear Bob,

PLEASE let me congratulate you and Ben on the very timely and constructive editorial on the Coosa River Development which appeared in this week's (August 16th) Chilton County News.

As you know, the Alabama Power Company has leased to the State Department of Conservation for ten years a suitable tract on Lay Lake for development of a boat launching ramp and recreational park for the use of the general public. However, no work has been performed in the actual construction of this facility yet.

We have been hopeful that this park, which will be constructed with 75% federal funds and 25% state funds, will soon be completed. We have also been hopeful that, when completed, the park would be so attractive and so valuable

an asset, that all concerned would pull together to secure the development of similar sites on Lake Mitchell.

These parks, which have proven very successful in other areas of Alabama, will add to the local economy, recreation and better provide for water safety and a more complete development of this great natural resource.

With so many people interested in this project, I believe that we can all look forward to this project's becoming a reality.

I know that you will keep up the good work in plugging for this development to the end all of the work which has been done on project will not have been in vain.

Sincerely yours,
Chilton County
Chamber of Commerce
John M. Higgins, President.

THERE is nothing as natural looking in print as F-O-L-S-O-M! The word is fascinating, and the man who wears the name certainly takes advantage of that fact!

MRS. Bill Hampton said last week's Mystery Man was R. V. Watson. It was Joe Smith (See Man Of The Week column on this page). Mrs. Hampton is not the first one to guess wrong on the Mystery Man; we had one lady who didn't even know her own husband! But ain't it fun?

We have heard criticism of Clanton's Police Department of late and we have not been able to clarify it with the proper authorities, but we would like to say that if there is anything wrong with our Police Department, it is nobody's fault but our own. In the first place, our police officers are drastically underpaid, as are most other law enforcement officers.

And if there have been errors in the enforcement of the law, it is most likely due to the lack of training facilities we provide for these men, rather than the character of the men himself. A policeman is a human being, not a superhuman being, and he is subject to error. The best way to cut down on the errors made is to provide better training for our police force. We've got the right idea alright - we're criticizing ourselves - because we are responsible for the situation. If we want a better police force we will have to pay for it, one way or another! We serve you just cause 'griping' about police officers in general, when they are

ABUNDANT LIFE

by ORAL ROBERTS

HOW TO TACKLE LIFE'S PROBLEMS

Have you ever tried to prune a quince bush? If you have, then you know how the tiny thorns prick at your fingers painfully as you grasp the branches.

But if you take hold of only one branch at a time and proceed with caution, the little thorns do not have enough strength to prick your fingers. Individually, the branches seem powerless against you. But when they are pressed together, watch out!

Here is a good example of strength through unity. One branch from the bush cannot do much harm. The thorns are there, all right, but they don't have much "bite." When they unite, however, they have enough power to keep anybody out.

This can serve as a lesson. Tackle life's problems one at a time, and they are more easily overcome. But try to tackle all your problems at once, and you could be defeated by those problems.

Yes, there is unity in strength; and this holds true in just about all situations. A group of dedicated people, pressed together with one common purpose in mind, has more power than do

the individuals within the group. If an individual set out to do the same thing, he might fail.

When we learn to handle life's problems one at a time, they aren't too difficult. It's when they consolidate and burden us down that their load may crush us into defeat.

But the Christian can take all of his problems to the One who has the power to cope with them--God in Heaven. God answers prayer. When we learn to take all our problems to God, we are on the best--and only--road to getting them solved.

God is our ever-present help in time of need. God wants to help us solve all our problems. He is the real Comforter. He understands all situations.

I always take my personal problems to God in prayer. I have problems just as you do. We all have personal problems that sometimes prick at our hearts overwhelmingly, just like the quince bush thorns.

The way to tackle life's problems is to take them to God. God is good. He wants to help. He wants to solve our problems for us. All we have to do is ask and believe.

doing the best job they know how to do, or can afford to do.

MR. Vernon Tucker of Florence, Alabama was in to see Tuesday and we were telling him about the "Tucker-Connors" somewhere, but we didn't have much success. He says he wasn't too keen on the name, but better looking than we are, but then that doesn't mean much either - we've got some good looking folks in our family; he was just looking at the "brains". You know, an indefinite debate within the family on this subject, so we may or may not see "Things" next week!

LIKE THE DIAL OF A CLOCK

By Mrs. Clyde Martin

Our life is like the dial of a clock. The hands of God's clock are always going. The hands of the hand of death are always going. The hands of the hand of the long hand, the hand of the day, slowly and surely, are of discipline each stroke. God speaks to us through the discipline. He shows us the way of blessing for each stroke of discipline. Both hands of the clock are in one secure place, the unchanging hand of the God of love.

In Memory

"ON July 15, 1962 a dear brother passed away. Clint Chandler was 63 years old, Mar. 29th. He passed away in a Tallahassee hospital and was buried in Rose Hill Cemetery. He left a wife, five children, ten grandchildren, his mother, three sisters, six brothers and a host of friends and relatives. Where my beloved had to lie. For weary months, shut from the sky: He often held in his tired hand A mirror, in its depths he scanned. Our neighbors garden and her flowers: It helped him through the dragging hours. He who had always been so free, The memory is always with me. And yet I know there is no need For my remembering heart to bleed; For he saw beauty through a glass. But dimly, flowers and trees and grass. But now, Oh miracle of grace, His eyes behold God, face to face. Written by a sister who loved him.—Resie Hathcock.

EXECUTIVE COMMITTEE
NAMED TO MEET
THIS WEEK

The theme "Planning For The Year Ahead" will be featured with detailed plans for promotion at the Chilton-Unity Association Training Union Quarterly Meeting Monday, September 10, 7:30 P.M. at the First Baptist Church, Thorsby.

The executive committee, Robert L. Bowers, Henley Carter,

Dangler-Neeley
Vows Spoken

Mrs. Shirley Faye Neeley became the bride of George Lester Dangler Jr. on Sunday afternoon, August 5th at five o'clock in the Bethany Baptist Church.

Rev. Sidney Gray, pastor of the church, officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. James Randolph Neeley and Mr. and Mrs. G. L. Dangler of Newport News, Va.

- Personal Notes -

MR. and Mrs. Frank Mullins of Mobile visited relatives in Clanton last Sunday night and evening. They were en route to Birmingham.

MR. Vernon Bulger and daughter Eleanor of Pensacola visited his brother, V. L. Bulger and family last week.

VISITING Mrs. J. R. Hardy last Wednesday were Mr. and Mrs. Warren Campbell and Mrs. Joe Spivey from Alex City.

MR. and Mrs. Joe Douglas Grooms and children Gwendolyn and Louise of Columbia, Tenn., spent the week-end with their parents, Mr. and Mrs. Joe Grooms. The girls remained for a week's visit.

Mrs. I. V. Jones and Connie and Mrs. Katus Rogue visited Mr. and Mrs. Wayne Warrin at Montgomery Friday.

MR. and Mrs. Lewis Headley and daughters Sally Jane and Ginger returned last Friday from a vacation at Fontana Village, N.C.

MRS. M. Vaughn Cherry and Mrs. Elizabeth Painter of Leighton Park, Verbena, attended the Dedication ceremonies at Eufaula, Alabama, recently opening the Richard B. Russell Bridge, connecting Alabama and Georgia.

Senator Russell is a cousin of Mrs. Painter's, her mother being Maude LyByrd Russell of Ga.

Mrs. Cherry and Mrs. Painter were in the record cavalcade of dignitaries which greeted Sen. Russell and Sen. Lister Hill of Alabama on their arrival at the airport.

MR. and Mrs. Cary Mullins and Linda made a tour of Texas last week where Mr. and Mrs. James A. Bice, Randall and Karen stopped off for three weeks. Then continuing through the midwestern states, they visited their daughter Geraldine and Kenneth Mims in Kansas with Geraldine returning home where Kenneth will later be home or leave.

Plans for these conferences will be made to reach all Baptist Church members for Training Union; also for more study courses to be held at each church. "Back Yard Study", "Law n Learning", "Terrace Training", "Summer Study Sessions", "Preparing to carry out the Great Commission of Christ, will be encouraged.

Only 3,370 Baptists out of 1,201 are enrolled in the Training Unions of the 54 churches in the Chilton-Unity Association during the whole year. If Christian Baptist don't do their best, Communist's will bury us by 1973.

15 Thousand In
Chilton Are Not
Enrolled In S. S.

By M. G. Fields

The Pastor-led Sunday School Enlargement, designed for the local Sunday School, is a fresh approach to reaching, teaching, winning and developing more people spiritually.

Beside those who are enrolled in the Sunday School, there are one hundred or more unenrolled prospects.

Fifteen thousand or more people in Chilton County are

not enrolled in Sunday School. The pastor-led Sunday School Enlargement to be conducted in Chilton-Unity Baptist Association, September 23-28, will be morning conferences for the pastors and other workers of the participating churches, led by Rev. George Ricker, State Secretary of the Department of Rural Work of Alabama Baptist.

Also conferences, led by the pastor or other worker, held each evening in the participating churches, attended by the Sunday School workers, deacons and young people from Primaries up.

The aim of the Conference to lead the members to see possibilities, organize more souls to Christ. The pastor—the church decides. The churches of this Association should seriously consider the great opportunity at the beginning, a one last chance to get ready for the pastoral stewardship event. Pastor and workers are all invited to attend the preparation meeting Monday, September 6, 7:30 P.M., at First Baptist Church, Clanton.

Jemison Advisory
Council Officers

The Advisory Council for the Jemison Vo-Ag. Dept. held its regular meeting on August 13th in the Jemison Vo-Ag Dept.

The members were served a delicious steak supper and then the meeting was called to order by our president, Mr. Payne.

The Council decided to meet three times each year on the 3rd Monday night in Sept., Jan., and April.

The main purpose of the meeting was to elect new officers for the new school year. The following were elected: Mr. Cecil Williams as Chairman; Mr. Dalton Champion as vice-chairman and Mr. R. M. McGee as secretary.

The following members were present: Mr. J. P. Payne, Mr. Joe Frank Cobb, Mr. Reece Nichols, Mr. P. F. Singley, Mr. Cecil Williams, Mr. Dalton Champion, Mr. Wilson Clements, Mr. L. C. Shields and Mr. R. M. McGee.

Two new members were suggested by the council. They are: Mr. Thomas Smith and Mr. Julian Horn.

Our next regular meeting will be the 3rd Monday night in September at 7:30 P.M.

District One
Friends and Neighbors:
I want to take this opportunity in thanking everyone in my canvassing last week for their

kindness and encouragement. I want to thank everyone in Maplesville and Stanton last Tuesday, August 13, 1962, as I entered their business places for their time they took, to talk with me. I appreciated it. I also want to thank the people at Coopers, Verbena, Mountain Springs, for their kindness shown me as I entered their business places last Thursday, August 23, 1962.

Voters of District One and Chilton County, I always appreciate every encouraging word that is spoken for me. Voters, you are always welcome to check my record for honesty. Feel free to come in my Community at any time.

How you can receive
a check signed by Uncle Sam
twice a year

When you buy an H Bond you can be sure of receiving your first interest check in six months—and every six months till maturity.

Every year the U.S. Treasury mails out more than 3½ million interest checks worth \$149

million to the folks holding Series H Bonds.

Why buy Series H Bonds? H Bonds are especially good if you're living on a retirement income, or want to invest for current income.

If you own H Bonds you can trade them for H Bonds at any

time. (A nice feature of trading is you don't have to pay tax on the accumulated E Bond interest until your new H Bonds mature.)

Guaranteed growth. Your Bond money now earns 3½% interest held to maturity. Your money can't be lost or stolen

because Uncle Sam replaces destroyed Bonds. And you can get your money with interest anytime you want it.

Every Savings Bond you buy is a share in a stronger America. Why not start a collection today? Ask your banker for details.

H Bonds pay you 26 checks—one every 6 months. If you buy a \$500 Bond, for example, your first 3 semi-annual interest checks will be \$4, \$7.25 and \$10.00. Thereafter you receive \$10 every 6 months. H Bonds also come in denominations of \$1,000, \$5,000 and \$10,000.

Mr. Champion offered the following preamble and resolution for adoption which were duly seconded by Mr. Headley:

WHEREAS, The Honorable J. B. Smith, Chairman of the Chilton County Executive Committee, along with Mr. Hoyt Freeman and Mr. Luther Little, Members of said committee, appeared before the Board of Supervisors and advised said Governing Body at the County Committee, had, by a unanimous vote, requested the Chairman and two members of said Executive Committee, appear before said governing body and discuss the possibility of alleviating and overcrowded voting problem in the large voting boxes in this county; and

WHEREAS, There was considerable discussion regarding the overcrowded voting situation in the large voting boxes and ways and means of giving needed relief from overcrowded conditions in certain boxes, and no action was taken;

BE IT RESOLVED, That the Board of Supervisors, on the basis of the opinion of the said members present that some definite remedial action should be taken at once to relieve the overcrowded condition before the next General Election in November; and

WHEREAS, It was brought out there were two ways of overcoming the undesirable overcrowded conditions and one was the procurement of voting machines or dividing the larger boxes; and

WHEREAS, A voter re-identification program is now in process and the time before the general election being short, it was the consensus of opinion that it would be best to divide the large voting boxes at this time and install the feasibility of procuring voting machines for the larger boxes at the earliest practicable date;

NOW, THEREFORE, BE IT Resolved: That the Board of Supervisors be and is hereby Ordered: That necessary action be taken to divide the large voting boxes in Chilton County for the General Election on November 3, 1962.

The above stated preamble and resolution were adopted by a unanimous vote of all members present and the Chairman declared same duly adopted.

Mr. Motley offered the following preamble and resolution for adoption which was duly seconded by Mr. Mims: WHEREAS, The Highway Department of Alabama did on July 27, 1962, state bids for Projects S-1076(1) and S-1076(2) for the amount of \$48,456.00 and the amount in the amount of \$16,760 and has notified Chilton County that C. F. Holstead, Contractor, Montgomery, Alabama,

on a combination bid, was low bidder; and

WHEREAS, The Director of the Alabama Highway Department has requested Chilton County to concur in the awarding of said bids.

NOW, THEREFORE, BE IT Resolved, That Chilton County do hereby concur with the Director of the Highway Department of the State of Alabama in awarding of contracts to construct the above said Projects S-1076(1) and S-1076(2) and the Chairman of this Board is hereby authorized and directed to issue proper warrants for the county's share of said projects in the amount of \$24,228.00 for bridge over Walnut Creek on a county road East of Clanton, Project S1076(1), and \$4,658.38 for bridge culvert on a county road Southwest of Clanton, Project S-195(4), payable to the State Highway Department of Alabama.

The above stated preamble and resolution were adopted by a unanimous vote of all members present and the Chairman declared same duly adopted.

Mr. Headley offered the following resolution for adoption which was duly seconded by Mr. Headley:

BE IT RESOLVED, That beginning on the 1st day of November, 1962, the Board at said Board meeting recess until next regular meeting.

The above stated resolution was adopted by a unanimous vote of all members present and the Chairman declared same duly adopted.

I, Robert L. Fullen, Clerk of the Board of Revenue and Control of Chilton County, Alabama, hereby certify that the foregoing minutes of the proceedings of the Board of Supervisors of Chilton County, Alabama, of November 13, 1962, were entered and recorded in this minute book, re-produced and a sufficient number of copies of same were made and filed in the office of the Probate Judge, a copy of same was posted in a conspicuous place in the courthouse on the 20th day of August, 1963, and a copy of same was furnished to the Chilton County News, a newspaper published in Chilton County, for publication.

"Action Night"
To Be September 17th
OFFICERS LISTED: TO BE AT CLANTON FIRST BAPTIST CHURCH

Action! Action! Sunday School workers in all the churches of the Chilton-Unity Baptist Association, "Action Night" service to be held Monday, September 17, 7:30 P.M. at the First Baptist Church, Clanton.

It will mean the same to the Sunday Schools that "M" Night means to the Training Unions. The program will consist of great music, scripture and prayer, testimonies, special music, built around a most important theme: "Spearhead For Missions".

Goals for greater success in the Sunday Schools in 1963 will be set. Everyone attending will be informed and inspired to return to their church fields to strive to reach the unreached for Bible Study and for Christ. The meeting will be climaxed with a dedication service as the choir sings the hymn titled, "Ready".

The Associational Sunday School officers: W. L. Hicks, Rev. Don Graham, Mrs. J. G. Hutchinson, P. F. Singley, Mrs. Jack Meek, Rev. C. E. Handlev

Rev. Baker's Five Generations

Rev. Louis Brasher, Rev. J. H. Blalock, are striving to make the very best plans for a great "Action Night" Service.

The speaker will be announced next week. Please announce this meeting at every service in the church and make plans to attend in large numbers. The goal attendance is 901, with representatives from each of the 54 churches.

FIVE generations is not too uncommon in Chilton County. It seems, but that does not alter the pride of the family that can boast such an achievement.

Pictured above, seated is Rev. James Baker, 84-year-old granddaddy of this clan. Mr. Baker was born on June 6, 1878. On Rev. Baker's left, standing is his son, Harvey, age 57, born December 6, 1905. On his right is his daughter, Mrs. Rufus Easterling, age 36, born March 23, 1926 and on her right, her daughter, Mrs. Paul Bavar, age 19, born May 30, 1943. And the 'boss' of the family seated in the lap of great great grandfather is Master Phillip Edd Bavar, age five months, born March 5, 1962. These are just a few of Rev. Baker's family, and he is very proud of all of them.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our many friends, neighbors and relatives for their loving deeds of kindness, prayers, floral offerings and words of sympathy extended during the recent illness and death of our husband and father, Jesse Wayne Sexton. We are most grateful and appreciative of the help extended by the Clanton First Baptist and West End and Bessemer Baptist Churches and their ministers, Dr. J. Gilbert Hutchinson (Rev. Malcolm Stuart), Rev. Neil Clausier, Rev. Cecil O. Sewell and Rev. Cecil Little.

We would also like to extend our thanks and appreciation to the entire staff of the Chilton County Hospital and to Dr. W. W. Rennings for their untiring efforts.

To Mrs. Martin and the boys at Martin Funeral Home we say "thanks" for every kindness shown.

May God richly bless every friend who just stands by in our hour of sorrow.

Come Over For An Informal Porch Supper

Are you one of the many new brides settling up housekeeping this month? Even though you haven't completely furnished your new home you can invite your family, in-laws, and friends over for an informal porch supper served buffet style.

Put some of your lovely wedding gifts to use. For the main course for supper use an attractive double server or divided dish. Cooked in a luscious cream of mushroom soup sauce accented with green pepper, garlic, and rosemary. To go along... in the other side of the dish... fluffy white rice with a sprinkling of paprika for color.

Your handsome wooden salad bowl takes on special airs filled with a tossed vegetable salad.

The table looks beautiful... the food is great success!
1. Veal Roll-Ups Superb
2. pounds thinly sliced veal cutlet
3. jar (5 ounces) cream cheese with chives spread
4. Dash pepper
5. cup chopped green pepper
6. medium clove garlic, minced
7. teaspoon rosemary
8. tablespoons butter or margarine
9. can (10 1/2 ounces) condensed cream of mushroom soup
10. cup water
11. Cooked rice
12. Pound veal with meat hammer or edge of heavy sauce; cut into 6 pieces long enough to roll. Divide cheese into 6 parts; roll each into a ball. Place one near center of each piece of meat; roll, pinwheel fashion; fasten with toothpicks. Sprinkle with pepper. In skillet, brown roll-ups with green pepper, garlic, and rosemary in butter. Stir in soup and water. Cook covered for 45 to 60 minutes, stirring now and then. Cook uncovered an additional 10 minutes. Serve with rice. Makes 6 servings.

CAPITAL KNOWLEDGE

Clanton, Alabama is the capital of a great state and the religion of Clantonism. The State Capitol building was modeled after the Nation's Capitol, but it is somewhat overshadowed by the great Clanton Temple and Tabernacle. A tour here is most interesting because you see its murals telling the history of the state and the unique "Gold Room", a reception room with gold in the handrails, on tables and chairs and even in veins running through the marble with which the room is paneled. A rug for this room was made to order in Scotland and it duplicates the colors of the Utah marble.

Three money-making reasons for fall application of **USS** Ammonium Sulfate nitrogen fertilizer:

- 1** You'll gain additional grazing time. Growth is stimulated for late grazing up to the time your cattle must be housed for the winter. Early spring growth will also be faster—you can release cattle up to two weeks earlier for spring grazing.
- 2** You'll lighten your spring work load. Fall fertilization means more time in the spring for planting and other chores. And fall spreading is easier. In the spring, soggy fields bog down heavy spreading equipment, cause deep ruts and packed soil.
- 3** Nitrogen applied now will work all winter. Soil bacteria need nitrogen to break down plant residues. This decayed matter becomes plant food and adds humus to the soil. Why store nitrogen in the barn when you can store it in the soil?

Agronomists at the Alabama Experiment Station applied 80 lbs. of nitrogen per acre to Dallgrass (content of 400 lbs. of USS Ammonium Sulfate) and increased beef production 123 lbs. per acre. Nitrogen fertilizer can do this for you, too. USS Ammonium Sulfate is easy to apply because it's granular. It stays dry, won't clog your spreader. USS Ammonium Sulfate is leach-resistant—and it's guaranteed 21%

nitrogen with a bonus of 24% sulfur. USS Ammonium Sulfate is available in bag, or, for extra savings you can buy it in bulk. To stock USS Ammonium Sulfate, another quality product of United States Steel, contact your USS Chemicals representative or nearest USS Chemicals Sales Office: Pittsburgh, New York, Chicago, Salt Lake City, or Fairfield, Alabama.

Three of the world's top ranking health officials stand under the World Health Organization flag during a recent meeting in Geneva, Switzerland.

Getting together to discuss international public health during the 15th annual World Health Assembly are, from left to right, Dr. Basile D. Layton, Principal Officer of Canada's Department of National Health and Welfare; Assembly President Dr. Sergei V. Kurashov, USSR Minister of Health; and Dr. Luther L. Terry, U.S. Surgeon General.

The health flag International experts meet under contains the United Nations emblem, the Aesculapian staff and coiled serpent, in gold, superimposed on a blue background. Aesculapian is the ancient Greek and Roman god of medicine.

The three were among the delegates from WHO's 118 member states that met to map the WHO program for the coming year. During three week sessions, the delegates voted in favor of a \$30 million budget for '63—the highest ever in WHO history and higher than this year's by \$3.9 million — to run more than 800 public health projects around the world.

About one-seventh, \$4 million, will go for campaigns to rid the world of malaria since 1955 a main WHO goal — and \$700,000 for training of African and other newly independent nations' medical and paramedical personnel.

Also earmarked are research projects in cancer, cardiovascular diseases and immunology, as well as projects to control and eradicate communicable diseases, such as cholera, smallpox, leprosy, tuberculosis, and yaws.

The global health program is administered by six WHO regional offices throughout the world. In the Americas the office is the Pan American Sanitary Bureau, Washington, D.C.

Mother Praises March of Dimes

(EDITOR'S NOTE: Dorothy E. Brees, young Columbus, Ohio, mother, tells of the remarkable progress made by her daughter in overcoming the disability caused by a severe birth defect.)

By DOROTHY E. BREESE

My little Linda has done far more things in her five years than most people even dream of being able to do in an entire lifetime.

As the March of Dimes 1961 National Poster Child, she met President Kennedy in person and rode on a float in his inauguration parade. She starred in an hour-long television program with some of the country's most popular television and movie stars.

Linda has traveled from coast to coast and seen her picture in nearly every newspaper printed. She has autograph books filled with the signatures of celebrities and famous people she has visited.

These are just some of the things Linda has done that are beyond the reach of most of us. But the one thing we wanted most for her was something the average person takes for granted—the ability to walk alone and unaided.

There were many times during the years that my husband, Dean, and I thought that Linda would never be able to throw away her braces and crutches. And to be truthful, there were terrifying moments when we feared we might even lose her.

Linda was born with an opening in her spinal column, a condition known medically as spina bifida. As a result, her body was seriously affected from the waist down.

When she was only a few hours old, Linda underwent a delicate operation that partially corrected this condition. The surgery was performed at Children's Hospital in Columbus where subsequently The National Foundation with March of Dimes funds established the first of its Birth Defects Clinical Study Centers in 1959.

When she was nine months old, it was found that Linda had water on the brain, which has the medical name of hydrocephalus. This condition

Linda at 23 months after two operations for birth defects. And . . .

. . . Linda today, now able to walk without her crutches or leg braces.

treated by the insertion of a "shunt" tube which drains the excess fluid from the head into the blood stream.

You can imagine how much we worried about our little girl in those early days, because we knew she was never far from death. It could have come at any time. After all, 250,000 infants are born in this country each year with a significant birth defect and 21,000 of them die.

But Linda continued to improve. She received specialized treatment at the March of Dimes-supported center. She got her leg braces and crutches. Linda hated them, but she learned to use them.

When, though— if ever— would she be able to run and play with her sister and two older brothers and the other neighborhood children?

The answer to that question depended on Linda, her doctors, the rehabilitation therapists, and us. We all worked together. We worked long, and we worked hard, but it was worth it.

Only the other day, Linda took her first halting steps across our living room without her crutches or leg braces. It was an unforgettable experience. In my excitement, I telephoned the good news to everyone I knew—and probably quite a few I didn't know. It was a real shout-from-the-households event.

Linda has won through. She improves every day. Now her trips to the birth defects center have been cut to just one every three months. Best of all—we have been able to enroll her in kindergarten.

Dean and I and the children remember the gloomy days. We know that many other parents of afflicted children are going through similar days of anxiety and heartbreak right now. But we also know that The National Foundation-March of Dimes is looking for the cause and cure of birth defects.

March of Dimes contributions led to the triumph over polio, and I'm a firm believer in the slogan that "Your Dimes Will Do It Again."

By Edward Collier

The sun-drenched Southwest offers several exciting Magic Circle auto trips of exploration. The route to Death Valley National Monument, land of dramatic contrasts, is in California, a ghost mining town brought back to life.

Today there are 500 miles of good roads in Death Valley to such spots as Dante's Fork, 6000 feet above sea level for a panoramic view of savage beauty; Badwater, 282 feet below sea level; 20-Mule Team Canyon of borax fame; and Scotty's Castle, the palatial estate built by the promoter-mystery man. Especially photogenic is Golden Canyon, and, at sunrise or sunset, the Funeral Mountains and Ubehebe Crater, an extinct volcano.

Another interesting tour target includes Yuma, Arizona and the Old Territorial Prison where, when the West was young, were kept some of the most dangerous of desperadoes.

Organ Pipe Cactus National Monument, a wonderland of cacti where the government has preserved, in its natural state, the wild beauty of desert mountains and vegetation.

From here there is the excitement of an international trip into the Republic of Mexico. At the little town of Puerto Peñasco brilliant white sand beaches meet the bright blue crystal-clear water of the Gulf of California for sunbathing, swimming, shell collecting, fishing for exotic denizens.

Youth Rally 8th; TU
Meet Called Off

M. G. Fields, Supt. Missions
Chilton-Unity Baptist Assoc.

The youth of the 54 Baptist churches will want to attend the Youth Rally of the Chilton-Unity Association Saturday, September 8, 7:30 P.M., at the Macedonia Baptist Church, located on the Randolph Road, one mile east of the Junction-Maplesville Road.

The officers of this organization promise one of the best programs ever held in the past.

Adult leaders should make plans for the Young People of every church to attend this meeting. Refreshments will be served by the host church, and an hour of fellowship is planned for the closing of this Rally.

THE Associational Training Union Quarterly Meeting scheduled to meet Monday, September 10, at the First Baptist Church, Thorshy, was called off because of some conflicts and several other meetings scheduled to meet in September. The Youth Rally of this organization will plan for an outstanding "M" Night program which is to meet December 3rd. Much literature has gone out announcing other meetings in September. Please announce them.

Pastor's Confab;
Youth Rally
On 8th

by M. G. Fields

All pastors and other preachers, youth leaders, and young people will be very interested in the Youth Rally of the Chilton-Unity Association, Saturday, September 8, 7:30 P.M., at the Macedonia Baptist Church. The leaders of these organizations are planning extra wonderful programs for great spiritual refreshment at these meetings. Each of the host churches have their buildings air-conditioned. Folks go where they want to! Why not plan to attend these outstanding meetings and receive spiritual blessings for your souls?

Why Alabama Power Company Is Opposing the Proposed \$20,350,000 Loan to the Alabama Electric Cooperative

The proposed loan may not be made unless the Director of Finance of the State of Alabama finds in the hearing now before him that it "serves some public need, and is in the public interest."

We are convinced that the proposed electric plant would not serve a public need and is not in the public interest because:

1. Your tax funds would be used to build this plant which will not bring electricity to a single customer to whom electricity is not now available. It would furnish power which Alabama Power Company is able and willing to furnish now and in the future at one of the lowest rates in the nation.

2. The building of the plant will increase your tax burden because the money the co-op would borrow at 2% interest costs the government 4%, so the taxpayers will have to pay one-half the interest on the money loaned to this co-op. Even more importantly, this co-op does not pay federal income tax, state income tax, state franchise tax, or state regulatory tax, and does not pay property tax nearly as high proportionately as Alabama Power Company. Because power from this plant would displace power supplied by Alabama Power Company, federal, state and local taxes would be lost as long as it exists, and those lost taxes must be paid by the public.

3. The proposed co-op plant is a high-cost plant because it does not effect the savings of modern large-scale generation. The cost of power to Alabama Electric Cooperative's customers will be greater than the rate Alabama Power Company sells power to its co-op customers.

The proposed plant would damage investments which Alabama Power Company has already made to supply the power it would produce.

We believe there is no excuse for this waste of your taxes and ours and such waste cannot be in the public interest.

We thank sincerely the hundreds of organizations and citizens of the State who have protested to the Governor and the Director of Finance against this unnecessary and wasteful loan. We hope that all citizens will continue to make their opposition known to them.

Local Employment Agency Manager Is Part-Time Inventor

MILLIE J. (Bill) Varden, manager of your Employment Office in Clanton, and a lifetime resident of Chilton County, has a hobby inventing.

Bill's interest in this type of activity began at an early age. When sixteen years old he built a model of an amphibious army tank similar to those in use to-

day, but due to his father's death two years prior, was unable financially to see about getting a patent for it.

Since that time, he has had to destroy several items from his file of ideas when someone else got a patent before he could obtain finances to carry through as his brainstorms developed.

Recently he has received, or is in the process of receiving, patents for control systems on VTOL Aircraft in Great Britain, Canada and the United States. By the end of this year, he will have received two patents each in the above three countries on the vertical take-off and land aircraft.

His ideas are not consistent to airplanes, but cover a range of mechanical machines.

Bill says that among the sketches and ideas in his file there are three other items he would like to obtain patents for if and when conditions permit, unless someone else beats him to it.

He agrees that if you have ideas that might be patented you must have a large pocket book to go with it as preparation of claims on a patent application runs pretty high in cost, and in his case, he says this is a definite handicap to his hobby.

Mr. Varden and his assistant, Jesse Charles Mims, stand ready at any time to refer people to job openings received in the

Everett Attends 4-H Wildlife Camp

Gregg Everett Chilton 4-H'er, son of Mr. and Mrs. G. W. Everett, of Thorsby, Ala., attended the 10th annual Alabama 4-H Fish and Wildlife Camp, August 13-17 at Camp Tukabatchee near Prattville. Here Gregg and 84 other boys learned how to enjoy and preserve our wildlife in Alabama.

Sponsors for this year's were Federal Cartridge Company, senior sponsor, and Republic Steel, junior sponsor, in cooperation with the Auburn University Extension Service.

Samaria Men-Boys Campout, Success

by Don Graham

On Friday at 12:00 the men and boys met at the church and drove to the Coosa River near Ware Island. There they crossed the river on boats taking their equipment with them. In the afternoon the boys went swimming and water skiing. Some preferred the quieter life of fishing. As the darkness crept around the little island, the men began eating their lunch which had been previously prepared. Around 10:30 a devotion was given and many of the Young People offered their testimonies. Then as some retired and others returned to their fishing and joking some found enough courage to retire.

Confusion in personalities was the order of the day and someone strangely 'misaid' the pastor's prized pair of overalls. No one could have a Camping Trip without encountering a snake or two — ours was complete!

Everyone arose early to cook his breakfast and prepare to go home — thoroughly exhausted, but spiritually uplifted.

tension Service.

The camp, held annually, is specifically designed to teach outstanding 4-H boys how to become better leaders in wildlife conservation.

The program included firearm safety, casting, fishpond manage-

ment, handling shot shells and rifle cartridges, boat safety, trapping and similar activities. The director of the camp was Mr. Earl F. Kenamer.

Gregg said he enjoyed the camp because he was taught the wise uses of our natural resour-

ces. He also enjoyed the lessons on firearm safety. Other things he enjoyed were being in contests of fishing techniques and rifle and shotgun shooting. He enjoyed all of the camp and recommends it highly to other 4-H'ers.

Telephone Talk

Lee M. Comer
Your Telephone Manager

OPERATORS will always be key people in telephone communications. Even with the advent of automation in the telephone industry, there are certain jobs that only telephone operators can handle, such as information service, credit card, collect, and person-to-person Long Distance calls and other special calls. The world's most efficient telephone system depends on helpful, understanding operators who are always at your service.

FUNDULUS HETEROCILITUS (better known as the killifish) is the hero in a drama talking place in the Bell Laboratories' Research Department. Although the auditory system of fish is primitive and under-developed, a better understanding of how fish hear may teach us more about man's hearing. In the experiments being conducted at the Bell Labs, the fish is rewarded if he reacts to sound. With training, the fish learns to push a button when he hears a noise, releasing food from an automatic dispenser. The relation between fundulus heteroclitus and your telephone may seem rather remote, but it is through research and experimentation that telephone company scientists learn new ways to improve telephone services.

CAN'T DO TWO THINGS AT ONCE? Yes, you can! With a handy extension phone a housewife on the patio can talk to her husband at work and keep her eye on the playpen. A teenager can talk on the extension phone in her room to her dream man and put a new record on the phonograph. In the kitchen, Grandmother can watch that cake in the oven and talk to the chairman of the Ladies' Sewing Circle. Extension phones are for busy people! Why not order yours today?

THE GOOD OLD DAYS?? In 1915, the three-minute Long Distance rate from New York to San Francisco was \$20.70. Today it's \$2.25! You get more for your money, too. Service is better. Calls go through faster.

Fire Damages Panthers Gin

MONDAY evening, the local Volunteer Fire Department answered a call between 9 and 9:30 to the Planters Gin & Warehouse just south of town.

According to reports from John Derramus, operator of the gin, no severe damage was done except some belts were burned rather badly, a motor was shorted and some wiring was burned up. Mr. Derramus stated that the gin would continue in operation through the season and that repairs would be made at the end of the season. No one was injured it is reported.

LADY DEMOS TO MEET IN B'HAM.

SEVERAL Lady Democrats from Chilton County will attend a State Democratic Meeting for Women in Birmingham next Saturday, September 15th.

The meeting will be at the Tutwiler Hotel with a workshop at 11:30 and luncheon at 12:30.

Legion Post No. 6 To Meet Monday

AN important meeting concerning all Legionnaires and Veterans will be held at the Veterans Club Monday at 7:30 P.M. Everyone is urged to make plans to attend this meeting. A free Barbecue for all members and their wives has been planned for Thursday, November 8. Everyone is also reminded that your 1962 dues are now due. They can be mailed to P. O. Box 304, Clanton.

BULLETIN!

WEDNESDAY afternoon about 1:30 O'clock the Cotton Gin in West End, Clanton caught fire, but reports from Volunteer Firemen were that the damage was minor and the blaze was not nearly so dangerous as it first appeared. The fire department had everything under control pretty quick.

Young Demos Organize

THE Young Democrats of Alabama, Chilton County Chapter, have, this week, elected officers and officially begun functioning as an organization.

It is an enthusiastic beginning for what is hoped to be a permanent organization in Chilton County with the express purpose of interesting young men and women in 19 through 30 in political and active interest in the running of their government. Plans have already been made for a big meeting on Monday, September 24th at 7:30 P.M. at the County Courthouse. At this time the charter will be presented to the local group.

Elected officials and other notable personalities in Chilton County will be on hand for this event as will the Democratic Nominees for office who are campaigning for the November 6 General Election. Officers of the new group are: Bob Tucker, President; Lewis H. "Pig" Headley, Vice-President; Bob Bowers, Secretary and Francis Speaks, Treasurer.

Appointed at the most recent meeting last Monday evening to head the Membership Committee is Lally Bates. Anyone interested in membership in the Young Democrats are asked to contact Lally Bates or any of the officers.

Tucker had this to say concerning the young organization: "We are joining together with the common idea to interest the young people of Chilton in their responsibilities and privileges of voting and running the affairs of their government. 'We are ready,' he said, 'to boost and support the Democratic Party in this community and its nominees for public office.'"

"It is every good citizen's personal business to vote and take an active interest in good government," Ed Pepper, State Chairman, and Nominee for Public Commissioner is expected to be on hand to present the Charter to the local group.

Political Rally At Thorsby Tonight, 7 PM

ACCORDING to Johnny M. Taylor, Organizational Chairman for the Republican Party in Chilton County, there will be a Political Rally for the people in Beat 9, Thorsby, Alabama area, Thursday night, September 13, at 7:00 O'clock.

The meeting will be held at the Thorsby High School. All Republicans, Independents and State Rights Democrats are invited. Jon Will Pitts, Morris Moatts and Clifford Davenport, the Republican candidates, will be key speakers. Doug Wyatt, candidate for State Senate, will also be present.

PTA TO ORGANIZE AT HENRY ADAIR

PARENTS, guardians and friends are hereby notified of a meeting for the purpose of organizing the Henry M. Adair Parent-Teachers Association.

The meeting will take place in the gymnasium of the school on Tuesday, September 18th at 7:30 P.M.

All interested persons are urged to attend this important organizational meeting.

Samaria Social At Ray's, Tonight

TONIGHT at the home of Mr. and Mrs. Allen Ray the Young Married People of Samaria Baptist Church will have a Social. The menu will do the aprons and do the cooking while the ladies enjoy the evening. It starts at 6:30 and all the Young Marrieds are invited.

The Nominating Committee of Samaria has made its final report and Mr. Odie Sewell is the Sunday School Director and Mr. Allen Ray is Training Union Director.

The meeting will be at the Clanton Holiday Inn and all members are urged to attend.

President Hoyt B. Reynolds.

Ricky Wyatt, who played with the Whiteknives last season has been very impressive at the halfback spot.

The boys have really been hustling, so come out Friday night at 7:30 and enjoy a good ball game!

Bob Powers has nailed down the center spot with Earl Monroe backing him up.

The backfield will find Douglas Coe at QB and running a close second will be Glenn Grant. The left half spot will find Hillard Wyatt or Zed Price who both have looked good in practice sessions. Guy Ray will open at fullback. Douglas Grant who is the Tigers leading scorer from last season, will open at the right half position.

At the guard spots, you will probably find Boyce Hood and Bob McCary with Bobby Martin and Francis Kane coming along fine.

At the tackle slots and we will have Chio Hay and Jimmy Stephens backing them up.

Grand Jury Hears 81 Cases; Returns Total Of 57 Indictments

In the Circuit Court of Chilton County, Alabama, September Term, 1962.

To the Hon. Joseph J. Mullins, Judge of said Court:

"AFTER having been empaneled and receiving instructions from the Court, we proceeded to investigate 81 cases and interrogate 116 witnesses. After due deliberation we are herewith returning 57 true bills."

After making a personal inspection of the County Courthouse building, we are happy to report that in our judgement and opinion it is being kept clean and neat and in good order and is being maintained, and the citizens of Chilton County should be justly proud of their building.

We inspected the County Jail building and are pleased to report that, in our opinion, it is in good order and is being kept clean and neat, and is a safe place for the detention of prisoners housed herein. However, we note that there is only one mattress cover for the mattresses and no sheets for the jail beds. We hereby urgently request the authorities charged with the maintenance of the jail building and equipment to purchase extra mattress covers and sheets as soon as practicable.

In our investigation, we found that the eight larger boxes in Chilton County are being divided alphabetically so as to make sixteen boxes in lieu of eight boxes for the November election and that plans are being made to obtain voting machines for Chilton County's larger boxes and also for all boxes in the new town. We hereby urgently request the Chilton County Board of Revenue and Control to proceed as quickly as possible to the November election throughout the County, and we hereby recommend that they take all steps necessary for obtaining them.

Now having complied to the best of our ability to Your

THE appointment of Mrs. Francis Speaks of Clanton as 1962 Fund Drive Chairman and Mrs. Carrie Wood, Co-Chairman for Chilton County, was announced today by Dr. Grady Segrest of Mobile, President of the Alabama Association for Mental Health, and Mrs. Helen Atkinson of the Business and Professional Women's Club of Clanton.

Mrs. Speaks will announce shortly the Co-Chairmen for the various areas of Chilton County.

The local goal this year in Chilton County is \$1050.00 to provide improved care and treatment of Chilton County's 52 mentally ill, confined to Bryce and Searey Hospitals and Partlow State School. Date for the drive will be announced later by the Chairman and volunteers are urgently needed in this effort.

Donald Martin
Thanks 'Folks'

THROUGH the generous donations of the people of this County, the volunteer workers and the Chilton County Civic Squad, we were able to raise \$2500. I would like to take this opportunity to thank each and every one of you who helped and donated to the Cerebral Palsy Drive. I would especially like to thank the Chilton County Rescue Squad and the girls who helped with the road blocks, also Marion Eastering, Buck Littleton and the local radio announcers, the local officials and the volunteer publicity they gave the drive.

Also the churches which took up donations - but most of all YOU, the wonderful people of Chilton County, who gave so generously.

Thanks,
DONALD MARTIN.

UNDERSTAND that the "Bing" LeCroys have moved to Clanton. "Bing" is now State Supt. of Education. He has taken a house out on West Street. We are more glad to have the LeCroys home again.

HAD he most delightful visits the other night. He was talking with Lewis Headley and the Memorial Gardens. He was being known "Pig" and he was a small freckle-faced kid, but he had with him a Cemetery Consultant from somewhere, that was especially interesting. We can't say he was an expert, but he was determined to show his points well. His name is Mr. J. Osteczek. He was most interesting, as we said, and we hope to talk more with him.

UNDERSTAND "Sleepy" the last out of the hospital for an operation and is about getting his strength back. "Sleepy" learned one thing after you 50, you don't get out of it so fast as you did. He's going back to a pickup in a couple of weeks; he'll be back on the job at Motor Motors.

LEO Thompson usually is up with about the cutest kid in town, and the Season of Cotton Colors for the CCHS Football Fans. He is telling them - He's giving them away. Just go by the Cotton Laundry & Cleaning and see them about your cool colors - they'll have it for you.

A STOREKEEPER in a small town was standing in front of a shop one afternoon when he saw a car rolling slowly down the street. He noticed with horror that there was nobody in the driver's seat. He ran to the car, jumped in and pulled back an emergency brake.

He stepped out, feeling a bit proud, a man walked up to him. "Well," said the storekeeper, "I stopped it."

"I know," said the man, "he was pushing it."

WEEKLY COTTON REPORT

COTTON harvesting in the Clanton portion of Alabama and Mississippi was at peak operation this week. Strickland and about 51,000 samples of classed by the U. S. Department of Agriculture Cotton Marketing Office at Montgomery during the week ending September 10.

Harvesting has progressed at a steady rate this season. A total of 126,015 samples have been graded through September 7, as compared with only 13,979 thru the same date last year.

When grading Middling represented 46 percent of the total, while last week, down 46 percent last week. Strickland grades increased slightly. The percentage of Strict Middling was unchanged last week. Cotton grading is spotted declined slightly, cotton stapling 1-132 inches the predominant staple length, and represented 57 percent of the total, rising up 3 percent over last week. Strickland 32 percent of the samples had 1-116 inches and longer. Cotton from 31 percent last week. Cotton stapling length increased 3 percent over last week.

White Reunion To Be Sept. 16th

THE Annual Family Reunion of the family of the late W. R. Taylor will be held on Sunday, September 16, at the home of Mrs. Walter Broadhead at Bethlehem Community. All relatives and friends are invited to attend.

TONIGHT at 7:30 (Thursday, Sept. 13) the Jemison High School football team tangles with the Verbena High Red Devils.

From past indications and experience this should be another thriller. Since the inception of football at Jemison High (1947) the Red Devils from South Chilton have been rough and tough on the Panthers. Last season at Verbena, they banged each other to a 13-13 tie after the Panthers had rolled the Red Devils over for a 13 to 0 lead in the first quarter. The Reddies tightened, and managed to pull up even.

Gone from the Panther starting lineup are five linemen and three backs, but Jemison's new head coach, Gene Cost, has been working feverishly to fill in these gaps.

The Panthers are short on experience, and size this season, but perhaps have more speed. The boys have shown a rigid determination to give their best, so come on out and support them in their efforts. The writer understands that with the exception of two or three players, the Red Devils are lighter this year than in previous years, but they always manage to come up with a clever team that likes to win.

Loosen up the vocal cords, shove the ole' rocker aside, and by away to Jemison and witness these two local County teams as they open the 1962 gridiron season. This game was moved up on the schedule in order that friends and supporters from Clanton, Isabella, Calera and Maplesville might attend. These teams will play their 1962 season tomorrow (Friday) night.

Final Rites Held For Mrs. Nelson

MRS. Inez Jewell Nelson of Americus, Ga., died September 8 in Americus at the age of 52.

Sunday School, TU

Attendance Below

Normal

M. G. Fields, Supt. Missions Chilton-Unity Baptist Assoc.

The attendance at Sunday School and Training Union at each of the churches of the Chilton-Unity Baptist Association has been below normal during the vacation period this summer. Now that school has started it is expected that everyone will be back at church for every service each week beginning Sunday.

There are enough Church and Sunday School members to overflow every church building every Sunday. Surely every Christian will put first things first according to Jesus' command "But seek ye first the Kingdom of God, and His righteousness" (Matthew 6:33). The Holy Spirit says, "Not forsaking the Assembling of ourselves together, as the manner of some is" (Hebrews 10:25).

The faithful pastors will be expecting to see every one at all the services. The salvation of lost souls depends on the faithfulness of those who have professed faith in Christ. All Christians should stand up at their posts of duty and be counted for Christ. It is later than you think or can imagine.

Basic Drill Card System Teaches Math Quickly

By TOM MACKIN

MINTER, ALA.—"I hope they will be as much help to other teachers as they have been to me."

So said the tall, modest elementary school teacher of an exceedingly simple device which she developed over two years ago, and which is now revolutionizing the teaching of arithmetic and grammar, at least in giving it a long-needed shot of student interest.

The teacher is Mrs. Mary Hubbard, a 15-year veteran in the field of instructing children in the two-often-boredome subject of mathematics and other elementary educational skills. She is presently completing her fourteenth year as teacher of the third and fourth grades at Carlisle School.

Simple Device

The simple device by which she has overcome the tedium which usually accompanies the necessary drilling in the ancient art of plus

and minus is a series of cards known simply as Basic Drill Cards in Arithmetic.

The present cards deal with addition, subtraction, division and multiplication. In the developmental stage is a grammar series which, Mrs. Hubbard is sure, will simplify and speed up Johnny's ability to read, spell, and pronounce. A side advantage is the development of the ability to write smaller, made necessary by the very construction of the cards.

The cards are about the size of a standard sheet of notebook paper, upon which they are placed. Ten rows of simple arithmetical problems are printed on the front of each card, and holes occupy the left on which the sum falls. The student fills the holes with answers and turns the card over to check his work.

Fun In Routine

"The cards lend a spirit of competition and fun to the drill routine," Mrs. Hubbard said. "It's a sort of 'painless learning'."

The card series has found favor across the nation with teachers and administrators, and is now in use in Alabama, Texas, Florida, Louisiana, Indiana, Illinois, New York, California, Oregon, Pennsylvania, and several other states, and in American schools in Italy and Japan.

First put on the market a little over two years ago, the cards of Mrs. Hubbard have spread rapidly. Almost half a million of the cards are in use. Sales work, under the supervision of Mrs. Hubbard, is the main, but increasingly the personal calls. There are 117 outlets for the cards in Alabama. And those who use the cards have told other teachers about them.

"But it's beginning to look as though they may supply some livelihood for my age."

Mrs. Hubbard was born and reared in the small town of Carlisle, Ala., and now lives near Minter with her husband. She has two children in the two classes at Carlisle School, and her work, as described as "excellent" by school board officials.

Educated at Huntington State College, and Livingston State College, Mrs. Hubbard taught for a year in Tallapoosa County before joining the Carlisle School faculty.

"I had 80 pupils in one first grade class," she recalls. "I was happy to get married and come to Carlisle."

To Have Friends--

CONGRATULATIONS to Donald Martin and all those responsible for attaining the goal of \$2,000 — in fact surpassing it — in the Spastic Aid Drive here last week-end! "Donny" says: "It's a mighty good feeling to know you have so many friends!" We would like to remind Donald of the old saying: "To have friends, you must first be one!" The thing is Donald Martin doesn't need reminding, obviously.

The CD Rescue Squad, the Volunteer Firemen and all other volunteers did a splendid job for a worthy cause.

Overcome Immaturity--

THE immaturity of young men seems to be personified in our President Kennedy and some of the appointments which he has made in recent weeks, particularly to the Supreme Court of the United States.

Certainly all young men are not immature in their actions; but as a very established general rule, wisdom for such matters comes only with age and experience and our President does not seem to possess either.

It matters not a whit to us that some of the slack-jawed and outspoken Republicans will brand this opinion as "knocking" and will proclaim: "The Democrats themselves don't even agree with him!" And that is just the point of our being a Democrat: We CAN disagree with the President! He is not our ruler, but our leader, and as such, he has done some good things for our Country and we firmly believe that he has the qualities necessary in a good leader of our people.

His apparent disregard for the wisdom of others, regardless of their political belief (Republican or Democrat) is wrong. His wisdom and foresight are not sufficient unto themselves; he needs wise opinions and guidance.

If the young President is intoxicated with power, or the feeling of it, then wise men of our nation should seek to guide and steer him in the proper direction. Criticism of immaturity has never served to improve it.

We certainly have more at stake, and more to gain, than political ambitions of parties, or individuals. We have a great Country, peopled with great Americans, who will not let immaturity break down the backbone that has been so strongly built with blood, sweat and tears.

This is more than simple criticism. It is the fact that one man does not lead so great a nation alone. He must have wise men at his side. President Kennedy is not ignorant; nor is he foolish. He will listen to wise heads, if he knows that the men who speak are interested solely and completely in the welfare of our nation and our people and not in lining their pocketbooks or in gaining position and recognition for themselves.

We do feel that we have the right to criticize our leaders, if, in return, we are ready and willing to offer whatever help necessary in correcting the wrongs to which that criticism points. Street corner criticism and partisan chatter is not going to move us forward. If wrong is evident, then you must stand forth and offer constructive advice and assistance.

President Kennedy is our President; and even though we do not agree with everything he does and says, we will stand behind him and help whenever we can help if it means bettering the lives and the existence of our American people and their way of life. If disagreeing with the President will help in this cause and effort, then disagree we will! But we will not condemn any man on the say-so of another without understanding better both opinions!

Independence--

INDEPENDENT voting and "rugged individualism" are not synonymous; but there are those of us who would believe that this is true! It tends to make a man, especially a young man, feel that he is his own boss; his "own man" when he proudly proclaims that he is an Independent voter!

What he feels he is saying is that he will vote for whomever he chooses and whenever he chooses according to the dictates of his own conscience, and will not be tied to, or obligated to, any set of rules or regulations which he may, at some time or other, disagree with.

What he IS really saying is that he wants no part of the responsibility of party affiliations and wants to bear no burdens of blame if a particular candidate in a particular party turns out to be a lemon!

The Independent voter is, in fact, dependent on his brother citizens and voters for supplying him a candidate for whom he can cast his ballot. And he calls this "being independent!" He wears it as a badge proclaiming his manliness and strength of character. He is fooling only himself!

For where would this nation, as a nation, be if it were not for the democratic Party System which has brought us so far up the road in economic and social progress? In our form of governing ourselves we must have some sort of party system before we can effectively and progressively carry out the duties and functions of government.

If we were all so-called "Independent" voters, who would carry the responsibility of holding an election, as we know it today, and who, for that matter, would be particularly interested in government in the first place? We would soon find ourselves under a monarchy or a dictatorship without responsible leadership among the people themselves!

Independence and "independent voting" are far and away separate terms. In fact, when you analyze what the two things mean, they are about as unlike as any two things could be. When you proclaim that you are an "independent voter" you are not, in fact, boasting it. . . you are admitting it!

Young Men With A Mission--

THE Young Democrats in Chilton County have organized and will hold Charter Night activities at the County Courthouse on Monday, September 24th. This is a significant step in the political future of Chilton County. These young men and women are dedicated individuals who believe that as American citizens, it is their right and their duty to take an active interest in politics and government. They feel that this is an opportunity for them to have a voice in the workings of our government; that they can speak their mind; that they have joined together in a common cause. . . That of strengthening our nation, our country, against any and all threats against it!

Officers in the newly-organized Chilton County Chapter of the Young Democrats of Alabama are: President, Bob Tucker; Vice-President, Lewis W. (Pip) Headley; Secretary, Bob Bowers and Treasurer, Francis Speaks.

These young men, and scores of others like them are already working to promote the interest of the people in voting and in the responsibilities of good government.

As one of the members has said: "I believe I should live my political beliefs! I believe that it is my personal business to take an active interest in the running of my government! It is my duty, and my privilege as a citizen of this nation!" All Young Democrats feel that same spirit — and that is what makes our Country strong! More power to these young Americans!

Stop That Peach!--

THE story goes that there once were two men from Covington County who bought new trucks for hauling peaches — Chilton County Peaches, if you please! Now these were not just ordinary trucking men — they were exceptional — they knew what the public wanted!

Someone asked why they bought Chilton County license plates for their vehicles, when they lived in Covington County. And one said: "The people we sell peaches to are very particular about buying only Chilton County Peaches! We buy them in Chilton County, but if we had out-of-county license plates it would require a lot of explaining! These are smart businessmen, these truckers; but not near so smart as those customers of theirs! Chilton County Peaches Are Tops! Anywhere!"

Report from Washington

BY
ARMISTEAD SELDEN
Congressman, Sixth District

On Tuesday afternoon of last week I was called and asked to be at the White House at 5 P.M. I arrived at the appointed hour and found several other members of the House and Senate present. We were invited to the Cabinet Room where we met with President Kennedy, the Secretary of State, and the Secretary of Defense. President Kennedy informed the group that the arrival in Cuba of air-to-air missiles, motor torpedo boats, and military technicians had been verified. The discussion that followed lasted for approximately three-quarters of an hour.

As Chairman of the House Subcommittee on Inter-American Affairs, I have made every effort for almost three years to alert the Executive Branch and the American people to the grave danger Cuba and communism pose to our hemisphere. In January, 1960, I stated that democracy was dead in Cuba and asked for a firmer stand against Castro. In June, 1960, I pointed out that this country could not afford to ignore the mounting evidence that the present Cuban government is being used to further the international communist conspiracy.

In August, 1960, I criticized the failure of the Inter-American Conference at San Jose, Costa Rica, to face up directly to the threat of Castro. In March, 1961, I urged the ending of trade with Cuba. In April, 1961, I introduced a House Resolution calling for imposition of sanctions against Cuba and the immediate exclusion of Cuba from the Inter-American Defense Board. This Resolution was overwhelmingly approved by the House.

In June, 1961, I urged collective action against Cuba by the Organization of American States. Early this year, following the conference at Punta del Este, Uruguay, which I attended and where the nations of the Western Hemisphere for the first time publicly recognized the danger of a communist Cuba, I urged that we "continue and intensify our efforts to free the Cuban people from the tyranny of Castro and to turn back the in-

ternational threat his government poses. To be sure, mine has been the only voice to warn of the Castro menace and the dangers of a continued "wait-and-see" policy toward communist Cuba. Now I can see the responsibility for the current deterioration of this country's Cuban policy be laid exclusively at the feet of the Democratic or Republican Party, or the Eisenhower or Kennedy Administrations. The foreign policy errors leading to the present crisis span two Administrations. Unfortunately, the cautious action we have taken in regard to Cuba has usually been too little or too late.

DANGERS AHEAD

The arrival of Soviet military personnel and equipment in Cuba in recent weeks requires a total re-assessment of United States strategy and thinking toward that country. To eliminate Castro and communism in Cuba is now beyond the capability of the Cuban people as it will require a military operation they alone cannot undertake. Cuban communism will be eliminated only by a major effort on our part.

The course ahead is dangerous and we must fully understand the perils and grim possibilities involved should our nation take action to eradicate Communism from this hemisphere. For Cuba is not an isolated problem. It is part-and-parcel of the worldwide struggle between the free and communist worlds, a battle being waged also in Berlin, in Southeast Asia, in the Middle East.

It is the responsibility of the President of the United States to assess the dangers and calculate the risks in each and all of these areas. It is for him to weigh the risks involved by action—as well as the risks involved by failing to act. Of this we can be sure, however. The history of the cold war demonstrates that whenever the Free World has faced up to the communist threat, the communists have backed down; and whatever the perils involved should the President fail to meet the communist menace to our hemisphere, the American people are prepared to meet their responsibilities on behalf of freedom.

THINGS We see and hear

by BOB

(Following are some excerpts from a speech delivered to the Democratic Executive Committee and guests at a recent gathering in Clanton, by Judge Roy Mayhall, State Chairman.—BOB.)

"BEING Chairman of the State Democratic Executive Committee of Alabama has some drawbacks and disadvantages; I get right frequent brickbats, through the mails and in person, from my Republican and disgruntled Democrat friends. But my job has its pleasant side too, and one of those pleasures is the opportunity I am afforded of speaking to so many of the County Committees over the State.

"IT is a real joy to be in a group of good Alabama Democrats, who have interest enough in the good of the Party and the well-being of our Country to offer themselves as Committeemen. You are to be commended. If you do your job conscientiously and thoughtfully you will have made a valuable contribution to the political history of Chilton County.

"THE Republican Party is making a big claim. And the Republican controlled press is giving them excellent coverage. As members of your County Executive Committee, and as leaders in your communities, you have an obligation to speak out in defense of the Democratic Party and refute some of the biased and malicious attacks being made on our Party and on our Candidates.

"THEY (the Republicans) enjoyed a big to-do about the Balford Sol Estes Case, and the Republican controlled press was veniently overlooking the fact that the fraud was perpetrated during the Eisenhower Administration and only came to a head and was exposed during the Democratic regime. Republicans have short memories. They can't remember Sherman Adams and Mr. Goldfine, and they'd

These Republicans like to sprinkle their speeches with words "Liberal" and "Conservative". I'm not sure what they mean by these terms, but for my own purposes I just say that "Liberal" means like Nelson Rockefeller and "Conservative" means like Barry Goldwater. I don't want to be in the same political bracket with either one of those fellows!

rather not talk about Ezra Benson.

"UNFORTUNATELY, corruption and fraud in office may happen in either party. . . but just don't let the Republicans tell you that they're any better off in this regard than we are.

"THE Republicans holler 'Socialism,' and 'Government Give-aways'. But they're never specific about what it is they'd like to cut out. . . what government benefit they'd like to refuse.

"THE Republicans try to paint a picture of an Alabama Governor who is a Democratic Party . . . willing to go along with whatever we're told, and never receiving any consideration for our loyalty. In actuality, just the reverse is true. Because of the Seniority of our Southern Congressmen and Senators and the important chairmanships they hold, we are the tail that wags the dog!

"DID you know that approximately fifty cents out of every dollar the United States will spend in the space race next year will be spent in the South? Did you know that Alabama will receive more than 400 million dollars of this money? Did you know that more than \$70 million of this will be spent in salaries, the largest amount spent in salaries in any single state in the Union?

"DID you know that last year 275 thousand persons in Alabama received \$169 million dollars in Social Security payments, and 263 thousand persons received \$83 million in Public Assistance payments under the Social Security Act? These are Alabama figures I'm giving you. Alabama VA Hospitals treat 15 thousand patients a year; 78 thousand veterans draw compensation or pensions; 30 thousand units of Public Housing have been built; at a cost of 23 million dollars; 187 Hill-Burton Hospital projects have been built; and the Federal share of this cost was \$60 million. 2,000 units of Federal Aid highways have been built in Alabama.

"EVERY bit of the legislation which makes all these benefits possible in Alabama was initiated and passed by Democrats. And it was passed over almost solid Republican opposition.

"NEVER let them tell you that the Republican Party will do anything for the South or that it has the interests of the working man at heart! All their Record is Against Them. What they do speak so loudly, I can't believe what they say!

"YOU will run into people who will complain that the Democratic Party has 'changed', that it is not the same Party we used to have. Certainly the Democratic Party has changed. The Country has changed. Even the Universe (or at least man's knowledge of it) has changed since the time of Thomas Jefferson. And the Democratic Party has changed with the changing times. We are a Party of change. And we are the Party of Progress!

"THESE Republicans like to sprinkle their speeches with words 'Liberal' and 'Conservative'. I'm not sure what they mean by these terms, but for my own purposes I just say that 'Liberal' means like Nelson Rockefeller and 'Conservative' means like Barry Goldwater. "Chocolate Apricot Pudding"

An easy-to-make fall dessert specially designed for changeable weather is new "Chocolate Apricot Pudding." Serve it warm from the oven, or chilled if the temperature rises. This nourishing combination of cream-filled chocolate cookies, strained apricots (straight from the baby food shelf), lemon rind, milk, eggs and sugar is a wholesome dessert for the pigtailers and little league players and a rich surprise for your favorite dinner guests. Here's how to make it:

Chocolate Apricot Pudding

- | | |
|---------------------------|------------------------------|
| 40 Hydrox cookies | 1 teaspoon grated lemon rind |
| 3 egg yolks | 2 cups milk, scalded* |
| 2 jars strained apricots, | 3 egg whites |
| 4½-ounces each | 6 tablespoons sugar |

Break cookies into 6 to 8 pieces each and distribute evenly into 8 six-ounce glass custard cups. Beat egg yolks, blend in strained apricots and lemon rind; gradually stir in scalded milk, mixing well. *To scald milk, place in top of double boiler over hot water and heat until tiny bubbles appear around edge. Pour mixture evenly over broken cookies. Place cups in baking pan. Fill pan with warm water to a depth of about 1½ inches around custard cups. Place in moderate oven, 350°F., and bake for about 15 to 20 minutes or until almost firm. Remove from oven and pile on meringue, (touching sides of cups all around) made by beating egg whites until stiff but not dry, gradually adding sugar and beating until stiff peaks are formed. Return to oven for about another 10 minutes or until meringue is golden. Remove from pan. Serve warm or cool with additional Hydrox cookies. Yield: 8 servings.

Delightful Low-Calorie King Crab

Low-calorie but delectable, ready to use as soon as the frost is off these pink-and-white chunks of goodness, frozen Alaska King crab needs no beforehand preparation. Best of all is the extra bonus of energy-giving high protein for which fresh King crab is noted.

For the family, add Alaska King crab meat to macaroni, cheese and seasoned tomatoes for a delightful casserole. For special occasions, Alaska King crab sautéed in lemon butter is speedy, succulent and beautiful to look upon. Thin slices of lemon and plump imported capers perform a little miracle of flavor.

King Crab in Lemon Butter

- | | |
|---|----------------------------------|
| 2 pkgs. (6 oz.) frozen Alaska King crab | 2 Tbsp. chopped parsley |
| 1 pkg. (10 oz.) frozen asparagus spears | 2 Tbsp. capers |
| ½ cup butter or margarine | ¼ tsp. salt |
| 2 Tbsp. lemon juice | 1 tsp. garlic powder |
| | 1 lemon, cut in very thin slices |
| | Paprika |

Thaw and drain crab meat. Cook asparagus according to package directions. Melt butter or margarine in a skillet. Add lemon juice, parsley, capers, salt, garlic powder and lemon slices. Add crab meat. Sauté for 5 minutes. Sprinkle with paprika and serve immediately over hot asparagus. (Serves 4)

Crisp Peanut Butter Cookies Fit The Bill

Now that the kids are back in school, it is always a good plan to have a few cookies prepared for school lunch boxes or just ready waiting when they return. Peanut butter is always popular with the younger set so these crisp peanut butter cookies will go down well. Serve them with chocolate milk—it's both nutritious and delicious, and so easy to make.

Crisp Peanut Butter Cookies

- | | |
|--|--------------------------|
| 1 cup corn oil or balanced oil margarine | 2 eggs |
| 1 cup Skippy Creamy Peanut Butter | 1 teaspoon vanilla |
| 1 cup sugar | ¾ cup sifted flour |
| 1 cup firmly packed brown sugar | 1½ teaspoons baking soda |
| | 1 teaspoon baking powder |
| | ¼ teaspoon salt |
| | Peanut butter |

Cream margarine, peanut butter and sugars together. Mix in eggs and vanilla. Sift dry ingredients together onto creamed mixture; stir until well blended. Chill dough until it can be easily handled. Shape into 1 inch balls and place about 2 inches apart on ungreased cookie sheet. Press flat with fork dipped in flour. Press peanut butter halves in center of each cookie. Bake in 375°F. (moderate) oven until cookies are lightly browned, about 10 minutes. Makes 6 dozen (2½ inch) cookies.

Chocolate Milk

1 pint milk
2 tablespoons Bosco Syrup
Put a small amount of the milk into a jug. Add chocolate syrup and stir briskly. Stir in remaining milk and serve. Makes 2 generous servings.

School Bells Are Ringing ...

This Means More Emphasis On Good Nourishing Foods

Here Are Some Tips Mom For Those Tasty School Lunches And For Other Meals To!

Gracious Informality

Informal living well might be the key to happy, cool summertime living. For example, these Imperial Spreads are perfect blends for informality and good taste. They are simple to make—and they store (covered) very well, too, delicious as snack spreads or sandwich pep-ups. Of course, Imperial blends wonderfully well with other flavors because this quality product has a fresh delicious flavor of its own.

Harlequin Teasers

Spread potato crackers or seeded rye crackers with Anchovy Spread. Sprinkle with minced hard-cooked egg white and sieved hard-cooked egg yolk; garnish with pimiento strips.

Anchovy Spread

1 bar Imperial
2 tablespoons minced anchovies
Let margarine soften in mixing bowl, then cream well with mixing spoon. Add anchovies and blend thoroughly. Store in covered container in refrigerator. Yield: About ½ cup.

Sandwich Snaps

Trim crusts from slices of pumpernickel, rye or whole wheat bread and cut into rectangles about 1" x 3". Put together in pairs with slices of Swiss cheese and Homershead Spread.

Homershead Spread

1 bar Imperial
½ cup homershead, well drained
Let margarine soften in mixing bowl, then cream well with mixing spoon. Add homershead and blend thoroughly. Store in covered container in refrigerator. Yield: About ½ cup.

Fresh Pears Enhance Packed Lunch

Thirty-three million lunch-box totes lead the big food parade! What a parade! Men and women, boys and girls from East, West, North and South. They can't be wrong in the flavorful fruit they choose to eat, Pacific Mountain Bartlett Pears, "sweet as honey." The American worker whether doctor, lawyer, merchant or chief—all take pause from the day's occupation for a refreshing pick-me-up. Luxuriant pears, juicy sweet, spicy fragrant and bouncing with vitamins and minerals satisfy that hidden hunger for something sweet. Fresh pears abound with levulose sugar thus supplying quick energy, yet, they are low in calories. Their "no peel" quality makes fresh pears always ready and easy as the best sweet tuck-in for the lunch box banquet.

Fresh pears find their way into many other popular menu items... refreshing salads, tasty meat accompaniments, delectable desserts, snack time munching. They are always popular packed for a pre-ripping cycle, then shipped to markets across the nation for your late autumn enjoyment. Often you will purchase them at your counter before they have attained their golden color. Have no fear, for left at room temperature a few days they will ripen to a golden yellow and yield to gentle pressure.

Serve the fairest fruit of the autumn harvest, Pacific Mountain Bartlett Pears for a distinctive taste treat. Don't forget to place a sweet juicy fresh pear or two in the lunch box for your American worker's pleasurable repast.

Rosy Apple Dumplings

If baked apples are a favorite at your house, here's an idea you should try that will make them even more popular. Called Rosy Apple Dumplings, they are apples wrapped in tender biscuit dough, topped with a cinnamon-candy sauce and then baked to tender goodness.

The biscuit dough is extra easy when you make it from enriched self-rising flour, the flour that contributes important nutrients in the eating and offers extra convenience in baking since the leavening and salt are already blended into the flour. This means no sifting-in step when you're making biscuits and all your favorite breads.

ROSY APPLE DUMPLINGS

- | | |
|--|-----------------------------------|
| ½ cup sugar | ½ cup milk |
| 3 tablespoons red cinnamon candies | 6 medium apples, cored and peeled |
| 1 cup water | 1 tablespoon sugar |
| 2 cups sifted enriched self-rising flour | 1 tablespoon red cinnamon candies |
| ½ cup shortening | |

Combine ½ cup sugar, 3 tablespoons cinnamon candies and water in saucepan. Heat, stirring frequently, until candies dissolve. Set aside while preparing dough. Measure flour into bowl. Cut in shortening until mixture is crumbly. Add enough milk to make a soft dough. Turn out on lightly floured board or pastry cloth and knead gently 30 seconds. Roll out to 12 x 18-inch rectangle. Cut with pastry wheel or sharp knife into six 6-inch squares. Place an apple in center of each square. Combine 1 tablespoon sugar and 1 tablespoon cinnamon candies and place about 1 teaspoon of the mixture in center of each apple. Bring opposite corners of biscuit squares together around apples and seal edges securely. Place in greased 7 x 11-inch baking pan. Spoon prepared syrup over dumplings. Bake in moderate oven (375°F.) about 35 minutes. Makes six servings.

For Fall... Hearty Italian Fare

An autumn meal needs many things. But most of all, on crisp fall days, folks hunger for a main dish which has robustness and the pleasant flavor of a well-seasoned, well-baked casserole.

Italian food has this warmth and robustness. And with the help of canned spaghetti and canned tomato sauce, you can achieve such a flavorful main course, which is heated top-of-stove and is table-ready in less than 20 minutes.

SPAGHETTI SICILIAN will be a hit in any supper or dinner menu. Star with it. In the Italian manner, large hunks of crisp bread, a colorful salad and a light dressing.

Spaghetti Sicilian
1 cup chopped green pepper
1 tablespoon butter or margarine
1 can (6 ounces) boned chicken
2 cans (16½ ounces each) spaghetti in tomato sauce with cheese (optional)
2 to 3 tablespoons dry red wine (optional)

Cook green pepper in butter until tender. Add chicken, spaghetti and, if desired, wine. Heat well. Makes 4 to 6 servings.

Combine bread crumbs, egg, onion, salt, parsley, and carrot. Blend well. Add ½ cup barbecue sauce and the meat; mix lightly but well. Shape into a loaf in a shallow baking dish. Combine tomato sauce and remaining ½ cup barbecue sauce and pour half of mixture over the meat loaf. Top with 2 to 3 strips of bacon. Bake in a moderate oven (350°F.) about 50 minutes, basting frequently with remaining sauce. Makes 4 to 6 servings.

Baked Chicken Served with Peas in Squash

These days nothing is what it seems—you can make a party dish from a few simple ingredients. The recipe here, for Golden Chicken, can be included in this category; it is made with an onion soup mix. The chicken stands in a marinade made with the soup, then is baked in the oven. It turns a beautiful golden brown, and has a rich onion flavored gravy made from the marinade. Peas in squash make an ideal accompaniment, along with sliced tomatoes on lettuce.

Golden Chicken

- | | |
|------------------------------------|-----------------------------------|
| 1 envelope Knorr golden onion soup | 2 tablespoons vinegar |
| 1 cup water | 1 (3 pound) broiler-fryer chicken |
| ¼ cup corn oil | 1 tablespoon corn starch |

Empty soup mix into saucepan. Gradually stir in 1 cup water. Bring mixture to boil, stirring occasionally. Reduce heat; partially cover and simmer 5 minutes. Remove from heat; cool. Put into bowl. Spoon cooled sauce over chicken; let stand 1 hour. Let marinade in refrigerator at least 5 hours. Remove chicken from marinade and arrange in shallow roasting pan. Spoon a little marinade over chicken; reserve remaining for gravy. Bake chicken in 350°F. (moderate) oven until tender, about 1 hour.

Remove chicken from pan; keep warm. Add all but 1 cup reserved marinade to pan gravy. Blend 1 tablespoon corn starch with the ¼ cup marinade; stir into mixture in pan. Cook over medium heat, stirring constantly, until gravy thickens slightly and boils. Serve gravy over chicken. Makes 4 servings.

Fruit-Glazed Coffee Cake

A luscious coffee cake is a treat you can serve any hour of the day—or night. And what a luscious coffee cake, this one is, spiced with cinnamon, crunchy with nuts, and topped with the fresh taste of a fruit glaze. So simple to have ready in minutes, too, with Pillsbury Cinnamon Nut Coffee Cake Mix helping out. And only the choice at the fruit stand limits your choice of flavors for the glaze—to be spread over the coffee cake as it comes warm from the oven. You can serve a different flavor every time!

Cinnamon Nut Coffee Cake With Pineapple Glaze

- | |
|--|
| 1 package Pillsbury Cinnamon Nut Coffee Cake Mix |
| Pineapple Glaze: |
| 1 cup sifted powdered sugar |
| 2 tablespoons pineapple juice |

Prepare and bake coffee cake mix as directed on package. Combine powdered sugar and pineapple juice. Blend well. Then with more juice, if necessary. Glaze warm coffee cake.

For Apple Juice Glaze, substitute 2 tablespoons apple juice for the pineapple juice, and add ¼ teaspoon cinnamon. For Apricot Glaze, use the recipe above with apricot nectar in place of pineapple juice. Orange Glaze uses orange juice instead—plus 1 tablespoon butter and 1 teaspoon grated orange rind. Powdered sugar measurement and blending method remain the same for all flavors of fruit glaze.

Savory Meat Loaf Has Flavor secret

Give meat loaf a zesty flavor with bottled barbecue sauce. This seasoning secret provides a delicious flavor secret. The mild and mildly sharp, all-purpose barbecue sauce is used to season the chopped beef and also to spark the flavor of the basting sauce.

Spicy Meat Loaf

- | | |
|------------------------------|-------------------------------|
| 1 cup bread crumbs | ¾ cup Open Pit barbecue sauce |
| 1 egg, slightly beaten | 1½ pounds ground beef |
| ¼ cup minced onion | 1 can (8 ounces) tomato sauce |
| 1 teaspoon salt | 1 can (8 ounces) tomato sauce |
| 1 tablespoon chopped parsley | 2 to 3 strips bacon |
| 1 cup shredded carrot | |

Combine bread crumbs, egg, onion, salt, parsley, and carrot. Blend well. Add ½ cup barbecue sauce and the meat; mix lightly but well. Shape into a loaf in a shallow baking dish. Combine tomato sauce and remaining ½ cup barbecue sauce and pour half of mixture over the meat loaf. Top with 2 to 3 strips of bacon. Bake in a moderate oven (350°F.) about 50 minutes, basting frequently with remaining sauce. Makes 4 to 6 servings.

• YOUR SOCIAL • • SECURITY •

(This series of questions about Social Security is compiled from the questions sent to the Selma Social Security Office from Chilton County and answered by David G. Adams, Field Representative. Any questions that you want to ask may be sent to Social Security, C/o Chilton County News, Clanton, Alabama.)

Q. If I get disability insurance benefits, will this affect the amount of my retirement benefit when I reach age 65?

A. No, not at all, because disability insurance benefits are figured just as if you had reached 65 on the day your disability began. You receive the same monthly amount as a disability benefit that you will receive when you retire at age 65.

Q. I hired a man to work on my farm. He lost his social security card and has not been able to furnish his number. What shall I do about reporting his wages for social security?

A. Have your employee visit his nearest social security office immediately and apply for a duplicate social security card. When he has the card, take his number directly from the card for your reports.

Q. I work on a farm and the owner pays me sometimes by giving me farm produce, such as butter, eggs and milk. Should I report this as wages for social security?

A. No. Only cash pay is considered wages for agricultural labor.

Shell engineer uses stethoscope to help detect noise the ear alone can't hear. Super Shell fights three different engine noises to give you top performance.

How 3 of Super Shell's 9 ingredients fight engine noise—including one hard-to-hear form of knock that could lead to real damage

SHELL scientists will tell you that any good gasoline should reduce engine noise. That's why they include no less than three noise-fighters in Super Shell's 9-ingredient blend. Here's how they work to help give you a soft-spoken engine—and top performance.

How Super Shell fights high-speed knock

High-speed knock makes a sharp, pitched noise—like metal tapping against metal. Because it's most likely to occur in hot engines at turnpike speeds, high-speed knock is often difficult to hear.

But even though you may not hear it, high-speed knock can pound away at pistons—even lead to costly damage.

Fortunately, high-speed knock isn't too common. But Shell scientists have known about it for a long time. Ever since they pioneered the development of a substance called Alkylate to help control high-speed knock in aircraft engines. Today, Alkylate is an ingredient in Super Shell gasoline.

How Super Shell fights wild ping

Wild ping doesn't last long. It sounds like the erratic beat of a nervous drummer.

This clatter is actually a series of premature explosions. They're caused by glowing deposits that ignite the fuel too soon.

Super Shell's famous TCP* additive tackles this problem. It acts to "fireproof" deposits that might glow. Result: chance of wild ping is greatly reduced.

How Super Shell fights ordinary knock

Most people have heard ordinary knock. It may sound to you like marbles dropping into an empty oil drum.

Super Shell's anti-knock mix is so powerful that a teaspoon per gallon is enough to raise anti-knock rating a full five points.

This anti-knock mix helps regulate the combustion of Super Shell. Thus, each piston gets a firm, even push. Not a sharp, jarring jolt.

Now, read how the other six ingredients in Super Shell's 9-ingredient blend help you get top performance.

How Super Shell's other ingredients help you get top performance

Cat-cracked gasoline helps your engine deliver smooth, even power.

Gum preventive helps keep carburetors clean inside.

Platformate is for extra mileage.

Butane is for quick starts.

Pentane mix is for fast warm-ups.

Anti-icer (added in cold weather) helps check carburetor icing.

Try a tankful of Super Shell today. Then, you'll know what top performance really is.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patents 2,892,212.

More Paved Roads In Chilton County Than Ever Before

(The following is a personal report from Probate Judge of Chilton County, J. C. White. It details the progress made in recent years on the County's road system, including paving, improving, etc.—ED.)

TO THE PEOPLE OF CHILTON COUNTY: Many of you from time to time have requested certain information on our County roads. I feel that this information would be of interest to most all people in Chilton County.

First, our County is divided into four road districts. Each district has so many miles of road to maintain and improve. The overall policy is to do the best possible of maintaining, improving and paving all the roads in each district just as far as our finances will permit. It is that many of you realize that this information would be of interest to most all people in Chilton County.

Second, I would like to give you certain facts, as given to me by the Chilton County Road and Engineering Departments, to give you a better picture of each of the four districts in order to let you realize what has been done in each district and the amount of work needed to maintain and improve all the roads in each district.

For the past four years (1959-1962) the County has completed 87.9 miles of paved road and street projects (more than ever in the history of the County). We have received from the Federal government \$133,575 of normal participation and \$109,583 special grant funds and from the state government \$674,028 normal participation and \$173,170 special grant funds. Chilton County funds have amounted to \$746,038. This does not include the cost of paved city streets. This cost was \$124,000 and County \$24,000.

The County has replaced and added new equipment to the road program amounting to \$211,119. Through good sound management and competitive buying, our County road program is operating on a cash, pay as you go policy, at the same time building toward a road system fast becoming second to none in the State. Thanks to everyone connected with the program.

Local Farmers To Assist In Annual Acreage Survey

CHILTON COUNTY farmer will be asked to report on the yield of all crops for harvest on their farms in the Annual Acreage Survey of the Department of Agriculture. Postmaster R. R. Suttley announced earlier from his office would assist in making this survey by distributing postcard report forms to a sample of farmers on each route about September 20.

Information from the survey will be tabulated and reported by the Alabama Crop and Livestock Reporting Service in Montgomery. The information will also be included in the Annual Crop Summary which will be released by the USDA on December 15th.

Reliable acreage estimates are needed to determine crop production. Farmers and others use the trend in production of each crop as a basis for business decisions.

To assure our County of being adequately represented in the survey, Postmaster Suttley urges each farmer who receives a card to fill it out and place it in his mailbox. Carriers will pick up this survey as they deliver mail.

Membership is open to all members of Masonic families in this area. Remember this Thursday night at 7:00 O'clock.

M. M. Feature Breaks Another Record

YOU might say, the News Mystery Man feature broke two records in a row the past two weeks!

Week before last, not one single party guessed right, of those few who guessed at all, so we presented the same M.M. last week.

The News office was swamped with telephone calls, letters and folks coming by to register. No time in the history of the feature have so many persons guessed so many times, so right!

They were nearly one hundred percent correct in identifying Mr. I. S. (Doc) Levine as the Man in question. And "Doc" says he didn't even know who it was himself, the first time around.

The News awards a free six-months subscription to Mr. Jimmy Bell of Clanton for being first to correctly identify Mr. Levine.

Interest in M.M. seems to be at an all-time high! Can you identify the man in the above photo? We're sure you know him well!

Mrs. Gibson Injured In Two-Car Accident

TUESDAY morning about 8 o'clock, Mrs. Frances Gibson of Calera was painfully injured, when the car in which she was riding collided with another car driven by Wayne Hay of Clanton. Mr. Hay was not injured it is reported.

The accident occurred just north of Junction near the intersection of the old Birmingham Highway and Highway 31. Mr. Hay's ambulance answered the call and rushed Mrs. Gibson to the Shelby Memorial Hospital where she was treated for lacerations of the head and body.

Weekly Cotton Report

FARMERS over the southern half of Alabama continue to hold a fair volume of current ginners; however movement into trade channels increased during the week ending September 17. Merchant demand is moderate. Best demand is for medium grades in staple lengths of 1-132 and 1-116 inches.

Cotton producers are receiving slightly above loan level prices up to \$3.00 per bale above loan prices. The higher prices are being paid for grades below Middling. Prices for Strict Low Middling and lower grades increased slightly over last week's prices.

Harvesting was delayed early in the week by scattered showers. General rains during the latter part of the week will keep pickers out of the fields for several days.

Judge White To Give Progress Report At Monday 24th, Meeting

THE Young Democrats of Chilton County, having officially organized, will hold a big meeting Monday night, September 24, at the County Courthouse at 7:00 O'clock.

Ryan deGraffenried, a Democratic candidate in the recent Primary election for Governor — and runner-up to Governor Nominate George C. Wallace — will be the featured speaker of the evening.

Also the program will be Ed Pepper, Democratic Nominee for the Public Service Commission of Alabama and Chairman of the Young Democrat movement in the State. He will present the Charter to the local Chapter.

Democratic Nominees for election November 6 will be present and speak to the group.

Also on the agenda, will be Judge of Probate J. C. White, who will give a brief, but enlightening "Progress Report" on the Democratic administration in Chilton County.

All members and prospective members of the Young Democrat organization are urged to attend this gathering next Monday night, 7:00 O'clock.

Officers for the newly-organized group are: Bob Tucker, president; Lewis W. (Pig) Headley, secretary; Bob Bowers, treasurer; and Francis Speaks, treasurer.

Heading up the Membership Drive during the kickoff stages of the movement is Tally Bates. If you are interested in the Young Democrats of Chilton County, and you do not happen to know a member, see one of the officers or the membership chairman, Mr. Bates.

Retarded Children Supporters Meet

A meeting of those interested in the Mentally Retarded program in Chilton County, will be held next Tuesday evening, September 25, at the Clanton Hall on 7th Street in Clanton.

Time of the meeting is reported to be 7:00 P.M.

Library Board Urges Return Of Borrowed Books

"If we are to maintain a Public Library in Clanton, borrowers of books must return them on time. Only a small percentage of the many citizens checking out books are failing to do this. Parents are urged to see that their children attend to this responsibility."

Books may be borrowed for two weeks. For every day the book is overdue, a fine of 2c will be charged. If a book is lost, the borrower must pay for it.

Also we would like to remind our patrons who pledged to give to the Library Fund: if you haven't already done so, to pay your pledge if it is possible for you to do so. Make your check payable to the Clanton Public Library and send it to the Board's treasurer, Mrs. J. E. Gowan, or give it to Mrs. B. E. Reeves, the librarian.

"Thank you for your past and future cooperation, so that we can maintain a good library in the City of Clanton."

A do-it-yourself retirement plan that really works

New features of United States Series E and H Savings Bonds can mean a lot to you, whether you're salaried or self-employed.

How would you like to set up a retirement plan that you can tailor to your needs, administer yourself with no fees or other expenses, and go into knowing your money is absolutely safe?

Series E and H Savings Bonds can provide such a plan. With 15 to 20 earning years ahead of you, you can complete a program which will help measurably to add security to your retirement.

Start with Series E

You begin by buying E Bonds where you bank, or automatically on the Payroll Savings Plan where you work. E Bonds now earn 3½% interest—the highest rate they've ever paid—to maturity in 7½ years. Then they have a 10 year extension privilege. When you retire, you can exchange your E Bonds for Series H Bonds.

There are now several nice features about making this exchange. H Bonds pay interest semi-annually, in cash.

There's no charge for trading. And the interest you accumulated before the trade is not taxable until you cash in your H Bonds.

A riskless plan

A retirement plan with U.S. Savings Bonds, E or H, is absolutely without risk. Your investment cannot decrease—it can only grow. You can get your money with interest anytime you want. If your Bonds are lost or destroyed, the U.S. Treasury replaces them free.

What's more, every Savings Bond you buy helps insure a stronger America—as important to your retirement years as financial security. Why not look into this plan now?

Baldwin County Builder is enthusiastic booster of ELECTRICALLY heated homes

"Owners like them" he says!

Some of the many
ELECTRICALLY heated
homes built by Mr. Bell

Economical electric heating is one of the many features of the ALL ELECTRIC home of Mr. and Mrs. Wilson Hayes. This Medallion home was constructed by the Bell Construction Company, Bay Minette.

Pictured is the TOTAL ELECTRIC home of Mr. and Mrs. Albert B. Joye, 1701 Armstrong Avenue, Bay Minette, Alabama. This is another of the Medallion homes built by the Bell Construction Company.

The Willard M. Harbin residence at 601 Armstrong Avenue, Bay Minette, Alabama is one of the many TOTAL ELECTRIC homes constructed by the Bell Construction Company.

Mr. E. P. Bell, owner of the Bell Construction Company, is shown in his office in Bay Minette, Alabama as he studies the plans for still other ALL ELECTRIC homes.

E. P. Bell, prominent builder in the Bay Minette, Alabama area, owner of the Bell Construction Company is enthusiastic about TOTAL ELECTRIC homes. Foremost among the attractive features of the homes constructed by Mr. Bell are electric heating, quick-recovery flameless water heaters and modern flameless electric cooking units.

Mr. Bell emphasizes that homes "built in these times must be modern in every respect. They must be modern not only in looks, but in usefulness, comfort and convenience. TOTAL ELECTRIC homes meet all these demands—and more."

Mr. Bell is particularly happy with electric heating. He points out that electric heating is clean, efficient and economical. Certain types of installations permit individual heat control for each room.

"I am an enthusiastic booster for electrically heated homes because people who live in them are enthusiastic about them," Mr. Bell says.

If you plan to build or remodel, ask one of our heating and air conditioning engineers to discuss your heating and cooling needs. There is no cost or obligation.

Good Men--

YOU never know how many good men you have around you until they rally to a cause! That is a time when faith in humanity is renewed wonderfully, and things start happening!

Wise Men, Indeed--

TRIFLES make perfection, and perfection is no trifle--Michelangelo.

IF ALL misfortunes were laid in a common heap, whence every one must take an equal portion, most people would be content to take their own and depart--Socrates.

"Why Won't It Stand?"... The Buckbones Missing--

AN ARTICLE in a weekly newspaper reads that "there were two rounds of applause at the last Chamber of Commerce meeting. One was for the announcement of a federal grant for a local project, the other for a resolution against government spending."

This is pitifully amusing, and it brings to focus the point that we are all "conformed" into a similar, if not identical, position. We need (we think) the federal government handouts to help our local economy; yet we all should be aware of the fact that the government cannot "handout" unless it continues to stick its "hand out!" To you, and you, and you...

Is the pioneer spirit of the individual American so diluted as to not even exist anymore? Are we all so content with "let the government do it" that we are unwilling to build our own communities and improve our own standard of living; with our own sweat and money and as we think best?

Have we Americans come so completely under the spell of Socialism and "dependence" that we cannot see to do our own work, lay our own plans, take pride in our own accomplishment?

What kind of a man will take his pay home to his mate and let her pull the pursestrings? What kind of a nation of people will turn over to the government the fruits of their labors, so that that government can dole it out as it sees fit, to whom it chooses, regardless of waste, corruption and dishonesty?

That man deserves his spineless lot in life! That nation deserves no better!

Pulling Together?--

THERE once were two mules! One was scrawny and unimpressive, as looks go; but it had the quality of endurance, coupled with tenacity and the will to pull and it's enthusiasm for work and it's eagerness to do the job was unbelievable.

The other mule was a tremendous looking animal. About as fine a specimen as could be found anywhere, as looks go! It had a beautiful flank, perfect teeth, strong legs and massive neck and shoulders. It looked like a good, working animal. But the mule had no will to do. He was satisfied with the normal, the average. The unattainable had no appeal to him and he was worthless to the farmer.

And to prove that things are not what they seem -- that looks mean very little -- when the farmer put the two up for sale, which one do you think the buyers went for?

And the little old farmer, wiser than many thought him to be, went back to work with his scrawny looking mule.

Grieve not that you look scrawny and that there are others who look beautiful. God gave man a will, and inner strength to accomplish that which seems impossible!

Sifted Sentiment--

HEADLINE: "35-Hour Week? You Can Kiss Off Millions of Jobs!"

To the man who works hard for his living for himself and his family sometimes (and often) putting in 65 to 70 hours per week, working a 35-hour week on a national scale sounds somewhat ridiculous. Especially if that man feels that his job and his labor is serving a purpose -- helping to strengthen his Country.

We don't know just what effect the 35-hour work week would mean to the economy of this nation, but it would have a continued deteriorating effect on the morals and well-being of the people. Man is supposed to "labor" for what he has in this life and nobody can intelligently argue with the fact that 133 hours of prospective "leisure" time for any man, is too much.

If everyone in the world were comfortable and happy with time for play and fun, then we might feel right about "fooling around" three-fourths of our time. When there is so much strife in the world today, why should we add to the idleness of hands? A better system than exists today will have to be the answer -- if there is one!

If true sentiment could be sifted from greed we would have better tools with which to solve the labor situation in the United States!

Round And Round--

THERE'S a great deal of difference in a broken-record and a "record broken," as is evidenced in local politics these days. We seem to have more "broken records" than we do "record breakers!"

Be Original--

IF YOU want to be original, be yourself. God never made two people exactly alike.

A Message To Office-Holders And Politicians--

POLITICIANS take too much for granted! Or perhaps we should say "office holders" take too much for granted; and they are the least likely individuals we know of to afford such.

Time and time again it is demonstrated to us, in one way or another, that the man in charge of a public office--elected if you will--thinks that every citizen knows every detail of his "good works" the same as he and the politicians and "public servants" with whom he works daily.

Such may be desirable at times, but it is just not the case! Some elected officials refuse to deny false claims against them because they feel that the people should know the workings of their office, and should be able to judge for themselves. But John Q. Citizen does not know fiction from fact unless the right parties inform him of the truth! Anyone can make false claims and accusations, but it takes the man they are aimed at, to straighten out the citizenry.

People believe what they read in print! And it is good that they do, for a world full of "doubting Thomases" would be tragic. But truth should come from the man who is qualified to tell it, and not from the do-gooders and the partisan tongue-waggers who always lay claim to truth, but wouldn't know it if it stared them down!

It is good to wonder, and to reason why; but it is not good to keep your mouth shut when someone has laid the blame to you. If you are wrong, then you should resign! If you are right, then you should say so, and why!

People listen! And if truth evades their ears, for whatever reason, they will soon believe lies! And that is bad.

Demos On The Move--

NEXT Monday night at County Courthouse, the Young Democrats of Chilton County will be presented their Charter. They will hear Ed Pepper, State Chairman of the Young Democrat movement. Guest speaker will be Ryan deGraffenried from Tusculoo, one of the State's leading Democrats and there are a few other surprises in store.

Today (Thursday) at the Holiday Inn south of Clanton, the Lady Democrats of Chilton County will organize, for active duty on the home front.

The Democrats are on the move in Chilton County!

Across The Editor's Desk--

Reader Says Chilton 'Could' Lose 75% Of Economic Value Of Peach Industry, If Present Trend Continues!

THE PEACH BUSINESS
IN CHILTON COUNTY

AS citizens of Chilton County and Alabama it behooves each of us to take a hard look at one of our biggest industries and see just how important it is to us, and decide whether it is worth saving. If it is worth saving, then we must get together and make some sacrifices and do some work to salvage it.

The annual income from peach production in Chilton County is between \$2 million and \$3 million. When we have a year like the past season with a short crop and a weak market it means the peach grower loses money but even in a year like this one there were many people to profit by being a peach industry in the County. If the from the investment expenditures there is a -50 thousand to -100 thousand out of the growers, and the direct and indirect transportation and packaging charges that mean jobs and income for this area.

The peach packing sheds of the County employ over 400 people for an average of seven weeks each summer. Another 2500 to 4000 persons are employed picking and handling the peaches outside the graders. Another 15 to 20 people are employed making field boxes and baskets on a more or less annual basis.

For the past three years the commercial grower has not made money and many are letting their orchards go out of production. If this tendency continues we are going to lose the commercial grower who has 40 to 300 acres of peaches, and we will then lose 75% of the economic value of the peach industry to this area. If anything is going to be done to salvage this industry, it must be done now -- and if the community leaders, bankers, government extension service, and others don't get something concrete done to give the commercial growers some hope of decent return on their investment, we will have to find only a truck-farming peach program here in two more years.

What can be done? A number of additional things could be done. The graders could be toward cutting their grading and container costs, and a promotional program for Alabama peaches can be initiated. We see Alabama ice cream companies advertising "Georgia Peach Ice Cream" for instance. We can work toward getting a decent trucking rate out of Chilton County to compare with the rates out of other peach areas. It costs more to ship peaches from Chilton County to Chicago than it does from South Georgia, even though we are several hundred miles closer to Chicago--Why?

Report from Washington

BY
ARMISTEAD SELDEN
Congressman, Sixth District

By a vote of 256 to 134 the House of Representatives approved legislation last week authorizing the United States to purchase up to \$100 million in United Nations Bonds. These bonds are being issued in order to alleviate the financial crisis in which the United Nations finds itself due to the failure of some of its member nations to pay their regular and special assessments.

Those who voted for this legislation were genuinely concerned less failure to approve these funds would wreck the United Nations. Others of us believed that the United Nations could best tackle its own long-range financial problems when it meets this week if pressures on members to pay overdue assessments were not alleviated by additional monetary assistance from the United States.

FINANCIAL CRISIS

The reason for the United Nations' financial crisis is obvious. It is in trouble because its own members are overdue in paying the bills for the operations which they have authorized. As of June 30, 1962, the United Nations deficit amounted to \$137 million. On that date, some 70 countries owed the United Nations money, in regular and special assessments, for 1961 and prior years. If those arrears were paid up, the United Nations would not be courting financial disaster.

A few weeks ago, the World Court handed down an advisory opinion which has a direct bearing on this issue. The Court held in effect, that the United Nations' special assessments for its peacekeeping operations are as binding on its members as the assessments for the regular United Nations budget. Since, however, this opinion is advisory only, it must be adopted by a two-thirds vote of the General As-

sembly before it becomes binding on its members. Should this happen, delinquent members will have to pay their arrears or run the risk of losing their vote in the General Assembly under Article 19 of the United Nations Charter.

By providing U. S. stopgap assistance, the House and Senate pressures which may have forced the United Nations members to face up to their financial responsibilities, in my opinion, have been relaxed.

LOS ALAMOS SALE
Also passed last week was legislation which amends the Atomic Energy Community Act of 1946, and in effect the sale of Los Alamos, New Mexico, to private owners. Los Alamos is one of three atomic energy communities started, in secrecy, during World War II in connection with the development of the atomic bomb. All three communities were deliberately placed in remote locations due to the need for extreme security.

Oak Ridge, Tennessee, and Richland, Washington, the other two communities, were disposed of under the authority of the Atomic Energy Community Act of 1946. They are now being sold to private owners, with the development of the atomic bomb, local self-government. Although consideration was given to the disposal of Los Alamos, it was not, in fact, action was deferred, principally because of the continuing need for security and an acute housing shortage.

This year, after extensive studies by the Housing and Home Finance Agency and the Atomic Energy Commission, concluded that disposal of the Los Alamos community was feasible and would not impede the vital work of the Los Alamos Scientific Laboratory.

Swimming programs for the physically handicapped have been carried on for years throughout the country. Many of these programs have taken place at summer camps for the handicapped and some YMCA and YWCA pools. A physical examination, and a physician's written permission for a handicapped person to participate in a swimming program is recommended. Routine examination includes heart, lungs, ears, and sinuses.

Swimming programs for the handicapped with the teaching of recognized strokes as a part of a total rehabilitation program are being widely organized. Instructors in a swimming program for handicapped should always be prepared to deal with emergencies should they occur. The benefits of these programs for the handicapped are many. Swimming calls for the simultaneous use of every muscle in the body, increases the range of motion, advances the power of body control through rhythmic motion, and promotes deep breathing.

leaders to pick instead of the present practice of pruning the trees to the extent that they do not produce the volume of peaches necessary for profitable operation, and at the same time run pruning costs up by 50% - 75% above what it would cost with less pruning.

If we are going to have a peach industry we are going to have to do something new, and we urge the capable parties to get at the job immediately.

Mrs. Gerald Thanks Board of Revenue For Library Interest

I WISH to express appreciation to the County Board of Revenue and Control for the courteous reception which was given to the representatives from the County Library Board when they went before this board to request financial help for a few essentials for operation for the coming year. We appreciate the fact that they received the group and our request, and promised to consider the request when they are preparing their budget for the coming year.

For the month of August the Autauga, Bibb, Chilton, DeKalb, and Wilcox counties circulated a total of 9,135 books and registered 286 new borrowers.

PHYSICALLY HANDICAPPED!

One of the joys for many physically handicapped individuals is swimming. In water, the arms and legs can move with little effort. To swim about in freedom and security without the impediments of braces, crutches, or wheelchairs is a glorious experience for the handicapped. In the water, there can be pleasant association with others on a more or less common ground. In the water, physical deformities are not so obvious to others; and many handicapped people can acquire enough swimming skill so that they are able to participate in an activity along with normal persons.

Swimming programs for the physically handicapped have been carried on for years throughout the country. Many of these programs have taken place at summer camps for the handicapped and some YMCA and YWCA pools. THINGS We see and hear

by BOB

IT'S pretty hard for the 'Old Man' to apply the best to the bottom when the young 'ruler of the Roost' is so appealing and so pitifully cooperative, as he always is at that particular time. Makes you feel like a cross between Dracula and Mr. Jekyll. The most recent event of a physical nature around our house was one that Roppa had promised the two boys because they had not conformed to his way of thinking. And so, having promised, we felt it only right to carry through with the ordeal. The conversation went something like this, after a thorough explanation of just what this round was all about:

"Mark, you want your first?"
"No sub; I wanna be after Ben!"
So Ben got his and hastened to depart the room. "Don't do me hard as you did Ben!" (He had just witnessed the "slaughter" and was really taking it like a man, up to this point. No tears; just man to man understanding.) We applied the "enforcer" to the natural area of "enforcing" and he looked up at us, pitiful as sin; like when your best friend stabs you in the back. "What was R-E-A-L hard?" And he grabbed his bottom, busted out crying and took off to elsewhere. And old "Dirty Dad" was left standing there, holding a belt in one hand, and holding his pants up with the other, and wondering if he had really done the right thing! And he's still wondering...

YOUR SOCIAL SECURITY

(This series of questions about Social Security are compiled from the questions sent to the Selma Social Security Office from Chilton County, and answered by David G. Adams, Field Representative. Any questions that you want to ask may be sent to: SOCIAL SECURITY, C/O CHILTON CO. NEWS, CLANTON, ALA.)

Q. A place I worked last year took social security out on me. I don't want to pay it now. How can I find out?
A. I'm sending you a post card on it and mail it. Our records show that you didn't turn it in. How can I find out?

If your last year's earnings are not shown on the form that was mailed, back contact the social security office. Anybody who wants one of these post card forms can get one by calling us. Ask for a Form 1004.

Q. Why don't I have to take a cut in my social security benefits to get them at 62?

A. By taking your benefits at 62 you get three "extra" years payments. Your checks are reduced to pay for these early retirement years.

Q. Do I have to pay income tax on my social security benefits?

A. No. Social security benefits are not taxable.

GOD WILL MEET YOUR NEEDS

I was deeply impressed by the story of a little boy who wanted to buy his mother a birthday gift. The present that he liked cost exactly \$9.98.

So he saved and saved until he had 998 pennies in his piggy bank. When he started to pay for the gift, he just turned his piggy bank upside down and 998 pennies came tumbling out. All the pennies that the little boy had were poured out in one single act.

To receive what you need from God, your faith has to come pouring out of your heart in one single act of faith. Do you want to be healed? Then all your faith must be loosed in one single act of believing God for the healing of your body.

In Mark 16:4-7 we read of a man who had a dreadfully afflicted son. We might diagnose his condition today as epilepsy. But it was something that would seize the boy and throw him violently into fire and water. The father brought his son to Jesus to be healed. But when he arrived, Jesus was on the Mount of Transfiguration.

When Jesus came down from the mount, He found a sorry state of affairs. The apostles were praying for the boy, but he still

was not healed. The father of the boy was very discouraged. When Jesus came this man was ready to give up and go home. The father said to Jesus, "I brought my son to you, disciples that they should cast out the evil spirit, but they could not." Then he cried in desperation, "Lord, if you can do anything, have compassion on us and help us." He was so discouraged that he wondered if even Christ could do anything. Jesus said to him, "If thou canst believe, all things are possible to him that believeth."

The answer of this man is most significant: "Lord, I believe. Help Thou mine unbelief." Jesus reached out His hand and touched the boy, commanding the evil spirit to leave his body. As Jesus touched the boy, the father released his faith. The foul spirit left immediately. The young boy was completely healed.

God will meet your needs just as He met the boy's. Whether you need salvation, healing for your body, financial help or spiritual help, He will supply your every need if you will release your faith and believe on Him.

There must have been some mistake. We are patiently hoping for 1994, which is supposed to be to five or six hundred pounds of raw beef. Some must have erred (it was Helms is who it was). When they said, "I haven't delivered my steers," we thought they were quail. To whom it may concern: Deliver it dressed, you get around to it, I fence!

THOUGHT we had a one on old Leon Murr Stokes the other day. It was on us all the time. I delivered our flivver to him. He had decided to take the old Leon had accidentally the keys out and he was working with them in his hand. Har, har, a good one. Leon, he was a little. "The (he looked), says the boss, so he had the last laugh. You always be last to laugh, especially if you were first!

GOT a lesson in writing "not writing," you may judge yourself from the Mother. After getting a grating hour digging in the "The Wasp," and carefully writing it down in our unique style (and the teacher said: "You don't take the style is going to take the style that out do you?" And that is in real writing. One thing we learned besides "one interesting facts about the wasps, and that is, never do any research for a bunch of ingrates or snobs. They just can't read real nice, that's all!

AND here's some of "Things to Remember": 1987 Vintage. The politician went to the capitol to get the poor voter a coupon. But when he got there, the board was bare. So instead, he just threw his bone!

AND here's another original that will be "timely" before you know it. For beautifying, the Mistletoe for kismet! Those jokers puttin' up the Holly. Don't know what they're doin'!

YOU deserve those you've been reading this column for the past 12 years.

SEE if you can't make your purpose, rather than there it fit your purpose!

There is always temptation, not always a will. A will is a way to do be, but still... If temptation were gone, we'd most look around for a heavier load!

THERE has never been will never be, a more creative artist than the individual who can make new friends... does!

WE'RE put out because income is not keeping up our output and the amount could mean that without us we will be put out and that us back to... takes action!

WE don't know who worse off. The guy who is to see if something is wrong with him, who uses nothing will!

GROWING IN GRACE

by RALPH VINES

To grow in grace, it has to be said, that we should be alone. At times people say we grow much, sometimes slow, vigorous growth. Grace can be stimulated by the presence of our "quiet hour." One single thing mean more than when we are in the company of others, and to fall the freshest, and it seems pursued when all is still. "Be still and know that I am God." (Psalm 46:10)

State Capitol Complex Takes Shape

This aerial photograph, retouched by an artist, shows how Gov. John Patterson envisions the State Capitol grounds in near future. Construction costing more than \$4 million is now in progress. It is the most extensive improvement program ever undertaken on Capitol Hill. The Industrial Relations Building, at left on former

parking lot, matches Archives and History Building, at right, in external architecture. New Highway Building, top right, replaces present outmoded facility and offsets Administrative Building, top left. Mall between buildings will be landscaped. To rear of these buildings, a four-level employee's garage is planned.

Bethsalem HD Club Met; Mrs. Wilkins

MET WITH MRS. WILKINS . . . The Bethsalem Home Demonstration Club met September 13 with Mrs. A. J. Wilkins with 10 members and one visitor present.

The meeting was called to order by Mrs. E. I. Pierce, vice-president. Mrs. Melvin Yeargan gave a very inspiring devotion with Scripture from II Timothy 2:15 and the topic being "Christian Labor."

The story of the hymn for the month, "Dear Lord And Father Of Mankind", was given by Mrs. Derrell Pierce after which Mrs. E. I. Pierce gave the Alabamian's Creed.

The roll was called, minutes read and treasurer's report given by Mrs. Norman Murrell. The minutes were approved as read. The reports were given and necessary business items carried out at this time.

Mrs. Johnnie Lane gave a very informative demonstration on "Tricks in House Cleaning."

The meeting was adjourned by members giving the Club Creed, to meet with Mrs. C. R. Pierce next month. Mrs. Melvin Yeargan led the group in a recreation period after which Mrs. Wilkins served some most delicious refreshments to each one present.

Building Owners Allow Shelters

SHELTER AGREEMENT . . . signed by Mayor Warren Whitson of Denton, Texas, an act being duplicated in communities across the nation as fallout shelter space in existing buildings is made available by property owners for emergency public use.

Others in picture are W. C. Orr, Jr. (left), who signed as president of the First State Bank of Denton—owner of the building containing the basement shelter space—and Bill Cox, representing Region 5 of the Office of Civil Defense, Department of Defense. The agreement provides that the bank will allow emergency use of the 350-person shelter area, the Defense Department will furnish survival supplies for the shelter and the City of Denton will place them in the shelter.

'EYES' FOR FALLOUT SHELTERS

Radiological detection instruments will be a vital component of supplies for community fallout shelters stocked under the Federal civil defense program of the Department of Defense.

A nuclear attack might threaten large areas of the nation with radioactive fallout. Some areas could receive a heavy fallout deposit resulting stays in a shelter of two to three weeks. Shelter occupants indicate total radiation absorbed, while the charger returns dosimeters to zero act as for re-use.

—and (3) A survey meter for measuring high-level radiation such as might occur outside a fallout shelter.

Radiation cannot be detected by the senses. Grouped around the shipping case in the picture of the radiation monitoring kit are: (1) A geiger counter with earphones, batteries and accessories for use in measuring low-range radiation such as might be dangerous in food and water; (2) Three pencil-like dosimeters; and a dosimeter charger—a state box with two black knobs—the dosimeters, worn by individuals, indicate total radiation absorbed, while the charger returns dosimeters to zero act as for re-use.

DEAR 4-H JANES:

By Martha K. Radford
Assistant Home Agent

Many of you have asked "When will we have a 4-H Club meeting?" It won't be long.

Mr. Futral and I will be making visits to the schools within the next couple of weeks to make plans with your Principals and leaders for the programs in your schools. Then in October we will be meeting with you 4-H'ers for the first meeting.

I know that many of you have been working on your projects all summer. There is a lot of time during the summer months that you can devote to these projects. However, don't neglect them now that school has started.

I heard the other day that Laura Ann Klinger, daughter of Mr. and Mrs. Charles Klinger, had really done a lot of work on her projects this summer. She helped her mother a great deal by cooking, cleaning, and doing other household jobs while the family was building a new home. Mrs. Klinger said she could not have done it without the help given her by Laura Ann.

Mr. and Mrs. J. D. Minor's daughter, Sharon, has also helped at home this summer by doing some of the cooking.

A Jemison 4-H'er, Patricia Vines, has been cleaning her room and rearranged the furniture this summer. I know this is a big help to her mother, Mrs. William J. Vines.

While Joe Owens', of Maplesville, mother was in school this summer, she did a good bit of the cooking for the family. She prepared 74 meals and approximately 350 dishes.

These are but a very few of the good jobs done by you 4-H'ers on your project this summer.

Hope to see each of you at your Club meeting in October.

Shrinks Hemorrhoids Without Surgery

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "I'll have ceased to be a problem!" The secret is a new healing substance (Bio-Lyne®)—discovery of a world-famous research Institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.

VIRGINIA

Thomas Jefferson designed the Capitol at Richmond and its main section was completed in 1798. It was here where Aaron Burr was tried for treason. Here Robert E. Lee was named commander of the Confederate forces. The Confederate Congress met here from 1862 until final adjournment. A famous statue of George Washington, by Jean Antoine Houdon, stands in the Capitol rotunda. Tourists enjoy the Confederate Museum, where Jefferson Davis lived during the Civil War, the Lee House, Edgar Allen Poe Shrine and St. John's Church where Patrick Henry said, "Give me liberty or give me death."

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

Verbena Trounces Jemison 14-6 In Opener

The outsize Red Devils of Verbena, last Thursday night at Jemison, squeaked by the Jemison High Panthers 14-6 in a hard fought season opener for both teams.

In the second period Chris Davis gathered in a Jemison punt on his 30-yard marker, reversed the ball to teammate Roy Ball who rammed 70 yards to paydirt behind a wall of Verbena blockers. Co-Captain Bobby Thomas swept right end for the PAT to give the Devils a 7-0 lead at intermission.

Behind the ball carrying spark of Benny Sims and Marshall Bolton, the heavier Panthers pushed 83 yards in 16 plays to score in the 3rd quarter. Bolton gathered in a Ronnie Little pass to account for the last 10 yards. Tackle, H. D. Sansom, and line-

backer Thomas combined forces to drop Sims for a 2 yard loss on the attempted PAT.

The 4th quarter saw Chris Davis direct Verbena to another score on a drive of 69 yards in nine plays behind the outstanding blocking of guards Johnny Davis and Larry Bryant. Ball again carried for the score going 5 yards off tackle and Thomas dove thru the same tackle for his second PAT.

Jemison Coach Gene Cost cited linebacker-center Larry Land as the defensive standout for the Panthers while statistics showed Sims and Bolton, full and halfbacks, to be the offensive leaders.

Outstanding for the victors defensively were (Big Jim) Easterling, at end, Johnny Davis at

guard and Thomas at linebacker position. Coach Cullen pointed out that a fumble recovery by Wes Robinson and pass interception by Ball halted deep Panther drives in the first half.

Jemison plays host to Mustangs of Isabella this Friday night, while the Mustangs invade Verbena, this same night.

VERBENA REMAINS UNDEFEATED

THE Verbena Red Devils, last Friday night, rallied from behind to claim their second victory of the season by thumping the Marbury Bulldogs 12-6 at the Verbena field.

After a scoreless first quarter Marbury quarterback Carl Post lofted a 51 yard pass which descended into the hands of right end Thurmond Fisher on the Verbena six. On the next play Post worked a keeper play and scored for Marbury.

The PAT was blocked by Verbena end Kenneth Mullins.

With seconds remaining in the half Chris Davis passed to Roy Ball who streaked down the sidelines to score on a play covering 60 yards. The score was 6-6 at the half.

The Devils took complete control of the contest in the second half and Bobby Thomas, Wes Robinson and Roy Ball teamed for the score when Ball swept the end for the tally with the help of a block by left guard Larry (Buck) Bryant.

At the gun, the Devils were knocking again on the six yard line of Marbury.

NEXT week Verbena travels to Isabella to meet the Mustangs and Coach Gilliam is concerned because several key men are out due to various ailments.

Isabella has a dangerous offense commanded by quarterback Frank Daniel which bears close watching.

See you at the game folks.

DEAR 4-H JANES—4-H Club Schedule For Year Mapped

"SINCE I wrote you last week, Mr. Futal and I have visited all the schools and made plans for your 4-H Club meetings. The schedule we have set up is as follows:

First Monday of the month: Concord, Mt. Pleasant, and Thomas Jr.; First Tuesday, Cooper and Enterprise; First Wednesday, Thorsby; and on the First Thursday will have their meetings on the Second Friday.

Complete plans have not been made for the clubs at the Henry Adair School.

Each of you should be thinking about the members you wish to have as officers of your club for we will be electing them at your first meeting. You should also think about the projects you wish to carry next year for you will also select them at your first meeting. I am looking forward to seeing each of you at your first meeting."

Your Assistant,

THE proceeds of this project and others, such as our recently completed County Fair, will be returned to the people of Clanton and Chilton County through community development projects like the recently completed Library to which the Jaycees contributed time, effort and money.

This year, the Jaycees anticipate erecting a Community Recreation Center as their number one program to community development.

5th Sunday Hymn Sing Sunday, 30th

THE Committee of the Chilton-Union Association Music Ministry are looking forward to their plans for a wonderful sing-spiration at the Fifth Sunday Hymn Sing, Sunday, September 30, 2:30 P.M. at the First Baptist Church of Thorsby.

Those rendering special music for the occasion are: Rev. Louis Brasher, Rev. C. G. Sewell, Sr., J. D. Thacker, the Macedonia Choir, Lee Grant, Rev. Horace E. Kimbrel and the host church pastor and choir.

A large crowd is expected.

Two Eligible For 4-Year Merit Scholarships

PRINCIPAL S. E. Waters of Chilton County High School announced today that two of the school's students have been named Semi-finalists in the 1962-63 Merit Scholarship competition.

He said they became Semi-finalists through their outstanding performance on the National Merit Scholarship Qualifying Test, the first step in the eighth annual Merit Program. The students cited for their high achievement are Joe Hopper and Joseph Peter Johnson.

They are among approximately 11,000 seniors throughout the Country who attained Semi-finalist status. Each Semi-finalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice. (Complete details on Scholarship Program in next week's News.)

Concord PTA To Meet Monday Night

THE Concord P-T-A will meet Monday night, October 1st, at 7:00 O'clock. All parents are urged to be present.

FOLKS and THINGS About Town by Ben

GLAD to have Ellis Jones and family back among the living. Ellis has been managing the Western Auto Associate Store in Calera for the past few years, but is now manager of the local Western Auto Associate Store.

Let me tell you the truth, Claud has been so lazy like the rest of us and decided it must be passed on to younger hands.

GOT the best invitation the other day that has come our way in a long time. Ruby Ellison offered the use of the swimming pool at Holiday Inn when we were amind to take it. I had an idea that kicking around in that pool may take some of the kinks out of these legs. Come green-up, we'll probably take her up on it.

OLD LADY: "How did you do those medals?"

"I saved the lives of my entire regiment."

OLD LADY: "Wonderful! How did you do that?"

Older: "I shot the cook!"

MET Reddie Taylor at the Post Office last Sunday morning and he had a 2 lb. bag of roofing nails that he had picked up on his driveway at his home. My opinion is that they were there by some irresponsible, poorly-raised brat! When a kid resorts to dangerous and possibly pranks such as this, something should be done about it. I don't what we could call.

SORRY to learn of Bobby Jones' bad luck. He lost the end of his finger in a saw accident. He saw saw, but Bobby didn't see saw. He was cutting the end of the picture frame. Hope Bobby doesn't have too much trouble with it.

GENE Baker was out this week blowing out our gas heat, and getting it ready for the season. He reached our house 5:30 P.M. and had made 26 trips that day cleaning gas heat. Our contention is, that Gene is doing his best to make it for us here in Clanton.

A NEIGHBOR'S dog stopped on my yard, it had most wonderful eyes, but honest friends, that little flower, he didn't need to sniff!

MAN OF THE WEEK

term as City Councilman, he will have served at that capacity for 24 years—with four different mayors. They are: J. Lee Smith, C. E. Stapp, C. Fenn Jones and the present Mayor, J. Hollis Jackson.

Mr. and Mrs. Dieffenderfer are the parents of two children: A son Milton E. Dieffenderfer, who is an assistant to the County Engineer in Chilton County and who lives in Glendale with his wife the former Margaret Patterson.

A daughter, Mrs. Hugo Keilback and her family live in East St. Louis, Ill.

Mr. Dief is very active in the First Methodist Church of Clanton and takes an active part in the civic and political life of this County. He is also a Mason and a Shriner.

If any man "keeps a hand on the pulse of a community", Mr. Dief is that man. No community effort or problem escapes his close scrutiny and he is willing and able to help in most any situation.

He is sincerely interested in people, and is a most easy acquaintance to make.

Of this bit of history that we are writing about him, he said: "Don't flower it up too much!" We didn't have to. A most colorful and helpful life is that of Mr. Dief.

We appreciate his sincere humility, but respect his unselfish accomplishments over the years in behalf of the people of Chilton County.

Just as Clanton is "a good place to visit, a better place to live", Mr. Dief is a good man to know - A better man to love!

We are honored to present him as Man Of The Week!

MR. L. E. DIEFFENDERFER

MAN OF THE WEEK, L. E. Dieffenderfer, was born in Shenandoah, Pennsylvania on April 18, 1890. He met and married Miss Maud Krahnman in 1913 when they moved to Thorsby, Alabama.

"Mr. Dief" as he is known throughout Chilton County, was manager of the Fruit & Truck Growers Association for many years and in 1925 he opened up what was the first service station between Clanton and Montgomery.

The same building where purchase the Widener's Sinclair Station is now located. Mr. Dief is also credited with helping to start the Fruit & Berry Growers Association in Clanton where he bought the first peach acre in the Central Alabama region.

bought new in Alabama between April 1, 1962 and June 30, 1962 will pay a half year tax. 4. All vehicles brought into Alabama from another state or bought new in Alabama between July 1, 1962 and September 30, 1962 will pay a quarter of a year tax.

All assessments where any part of the ad valorem tax is exempt will have to be made directly from a bona fide bill of sale or documents from another state where the vehicle recently came into Alabama. If you have bought a new car or truck since January 1, 1962, please be sure to bring your bill of sale with you when you come for your tag.

House Bill No. 53, recently enacted by the Alabama Legislature provides for a license tax on and an assessment and collection of ad valorem taxes on all house trailers.

1. On and after October 1, 1962, every house trailer, except those in the stock of dealers, shall be liable for the payment of a license tax and a license plate is displayed on the back of such trailer, in the same manner, and for the same assurance fees charged, as license plates for motor vehicles.

2. Before such license can be issued for a house trailer it shall be assessed for ad valorem taxes, and the taxes collected thereon, on the same basis and in the same manner that ad valorem taxes on motor vehicles are assessed and collected.

3. Any state, county or municipal law enforcement officer, or license inspector, is authorized to issue citations to persons failing to comply herewith.

Attention all tractor farmers! The time for submitting your request for a refund on your tractor gasoline tax has almost expired. They must be received by the state and federal government before October 1, 1962. We will be glad to assist you in any way possible to get your refund.

Canadian Bacon Takes To Outdoor Grill

Looking for something different to serve for a backyard or porch supper these warm evenings? Grilled Canadian bacon... with the right basting sauce... is the answer. For a delicious sauce try canned condensed consommé thinned with a little water, highlighted with crushed pineapple and soy sauce. All the ingredients blend together so well. This consommé-glazed bacon is mighty tempting fare and will certainly appeal to all summer wild appetites.

To accompany this tasty meat entree roasted corn on the cob is perfect. It can be done two ways. Either wrap husked corn securely in aluminum foil and roast over hot coals or after removing just the outer husks and soaking in cold water place on the grill and steam. Bread, too, buttered and sprinkled with herbs or seasonings can be wrapped in foil and heated right on the grill. All of this tempting food charcoal grilling sends tantalizing

aromas through the air and makes you "queen" for many a day. Round out your menu with wedges of melon topped with cream kept frosty cold in a bed of crushed ice.

Consume Glaze For Canadian Bacon consommé 1 can (10 1/2 ounces) condensed consommé 1 tablespoon cornstarch 1/4 cup crushed pineapple 1/4 cup brown sugar 1/4 teaspoon soy sauce 1 clove garlic, minced

In saucepan, gradually stir consommé into cornstarch; add remaining ingredients. Cook until thickened, stirring constantly.

Canadian Bacon Outdoor Grill 04) Prepare sauce; use 1/2 cup basting. Place 8 thick slices Canadian bacon (about 1 pound) on grill, 8 to 4 inches from the coals. Cook for 15 minutes, turning and basting every few minutes. Heat remainder of sauce, serve with bacon. Makes 4 servings.

Live Your Politics--

SOLID, old-fashioned Democrats are making a mistake if they allow the "straw-grabbing" Republicans to make off with the idea that Conservatism is something with a Republican brand or campaign-sticker attached!

We see too many evidences of good Southern Democrats—in their efforts to rationalize and justify certain acts of the Kennedy Administration—sacrifice their claim to believing in Conservative government, and rely completely on the "face value" fact that whatever the Kennedy's do is bound to be right.

We refuse to let the Republican "do-gooders" and "sympathy-seekers" get away with a clear, cut-and-dried case for Conservatism. As far as we are concerned, the Republicans did not invent Conservatism, and cannot, with any degree of respectable honesty, claim it as one of their inventions.

And just as this idea is too much to swallow, so is the notion that to be a Democrat is to agree with everything that everyone—elected or appointed—in the Democratic Party does or says or believes! That is ridiculous!

The Democratic Party has always been the Party of Conservative "Action". The Republican Party has always been the Party of Conservatives. . . Period!

The Republicans are noted—and have been for many years—for their attitude of maintaining the Status Quo—don't rock the boat—ignore it and maybe it will go away! And this, in their opinion, is the height of Conservatism. One would almost assume that Republicans are scared to stand on their own two feet for fear they will make a mistake—and be criticized. If there's one thing a Republican can't stand—it's criticism, justified or constructive.

That's where they are stealing thunder and it belongs not to them. Some of the most notable men in the history of America have been Conservative Democrats. Men who believed and do believe in caution before action, but not instead of it.

The Republicans like to make big talk about "Democratic Liberalism" (whatever that is), and again we contend that nobody has a corner on the market. We assume that what they mean by "Liberal" is "not being cautious enough", whether it be with money, legislation or whatever.

This nation has gotten to the point in his-

tory, where it occupies the pinnacle of success and achievement for the individual, and it did not get to that point by hiding its head in the sand or tucking its tail between its legs. If a nation is to have vigor and vitality, then it must have aggressive leadership, and with very few exceptions this leadership, in the past several decades, has come from the Democratic Party.

It is ironic that a situation in Abraham Lincoln's career proved the wisdom of a phrase he often used: "A house divided against itself, cannot stand". And that is exactly what put Mr. Lincoln into the President's chair in the early 1860's. A split in the Democratic Party put him into office. And he polled less than a majority of the popular vote! Seven states immediately seceded from the Union and war was the result. The Democrats have lead the nation through two great world wars and the Korean conflict, but they have never started one, as the Republicans claim they have. No one in America intentionally starts a war, not for political expediency. We are a nation together. But party-wise, the Democrats are so far ahead of the Republicans in progress and development of our nation, that all they can see is our dust!

If the Democrats have Party members who are too Socialistic and ambitious and are a threat to this nation—they can, and will clean their own wash! Which is small compared to what the Republicans have for a problem: "Who do we have who will do something. . . even if it's wrong?"

Worthy Effort--

WHY do we, as a nation, concern ourselves with so many small, unimportant bickerings, when we have such great decisions to be made for the future of our Country and our children?

New Cars--

THE new cars are beginning to show their faces and right soon pocketbooks will begin to open and empty. There's no fever quite like "new car fever" and it comes around to pester humans about this time each year. You should know better. . . but few of us do.

Housing, Creek Drainage--

CLANTON'S Housing Development has taken the shape of a large community now and is in the final stages of completion. Now all we need are 80 families to live in them. You know what would fill them up quicker than anything would be a jam-up good industry all of sudden! One thing is for sure and certain: when Clanton gets big industry, it won't be "all of a sudden"!

And the creek drainage project, so badly needed for years for flood control is taking shape all around our fair city. Now when the winter and spring rains hit us, we won't all have to head for high ground and leave the biscuits to burn.

We thank Mayor Hollis Jackson, the City Council and the Housing Authority for these steps which will certainly enhance Clanton's chances for progress.

Chilton Is Beautiful--

FOR the past couple of Sundays we have covered the Collins Chapel area to the north, Macedonia and Cox Chapel to the West and points to the south and east in Chilton County and their just ain't a more beautiful country anywhere than right here at home. And now 'Fall has fell and the landscape and scenery hereabouts will be delightful. If you're sick and tired of yourself or fed-up with somebody else, get out on these beautiful sunny Sunday afternoons and let your cares disappear. Take it from us, it's good tonic—a heap better than "sulfur and molasses" or whatever remedy you may prescribe. Shake the cobwebs and feast your eyes on the beauty of nature, which is all around you, everywhere!

Expensive Garbage--

WHO said garbage isn't big business? The City of Clanton, in a recent year, paid \$21,000 for collecting garbage in the City Limits which was more than was collected in ad valorem taxes for the same period. This is another indication, we think, of how our present City Council-Mayor team do a spanking good job for this community in spite of the odds against them. And by the way, speaking of garbage, it would help the City considerably if you have dead limbs or other refuse that will not go into your container, save it up for a few days so the truck can get it all at once. It's expensive for the City to have to make a call at your home several times when one would be sufficient. Thanks for your help and cooperation. They can serve you better because of it.

Report from Washington

BY
ARMISTEAD SELDEN
Congressman, Sixth District

With the possibility of adjourning within the next two weeks, Congress last week was extremely busy. In addition to conference reports and other legislation, the House debated and passed the controversial Foreign Aid Appropriations Bill.

CUTS SUSTAINED

The Administration had requested \$4.85 billion in aid funds for the next fiscal year but the Appropriations Committee cut this amount by \$125 billion. When the bill reached the floor of the House of Representatives the President made a strong appeal to restore the reduction. The House, however, approved the committee's action.

The largest reduction was a \$200 million cut from the Development Loan Fund. Also reduced were appropriations for the Peace Corps and the Alliance for Progress.

In addition to sustaining the Appropriations Committee's action in reducing funds, the House amended the measure to deny aid to any country whose ships are used to deliver arms or equipment to Cuba or that provide the Cuban regime with economic or military aid.

FARM BILL PASSES

Among the conference reports considered last week, none was adopted by a closer vote (202-197) than the report on the omnibus farm bill. This vote marks the third time the House of Representatives has voted on similar legislation during the current session.

In June the House defeated an Administration-backed bill but approximately a month later adopted a watered-down measure. The legislation passed last week was a compromise between the House bill and a much tougher Senate version. Senate approval of the conference report is expected this week.

Local Child Dies In Selma Hospital

TIMOTHY Lamar Wright, six-months old son of James and Henrietta Wright, died on September 24 in a Selma Hospital. Funeral services were held at 3:30 P.M. September 25 at Mulberry Baptist Church with interment in church cemetery. Officiating minister was the Rev. Neal Glauser.

Surviving relatives include: the parents; grandparents Mr. and Mrs. Henry L. Bean of Clanton and Mr. and Mrs. James F. Wright, Thorshy.

Pallbearers were: Charley and Billy Bean, Don Headley and Ross Smitherman. Flower ladies were: Mrs. Don Headley, Mrs. Billy Bean, Ann, Judy and Martha Sue Bean. Laid in casket by Mrs. Don Headley and Judy Smitherman. Spigener Brown-Service was in charge.

Harrison Infant Dies In Clanton

INFANT Laura Ann Harrison of Stanton died September 23 in the local hospital at the age of 17 hours and 25 minutes. She was the daughter of Clarence and Alice Harrison.

Funeral services were held at Alpine Baptist Church on September 24, with interment in church cemetery. Officiating minister was Rev. W. E. Robinson with Spigener Brown-Service directing.

Surviving relatives include, Mr. and Mrs. Clarence O. Harrison, parents; one sister, Patricia Harrison; two brothers Odie E. and Roger L. Harrison all of Stanton; grandparents, Mr. and Mrs. Raymond Smith, Lawley; and Mr. and Mrs. C. H. Harrison of Maplesville.

COLLEGE AID

Another conference report of importance did not fare as well in the House last week and was rejected by a vote of 214 to 186. This was the Administration's College Aid Bill which authorized

ized \$1.5 billion in grants and loans over a five-year period to public and private colleges for construction of classrooms and libraries, \$200 million in grants to junior colleges, and approximately \$600 million in student loans over a five year period.

In the debate, opponents of the measure concentrated their fire on the student loan provision. The major factor in the bill's rejection, however, was the widespread opposition to grants to church-related colleges on the grounds that such grants are unconstitutional.

Although the House-Senate conference can report back another compromise version of the bill, there is little likelihood this will happen. Consequently, the measure is apparently dead for this session of Congress.

ABUNDANT LIFE

by ORAL ROBERTS

GOD'S STRENGTH CAN BE YOURS

A man and his small son were working together in the garden gathering stones.

"Here's one I can't lift, Daddy," the boy cried. "I've tried with all my might."

The father stopped working, looked down at his boy, smiled and said, "Son, you didn't really try with all your might, for I was here as a part of you might and you didn't ask me to help you."

Jesus of Nazareth wants you to count Him as a part of your might. He knows your limitations, and He stands beside you to minister to your need. He stands beside you when the burdens are too heavy to bear.

"Here, let me help you," He whispers, stretching forth His nail-scarred hands.

He stands beside you at the busy intersections of life, when you are bewildered by the rush and tumult of all that's going on. He takes your hand in His and leads you safely across. He stands beside you when the nerves are frayed, or when you are discouraged and lonely. He has a way of calming frayed nerves, or reassuring you of and putting you back in order.

Christ's strength is placed at

your disposal to be utilized. If you give up easily, if you are prey to lingering fears, it is because you have not learned to place your hand in His. You have only to reach out in faith and make His strength a part of your strength.

It often happens that life makes demands of you beyond your own powers. Such demands work for your good! Only that which seems impossible is really worth doing, for this is the law of growth and progress. But to succeed at these tasks, you must learn how to utilize God's help. For no one, of course, can go beyond human limitation without His help. Phillips Brooks used to pray, "Lord, I ask not for tasks equal to my powers, but I pray for powers equal to great tasks."

When you know that Christ's strength is a part of your strength, you need not be afraid of any situation or task that may confront you in the future.

God gives just the right amount of strength for every need. Saturate your life with it and face undaunted the challenge of living each day victoriously.

THINGS

OUR sincere thanks to Lewis Headley for pinch-hitting for us at the Young Demo meeting last Monday evening. Lewis carried the ball well—as usual—and we were certainly in a pinch. And, at this writing, we're still in it. It is always noticeable in a man who has come up through the school and the ranks of hard knocks and bruises, that he is usually willing to tackle most anything, and with a ready determination and natural acceptance that it can be done, the main thing is to get at it! We are sincerely grateful to Lewis and all the other fellows who had a hand in making this meeting the success that it was!

MR. LEO Thompson, Fred, and the crew at Clanton Laundry are eager for you folks who are supporters of the CCHS football team, to come by the cleaners and get your ribbons (colors) for next week's game! There's a different set of ribbons for each game and they are so easy to attach to any clothing you happen to be wearing. You should get a "kick" out of being "taken to the cleaners" now!

JOHN PONDER Lawrence is now in the silk screen business! In case you don't know what that "business" is, go by the Standard Station across from Clanton Motors (gosh at all the free advertising) and look at the display of Alabama, Auburn, and CCHS car tags, which they have in the window there. John Ponder is an artist of the highest order—it comes natural to him, so we ain't braggin'—and his handwork is evident in just about every business in Clanton. The price? We ain't gonna tell you, but you can see for yourself!

IF we ever find a market for it, we have a young son who, at the tender age of seven, is an expert at making mountains out of mole hills, and stretching to agonizing lengths, points which, to the average person,

aren't worth the elastic it takes to mess we mention, though we have plenty of competition.

PEOPLE tend to believe that the passage of time and progress are the same thing. They are not. We are not progressing, in the sense that achievement is evident merely because the clock moves its hands. We are only progressing and achieving when we understand and accept a goal and work to the end that the need is answered, or at least improved upon.

DO you know what Spider hairs are? Well, we didn't know until son Mark ran in the other day hollering "they're spider hairs (pronounced 'spidee' uhs) all over me!" Turns out he had run into a spider web out in the yard and it was his first encounter with the arachnid art!

SEVEN GOOD RULES

By Mrs. Clyde Martin

1. Be diligent in prayer every morning and evening. 2. Never spend a moment in mere idleness. 3. Restrain your natural appetites within the bounds of temperance. 4. Overcome every temptation to anger or ill will. 5. Undertake nothing from a selfish motive or personal ambition. 6. Never intentionally do anything that displeases the Lord. 7. Seize every opportunity of making sacrifices for the good of others.

Silver Screen Revisited—One of the "looks" for Fall is borrowed from the fashions of the early '30's. Seems the designers are influenced by old movies rerun on TV and by the clothes of the former "Queens of the Silver Screen." Long lines achieved through bias cut skirts will be a feature of this style. We all know, a bias skirt is the hardest one to keep looking nice.

That makes this a year when you will need to depend upon professionals to keep our hemlines even.

The Well Groomed Traveler—Here's a tip to help you have that well groomed look when you are living out of a suitcase. Pack your dresses and suits right in the plastic bag in which they come from the dry-cleaner. When you take them out and hang them up you will find that the wrinkles fall out easily and the clothes look good. Using the plastic takes up no additional room, adds no weight to your luggage, but does your clothes a world of good.

Campus Bound?—For the dormitory that does not furnish its own bed linen I suggest muslin sheets. About four would be needed and they should be marked with a name tape. Check carefully for the proper size when you are shopping. There are over 20 different sizes of bed sheets available from most companies and you will want to get the best for your needs. Washability is also very important in this choice,

and I suggest that you look for the Certified Washable Seal of the American Institute of Laundering when you are selecting your college linens. You will know that these linens have passed strict tests for all phases of home and professional laundering.

White Garments Turn Yellow—This is one of the strange new problems that has come up due to the new washing products on the market. Sometimes a white garment will turn yellow only at the shoulders or the edges of the sleeves. Perhaps a white garment that has been lying flat on a towel, such as a sweater, will be yellow on the top side only. Our technicians solved the mystery when they found that certain detergents with fabric brighteners added will turn yellow when exposed to the sun. If this has happened to you, rewash the garment in the same detergent. This should restore its whiteness. Then be sure to dry it indoors. If the whiteness has not been restored with one washing, repeat as often as necessary, using the same detergent. Always be sure that you dry it away from the sunlight, preferably indoors.

The first 1963 model car to be announced out of Detroit, Ford's all-new Falcon Futura convertible sets a "sporty" pace. Combining its low silhouette with compact lightness and 170-cubic-inch engine performance, the new model offers a sports car flair while retaining the best economy features of Falcon. An all-vinyl, electrically operated power top and full-length divan-type front seat are standard. For the sports-minded a complete selection of optional equipment, including wire wheel covers, floor mounted 4-speed manual transmission, and bucket seats, is available.

This newest addition to Ford's industry leading compact line will be introduced in dealer showrooms Friday, September 28.

SHELTER PROGRESS RAPID

The national civil defense program of surveying fallout shelters for up to 60 million Americans is ahead of schedule, and should be completed before the end of 1962, according to officials of the Defense Department's Office of Civil Defense.

By October 1 OCD expects to have in the hands of local civil defense authorities complete information on the number and location of shelter spaces available in each community. From information obtained by the Federally-financed National Shelter Survey, local civil defense officials will know also how many persons in each community could be sheltered, how many could not be sheltered under present conditions, what additional space could be modified into shelter areas, how much it would cost, and similar data. Local architects and engineers surveyed shelter areas under contract to the Army Corps of Engineers or the Navy Bureau of Yards and Docks.

Under present plans, civil defense authorities receiving this information would then be responsible for marking shelter areas with a nationally-standardized sign. They would stock shelter areas with specially-prepared 14-day supplies of food, water, sanitation and medical items, and fallout detection instruments—all provided by OCD.

The shelter survey, marking, and stocking program, announced last August and put in operation Dec. 1, 1961, is the first part of a broader plan to provide fallout shelters for virtually all Americans over the next five years.

The New Models Are Stupendous. I'll See You At The Showing . . .

State Capitol in Water Colors

This is a black and white reproduction of one of the colorful sketches of the Alabama State Capitol which appears in a new brochure just published. The promotional piece, issued by the State Bureau of Publicity and Information, describes the Capitol as "the most historic public building in the South." The leaflet contains several original paintings, in water colors, which were done by Richard Brough of the University of Alabama art department. The new brochures are for free distribution to State Capitol visitors and prospective Alabama tourists.

SAVE-AS-YOU-GO

I come from conservative stock and my folks were great believers in "cash on the barrel-head." It made a lot of sense in those days, and every now and then my Dad would point out some horrible example who had "gone into debt and wound up in the poorhouse."

As a kid I was just as sure that the two went together as I was that if you took that first drink you would wind up a drunkard.

I got married on cash, but the time came when we decided our children needed a better home environment—enough room, a yard to play in, a good neighborhood with good schools, and all the rest. We soon discovered we'd have a hard time providing these things if we had to wait until we could pay cash. If we tried to save the money out of income paying rent for someplace to live all the while we were saving the youngsters would be full grown before the house could ever be purchased.

And so we used long-term mortgage credit. We used our savings for the down payment, moved into the house, and started paying the rest on a twenty-five year installment plan. We were in debt, but this kind of debt helped us to increase the family's net worth each year, so it was really a "SAVE-as-you-go" plan.

Then, right in the middle of the hottest part of the summer, our long-faithful-but-antique refrigerator finally went "clunk" and quit! The lady of the house didn't say a word—a very unusual wife, indeed. She merely led me gently to the kitchen, opened the refrigerator door, and let me view the lovely mess inside.

I surveyed the soggy stack of nicely thawing frozen foods; inhaled the distinctive aromas

of "ripening" meats and cheeses, and sniffed at each quart of curdling milk. She permitted me to contemplate in peaceful quietude the bleak prospect of quaffing my favorite beverages LUKE WARM for the remainder of July and August.

My wife's wordless lecture was quite effective. I quickly realized that for city folks today a kitchen refrigerator is a NECESSITY. After weighing all the factors, we decided that a new refrigerator was a better solution than paying the cost of labor and parts required to put our antique back into some-what dubious service. We did some arithmetic, and found there was sufficient cash on hand for a down payment—without disturbing family savings. Then we shopped around for the best buy and eventually signed a contract for two years of installment payments.

Genuine Thrift It may take us two years to pay for the refrigerator, but in two years we will have "paid ahead" for the cost of refrigeration for another twelve years or more! That's sound economics—and I'm sure my cautious forefathers would agree that paying ahead is more thrifty than the old hand-to-mouth method of cash on the ice box—or NO ice!

At our house, Momma and I always work out our family budget together. We planned carefully how we were going to pay the installments on that new refrigerator BEFORE we agreed to buy it.

We aren't a "cash-on-the-barrelhead" family any more. We've found that credit can be a useful tool in family money management. It can help families acquire more of the things they want and need; it can help them save-as-they-go. But like any good tool, credit must be used wisely—and only as a part of a careful family financial plan!

AAUW To Hold Area Meet Here

MEMBERS of the Chilton County branch of the American Association of University Women will be hostesses at Holiday Inn in Clanton, for the Area III meeting on Friday, September 28 from 5:00 until 9:00 P.M., Mrs. Daniel R. Mims, chairman, presiding.

The dinner will be \$2.00 and advance reservations are necessary. Mail reservations and your check to Mrs. Harold Lewis, 402 No. 8th St., Clanton, Alabama before September 25th.

Mrs. Herbert E. Dobbs of Delaware will be the keynote speaker. The object of the meeting is to discuss plans for the study of Social and Economic Issues.

Included in the Third Area are AAUW members from branches in Auburn, Chilton County, Montevallo, Montgomery, Prattville and Dothan.

Library Board Urges Return Of Borrowed Books

"If we are to maintain a Public Library in Clanton, borrowers of books must return them on time. Only a small percentage of the many citizens checking out books are failing to do this. Parents are urged to see that their children attend to this responsibility."

"Books may be borrowed for two weeks. For every day the book is overdue, a fine of 2c will be charged. If a book is lost, the borrower must pay for it."

"Also we would like to remind our patrons who pledged to give to the Library Fund; if you haven't already done so; to pay your pledge if it is possible for you to do so. Make your check payable to the Clanton Public Library and send it to the Board's treasurer, Mrs. J. E. Gowan, or give it to Mrs. B. E. Reeves, the librarian."

"Thank you for your past and future cooperation, so that we can maintain a good library in the City of Clanton."

Rummage Sale To Be At Verbena

THE Woman's Society of Christian Service of the Verbena Methodist Church will hold a Rummage Sale on Saturday, September 29th.

This Annual event will be held at the old Derramus store building recently occupied by the Guldred Brothers. The Sale will begin early in the morning and continue all day. Proceeds will go to the Building Fund for the new educational building, now under construction at the Verbena Church. Any donations of cash or "rummage" will be most appreciated. There will be a White Elephant Sale as well as used clothing of all kinds.

A Bake Sale will also be held and will include brown bread, cakes, pies and many other appetizing, home-cooked items.

FIVE WEEKS IN A BALLOON

"Five Weeks In A Balloon" is the title of the Cinemascope and color feature at the Clanton Drive-In Theatre starting Sunday, October 17th. It stars Red Buttons and Fabian and promises to be good entertainment for nearly everyone.

Canned Gravy Adds Special Welcome For New Neighbors

Fall and Spring seem to be the seasons for the "big moves". Families by the score relocate. As businesses grow, the husbands-fathers are hustled off to new communities.

What could be a nicer way to welcome your new neighbors than a hot meal... taken to them... on moving day. With the deluge of crates and cartons to be unpacked, meals are a chore and most often the new comers are too tired to go out for a bite to eat.

Canned mushroom gravy enters the kitchen scene as the magic ingredient of this Tetrazzini. Cooked spaghetti, diced cooked chicken, green pepper, and pimiento are combined with rich mushroom gravy (right from its handy 10 1/2-ounce can) and the whole casserole gets topped with shredded cheese and popped into the oven for 25 minutes. The result is a colorful and delicious casserole which will make your welcome to the neighborhood visit extra warm.

A container of crispy coleslaw and some fruit and cookies for dessert can be packed up in a jiffy... and, to make your new neighbors feel at home, a memorable one, arrive with the meal, greet the new neighbors, and leave the dinner with them.

This type of easy, but elegant, total meal goes all sorts of places. Your friends who are in the midst of the last minute hectic plans for a wedding might enjoy such thoughtfulness, too.

Tetrazzini

4 ounces thin spaghetti, cut 2-inch pieces, cooked

1 can (10 1/2 ounces) mushroom gravy

1 cup diced cooked chicken

1/2 cup shredded mild processed cheese

1/4 cup chopped pimiento

1/4 cup minced green pepper

1 tablespoon minced onion

1 tablespoon sherry

Dash pepper

In 1 1/2-quart casserole, combine 1/4 cup cheese and all ingredients. Sprinkle remaining cheese on top. Bake at 350° for 25 minutes. Makes 4 servings.

"A challenge to all of us..."

a statement by Robert B. Anderson, Secretary of the Treasury:

"The ownership by 40 million citizens of over 41 billion dollars in Series E and H Savings Bonds is a striking testimonial of confidence in America's bright future. This partnership of individual citizens in their government's fiscal operations means better management of the public debt—greater stability for our money—brighter business prospects for the years ahead.

"Our country needs more savings—in all forms, including the popular U.S. Savings Bonds—to help finance our growing economy.

"Meeting this need is a challenge to all of us. Americans everywhere should be encouraged to regularly put aside part of their earnings for future needs. And certainly part that saving belongs in the new better-than-ever U.S. Savings Bonds."

Minutes of The Board of Revenue and Control of Chilton County, Alabama

BOARD MEETING
SEPTEMBER 10, 1962

The Board of Revenue and Control of Chilton County, Alabama, met in regular session at the County Courthouse at Clanton, Alabama, on September 10, 1962, at 8:30 A.M. The following associate members were present: Sherman Motley, Dalton Champion, Acie Mims, A. D. Headley, and J. C. White. Judge of Probate and Chairman of said Board, Judge White presided as Chairman of the meeting and a quorum being present, declared the meeting open and the transaction of business.

WHEREUPON, The Clerk of the Board read the minutes of August 23, 1962, and the Chairman of the Board asked for corrections or additions to said minutes. WHEREUPON, It was pointed out that the second word in line two of said minutes, Page 418, reading "Each", should read "Certain", and that line 26 at Page 490 of said minutes should be extended to read, "Not to exceed \$750.00 for County's share", and reading, "SACP-C. Fairview-Mt. Nebo Road", at lines sixty-seven and eight. Page 490 of said minutes should read, "328-G Durbin's Store-Sardis Church Road".

WHEREUPON, after the above corrections or additions to said minutes, all members of the Board present, affixed their signatures to said minutes in the presence of the Board and the Clerk.

WHEREUPON, The Clerk of the Board presented to the Board a list of purchases and claims filed with him against the County. WHEREUPON, the Board proceeded to audit said purchases and claims, and it appearing to the Board that each of the following claims are itemized and sworn to, with evidence of delivery of each item to the County, as provided by law, and it further appearing to the Board that all claims are

Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinking) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dynex)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation 15. VERBENA 12-0 ISABELLA 7

THE Red Devils of Verbena defeated the Mustangs of Isabella 12-0 in a football game Friday night at Isabella. The game was a defensive battle, with Verbena's defense holding the Mustangs to a total of seven points.

Isabella took the lead early in the game as guard David Cummings recovered a Verbena fumble on the first play from scrimmage at the Devils' 38 yard line. He plays later fullback. Sherrill Hines circled right on an eight yard punt to paydirt. Quarterback Frank Daniels then ran the ball to give the Mustangs a 7-0 lead.

Verbena narrowed the margin early before the half as Bobby Thomas led a drive which culminated when Gary Griffin bulldozed the last 7 yards to score.

The 7-6 score stood through the third quarter and late into the fourth quarter as the Mustangs repulsed 3 Verbena drives outside their own 10 yard line.

Both coaches praised the injured play of the stubborn Isabella forward wall. For the Red Devils defensively the leaders guard Johnny Davis, linebacker Bobby Bryant, and linebacker Bobby Thomas.

Next week the Mustangs will play the Marbury Bulldogs and Verbena will be invaded by the Bulldogs from Calera.

HOME BURNS - BOY STRUCK BY AUTO, LEG BROKEN

LAST Saturday night the local fire department answered a call to Lomax, where the home of Audrey Martin was ablaze. The fire was out of control and the house was completely demolished.

During the fire a 15-year-old boy was injured. He was riding a bicycle with his lights and was struck by a car driven by James Smith, who was charged with having improper lights.

The boy, James Dunigan is in the Chilton County Hospital suffering from both bones in his left leg being broken. Both the boy and the driver of the car are Negroes.

Reports from the hospital were at this writing, that he had a good night Monday and was doing well.

Maplesville PTA Meets Tonight, 4th

The Parent-Teachers Association of the new Maplesville High School will hold its regular monthly meeting on Thursday, October 4th at 7:30 P.M. in the school library.

The theme for the year is: "Leadership and Responsibility By Our Youth". The program for this month will be presented by members of the Beta Club.

The devotional will be given by Rev. Lloyd Jones, pastor of Ebenezer Baptist Church. All parents are urged to attend this meeting and see and hear what the youth of our community are capable of doing.

They are proud of their new school building. Are you? Let's see you present at all the PTA meetings.

PATTERSON-ALRED FIRM LOW BIDDERS AGAIN

THE local firm of Patterson and Alred, Contractors, in business since November of 1960, was the low bidder on new construction at Bryce Hospital, Tuscaloosa, Alabama. Bids were opened on September 27th.

The local firm won the contract with a low bid of \$833,103. Second lowest bid was \$841,119 entered by Robert Bros. & Co. of Gadsden and third low bid was offered by N. C. Morgan Const. Co. of Tuscaloosa, with a bid of \$846,000.

The contract, according to Sam Patterson, partner in the firm,

will probably be awarded some time next week.

The local firm is now in the process of building a school at Roadside, which should be completed in December; they will complete the Educational Building of the First Methodist Church of Clanton by the first of November. They are also the firm which constructed the new Chilton County High School in Clanton—a \$560,000 project in fact that was their first major production job.

The other partner in the firm is Dan Alred, Engineer.

RUMMAGE SALE TO BE CONTINUED

THE Woman's Society of Christian Service of the Verbena Methodist Church will continue the Rummage Sale on Saturday, October 6th. The Sale will be held all day at the old Deramus Store.

Good Rummage at very reasonable prices is still available. More donations of Rummage will be appreciated and the public is urged to give either merchandise or cash.

Proceeds will go to the Building Fund of the church.

Governor Denies Coburn Clemency

GOV. John Patterson has denied clemency for 37-year-old James W. Coburn, who is scheduled to die in the electric chair October 5th.

The governor denied a plea for clemency for the Chilton County man who was convicted in the slaying of a Dallas County tavern operator.

The victim, Mrs. Mamie Belle Walker, operated a tavern on Alabama 22 about three miles south of Plantersville in Dallas County. Coburn was convicted of first degree murder and a fatality shooting and clubbing the woman.

Thorsby PTA Sponsors Fall Festival

THE Thorsby PTA is sponsoring a Fall Festival on Saturday night, October 13th, on the High School Grounds. The Festival will begin at 6 O'clock P.M.

There will be all the fun and fanfare of a carnival and Halloween and everyone is invited.

The Halloween King & Queen will be selected at this time. All proceeds will be used to help pay utility bills for the Elementary and High schools.

3-Family Reunion At Bethsalem

The Reunion of the Moore, Wilkins and Vinson families of the Chilton County Community will be held Sunday, October 7, at Bethsalem Baptist Church. All the friends and relatives of the various families are especially invited to come and be with us.

Lunch will be served at the noon hour. Immediately following the lunch hour we will assemble in the Church auditorium for a devotional service and a brief business meeting.

We hope to see each of you there.

Gertie M. Yeargan,
Secretary.

Broken Wheel Causes Accident Sunday

ABOUT three A.M. Sunday a freight train was derailed just south of Verbena, near Sandy Creek.

Reports from the agent at the Verbena Depot, Mr. O. N. Esco, were that some 30 cars, carrying the usual cargo including several cars of feed and grain, were derailed. The agent said they would all probably have to be junked.

Cause of the accident is said to have been due to a broken flange on one of the wheels.

Two trains were held up at the Clanton Depot and trains

both north and south were delayed due to the fact that the wrecker overturned cars to the scene.

Another problem arose at the crossing in Clanton when a car in occurred in the pavement under the tracks.

Mr. Peterson at the Clanton Depot stated that several large drainage pipes that run under the tracks had broken, which caused an opening about 15 ft. in diameter at the bottom. Traffic was held up on Monday afternoon until crewman could barricade the opening. It was still open Wednesday morning.

PATTERSON TRADE SCHOOL BUS LEAVES DAILY, 6 A.M.

A NEW trade school has been opened in Montgomery by the State of Alabama. It is the John Patterson Trade School and boasting all new facilities, it offers many courses in trade training from electronics, welding and mechanics to other courses.

Your Chamber of Commerce has information that the monthly tuition is quite reasonable, being about \$1.00. Each trainee furnishes his own basic tools, etc.

Several students have already enrolled from the Clanton area and transportation to and from the school is provided daily by the State of Alabama - from Clanton to Montgomery and return.

The trade school bus leaves from the Clanton bus station (Greyhound) every morning for Montgomery at 6 O'clock. Any person in Chilton County who is interested in investigating the school's program and in learning a new trade can ride to Montgomery and to the school on the new school bus.

THE Junior Class of CCHS, Mike Dennis, President, is selling "CCHS Tigers" tags for the front of your automobile. The tags are locally made by J. P. Lawrence, Jr. and the Juniors have exclusive sales rights on them at this time. The proceeds will go on projects of the Junior Class. See a Junior about yours!

PRESENT CHECK TO RETARDED CHILDREN

THE civic project of the Beta Gamma Chapter of the Beta Sigma Phi this year is to help the Retarded Children of Chilton County.

Mrs. Mary Ann Taylor and Shirley Norman presented a check for \$100.50 at the Retarded Children's Council last week.

This money was half of the door receipts taken in at the Fashion Show and Maid of Cotton Contest in August, which was sponsored by the Beta Sigma Phi.

Local PTA To Hold Open House

THE Parent-Teachers Association of C.H.S. will meet October 9, at the High School Auditorium at 7:30 P.M.

The subject for this meeting will be presenting Father's Night at the meeting and Open House at the School.

The devotional will be given by Mr. Paul Harthorn. Entertainment for this meeting will consist of a Barber Shop Quartet and a report by N.P.T. Committee.

All parents and teachers are urged to attend this meeting.

GATES OF OPPORTUNITY SCHOOL GIVES THANKS

"We of the Chilton County Association of C.H.S. wish to take this opportunity to thank the various individuals, businesses, clubs and churches for their generous contributions to our school for the retarded."

"We especially say a big 'Thank You' to the Civitan Club. It is they who have paid our bills when we could not and only this week gave the school a refrigerator."

"To the members of Trinity Episcopal Church for the donation of their building for school classrooms."

"To Carter Radio Service for all the free repair service and records."

"To Dark's Dairy for their donation of free orange juice for the children each day."

"To the Chilton County News, Radio Station WKLF and the Union-Banner for all of their fine publicity."

"It is our prayer that you will be richly paid for your generous help."

BPW OBSERVE FOUNDING

THE week of October 7-13 is officially declared Business Women's Week in Chilton County by Judge J. C. White. The theme is: "Leadership - A Dimension in Democracy".

National Business Women's Week, though sponsored by the National Federation of Business and Professional Women's Clubs, Inc. is a tribute to ALL career women.

Members of the Chilton County BPW Club will attend a tea in Selma on Sunday, October 7. On Monday a dinner meeting will be held in Montevallo, with State President, Mrs. Laura Watts, guest speaker.

The local club is also sponsoring the Chilton County Mental Health Fund Drive, to be conducted during Business Women's Week.

NINE CCHS STUDENTS CITED FOR ACHIEVEMENT

Nine CCHS students were presented with Certificates of Merit by Principal S. E. Waters in the assembly program Friday September 29th.

Certificates were awarded because of their outstanding performances on the National Educational Development Tests.

Recipients included Patricia Ann Baker, Delilah Carter, Alice Gerald, Martha Johnson, Valinda Kennel, Susan Weaver, Josephine Moore, and Joanna Young, members of the tenth and eleventh grade classes.

In March, 1962, EDT exams were administered to more than 366,000 students who were then in the ninth and tenth grade classes across the nation. The certificates are provided for students scoring in the top quarter of each state's participants, by grade. The test provides scores in English, social studies, mathematics, natural sciences and word usage.

NOTICE!

TAG BUYERS HOUSE TRAILER OWNERS TRACTOR FARMERS

The 1961 session of the Alabama Legislature amended Title 51, Code of Alabama as pertains to ad valorem taxes on all automotive vehicles. All automotive vehicles in Alabama on October 1, 1962 are taxable.

Dealers or brought into Alabama from another state are taxed on a quarterly basis, as follows:

1. All vehicles brought into Alabama between October 1, 1961 and December 31, 1961, inclusive, will pay a full year tax.
2. All vehicles brought into Alabama from another state or brought new in Alabama between January 1, 1962 and March 31, 1962, will pay three quarters of a year's tax.
3. All vehicles brought into Alabama from another state or brought new in Alabama between April 1, 1962 and June 30, 1962 will pay a half year tax.
4. All vehicles brought into Alabama from another state or brought new in Alabama between July 1, 1962 and September 30, 1962 will pay a quarter of a year tax.

All assessments where any part of the ad valorem tax is exempt will have to be made directly from a bona fide bill of sale or documents from another state where the vehicle recently came into Alabama. If you have bought a new car or truck since January 1, 1962, please be sure to bring your bill of sale with you when you come for your tag.

House Bill No. 53, recently enacted by the Alabama Legislature provides for a license tax on and an assessment and collection of ad valorem taxes on all house trailers:

1. On and after October 1, 1962, every house trailer, except those in the stock of dealers, shall be liable for the payment of a license tax and a license plate issued therefor, which shall be displayed on the back of such trailer, in the same manner, and for the same assurance fees charged, as license plates for motor vehicles.
2. Before such license can be issued for a house trailer it shall be assessed for ad valorem taxes, and the taxes collected thereon, on the same basis and in the same manner that ad valorem taxes on motor vehicles are assessed and collected.
3. Any state, county, or municipal law enforcement officer, or license inspector, is authorized to issue citations to persons failing to comply herewith.

Attention all tractor farmers! The time for submitting your request for a refund on your tractor gasoline tax has almost expired. They must be received by the state and federal government before October 1, 1962. We will be glad to assist you in any way possible to get your refund.

Sincerely,
Charles L. Patterson, Tax Assessor 38-2tc

Fashion Is a Pressing Affair

EVEN THE FINEST SEAMSTRESS cannot turn out a professional garment unless she knows the art of pressing. So it behooves the home seamstress to know, first, how to press inside seams, darts, etc., as she sews and next, how to do the final pressing when the garment is completed. If pressing is neglected as you sew, no amount of outside pressing can give the garment a smooth, custom look.

As for pressing various types of fabrics, up-to-date irons, of course, tell us where to set the temperature, but we must know what materials we are pressing. For instance, Talon's new Zephyr zipper is made of nylon coil—the only product so far that will give a zipper so many wonderful advantages.

Nylon has made it possible for the coil to be permanently dyed to any fashion color. It is the reason that the zipper is thin as a seam, and so flexible. It can even pull itself out of a jam—bend it, pull it open, zip it down and up, and it's as good as new! Zephyr can be used with any fabrics and in any fashion, but naturally when pressing, the zipper should be closed and the iron set at synthetic, nylon or steam setting. If a higher temperature is needed or the zipper must be open, cover placket with a press cloth, and you will enjoy the advantages that only a nylon coil zipper can give. In any event instructions are found right in zipper packages.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our many friends, neighbors and relatives for their loving deeds of kindness, prayers, floral offerings and words of sympathy extended during the recent illness and death of our husband and father, Rev. J. I. Bice. To Mr. White and all the boys at Spigener Funeral Home we say "thanks" for every kindness shown. We would also like to thank the pastor of the Chilton-Union Association and special thanks to Revs. L. M. Grav, Homer Carroll, Frank Hill and O. L. Deavers. May God bless you all.

New Flavor and Texture in Pineapple Juice

From our 50th state, Hawaii, comes a delightfully different product, Dole's new "Flavor-Spun" Pineapple Juice. The difference you can readily see and taste.

"Flavor-Spun" Pineapple Juice is light and smooth textured. You will notice immediately improved clarity and more fresh fruit flavor—the result of extensive research and a new million dollar method at the Dole cannery in Hawaii.

The new pineapple juice gets its name, "Flavor-Spun", from the spinning centrifuges used in the process which provides precise control over fruit solids and removes coarse fibers.

The new method also excludes air which has long been an enemy of flavor. And the new "cold-fill" retains more volatile flavor esters than the old hot-fill method. The juice is sent immediately to canning and sealing lines, resulting in peak flavor retention.

H. C. Cornuelle, President of Dole, says, "It's the finest juice we've ever sent to the mainland, the result of the most modern methods we can achieve, both on plantations and in the cannery. We are convinced that acceptance will be quick and enthusiastic."

"Flavor-Spun" Pineapple Juice by Dole is delicious for breakfast or as a refresher—just chill and serve. Now available at your grocer's in several sizes to fit your needs, 12, 18, and 48-oz. cans.

VE students at CCHS were signally hon-
est week for scholastic ability and achieve-
ment. Their names appear elsewhere in this
issue. It is gratifying to see young folks inter-
esting in extending their knowledge and im-
proving their ability. If we 'go to the dogs'
some soon, it won't be the fault of the
present generation.

ND on the subject of achievement; Colyn

will be one of 100 students throughout
United States, to go to Washington the first
of the year. This honor is not attained by
spitting and playing hooky. It is a
hard work, intelligence and good old-
fashioned parental guidance. Congratulations to
young man, and to his parents as well.

using Nature--

HERE is every possibility that the reason
we are not enough great men in our Country
who can make decisions of wisdom, after
deliberation, is because so many men
become "household drudges" that they
have time for the incidental matters of
this great Country of ours. There are
many men doing woman's work these days
many women trying to do men's work.
men would be in better shape if the men
insist that the wife do the domestic chores
family would be much more secure if
they put it before everything else!

Report from Washington

BY
ARMISTEAD SELDEN
Congressman, Sixth District

The House of Representatives last week passed by the over-
whelming vote of 384 to 7 and
sent to the President for his
signature a resolution stating the
determination of the United
States to fight, if necessary, to
prevent Cuba from becoming a
military threat to any part of
the Western Hemisphere. Pre-
viously adopted by the Senate,
this measure is viewed as an ex-
pression of unified support of
the President for whatever ac-
tion he considers necessary for
our hemispheric security.

This resolution was originally
prompted by concern over the
Soviet military build-up in Cuba.
Sentiment for the resolution was
further strengthened last week
when Cuba's Castro announced
that the Soviet Union would
build a port in Cuba for its fish-
ing fleet. The resolution repre-
sents congressional recognition of
the need for action and our sup-
port of the President in any ef-
forts he may make to meet this
need.

of a Soviet build-up in Cuba,

appointed as State Supt. of Ed-
ucation to fill an unexpired
term. He was unsuccessful in
his bid for re-election, but he
carried his 'home' County of
Chilton by a large majority.

In the Holy Land, when sheep
grazing was popular, each sheep
had its moments with its Mas-

sheep would fall out of the
feeding line for these moments
of inspiration. The Shepherd
would rub its nose and affec-

After these moments of commu-

is ours. Let's take time out each
day to spend a few moments with

TUSCALOOSA POST OFFICE

Last week I had the pleasure
of announcing plans for the con-
struction of a new post office
building in Tuscaloosa that will

cost in the neighborhood of a
half-million dollars.

The present Tuscaloosa post
office has been housed in the
Federal Building there since its
construction in 1910. While the
main postal operations will be
transferred to the new building,
postal space will be retained in
the Federal Building for the
benefit of patrons in that area.

A telephone repairman released a visibly shaken Clem who was presumably only trying to go visiting by telephone.

DEFENSE COMMUNICATIONS AND YOUR TELE- PHONE COMPANY. If this country is ever attacked by enemy planes or missiles, a few minutes' warning could mean the difference between national disaster and survival. Fortunately, we have a warning system, which, in case of attack, sends out an alert over nationwide telephone and teletypewriter networks... which the Bell System helped build, equip or connect. In the crucial hours following an attack, Bell System circuits would carry defense communi- cations by special routing to prevent service interruptions. This communications system is unmatched anywhere in the world and is one of America's great strengths.

Two From State- Colyn Moatts In U.S. Senate Youth Program

Colyn Moatts, a senior at CCHS, has been selected by the State Department of Education as one of two high school students from Alabama to participate in the United States Senate Youth Program. This is a program designed to give young Americans of high school age, knowledge of American political life.

It will consist of a week in Washington, D. C. during the period of January 27-Feb- ruary 1, 1964. The program will include meetings with members of Congress working with the senators from Ala- bama, discussions with rep- resentatives of the Executive Branch of the government and

an opportunity to observe the operations of the Senate.

Approximately one hundred students will participate in this program.

Colyn was selected earlier this year to attend the American Legion's Boys' State at the University of Alabama. He has achieved a good academic record at CCHS while participating in numerous extracurricular activities. He is a member of the Beta Club, Key Club, FTA, Science Club, President of the Senior Class and has participated in the Glee Club prior to this year.

Colyn is the son of Mr. and Mrs. Thomas C. Moatts of Clanton.

C/O CHILTON CO. NEWS
CLANTON, ALA.**

Q. I'm a widow, age 55. I've been drawing benefits for one child, age 17, from my husband's social security. When I'm 62, how much will I get? We now get \$30 each for me and one child.

A. You will get \$40 a month when you're 62.

Q. I began getting social security payments a year ago. I am still running my small store, but my earnings are less than \$1200 a year. I was told by a friend that after I started getting social security, I did not have to pay any self-employment tax. Is this right?

A. No. Since you are self-employed, if you clear over \$400 or more, you must pay your social security tax.

Q. I know that if I live thirty-odd more years I can begin to get social security benefits. Is this the only protection my social security tax dollar is buying?

A. No. Retirement payments are only part of the protection you are buying. You also get protection against total disability and your family is protected if you die.

Soil Conservation In The News

by O. G. FIELDS and T. T. BRADFORD

HOW good is a sod-base rotation? Well, ask L. G. Miller, a cooperor of the Chilton County Soil Conservation District, of Jemison. L. G. rented the Moody brothers 4.8 acres to plant to cotton that had been in Sericea Lespedeza and Crimson Clover for 8 years. The Moody brothers picked 7 bales of cotton from the 4.8 acres.

OSMOND Glenn, who is also a Soil Conservation District Cooperor hopes he has hauled his last water for his cows and chickens. He has dug a water hole with ACP assistance and to Soil Conservation Service specification.

RAY McDonald and Wallace Fox have planted 28 and 8 acres respectively of pasture this past week. This is on land that was cleared earlier this year. Both farmers have almost completed the sodding of the entire farms. They are cooperors of the Chilton County Soil Conservation District.

J. ODIS Jones has completed the construction of a water hole. This is to give him a more adequate supply of water for live-stock.

The Farmer-Home Administration of the U. S. Department of Agriculture loaned farm families and other rural people in Chilton County a record total of \$54,470 in fiscal 1962 which ended on June 30, Isaac C. Byrd, county Supervisor, announced.

The volume loans in this area, the largest during any 12-month period in the local office's history, are 21 percent larger than the total of \$298,330, and 70 percent above the \$208,270 loaned in 1960.

FOR OPERATING EXPENSES

Nearly one-third of the total loans during fiscal 1962 went for farm operating expenses, almost a fourth for the purchase, development or enlargement of farms, and about 45 percent went for the construction and improvement of houses and other buildings on farms and rural communities.

and \$204,899 in 1960. Approximately one-sixth of the borrowers are paid ahead of schedule on loans which still have several years to run.

Loans outstanding on June 30 in Chilton County amounted to \$1,500,000 compared with \$953,377 a year earlier.

RECENT IMPROVEMENTS

Three recent improvements more adequately equipped the Farmers Home Administration to meet farm credit needs in 1962 according to Mr. Byrd: A positive, vigorous policy toward the promotion and preservation of the family farm; broad expansion of the agency's programs by the Agricultural and Housing Acts of 1961; and an increase in the supply of appropriated and insured funds.

"The upward trend in farmers' credit needs stems from the continuing rise in farm costs and the pressing need to make adjustments and improvements in farming methods to stay in business."

County Supervisor Byrd held 27 county committee meetings during which time 134 applications for loans were reviewed.

THE State Capitol at Charleston was built in 1932 at a cost of \$10,000,000. It is one of the newer and more impressive State Capitols. The dome, illuminated at night, is 300 feet high which is higher than that of the national Capitol. The building consists of 33 rooms and occupies sixteen acres. The chandeliers in the House and Senate chambers contain 10,000 pieces of rock crystal each. The gold-domed building is a beautiful sight to see. It is flanked by office buildings built in 1952 and 1954. They face the Kanawha River. A guided tour service is available.

Shell dealers list some causes and cures of 10 sounds, smells and other symptoms that often puzzle drivers

Even if your car's in good condition, it may act up occasionally. When puzzled, consult this chart. It doesn't cover every problem, but it will help with some of the more common ones.

DESCRIPTION	LIKELY CAUSE	WHAT TO DO
High-pitched squeal when you first start the engine.	1. Worn or glazed fan belt.	1. Replace the belt if it looks worn. It could break.
	2. Loose fan belt.	2. Have the fan belt tension checked. A loose belt may not turn the generator fast enough to charge the battery.
	3. Water pump seal needs lubrication.	3. Add Shell Cooling System Protector to radiator water.
Throbbing roar.	Damaged or worn muffler.	Replace muffler. Your Shell dealer can do this for you.
High-pitched erratic ping-pong noise—usually lasts just a few seconds. (Often called wild ping.)	Erratic combustion caused by glowing carbon deposits that flake off and ignite the fuel too soon.	Try Super Shell gasoline. It contains three anti-knock ingredients. One is TCP.* This famous Shell additive works to "fireproof" combustion deposits that could otherwise cause wild ping.
Screeching brakes.	1. Badly worn brake linings. 2. Glazed brake lining.	Any brake trouble should be checked immediately by your Shell dealer. It could be dangerous. If linings are badly worn or glazed, brakes should be relined soon.
Strong gasoline odor when you can't start the car.	Flooded carburetor.	Let the car sit a minute. Push the accelerator to the floor (don't pump it). Then try the starter.
Exhaust fumes. Most noticeable when driving in town or when your engine is idling.	Leaking tail pipe or muffler.	First, open a window—those fumes can make you groggy fast. Replace damaged part promptly. Note: Always have exhaust system inspected when your car is lubricated.
When cruising, dashboard generator light goes on—or ammeter needle continuously shows "discharge."	1. Broken fan belt. 2. Faulty generator or voltage regulator. Or loose connection in electrical system.	Stop at the first station to avoid running battery down. 1. Replace fan belt. Suggestion: Carry a spare belt—it could save you time and trouble. 2. Have electrical system inspected to locate the trouble.
Brake pedal action feels peculiar: 1. Pedal feels spongy. 2. Pedal slowly sinks to floor under pressure.	1. Air in brake lines. 2. Hydraulic fluid leaking past master cylinder piston.	Brakes with these troubles should be fixed immediately. Have your Shell dealer inspect your brake system.
Car pulls to either side: 1. When braking. 2. When cruising.	1. Water, oil or hydraulic fluid on brake lining; brakes out of adjustment. 2. Uneven or low pressure in tires.	1. Think back. If you've just driven through water, drive with caution until linings dry. Otherwise, have brakes checked soon—it could be dangerous. 2. Check tires for correct pressure. Do this soon. Under-inflation can also cause excessive tire wear.
Engine temperature suddenly passes the danger point on your dashboard gauge.	1. Broken fan belt. (You may hear the clatter when this breaks.) 2. Loss of cooling water.	Turn off engine. 1. Check fan belt. 2. To check coolant—follow these rules. Let engine cool down. Remove radiator cap slowly using extreme care to avoid scalding. Add water slowly with engine idling. Check for leaks.

*Trademark for Shell's unique gasoline additive. Goodline "anti-knock" TCP is covered by U.S. Patent 2822123.

Keep this guide in your glove compartment.

It may come in handy if your car acts up.

JANELLE CELEBRATES

Janelle Lenoir celebrated her 10th birthday with a wicker roast and a hay ride, Saturday night, September 29th, instead of on the 30th, the correct date. The young people played various games, then ate hot dogs, potato chips, cupcakes and cold drinks. Janelle then opened her gifts.

Each guest had the pleasure of recording a song or poem on the honoree's tape recorder. There was a lot of merriment when replayed.

Then came the hay ride in the pickup truck. After this, more eating at Dari-Lan.

Those enjoying the celebration were: Janet Collum, Pam Northcutt, Joan Ellison, Carol and Judy Gies, Brenda Simmons, Sarah Miller and Georgia Yeatts.

HOMECOMING GAMES

Homecoming games for the Pee Wees and Welterweights was held Saturday night, September 29th at the high school stadium. For the Pee Wee game, the Queens for 5th and 6th grades were carried onto the field.

Queens: Veronica Harrell, Cynthia Vines, Linda Hicks, Sheila Conway. Linda Hicks was then crowned Queen; Sheila Conway, Runner-up. Bridget Price and Connie Blue twirled fire batons. At the half of the Welterweight Linda Crumpton was crowned Queen; Sandy Parsons, Runner-up.

Other queens in the running: Linda Glass, Sarah Johnson, Judy Chandler, Linda Gentry, Pam Ellison, Marie Taylor and Judy Johnson. These were from 7th and 8th grades.

A streamer bearing this inscription: "Ball players and cheerleaders for 1968 - were Anthony Vines, Joe Price and Dennis Scott. Cheerleaders: Vicki Woodley, Vicki Hall, Lindy and Kathy Carmichael and Tammy McNeill." These future players and cheerleaders were in suits of black and white.

A DEDICATION

On Sunday, September 9th, a group of descendants of the late Capt. James Cobb, met at the Cobb Cemetery (a family plot) where Capt. Cobb is buried.

The occasion was to dedicate a Government Bronze Plaque in

his honor and to his memory. The Plaque bears this inscription: "Capt. James Cobb, Alabama Co. E-31 Regiment, Alabama Infantry, Confederate States Army, Feb. 8, 1815 - June 4, 1865."

People began to arrive around 10 o'clock and by noon 35 had assembled. A most delicious meal was spread and was enjoyed by all.

Following the meal, all were seated as comfortably as possible in the shade of stately cedar trees in and around the plot. Mr. Wallace Shelby, of Birmingham, grandson of the late Capt. Cobb and a short sketch of the life of "Grand Pa Cobb" as he is remembered by all the descendants and relatives.

When the story was finished, Mr. Shelby passed out old hymnals he had brought along and all joined in singing favorite hymns, closing with "God Be With You Till We Meet Again". The date set for the annual memorial is the 1st Sunday in June each year, rather than June 4th as heretofore.

Families represented: R. B. Johnson, Mrs. N. L. Duffee (Mamie Johnson), the Sr. I. H. McNeills, the Jr. I. H. McNeills, Walter McNeill, Lowerys, Shelys and Filmore McNeill.

BOOK REVIEW

Families of Circle One, Two, and the Night Circle of WMU met at the Baptist Church, on Thursday night, 27th for a Book Review.

Mrs. Eula Cost, Mission Study chairman, called the meeting to order. All joined in singing the first verse of Jesus Shall Reign. The chairman led in prayer. She then presented Rev. Louis Brasher, who reviewed the book, "Enlistment for Mission". At intermission, the Night Circle was host at a social period.

The refreshment table, lace covered over green, held a lovely arrangement of permanent flowers, yellow and green, in a golden goblet. Yellow and green napkins, plates were at one end of the table. Embossed cakes, corn candy and nuts with coffee or orange juice were served at the other end of the table. Sixteen people were in attendance.

YOUNG PEOPLE'S ASSEMBLY

"Pressing Forward" was the subject of the Young Peoples'

Assembly program Sunday morning, with Mrs. W. J. Stephens in charge. Prayer was by Sandra Rogers. Thoughts were given by: Enlistment, Sue Stephens, Work, Judy Chandler; Training, Darlene Burnette; Answering Roll Call, Sue Gilmore; Sacrifice, Judy Lewis; Song, Onward Christian Soldiers. Prayer by Rena Blackmon.

YWA AND INT. GA MEETING

The YWA and Int. GA met at the Pastorium at 4 o'clock, Monday afternoon, the 24th.

The meeting was called to order by the YWA president, Lynne Porter. A short business meeting included the reading of minutes and paying of pledges.

Sue Gilmore was in charge of the program "Steps in Friendship", Stop Look, Learn and Listen. Assisting Sue: Lynda Clements, Sue Stephens, Jane Porter, Mrs. Albert Plier, YWA Counselor, Mrs. Louis Brasher, Int. GA Counselor.

Sue Gilmore led the closing prayer.

Following the meeting, the two groups enjoyed a social. Badminton and table tennis were games played. Then a cook-out where hodgepods with all the trimmings were served with cookies and Cokes.

TRIP TO MOBILE

Mrs. K. V. Lowery, with her sister-in-law, Mrs. J. M. Price, of Birmingham spent several days in Mobile with Mrs. Callie Price and Mrs. E. H. Melton. They went to Panama City, Fla. to visit Mr. and Mrs. W. A. Riggins. On Sunday they attended church services and open house at the new Spanish Fort Methodist Church.

J.O.Y. CLASS MEETING

Mrs. C. G. Glass was hostess to the JOY Sunday School Class of the Baptist Church, Monday afternoon, September 24th.

Mrs. I. H. McNeill, president, read the Scripture. Mrs. Eula Cost led in prayer. Mrs. Cost, secretary, read the minutes of last meeting and a free will offering was made.

Plans were made for further aiding an indigent family.

New officers: Mrs. Sadie Shaw, president; Mrs. Eula Cost, secretary-treasurer; Mrs. Annie Cooper, birthday card chairman; Mrs. I. H. McNeill, associate chairman. Other officers are to be elected later.

IN CHURCH
Sunday

NEWS OF - Samaria

Don Gaham, pastor

The Supper Club of the Samaria Church met last Friday night at the church. The adults had a feast with all the trimmings. There were many at this social. We fondly named this the Supper Club for our deacons who seem to really enjoy these socials. We are looking forward to another meeting.

Sunday was the ending of the old church year. It was a good year and our church prospered. Our new teachers and officers of both Training Union and Sunday School dedicated themselves in a special ceremony to do the best job possible. We pledge ourselves to the service of our church and also to do the best we can to have the

best year possible.

We are revising our budget. The committee for this revision met Tuesday night at the home of Mr. and Mrs. J. T. Cobb. This is a needed revision and this committee has done a wonderful job. Our budget will be printed in the bulletin for those interested.

We are having our study course. It is in the book of Second Timothy. We are having the largest crowds and the meetings are both informative and interesting. We invite you to come and visit. We're sure you will want to enroll.

We have a new time for our meetings. The Sunday School time will remain the same 10:00. But Training Union will be moved from 6:30 to 8:00. This will come into effect Sunday night.

Prayer Meeting will also

effect next Wednesday night. On Saturday night at the home of Mrs. L. M. Jones deacons and deaconesses will hold their meeting. They will have plans for our church new year.

The Young People's ship at the Par-O-Gee Boat Club next Sunday night. We have been invited to the boat gett home next Sunday.

Come and join us entering our new year. We will be a much better year. We have ever had it. We need your support. We need you. Then we can have the successful year possible.

Pierce and Pam Wendt of Verbena spent Friday and Saturday with Mr. and Mrs. Erby.

Mr. and Mrs. W. J. Mahan and family from Selma were Sunday afternoon guests of Mr. and Mrs. Whit Ma... Mr. Mahan's mother is spending some time with them. Mr. Talmadge Short left for his home this past week. His wife and three children accompanied him to Birmingham Thursday to visit his folks. He left Saturday night. Ramona and children will join him as soon as he can find them a house. They are staying with Mrs. Eula Tucker until they get ready to leave.

NEW BABIES

We say congratulations to Mr. and Mrs. Pat Webster upon the arrival of a son born last Wednesday, September 26, at the Chilton County Hospital.

We also say congratulations to Mr. and Mrs. Ed Thornton (Edna Jo Middlebrook) upon the arrival of another son born about three weeks ago at the Chilton County Hospital. The Thorntons have another son and a daughter.

SYMPATHY TO:

This column extends sympathy to Mr. and Mrs. Lamar Wright of Clanton in the loss of their baby who passed away in a Selma Hospital Monday of last week. To the grandparents, Mr. and Mrs. James Wright of this community and Mr. and Mrs. Henry L. Bean of Clanton and to the other relatives we also extend sympathy.

We also extend sympathy to Mrs. Lee Jones and children, grandchildren and other relatives of this community and elsewhere, in the passing of Mr. Lee Jones, who passed away at his home in this community, Tuesday of last week about 7:00 P.M. Mr. and Mrs. L. S. Calfee and two grandchildren, Sandra and Tammie Calfee, and Mr. and Mrs. Curtis Leroy visited Mr. and Mrs. Mac Leroy and Margaret and Richard in Brent Sunday.

LEGAL NOTICE

The State of Alabama
Chilton County

No. 1962, Chilton County Law & Equity Court, October, 1962.
Osteen Lenoir and Thomas F. Lenoir, Complainant, Vs. Billie Kincaid, et al., defendant.

In this cause it is made to appear to the Ex-Officio Register by the affidavit of G. C. Walker, attorney, that the Defendants are non-residents, and that their place of residence and post office address is unknown, and that such address cannot be ascertained after reasonable effort; and, further, that, in the belief of said affiant, the Defendants are of the age of twenty-one years.

It is therefore, ordered by the Ex-Officio Register that publication be made in the Chilton County News, a newspaper published in the County of Chilton, once a week for four consecutive weeks, requiring them, the said, Wesley Allen and Pete Allen, and all Unknown Residents of the State of Alabama, to plead, answer, or demur to the bill of complaint in this cause by the 19th day of November, 1962, or, in thirty days thereafter, a decree pro confesso may be taken against them.

Done at office in Clanton, Alabama, this 1st day of October, 1962.

THORSBY NEWS

by MRS. ESTELLE HAYES

Word was received last Wednesday evening that Mrs. Sally Adams of Birmingham passed away. Mrs. Adams was a former resident of Thorsby. She was the grandmother of Pat and Penny Littleton.

BRIDAL SHOWER

A bridal shower honoring Miss Faye Marrow was a very pretty event last Tuesday evening, September 25th at the home of Mrs. Ollie Price, hostess. Mrs. Price and Mrs. Marvin Crumpton. The living room was lovely with arrangements of fall flowers. The dining table was covered with a lovely lace table cloth where the guests were served Cokes and pound cake. The bride received nice and useful gifts. Mrs. Marrow is the bride-elect of Mr. Rascoe Maddox, the wedding will take place Saturday, October 6th at the home of Rev. and Mrs. McReynolds in Thorsby after a short wedding trip the couple will make their home in Thorsby.

Mrs. Myrtle Seabrough of Huntsville, Ala. visited Mrs. Wendall Hayes in Thorsby the week-end.

BLESSED EVENT SHOW

A stork shower honoring Mrs. Raymond Watley Sunday, Sept. 30 at the home of Mrs. Earl Cayton. Chicken salad, Coke and cake was served to the guests. Mrs. Watley received a number of very useful items.

NOTICE!

- TAG BUYERS
- HOUSE TRAILER OWNERS
- TRACTOR FARMERS

The 1961 session of the Alabama Legislature amended Title 51, Code of Alabama as pertains to ad valorem taxes on all automotive vehicles. All automotive vehicles in Alabama on October 1, 1962 are taxable.

Dealers or brought into Alabama from another state are taxed on a quarterly basis, as follows:

1. All vehicles brought into Alabama or bought new in Alabama between October 1, 1961 and December 31, 1961, inclusive, will pay a full year's tax.
2. All vehicles brought into Alabama from another state or bought new in Alabama between January 1, 1962 and March 31, 1962, will pay three quarters of a year's tax.
3. All vehicles brought into Alabama from another state or bought new in Alabama between April 1, 1962 and June 30, 1962 will pay a half year tax.
4. All vehicles brought into Alabama from another state or bought new in Alabama between July 1, 1962 and September 30, 1962 will pay a quarter of a year tax.

All assessments where any part of the ad valorem tax is exempt will have to be made directly from a bona fide bill of sale or documents from another state where the vehicle recently came into Alabama. If you have bought a new car or truck since January 1, 1962, please be sure to bring your bill of sale with you when you come for your tag.

House Bill No. 53, recently enacted by the Alabama Legislature provides for a license tax on and an assessment and collection of ad valorem taxes on all house trailers:

1. On and after October 1, 1962, every house trailer, except those in the stock of dealers, shall be liable for the payment of a license tax and a license plate issued therefor, which shall be displayed on the back of such trailer, in the same manner, and for the same amount fees charged, as license plates for motor vehicles.
2. Before such license can be issued for a house trailer it shall be assessed for ad valorem taxes, and the taxes collected thereon, on the same basis and in the same manner that ad valorem taxes on motor vehicles are assessed and collected.
3. Any state, county, or municipal law enforcement officer, or license inspector, is authorized to issue citations to persons failing to comply herewith.

Attention all tractor farmers! The time for submitting your request for a refund on your tractor gasoline tax has almost expired. They must be received by the state and federal government before October 1, 1962. We will be glad to assist you in any way possible to get your refund.

Sincerely,
Charles L. Patterson,
Tax Assessor 38-21c

CARD OF THANKS

We wish to express our deepest gratitude to all who so unselfishly assisted the family in every way possible during our time of sorrow. May God richly bless you all is our humble prayer.

Western Auto's Gun Display**First Stop For Hunters**

THE dove season opened October 1, and first stop for hunters in this area is Western Auto Associate Store. Browning, Remington, and Winchester, are three famous names in automatic guns you'll find there. Double barrel guns by Fox and Stephens are also there. Rifles, ammunition, hunting clothes, and accessories are all found there in quantity. Make Western Auto your first stop before going hunting.

how's this for exploding the myth that cars have to be expensive to look it! Tempest '63

Maybe you can tell the difference between Pontiac's Tempest (especially that Le Mans) and the high-priced jobs. Besides having a 4 that acts like a V-8, Tempest sports a new 260-hp V-8* that acts like nothing you ever got your hands on before. And besides its beautiful balance, Tempest has Wide-Track this year. And self-adjusting brakes and a tachometer* and fetching style and all kinds of niceties that'll make your Tempest smoother and tougher. About all it doesn't have is a big fat price tag. Vive la différence! Pontiac Tempest

Peach Growers Concerned Over Use Of Summer Sprays For Borer Control

ALL ABOUT THE BORER: HOW TO FIND HIM; AND HOW TO DO HIM IN!

by JOHN D. SELLERS
Chilton County Farm Agent

Some peach growers who have applied summer sprays for borer control are in doubt about getting satisfactory commercial control of borers. It seems that this could possibly be ineffectiveness resulting from so-called one-shot treatments. In addition, a good many growers who have not sprayed at all; or they have sprayed only parts of the orchard. Therefore, it will be necessary for these growers to use the soil-treatment method for borer control.

In addition, all growers should examine their orchard for effectiveness of summer sprays. If three or more borers are found in every ten trees, it will be necessary to apply the soil treatment. This should be done immediately so that full effectiveness of the soil treatment can be realized if it is found that soil treatment is necessary.

If it is determined that a soil treatment must be made after spraying, or if growers have not sprayed, the following points must be observed to get effective control from soil treatment.

1. Apply at proper time.
2. IMPORTANT!! Do not dig soil away from the tree trunks, or do not apply PDB or Ethylene Dichloride below the point where the borers have entered the trees. (After digging away the weeds and grass, put back the soil around the tree trunk to at least the original soil level so that you are assured of applying the chemical above where the borer entered.)

I. Life Cycle of the Borer:

The borer overwinters in the larva or worm stage within the burrows in the bark or in a covering constructed just outside the burrows. The larvae overwintering in the bark feed occasionally during warm periods.

After reaching maturity, the borer spins a brownish-colored cocoon just below the surface of the soil, usually near the head of the burrow. In 3 to 4 weeks the pupa reaches maturity and emerges as an adult. This occurs in this locality in July and early August, but sometimes as early as May or June.

Soon after emerging, the adult, a clearwing moth, starts laying eggs, laying in all 500 to 600 eggs anywhere on the tree, ground, or on nearby weeds. The eggs hatch—in about 10 days. Then the tiny worms crawl to the base of the trunk, and through soil cracks in the bark the larvae go below the soil surface where they eat into the inner bark.

II. Paradichlorobenzene (PDB)

(a) Date of application - after mid-October or early November.

(b) DO NOT WAIT ANY LATER THAN THE ABOVE DATES. THE SOIL TEMPERATURE WILL DROP TOO LOW TO GET MAXIMUM BENEFIT FROM GAS FORMED BY PDB CRYSTALS. A SOIL TEMPERATURE OF 70 DEGREES IS NECESSARY FOR MAXIMUM BENEFIT.

(c) Quantity:

1. Do not apply to trees less than 4 years old.
2. Trees 4 to 6 years old apply ½ ounce per tree.
3. Trees over 6 years old apply 1 ounce per tree.

(d) How to Apply: Clear away grass and rubbish and smooth soil around base of tree for a distance of at least one foot. If borers are working above the level of the ground, mound soil sufficiently so that PDB crystals are above borer holes. Apply PDB in a one-inch wide band no closer than one and a half (1½") inches from base of trunk. Carefully place several shovelfuls of soil around

MARINE PVT. ADAMS COMPLETES TRAINING PRIVATE ADAMS

Marine Private Thomas H. Adams, son of Mr. and Mrs. Albert H. Adams of Route 1, Thorsby, completed four weeks of individual combat training this summer at Camp Lejeune, N. C.

The training introduces the young marine to tactical matters in the field. Live firing exercises are included in the schedule.

Under carefully selected instructors, the marine learns to take his place in small fighting units.

SGT. LOCKHART COMPLETES 5-WEEK DEMOLITION COURSE

MURNAU, GERMANY — Sgt. First Class Jack J. Lockhart, son of Mr. and Mrs. Frank Lockhart, Route 1, Clanton, completed the five-week demolition and mine warfare course at the U.S. Army School, Europe, in Murnau, Germany, Sept. 14.

Sergeant Lockhart, a squad leader in Company E of the 2d Infantry Division's 34th Infantry in Augsburg, entered the Army in February 1948 and was last stationed at Fort Hood, Texas. The 31-year-old soldier attended Chilton County High School.

base of tree, but avoid getting crystals against the trunk. Form cone-shaped and compact mound so as to prevent loss of fumes. Remove mounds at the end of 4 weeks for trees less than 6 years old and at the end of 6 weeks for trees over 6 years old.

YOU ARE REMINDED THAT IN TREATING TREES LESS THAN FOUR (4) YEARS OLD YOU WILL HAVE TO TREAT WITH ETHYLENE DICHLORIDE OR HAND WORK.

III. Ethylene Dichloride:

(a) Date of Application: After Mid-October or early November. DO NOT WAIT LATER THAN THE ABOVE DATES. OR SOIL TEMPERATURES WILL DROP TOO LOW TO GET MAXIMUM BENEFIT FROM THE GAS FORMED BY THE ETHYLENE DICHLORIDE. A SOIL TEMPERATURE OF 60 TO 70 DEGREES IS NECESSARY FOR MAXIMUM BENEFIT.

The above material can be applied in the spring when the soil temperatures range from 60 to 70 degrees with good results. However, with careless application, trees can be severely damaged, or killed, due to gas being present at time growth begins.

Major Esco Begins 38-Week Course

FT. LEAVENWORTH, KAN.—Army Major Oliver N. Esco, 34, son of Oliver N. Esco, Clanton, recently began the 38-week regular course at the Command and General Staff College, Ft. Leavenworth.

How a Shell research team got 168.47 miles per gallon

A Shell research team drove this car to a Mileage Marathon record. They used the same Shell fuel that could be bought at Shell stations.

168 miles per gallon must be a world record. Here's how the record was made—and how a quiet marriage of careful driving and today's Super Shell can help you get better mileage.

SOME years ago, a group of Shell scientists had a friendly argument. The gist of it: who could get the most miles from a gallon of gasoline. They decided to find out. All Shell's Mileage Marathon was born. And contestants had to use the same gasoline anybody could buy at a Shell station. Beyond that, the Marathon had few rules. And ingenuity ran wild.

How the record was set

Here are some of the things that Dave Berry and Fred Schuette, the winning team, did to set their record.

None are recommended for informal marathons. But they do offer a few clues on how to get more miles per gallon.

- Berry and Schuette removed their engine cooling fan to save power and muffled their radiator to retain heat.
- They used tires worn smooth and pumped up to 50 pounds pressure to cut rolling friction to a minimum.
- On the road, they accelerated to 20 miles per hour, cut the ignition and rolled until speed dropped to 5 miles per hour. Then they repeated the cycle.

NOTE: they used a standard carburetor from an old one-cylinder engine.

Since "on-and-off" driving is illegal on public roads—and since most Marathon modifications are dangerous for normal use—you may wonder if Shell's Mileage Marathon had any point.

Indeed it did. In the months of preparations, every contestant learned a bit more about the care and feeding of automobiles. Knowledge of this sort gets passed along to you in the form of better Shell products for your car.

EXAMPLE: As a result of Shell's research studies, including many mileage tests, one of the 9 ingredients in today's Super Shell is a mileage-booster called Platformate. This ingredient alone can release up to 8 percent more energy per gallon than the finest 100-octane aviation gasoline. Result: extra mileage.

To help boost mileage even more, follow these driving tips from Berry and Schuette.

How you can save gasoline

1. Don't race your engine when standing still. Unnecessary engine speed is pure waste and takes you nowhere.
2. Avoid jackrabbit starts. Fast getaways waste gasoline and power.
3. Drive at moderate speeds. Your car uses about 25 percent more gasoline at 65 mph than at 45 mph.
4. Keep an even speed. Ragged driving uses extra fuel—without taking full advantage of the power it could generate.
5. Pece yourself in traffic. Don't be the fastest or the slowest. You'll just be trapped into wasteful spurts and slowdowns.
6. Keep tires up to their proper pressure. Soft tires can soak up power.
7. Ask your Shell dealer about these checks: Spark timing should be set correctly. Fuel filters and air cleaner should be cleaned regularly. Brakes should be properly adjusted. And your cooling system thermostat must work right.

Motorists who follow these rules, and use Super Shell, can expect good mileage. Chances are, you can improve the mileage you are now getting. Now that you know how, why not give it a try?

Verbena Vo-Ag Class Tours Seeds Stock Farm

The Vocational Agriculture Class of Verbena High School visited the Foundation Seed Stocks Farm near Thorby on Friday morning, October 5, 1962. The class heard a brief description of the irrigation research under way by U. S. Department of Agriculture personnel Orus L. Bennett, Doyle A. Ashley and Basil D. Doss. During a field tour of the farm, the class observed yield measurements being taken on Coastal Bermuda plots. Several other field experiments were visited including alfalfa and cotton which is in fertilizer, lime and moisture comparison studies.

Seed fields of Auburn 56 cotton and hybrid corn crossing blocks were visited on the tour which ended at the Foundation Seed Stocks cleaning and storage warehouse. Here the purpose of the farm and the foundation seed program was explained by Geo. T. Sharmon, Superintendent. The class observed the seed drying and cleaning equipment used in the processing of Alabama foundation seed of all field crops.

The following Vocational Agriculture students were in attendance: Johnny Nance, Bobby Thomas, William Easterling, Cleveland Jones, Frank Brown, Harvin Sanson, Wallace Cleckler, Kenneth Minton, Gerald Hayes, Gerald Griffin, Edwin McLean, Bill Smith, Wesley Robinson, Paul Griffin, James Gray, and James Dennis, Vocational Agriculture Teacher.

Calera-Verbena Play To Thrilling 6-6 Tie Friday Night

by WINSTON BROOKS

The Calera Eagles penetrated Verbena territory only once last Friday night, but it proved to be enough, as they scored with 3 minutes of game time remaining to tie the Red Devils 6-6 at Verbena.

SCORELESS FIRST HALF

The scoreless first half saw the Verbena team, led by the running of Capt. Gerald Griffin, co-Capt. Bobby Thomas and Roy Ball, move inside Calera's 15 yard stripe on three occasions only to be stopped short of the goal line. The Red Devils' line, in their best defensive performance of the season, kept the Eagles bottled up inside their own 35 yard line the entire first half.

VERBENA SCORES FIRST

Verbena broke the ice in the 3rd quarter when a Red Devil drive culminated in a tally when Roy Ball bulled his way 6 yards to score. The attempted conversion was blocked.

The 6-0 lead held until late in the 4th period when Jimmie Lee of the Eagles intercepted a Gary Griffin aerial on his own 37 yard line. Calera, still unable to move through the Devil's forcing unit, led by Jonny Davis, Thomas, Griffin, Sanson and Easterling, took to the air on the arm of quarterback Tommy Gay and in nine plays had a first down on the one foot line. After two unsuccessful thrusts, Gene Earnest crashed through for the TD. Once again the Devils defensive unit arose to the occasion as they repulsed the PAT attempt.

Besides the aforementioned forcing unit, Coach Gilliam praised back Gerald Griffin and linebacker Wes Robinson. Leading Calera's defense were linebacker Gene Earnest and center Bobby Stone.

NEXT WEEK

Next week the Red Devils will put their undefeated skin on the line as they play host to a powerful Montealegre aggregation.

The Old Timer

"Anger is only one letter short of danger."

HILL WAS HERE—United States Senator Lister Hill was Clanton last Saturday greeting his old friends and meeting some folks he didn't know. He and Sixth District Rep. Armistead Selden along with Representative Carl Elliott of Jasper, spent quite a while chatting with local folks. They were enroute to the Democratic Rally Saturday afternoon at Calera in Shelby County. Quite a large delegation of Chilton County Democrats attended the barbecue at Calera. (News photo by SCOTT)

Shriner's Rodeo At City Park, 13th

THE Clanton Shrine Club is sponsoring a Rodeo, which will be presented at the Clanton City Park on Saturday, October 13th.

Truman Thrash is the chairman of this program. Details will be found in next week's News.

THE local firm of Patterson and Alred, Contractors, in business since November of 1960, was the low bidder on new construction at Bryce Hospital, Tuscaloosa, Alabama. Bids were opened on September 27th.

The local firm won the contract with a low bid of \$841,103. Second lowest bid was \$841,119 entered by Robert Bros. & Co.

Joe, Judy and Joy. The afternoon visitors were Mr. and Mrs. Garland Smith and Mr. and Mrs. Roy Smithman.

The afternoon was spent making pictures and enjoying the wonderful fellowship. All wished mother, grandmother, great grandmother, aunt and friend many more happy birthdays.

Bewitch The Children With Raisin Chocolate Halloween Cookies

Tangy sweet California raisins and rich chocolate are a flavorful combination in these bewitching Halloween cookies. Wrap them in two or three to surprise the trick or treaters on your block. Youngsters will also love to fill their sacks with little packs of raisins for an extra bonus. Little packs are 1 1/2 ounces each, a generous handful of naturally sweet fruit from the sun-drenched fields of California. They may be bought individually or in convenient bundles of six to keep on hand throughout the Halloween season.

- RAISIN TRICK OR TREATERS**
- 1 (6-ounce) package semi sweet chocolate pieces
 - 1/4 cup sifted flour
 - 1 teaspoon salt
 - 1/4 teaspoon soda
 - 1/2 cup shortening
 - 1 1/2 cups brown sugar (packed)
 - Melt 3/4 cup chocolate pieces over hot water. Beat flour with salt and soda. Cream together shortening, sugar, egg and vanilla. Blend in chocolate and dry ingredients. Mix well. Stir in milk, oats and raisins. Chill. Form into balls about 1 1/4 inches in diameter and roll in almonds. Place on greased baking sheets. Flatten, and press a few of the remaining chocolate pieces in top of each cookie. Bake in moderately hot oven (375 degrees F.) 10 minutes. Cool a few minutes before removing from baking sheets. Makes 2 1/2 dozen very large cookies.
 - 1 egg
 - 1 teaspoon vanilla
 - 1/4 cup milk
 - 1/2 cup quick-cooking oats
 - 1 cup dark or golden raisins
 - 1 cup finely chopped almonds

MISS BARBARA JEAN PRICE, BRIDE-ELECT FETED RECENTLY

A bridal shower was given in the home of Mrs. T. E. Wyan on Tuesday afternoon, October 9th with Mrs. Kenneth Cox and Mrs. William O. Nelson as co-hostesses, honoring Miss Barbara Jean Price of Thorby, bride-elect of Charles Hugh Richardson of Aberdeen, Miss. The wedding will be on Sunday afternoon, October 21st in Cedar Grove Church at 4 O'clock.

The color scheme used in the decorations was yellow and white. A beautiful arrangement of yellow roses and chrysanthemums was on the mantle with green ivy. The piano was adorned with a ball arrangement. A yellow rosebud in a crystal vase on the Bride's Table was the decoration where Miss Linda Price, sister of the bride-to-be, registered the guests in the Bride's Book. Refreshments were also carried out in color scheme. Individual cakes embossed in white with accents of yellow and green. The table cloth was of yellow linen. A crystal punch bowl surrounded by ivy and clusters of grapes was presided over by Mrs. M. O. Nelson. The buffet was centered with a low milk glass bowl with grapes and other fruits in the color scheme. The bride-elect was seated in a chair of honor when she unwrapped many nice and useful gifts of which she passed for her friends to see.

Telstar's First Air Travel Booking

A new dimension has been added to the ease and speed of jet travel. On August 8, 1962, Air France, the world's largest airline, transmitted the first passenger reservation in commercial aviation history over the Telstar satellite. The historic "live" telephone call originated from the airline's Paris headquarters on the Boulevard Auguste Blanqui. It was placed at 8:15 p.m., Paris time, and confirmed a booking for a French businessman en route from Paris to Mexico City via New York.

Transmission was clear and uninterrupted. The call was received at the Air France reservations center, New York International Airport, at 8:15 p.m. EDT, by Miss Edna Dreon, a general sales reservations agent.

How Call Was Relayed
The first trans-global reservation was transmitted on the regular continental telephone networks of France and the United States. From the point of origin in Paris, the call was channeled through the facilities of the French Poste Telephone et Telegraph system. It was then relayed to the satellite ground station in Pleumeur.

Sharing the momentous event with Miss Dreon was Rene' Corta de Beauregard, Assistant Commercial Services Manager of Air France, who commented: "Air France is proud to be the first airline to link the French and American business communities by Telstar. It is a great and efficient step forward, and certain to make jet age travel even easier than it is today."

Report from Washington

BY
ARMISTEAD SELDEN
Congressman, Sixth District

In the closing days of a session, it is necessary for Congress to act on numerous conference reports. These reports are the results of conference committees made up of House and Senate members appointed to iron out differences between similar Senate and House bills.

Last week a number of important conference reports were adopted in both the House and Senate. Among those passed by the House, at least four should be of interest to you.

TAX REVISION BILL

Passed by a voice vote, the conference report on the Tax Revision Bill allows businesses to deduct, for tax purposes, seven per cent of the cost of new equipment for expansion. Equipment purchased since January 1962 is deductible under the terms of this legislation.

The measure does not contain, however, the President's requested 20 per cent withholding on dividends and interest. Substituted instead is a system whereby companies report, both to the federal government and to their investors, the amount of earnings in excess of \$10 from investments. The tax revision legislation also tightens requirements for deduction of business expenses.

POSTAL RATE AND SALARY INCREASES

A second conference report, passed by a record vote of 312 to 21, contains provision for both a postal rate increase and an increase in the salaries of postal and federal employees.

Effective January 7, 1963, the postage on first class and air mail letters and on postal cards will be increased by one cent. Rates on second and third class mail will go up in three graduated steps. These increases will total approximately \$600 million

annually in postal revenue when all sections become operative.

Also included in the measure are salary increases in two steps for 1.6 million civil service classified and postal workers. The first will begin on the pay day following enactment of the bill and the second on January 1, 1964.

Although this legislation was considered as two separate measures in the House of Representatives, it was coupled together and passed as a combined bill in the Senate. Consequently, it was necessary to either vote for or against the entire package when it was returned to the House as a conference report.

TRADE ACT

The conference report on the Trade Expansion Act of 1962 was also passed last week and sent to the President. The bill, as finally adopted, gives the President the authority to cut tariffs by 50 per cent or eliminate them entirely when the United States and the European Common Market reach a large portion of the trade on any goods in question. The President must act, however, with the advice of the Tariff Commission and his action is subject to a Congressional veto. A key feature of the legislation provides for federal assistance to companies or individuals that may be hurt as the result of tariff reductions.

FOREIGN AID

Earlier in the session, the House of Representatives cut \$1.1 billion from the President's request for foreign aid funds. The Senate restored a large portion of the House cut but the amount agreed upon by House-Senate conferees and approved Saturday by the House of Representatives was \$800 million less than the amount originally requested

We deplore the use of force at the University of Mississippi, just as we did when President Eisenhower sent troops to integrate to integrate Central High School in Little Rock. The use of federal force against fellow Americans can provide satisfaction only to the enemies of our common country. Therefore, we urge the immediate removal of troops and federal marshals from the State of Mississippi.

CORNEAL TRANSPLANTS

Corneal transplants are saving the sight of thousands of eyes every year. Unfortunately, this sight-saving procedure is applicable only to those with diseased or deformed corneas. Transplanting a cornea does not correct loss of vision due to disease of some other part of the eye.

Physicians have long considered the possibility of corneal transplantation, and it was first discussed in medical literature more than 150 years ago. In 1906, the first successful corneal transplant in a human being was done. The technique was crude and the selection of cases poor, consequently there was little progress until about 1930. New instruments, better suturing material, and improved techniques have made the corneal transplant operation now highly successful in approximately 90 per cent of cases classified as favorable.

Human corneas must be used as donor material because grafts from animal corneas always turn opaque. Transplants are usually obtained from surgical cases in which the eyes must be removed from their sockets, from eyes of cadavers, and from the eyes of stillborn infants.

The supply of corneas has been solved in some countries through laws which permit the removal of eyes from unclaimed cadavers for the purpose of using them for corneal transplantation. In the United States, the supply of donor material is insufficient to meet the need, and patients have to wait until corneas become available. Eye banks have been established throughout the country by the executive branch of our government.

Under the compromise bill, the President is barred from furnishing foreign aid to any nation that allow its ships to transport military or strategic materials to Cuba. If an allied ship carries only economic supplies to Cuba, the President can waive the restriction, but only if he determines that withholding assistance from an ally would endanger the security of our nation.

try in some states where, as soon as eyes are received, they are made available free of charge to any eye surgeon in that state in the order of their request.

Corneal transplantation in human beings has been established as successful, and thousands are being given new sight through this means.

WEEKLY COTTON REPORT

COTTON prices received by farmers remained steady during the week ending October 1. The volume of ginning decreased due to the fact that gins in southern counties are nearing the end of the season, and rains in some other areas delayed harvesting. Grades were down to some extent and staple lengths were slightly shorter.

Market activity continued at about last week's rate. Best demand was for Middling, 1-1/2 inches and there was a fair demand for the lower white grades and light spotted grades. Middling, 1-1/2 inches, is bringing farmers from 50 cents to \$1.00 a bale above CCC loan rates. Strict Low Middling and lower white grades and light spotted grades are selling from \$1.00 to \$2.50 per bale above loan rates.

Quotations by the Montgomery Cotton Exchange are unchanged from last week. The volume of current ginnings moving into the CCC loan is increasing, but farmers are still holding a fair volume of this year's crop.

Two Eligible For 4-Year Merit Scholarships

PRINCIPAL S. E. Waters of Chilton County High School announced today that two of the best used about 2000 students earned Semi-finalists in the 1962-63 Merit Scholarship competition.

He said they became Semi-finalists through their outstanding performance on the National Merit Scholarship Qualifying Test, the first step in the eighth annual Merit Program. The students cited are Joe Hopper and Joseph Peter Johnson.

They are among approximately 11,000 seniors throughout the Country who attained Semi-finalist status. Each Semi-finalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice.

Two From State-Colyn Moatts In U.S. Senate Youth Program

Colyn Moatts, a senior at CCHS, has been selected by the State Department of Education as one of two high school students from Alabama to participate in the United States Senate Youth Program. This is a program designed to give young

Americans of high school age, knowledge of American political life.

It will consist of a week in Washington, D. C. during the period of January 27-February 1, 1963. The program will include meetings with members of Congress working with the senators from Alabama, discussions with representatives of the Executive Branch of the government and an opportunity to observe the operations of the Senate.

Approximately one hundred students will participate in this program.

Colyn was selected earlier this year to attend the American Legion's Boys' State at the University of Alabama. He has achieved a good academic record at CCHS while participating in numerous extracurricular activities. He is a member of the Beta Club, Key Club, FTA, Science Club, President of the Senior Class and has participated in the Glee Club prior to this year.

Colyn is the son of Mr. and Mrs. Thomas C. Moatts of Clanton.

A NEW trade school has been opened in Montgomery by the State of Alabama. It is the John Patterson Trade School and boasts all new facilities. It offers many courses in trade training from electronics, welding and mechanics to other courses. Your Chamber of Commerce has information that the monthly tuition is quite reasonable, being about \$15.00. Each trainee furnishes his own basic tools, etc.

Several students have already enrolled from the Clanton area and transportation to and from the school is provided daily by the State of Alabama from Clanton to Montgomery and return. The trade school bus leaves from the Clanton bus station (Grove Road) every morning for Montgomery at 6 O'Clock. Any person in Chilton County who is interested in investigating the school's program and in learning a new trade can ride to Montgomery and to the school on the new school bus.

GO JET-SMOOTH '63 CHEVROLET—IT'S EXCITING!

**smooths bumps better
than a bulldozer**

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) The '63 Bel Airs, Biscaynes and Impalas are equally easy going on upkeep. Brakes are self-adjusting. New Delcotron generator s-t-r-e-t-c-h-e-s battery life. Even the rocket panels on the Body by Fisher are self-washing and ventilating to cut down on rust. Your dealer's waiting to tell you lots more.

FLOYD MIMS, Mechanical Superintendent, has been with the News for some four years. His job is to make up the ads, proof and correct all type and advertising and to see that the machinery is in good working order so that your paper will get to you each week. He also works on the presses and in the mailing department.

presently in the News (he is the fourth generation to be associated with the paper). He is handyman on Saturdays and on Wednesday afternoons at presstime. Harold Cleckler, apprentice, who works on Saturdays and afternoons after school and who usually winds up with the dirtiest job in the place. On the right is Junior Minor, newcomer to the paper, who is pressman and floorman, working closely with Floyd Mims and Bob Tucker.

THE FELLOW responsible for the pictures on this page (we had to blame it on somebody) and practically every picture that appears in your News, is himself, camera shy; but we talked him into saying "cheese" just this once. Semmie Scott, of Scott's Studio in South Clanton, works closely with the various departments of the News in turning out a paper that will be interesting and informative. Semmie is an artist in his own right, and though his specialty is not newspapering, but he is an integral part of the crew which turns out "Your Alert Community Newspaper" 52 times each year.

G. H. "BUCK" TUCKER, the guy with the pleasing personality, is responsible for all selling of advertising and is circulation manager of the News. He has been associated with the News for many years, and knows the ropes of his de-

partments very well. He is at your service and knows his way around when it comes to merchandising, helping out in the advertising programming of your business, or just plain meeting people. He loves people!

3 Escape Jail Here

TUESDAY, October 16, three prisoners escaped from the Chilton County Jail in Clanton, and at present time Wednesday were being sought by local and state officials.

The three are listed as Cora Reynolds, white; Jackie Mims, and Raymond E. Hardy.

The trio cut the fence next to the old jail building (now the library) and it is believed they made good their getaway in an automobile that was waiting for them in the alley, nearby. They covered the opening in the fence with blankets so that it would not be noticed while they escaped.

An all-state alert is out for their capture, and they are subject to heavy fine and possible imprisonment for their actions according to the Sheriff's office.

FIRE AT BOB'S DOES LITTLE DAMAGE

THE Clanton Volunteer Fire Department was called Tuesday night to Bob's Restaurant in North Clanton. A dishwasher was causing the trouble and it was taken care of in short order. The firemen left.

About ten minutes later, according to reports, another alarm sounded—where to this time? Back to Bob's and the dishwasher. It seems there were some towels caught in the dryer causing the trouble. Damage was negligible, but excitement was at a peak.

423 Supper Club Meets Tonight

THE Clanton 423 Supper Club will hold their regular monthly meeting tonight, Oct. 18, at 7:00 P.M. at the New Masonic Temple at 8th Street and 4th Avenue North. During the entertainment period following the evening meal, slide pictures will be shown of other lands which we believe will be very interesting and informative to our people.

All families or individuals having Masonic ties are urged to become a member of this Club. Remember, this Thursday night, Oct. 18th, 7:00 O'clock.

Homecoming; Box Supper at Isabella

HOMECOMING will be held Friday night, October 19th at Isabella High School when the Mustangs of Isabella meet the Calista Eagles. Game time at 7:30 O'clock.

During the half the Homecoming Queen will be crowned. The three contestants for this honor are, from the Sr. I Class, Carol Smith; from the Sr. II Class, Linda Wilson; and from the Sr. III Class, Eloise Wilson.

The winner will be selected by the student body on Friday morning and at the halftime ceremony, she will be crowned by the head cheerleader, Judy Foshee. In addition to these activities, there will be a basket supper sponsored by the PTA. All visitors are invited to eat with us. Plates will be 50c. Serving will begin at 5:30 o'clock.

New Nursing Home Wing to be 'Lawrence Hall'

Named In Honor Of Doctor C. O. Lawrence

THE new construction of a new wing to the Chilton County Nursing Home will be in honor of Dr. C. O. Lawrence, beloved physician, who passed away last Thursday, and will be called the Lawrence Hall.

Dr. Lawrence attended Greenville Southern College, Greenville, Alabama, and the Medical College of Georgia, Atlanta, Ga. He was chairman of Chilton County Hospital Board in Clanton. He practiced medicine since 1917, and came to Clanton in 1932.

He was a member of the First Methodist Church in Clanton. Dr. Lawrence died at his home in Clanton, Thursday, October 11, at the age of 69. Funeral services were held at 2:00 P.M., October 13, at the First Methodist Church of Clanton, with interment in Chilton County Memorial Gardens. Officiating ministers were Rev. Lloyd Kimbrough and Dr. Carlisle Miller.

Palbearers were: J. H. Roberts, Reddie Taylor, Astro Wright, W. E. Elmore, J. A. Broadhead, Harry L. Williams and Morgan Reynolds.

Honorary palbearers were: Members Chilton County Medical Association and W. M. Polk, P. H. Hamilton, Watson Yeager, G. T. Murphree, J. D. Bell, Doc Levine, Luther Little, Zollie and Cecil Conant, Jerry Bowman, Carlton Stephens and C. C. Ward.

Fooled Again...

LAST week you didn't know who he was! This week we're making it a bit easier. And if you want a hint... he looks a whole lot like the fellow we ran last week! Now there's a hint for you. To win your subscription to the News, you must be first to identify this man, after 8 A.M. Thursday. If you are first, you win! Now try real hard to tell us who this week's Mystery Man is. If you like, you may send in a post card. Earliest postmark wins.

Jemison Baptists To Have Homecoming

ON Sunday, October 28th, the First Baptist Church of Jemison will observe Homecoming.

All members, former members, friends of the church, members of other churches in the area are invited to attend.

In the afternoon there will be singing. Basket lunch at the noon hour.

Miss Wright In "Bye Bye, Birdie"

TOWN and Gown Theatre, sponsored by the University of Alabama, Birmingham Center, has selected a group of young people from all over Alabama, to play in "Bye Bye, Birdie". In this group of 12 talented young people, Miss Ellen Wright, of Clanton, daughter of Mr. and Mrs. Lawrence Wright, and who is a Senior at CCHS, has been chosen for the ingenue lead (Kim McAfee) the part created by Susan Watson on Broadway.

Ellen commutes for rehearsals and the director of the show is Gene Bayless, formerly of Birmingham, but now a dancer-choreographer-director-producer in the professional theatre.

The tour schedule of "Bye Bye, Birdie" began on October 13th at Fairfield High Civic Center, was in Tuscaloosa on Oct. 15th, at Judson College on Oct. 18, in Enterprise on Oct. 20th and then goes to Birmingham and North Alabama next month.

The tour is being made by chartered bus.

Town and Gown plan to produce "Bus Stop" in their winter tour of 14 cities in Alabama.

Cemetery Cleaning At Samaria

THERE will be a Cemetery Cleaning Saturday at the Samaria Baptist Church. Work will begin at 8:00 A.M. You are requested to bring your tools to work with, and help out in this endeavor.

NEW LICENSE PLATE TIME...

ACCORDING to J. C. White, Judge of Probate, there have been 3,375 automobiles tags sold by his office through Wednesday, October 17th.

2181 of them have been for private vehicles. Others are as follows: 563, H-trucks; 312, H1 Trucks; 264, H2-trucks and 165, H3-trucks.

Don't you folks forget that the last day to buy your license is November 15th. But they ask at the Probate Office: "Please, don't wait till the last minute!"

"No More Bent Fenders" Say Vo-Ag Boys

"THERE will be no more bent and dented fenders at 'ball games'!" Because the FPA at Chilton County High School is sponsoring a place to park your car. The space will be at Adair School below the football field. The admission for parking will be only 25c and all proceeds will go toward landscaping the grounds at the new High School.

Chili Supper At Maplesville Friday

THE Senior Class of Maplesville High will sponsor a Chili Supper on Friday, October 19th at the VFW Hall, from 5:00 to 7:30 P.M. The price will be 50c per person. Everyone is urged to come and eat with us. Jean Dennis is the President of the Senior Class.

MR. and Mrs. F. H. Spicer visited their son Robert and family in Cartersville, Ga. over the week end.

Why Three Of Chilton Schools Consolidated Only 116 Pupils In All.

ON September 28, at the end of the first scholastic month, three Chilton County Schools were consolidated: Mt. Pleasant, Stanton and Thomas. The Board of Education, after careful study and consideration, felt that better education could be provided for the boys and girls who were attending those schools by consolidation.

Each of the schools had two teachers and six grades. This meant that each teacher was teaching three grades. It also meant that the pupils in each room varied greatly in age and size.

The enrollment at Mt. Pleasant was 40, at Stanton 39 and at Thomas 37. In many schools of the County the enrollment of one room far exceeded the total enrollment of any one of the three schools consolidated. This was unfair to both teacher and pupil.

It is far more economical to carry on a school which is where there are about the same

a farmer from Stanton, Alabama. We don't know what these two "gents" are talking about, but chances are good, that it's politics.

CLANTON and Chilton County lost one of their biggest assets last week, in the person of Dr. C. O. Lawrence. He had been a resident here for more than 50 years and was beloved by thousands of our residents. We are saying that the Doctor was a superman, or was not just a man but he was a wonderful man being. He would be the first to tell you that he had made mistakes—but he was big enough to profit by them. When it was time to be counted, Dr. Lawrence stood up!

RUFUS Head motored North Charleston, S.C., Carolina last week to visit that grandson, Dr. C. O. Lawrence. He had been a resident here for more than 50 years and was beloved by thousands of our residents. We are saying that the Doctor was a superman, or was not just a man but he was a wonderful man being. He would be the first to tell you that he had made mistakes—but he was big enough to profit by them. When it was time to be counted, Dr. Lawrence stood up!

THE IGA Store at West End changed hands again. Well, didn't exactly change hands—Taylor bought the store and it is now owned by Cecil Ramsey and it is now called the Taylor IGA of West End. Grady wants his old store to come to visit him.

THE Ladies Auxiliary of the Chilton County Nursing Home is giving away a big, beautiful, new car that is on display at the store. It will be given away on December 1, just in time to be used as a lovely Christmas present. It will be given for the purpose of bringing "Hope" to residents of the Nursing Home and will make a wonderful gift from anyone. By the way, it has a complete wardrobe and it will go along with doll.

THIS must be a heck of a place to work. Our favorite "Hill" Harold Cocker, has been bringing his shotgun to work with him. We hope it is "Squirrel Season" to blame the ammunition, but if it's not, we'll be seeing you.

THE agricultural expert recently gave a group of gentlemen this advice: "Never milk a cow during a thunderstorm, you may be struck by lightning and you'll be left holding the milk."

Maplesville PTA To Meet Tonight

THE Maplesville Elementary School PTA will meet in the school Auditorium Thursday night, 7:30 P.M. An interesting program is planned and "Who Will Come To PTA?" Parents are urged to attend. Mrs. B. E. Dennis, is Publicity Chairman for this group.

Mr. and Mrs. James H. Hooton and children of East Point, are expected to their home Tuesday for a visit with her mother, Mrs. A. R. Scott.

Democratic Women Meet October 10 Literature Campaign

Wednesday, October 10, the Democratic Women of Chilton County met at the Telephone Committee. She had typed and ready for each Telephone Chairman, a list of each Beat in the County. A revised qualified voter's list. Everyone in the County was to get a call and if they couldn't get to the voting places on November 6th, they were to contact someone who would get them some transportation.

It is very urgent that every

qualified voter be at the polls on November 6th. The Chairman urged that if you can't write, to just make an X on the Democratic Ticket. Under the Roster. Just Vote!

All Democratic Women in the County are urged to go to their respective voting places and to take a car full of folks!

The guest speaker for the meeting was Mrs. Elsie Brock of Huntsville, Ala. She brought with her another inspiring worker in Democratic Women's work, Mrs. Eigenbrod.

The next meeting will be at the Holiday Inn, at 3:30, on Oct. 24th. Report on your calls and actions at this time. We're looking the grounds at the new High meeting.

Mrs. R. M. Tucker, Rec. Sec. & Pub. Chrm.

Chilton Student Honored At Troy

MISS LaNelle Rawlinson, daughter of Mrs. Oscar L. Rawlinson has been invited to join the Kappa Delta Pi, at Troy State College. The purpose of the organization of KDPI is to encourage high professional, intellectual and personal standards of contributions to education. To this end, it shall invite to membership such persons as exhibit commendable personal qualities, worthy educational ideals and sound scholarship.

LaNelle has been invited to become a member of the Society by a vote of the Chapter, choosing her because of her high scholarship record and because the members who selected her believe that she has a professional attitude which will enable her to grow in the field of education.

Engagement Announced

MR. and Mrs. Reuben DeVaughn wish to announce the engagement of their daughter, Elnora, to Herbert Brigrance, son of Mr. and Mrs. Sam Brigrance of Billingsley.

The bride-elect is the granddaughter of Mrs. Allen Brown and the late Mr. Brown of Clanton and Mrs. O. L. DeVaughn and the late Mr. DeVaughn of Clanton. She is a graduate of Chilton County High School and attended Alabama College in Montevallo.

The groom-to-be is a graduate of Billingsley High School and is employed with Transcontinental Gas Pipe Line Corporation in Billingsley.

The wedding will be an event of Sunday, November 11th at 3 P.M. at Mt. Pisgah Methodist Church. All friends and relatives are invited. No invitations will be sent.

To The Voters Of Chilton County

LONNIE L. COST

FRIENDS, I shall always be grateful to you the voters of District One for the fine vote and confidence you gave me in both primary elections, and for nominating me on the Democratic ticket with there being six candidates in the race for the same office, and as far as I know, they are all good men.

I wish to thank each and every one for working so diligently to help me get such a fine vote. I tried very hard to see

each and every voter throughout District One, but I know there were some of you whom I failed to see and personally I want you to know that I am now trying very hard to see each and every voter throughout Chilton County before November the sixth and discuss with you the problems of our County to the very best of my ability.

To you who voted for my most worthy opponents in the May Primaries, I want to ask each and everyone of you for your vote and support on November the sixth.

Friends, with the past experience I have had dealing with the public in this office and county I can and will serve the people of Chilton County better in the future than I have in the past and I shall feel honored to serve with our present Board and Chairman and to be able to help them continue the fine job that they are doing for our County.

If elected I will always cooperate with all state and county officials and with you the public.

Thanking each and every one throughout Chilton County in advance for your vote and support on November the sixth.

Sincerely yours,

Lonnie L. Cost

Recognizing Labor—

"IT'S one of the few times since I have
been serving in public life that I have seen the
men who work with their hands — who get
dirty — enjoying themselves with their wives
and friends in real fellowship!"

That statement was made by a County Of-
ficial concerning the Barbecue held last Friday
evening for the County Employees at the Veter-
ans Club in Clanton. He spoke too, of the
spectacle of 'management, as it were, getting
together with labor, and everybody having a
fine time of it! It is good to see the men who,
'get so dirty out on the roads, you can't tell
who they are sometimes', recognized and hon-
ored for their contribution to the progress and
development of Chilton County. These men are
the "muscle" in our arm for progress for our
people. They turned out in good number for this
occasion and thoroughly enjoyed themselves!

Basic Recipe For 'Progress'—

(Use the tried and true Democratic
Method. . . it's foolproof and non-failing)
TAKE an entire Nation of fair wages for all
and add old age benefits for senior citizens to
assure welfare and dignity. . .

Blend soundly with crop insurance to
strengthen the backbone of a Nation's agricul-
ture. . .

Consider well 200 new Alabama hospitals
marinated in Hill-Burton funds, linked with an
Interstate Highway System. . .

Defend with one and one-half billion dollars
spent in Alabama in the last five years at mili-
tary installations. . .

Spread with new industries sprinkled abun-
dantly with water from old and new river de-
velopments. . .

Knead with a sound program for veterans. . .
Baste in an educated people not satisfied
to stand still or slide back. . .

Stir the program well and spread lavishly
statewide. . .

Do not set aside but evaluate the contents
until November 6th and then place in a ballot
box and let it remain until the Polls close.

When basic recipe is removed at the end of
election day, you will come up with NINE sear-
soned Democratic Leaders and Statesmen, enough
to serve your family, Alabama, and the Nation
for a period of two to six years of progress and
prosperity!

The Foundation Is Weak--

WITH all due respects to Republican hope-
ful Jim Martin, we do not like to see a political
figure use unsound materials in building his
platform.

Republican Martin says: "I was a Democrat
myself until 1960 when I could see the Party was
drifting away from the Jeffersonian principals."
CORRECTION: Some members of the Party may
be drifting away from those principles, but the
bulwark of the Party is not. In fact, we are
more determined than ever to hold to these
principles.

Republican Martin stands up for his own
National Party; a fact which he condemns
Southern Democrats for, yet he says of the
trouble in Mississippi: "It was plotted to swing
elections in the East and the only thing we can
do is vote against the party that put bayonets
in our backs." Yet he upholds and represents
the Party which did the same thing in Little
Rock, and whose leaders (namely Eisenhower
and Nixon) have proclaimed that they would
have sent troops into Mississippi even sooner.

IN OTHER WORDS: The right or wrong of
this particular action, in Mr. Martin's opinion,
depends on who is doing it!

And Martin does give Senator Lister Hill
credit for having the power to make or break
the economy of the entire State of Alabama. He
said: "If Hill's seniority is so powerful, why has
it kept us one of the poorest states in the nation?"
It would seem that he too believes that seniority
in the Senate carries much weight. He indicates
that Hill has not used it. Mr. Martin has his
eyes closed to the progress of his own State.

One thing Republican Martin says is true,
though it cannot be assumed that it is part of
his platform. He says, "There are enough elec-
toral votes in the South to swing an election in
either direction. We must wake up and become
aware of the magic we have in our possession."
(But, it isn't magic, it's awareness). Truer words
were never spoken. . .

State Flower - A Weed--

WE DO NOT know much about flowers, and
our eye for beauty is strictly an individual one;
but we are convinced that Alabama's State Flower
should never have been changed from the
Goldenrod to the Camellia!

The reason for our opinion is simple: We
believe that the natural beauty which abounds
in the State should be representative of that
state; and regardless of whether you refer to it
as a "weed" or a "flower", a field of Goldenrod
is a beautiful sight.

Whether it be a native plant or not, we do
not know; but if there is one thing in nature
that abounds in Alabama and is about the only
thing that outgrows Kudzu, it is the Goldenrod.

This time of the year, you can look in any
direction and see Goldenrod, and it is stout-
hearted. We cannot say either of the same for
the Camellia.

As we said, we don't know much about
flowers; but we think the Camellia is a little
too 'haughty taught' for us Southern folk. It's
kinda like blackeye peas and cornbread: The
Goldenrod may not be the fanciest "weed" that
nature has to offer, but it likes us, as evidenced
by its growth in our State; so we like it!

Peas and cornbread ain't pretty, perhaps;
but they shore are satisfying!

Education In Chilton--

ON PAGE one this week, if you haven't al-
ready found it, you will see an article explaining
the recent consolidation of three schools in Chil-
ton County—Mt. Pleasant, Stanton and Thomas
Jr. The Board of Education in Chilton County
has proved itself—under fire—and we are con-
fident that they are capable of handling the
maze of daily problems which arise in making
possible a sound education for our children. Af-
ter due deliberation we think you will agree.
It is necessary that patrons understand the
actions of the Board of Education, if harmony
is to prevail in our educational system.

It's Confusin'--

ONE thing we will never understand, and
always be amazed at, is a parent's ability to ad-
minister love and affection on the seat of the
pants; and the youngster's natural instinct to
accept it as love and affection. It is a won-
derful relationship.

A Reader Says--

Why Chilton Countians Should Vote The Democratic Ticket

to help us, here in Alabama.

SOCIAL SECURITY--

THE Democratic Party has
always been the party of all the
people of the United States, in-
stead of the party of the few
more fortunate ones. The Demo-
cratic Party is the only party
that has given the South any fea-
sible consideration since the Civil War.

The minimum wage law has
been a great help to all the
working people of Alabama and
that law was enacted by a Dem-
ocratic administration. The Hill-
Burton Act has been such a help
to many communities in Ala-
bama that they now have nice mod-
ern hospitals and nursing homes
which they could not have had
were it not for the help they got
from the Federal Government, and
that help would not have been
available except for the Hill-
Burton Act.

This Act was passed by a
Democratic administration, and
our Senator, The Honorable Lister
Hill, co-sponsored that bill.
Remember that when you
vote November 6th, and remem-
ber that every time you look at
our Chilton County Hospital and
Nursing Home. They are the
fruits of our Senator Hill's work
and influence in the U. S. Senate.

Soil Conservation News

T. S. FRITH, of Liberty Hill
Community, is thinning his 12-
year-old planted slash pines. Mr.
Frith is a cooper with the
Chilton County Soil Conserva-
tion District.

Drainage ditches were staked
for Millard Reynolds, of Stanton,
Curtis Bryant and Otis Gray of
Clanton. These ditches will drain
pasture land and are to be cut
under the ASC program with
supervision of the Soil Conserva-
tion Service.

J. D. Presley, of Wessington
has asked Chilton County dis-
trict help in developing a
soil and water conservation plan
on his 40 acres.

Sherman Motley of Stanton
is doing land clearing in prepa-
ration for more pasture.

Drainage ditches were staked
out for J. T. O'Neal of Stanton.
This ditch will drain cropland.
Lots of people are now getting
out in woods and fields to do a
little hunting, and to enjoy the
fall season. We would like to
encourage all outdoorsmen to be
careful with their matches. One
fire can ruin many days of
good hunting.

S. A. Jones, a supervisor of the
Chilton County Soil Conserva-
tion District, is preparing land to
plant to Ky. 31 fescue and Bahia.
This is on 20 acres in the Maples
Springs Community.

MT. PLEASANT NEWS

Several from our church at-
tended the Chilton-Unity Asso-
ciation at the First Baptist
Church in Clanton, Wednesday.

We were happy to see Mrs.
Emmett Kendrick and her two
daughters in Church Sunday.

A surprise Birthday Party was
given for Miss Judy Vick at the
home of Mrs. Mary Caton last
Sunday. Those attending were:
Mr. and Mrs. Mosley Cleave-
ley and children, Mr. and Mrs.
Rayford Caton, Sharon and Mar-
ty, Mr. and Mrs. Raymond John-
son and family, Mr. and Mrs.
Kenneth Caton and son and
James Autrey, Gay Whitaker and
Jerry Rick of Clanton, Vincent.

Mr. and Mrs. Ray Harris and
baby from Sylacauga spent Sun-
day with Mrs. Leona Johnson.

Rev. and Mrs. Paul Johnson
of Malone, Florida spent the
week-end with their parents.
Mr. and Mrs. Luther Payton and
Mrs. Leona Johnson. Paul is
attending the B. Bible Institute
in Florida.

Mrs. Rita Littlejohn of Lomax
attended services with us. We
were happy to see her again.

We enjoyed the message
brought to us Sunday by Bro.
Ivan Smith.

The Little Hammock baby is
better at this writing. Let us
continue to pray that this child
will get better and better.

Mrs. Percy Harris, Mrs. Mon-
roe Foshee, and Mrs. Irene Rig-
gins, Mrs. Mary Price, attended
the Bridal Shower given in hon-
or of Barbara Price at the T. E.
Wyatt home in Clanton. It was
a lovely party and we all en-
joyed it very much.

Mrs. Edna (Gilbert) Mims is
better and wishes to thank the
church for the beautiful flowers.

IN MISSISSIPPI--

There is talk, and lots of it,
being passed around about the
incident in Oxford, Miss., and
some are blaming all this on the
Kennedy Brothers, and the Demo-
cratic Party. Now, the Demo-
crats in Alabama resent what
happened, and is happening, in
Oxford; just as deeply as the
other party, but they had the
same thing happen in Little
Rock, Ark., when their party
was in office. Now, about the
Kennedy Brothers: They are not
running in this election. All
the candidates on the Democra-
tic ticket in November are good,
Alabama Southerners. So let's
keep that in mind.

NOTE IN NOVEMBER--

To vote the way some peo-
ple might want to vote in No-
vember might be just a little
confusing, but I can solve that
by giving you a good, fool-proof
remedy. Just make one X in
the one circle under the rooster
and you'll have it made!

Be sure to meet your friends
at the polls on November 6th.

Report from Washington

BY
ARMISTEAD SELDEN
Congressman, Sixth District

At 4:46 last Saturday afternoon
the 87th Congress adjourned sine
die after the longest session in
eleven years.

Many members had already
left Washington to campaign and
it became increasingly difficult
to muster a quorum. As a mat-
ter of fact, a record vote in the
House of Representatives Friday
night indicated fourteen less than
the number needed for a quorum
and it was necessary to adjourn
until Saturday.

A number of members returned
Saturday morning and a quorum
was gathered for the final
vote. Incidentally, your con-
gressman was among those pres-
ent and voting during the final
days of the session.

PUBLIC WORKS APPROPRIATIONS

The final act of the 87th Con-
gress was agreement by both the
House and Senate to the con-
ference report on the Public
Works Appropriations Bill for
fiscal 1963. This measure, which
contains over \$5 billion in funds
for public works throughout the
United States, includes a substan-
tial amount for projects in the
state of Alabama.

Of primary importance are the
sums of \$3,500,000 to continue
the construction of the Holt Lock
and Dam on the Warrior River
and \$1,000,000 to begin the con-
struction of the Millers Ferry
Lock and Dam on the Alabama
River.

Also included in the Public
Works Appropriations Bill is
\$600,000 for the deepening of the
Mobile ship channel. This
amount was added to the Senate
bill by Senator Lister Hill and
retained by the House-Senate
conference.

THINGS We see and hear

by BOB

SMILE WHEN YOU SAY. . .

ALL of us here at the News
have had many comments about
the advertisement in last week's
issue (this is National News-
paper Week) and we appreciate
your interest. We presented the
News force with a little differ-
ent flair to it, and folks seemed
to like it a lot. Just goes to
show you—doesn't matter what
you have to advertise—do it in
your own way. We'll be print-
ing a parade around the paper
and folks are bound to see it!
Oh by the way, hope Mr. Sem-
mie gets his camera back togeth-
er before your wedding or reu-
nion comes around; under-
stand it was a mess!

JUST SITTING THERE. . .

A HARRIED and emotional
citizen was discussing the Coun-
ty School situation at us the
other day, and after getting pret-
ty well steamed up; and seeing
too that we were not greatly
perturbed at what was being ex-
plained, finally said, "Well, what
are you going to do about it, just
sit there and let 'em close 'em
all down?"

Obviously, the person is an
emotional fellow; they quit ask-
ing us what to do with education
a long time ago. The fact is, we
do not sit upon the Board of
Education, but we do listen to
all that's said around us, and it
certainly makes interesting hear-
ing. Sometimes it even shows
what broad-minded, progressive
citizens we have in some cor-
ners!

OLD RUSTY. . .

WE were questioning our
daughter Terri, the other even-
ing about a new classmate of
hers'. It seems this young fel-
low's last name was "Bucket!"
Well, it sounded unusual for these
parts, but we ventured no op-
inion. When we asked her about
his first name, she thought for
a minute, and then said, "I think
his first name is 'Rusty'! Man,
it's a riot around our house."
"Rusty Bucket"??

Yes. With 85 per cent of all our power busi-
ness in the hands of great utilities, Rural
Electric is the most effective "counteractor"
to the evils of public utility monopoly. The
healthy competition of Rural Electric helps
break the grip of monopoly by introducing
effective competition. This keeps electric
costs down.

JEMISON NEWS

By MRS. GEORGE NAISS

The Jemison Panthers came home from Plantersville in a jubilant mood last Friday. They downed that team 26 to 0. Sidney Chandler and Marshal Bolton were responsible for two touchdowns each, extra points were made.

Ronnie Little again comes to the front. He threw two passes; one of which was completed for a touchdown. This school team is marching on. In the game against Montevallo, Jemison made 6 points and Montevallo 14.

SURPRISE DINNER

Sunday, October 7 was a delightful day for Mr. Euel Atkinson. The weatherman cooperated with Mrs. Atkinson in helping to make the day pleasant. It was a surprise birthday dinner.

Present were these of Mr. Atkinson's brothers and sisters: Mr. and Mrs. Grady Headley (Eva), Mr. and Mrs. Joe Dennis (Estelle), Mr. and Mrs. Bill Coffey (Emma), Mr. and Mrs. Ernest Atkinson; his aunt, Mrs. Mattie Shaw; his father, Mr. F. T. Atkinson; a sister-in-law and her daughter, Mrs. Enley Atkinson and Ann, of Birmingham, a niece, Mrs. J. D. Adams, her three children, Lynn, Melissa and Myra; his daughter and son-in-law, Mr. and Mrs. James O. Porter, Children, Roger and Janice and Mrs. Doris Porter Brasher and Gerald Atkinson, his son.

At the noon hour a bountiful and delicious basket lunch was served, which included the white birthday cake decorated in fall colors of yellow and brown. Mr. Atkinson received many useful gifts. A son and family, P2C and Mrs. Horace Atkinson, of Norfolk, Va. could not be present, but remembered the honor guest.

YOUNG PEOPLE'S ASSEMBLY

Miss Pat Shaw, pianist, furnished quiet music as the students assembled.

Miss Miriam Harvey, Supt., read the call to worship. She called attention to the poster for month, "Reach, Teach, Win, Develop" and gave the introduction.

Special plans will be made for Visitation for absentees and new members. Plans will be formulated to develop a standard department. These young people read Scripture on Visitation: Seu Gilmore, Lynda Clements, Jerry Stephens.

Three reasons for visitation are stressed in Scriptures: Jesus sent the Disciples, the Great Commission and The Bible.

Robert Lowery, accompanied at the piano by Miss Shaw, sang, Lord, Lay Some Soul Upon My Heart. Miss Harvey led the closing prayer. There were 30 present.

MRS. MCNEILL HOSTESS

The WMU for 1962-63 will have "Unto The Statute of Christ" as a theme in the circles. Mrs. I. H. McNeill, hostess and circle chairman, called the meeting to order.

Mrs. Lonnie Cobb was in charge of the program, "Significance of the WMU Emblem". She read Scripture and as the WMU begins a new year, she said "Happy New Year" and gave the introduction.

Mrs. George Nais gave the part "The Power Of Our Work". Mrs. Sadie Shaw "The Task In Missions". Mrs. Eula Cost "The Field Is The World" and Miss Ola Rogers "The Laborers Include Us".

The Circle chairman passed out folders that held an abbreviated statement of aims for advancement. They will be used as guides as each one seeks to grow in Christian Maturity.

The chairman named officers of the circle Mrs. H. C. Reeves led the closing prayer. The hostess served cake and cold drinks.

IT'S A BOY

Mr. and Mrs. Gerald Smitherman (Wanda Shaw) of Tuscaloosa, have named their new baby boy, David Todd and will call him Todd. The grandparents are Mr. and Mrs. Leo Shaw of Jemison.

MRS. SHIRLEY HOSTESS

Circle II met at the home of Mrs. Herman Shirley Monday afternoon at 3 O'clock. As chairman, she called the meeting to

Clanton FFA's Find So. Ala. Fair "Very Educational"

The Clanton Chapter of the Future Farmers of America held its regular chapter meeting on Monday in the Vocational Ag. Department. The president, Roger Ellison, called the meeting to order and after roll call the group had a short business session.

The first order of business was the trip to the South Alabama Fair. Thirty eight members attended the Fair and found it very educational in many ways. The next order of business was the discussion of parking cars at football games in order to raise money for developing the new school grounds.

The Chapter agreed to go to the Fair and also to participate in trying to raise money for the new school grounds development. The meeting was adjourned with the group pledging allegiance to the flag.

THORSBY NEWS

By ESTELLE HAYES

THORSBY METHODIST

Rev. C. T. Davis pastor Sunday School 9:45 A.M. Morning Worship 11:00 A.M. Evening Worship 6:00 P.M.

This week will mark the Sixth Anniversary of the Methodist Church in Thorsby. Six years ago the first service was held in our new church building. Sunday, October 21, we will observe Laymen's Day in our Church.

One Sunday each year is designated as Laymen's Day to further the work of lay activities in our church. The program will be under the direction of Mr. J. Hudson Williams, Director of Lay Activities. Mr. E. R. Yeargan will be principal speaker for this occasion. We extend a cordial invitation to everyone

to worship with us.

The Youth Class will have a "Beatnik" Party Saturday, October 20, 6:30 P. M. at the home of their teacher, Mrs. Idell Kincaid.

Mr. and Mrs. Charles Cleave, Mr. and Mrs. Harold Mims, are spending a few days in the Smoky Mountains. Mrs. Davie Smith, of Birmingham spent a few days last week with sisters in Thorsby.

Mr. Harold Cleave and daughter Phyllis, Mr. and Mrs. Wilbur Champion all of Loxley spent the week-end here.

Mrs. J. C. Satterwhite of Miami, Fla. visited her mother, Mrs. Effie Robinson last week while her husband visited his dad, Mr. Satterwhite, who has been ailing for some time. Mrs.

Satterwhite and mother Mrs. Robinson, left Monday morning for Miami and Key West to visit Mr. and Mrs. Charles Shelby, now living there. We are happy to hear that Mr. Shelby is doing some better as he is recuperating from an operation.

The many friends of Mrs. T. E. Barham will be happy to hear that she is making improvement. She has left Birmingham and is now in Macon, Ga., and has been in the hospital there, but last reports are that she is making plans to go to her daughter, Mrs. Pugh's and hopes to come home soon, if she continues to improve.

Visiting the A. D. Collins' this week-end were Mr. and Mrs. Carl Crowson, Mr. and Mrs. Carl Beasley, Huntsville, and Randall roommate at Chattanooga College, Mr. and Mrs. Hubert Thompson, Montgomery, Mr. and Mrs. Willie Crowson, Mr. and Mrs. Monroe Crowson, Mr. and Mrs. James Conerly, Clanton.

Mrs. Ollie Price is spending this week in Huntsville, Ala.

ROADS TO SURVIVAL

New Interstate Highway Net to Aid CD Evacuation

A line on a drawing board today may someday save your life. That line might be one of

CIVIL DEFENSE auxiliary police will be needed in great numbers to help control traffic if warning of impending enemy attack ever forces cities to evacuate. Banning of cross traffic, and permitting one-way outbound traffic only on arterials and the great urban freeways now being built will aid these men in their thankless task.

America's roads to survival, a part of the 41,000-mile National System of Interstate and Defense Highways that will be carefully laid out over the continent within the next 12 years.

THIS INTEGRATED \$33,000,000,000 network—the world's greatest public works project—will include freeways running from the heart of major cities to the outskirts and beyond. Over these roads, the millions who live and work in cities could seek the safety of distance from a nuclear bomb blast if adequate warning of impending attack were given.

In normal times, realists Americans drive 550,000,000 miles a year in private autos. Families must also rely on cars to flee from danger in the event of civil defense emergency.

The automobile is a rolling home in an emergency, the Federal Civil Defense Administration points out. You can eat and sleep in it, keep warm and dry, receive vital instructions by radio, drive out of danger areas, and even get some shelter against blast or fallout.

EXPRESSWAYS MEET in this gigantic interchange in Detroit, a key part of the freeway system which could carry some of the Motor City's auto-riding populace to rural safety. Although civil defense studies show that COMPLETE evacuation of large cities after warning of likely attack is not generally feasible under today's warning times, a big start toward more evacuation capacity is being made in urban freeway construction under the new National Interstate Highway program. Electric Shavers—Therapy For Vets

PHILADELPHIA, Ill. — Hines Veterans Administration Hospital manual arts therapy section has marked the first anniversary of its activity for reconditioning of electric shavers for distribution to VA Hospitals across the country. B. H. Melton (left) general manager, electric shaver division, Sunbeam, is shown with Betty Melton, veteran, testing a reconditioned unit, sponsored in initial program. The electric shaver is expected to increase 1963 trade-in available for program. The shaver is used to condition trade-in shavers for use in the program.

Seat Belts a "Must" for Rural Driving

DID YOU KNOW that driving on country roads is much more dangerous than driving on city streets? Last year 74 per cent of all accidents occurred on rural roads, killing 24,500 persons in contrast to 10,500 who were killed in urban traffic. If you do even the smallest amount of rural driving, you should use safety equipment that can save your life in case of an accident.

At least 5,000 lives a year could be saved if all cars were equipped with seat belts, according to the American Medical Association and California Oil Company, which is currently conducting a "Seat Belts for Safety" drive through its Chevron dealers. Safety engineers at California Oil say that the man pictured above never would have been thrown from his car if he had been using a seat belt. You are five times safer staying in the car during an accident, safety experts agree, and a seat belt will help keep you securely in your seat.

If you don't have seat belts, get them. If you have them, use them. They can save your life.

Party Season "Kick-Off"

Following the big football game this season you can't do your own "party touchdown" with a colorful buffet that is easy to prepare and rewarding to serve.

For the starter, try this original recipe for Swedish Meat Balls in Sour Cream Sauce, ideal for serving in a chafing dish. You'll find these meat balls are uniquely different due to the addition of finely-crushed canned French fried onions and nutmeg.

SWEDISH MEAT BALLS IN SOUR CREAM SAUCE

1½ pounds ground beef	1 teaspoon paprika
1 (3½ oz.) can O & C French Fried Onions, finely crushed	2 eggs
1½ teaspoons salt	¼ cup butter
1 teaspoon nutmeg	¼ cup flour
1½ teaspoon pepper	1 (10½ oz.) can consommé
1½ cup stale bread crumbs	½ cup water
½ cup milk	1 cup sour cream

Combine finely crushed French fried onions, salt, nutmeg, pepper, bread crumbs, milk and paprika. Mix well. Add ground beef and slightly beaten eggs and mix till well blended. Using wet hands, shape mixture into tiny meat balls about the size of a walnut. Brown in butter in skillet. Remove balls. Add flour to drippings and blend well. Add the consommé and water and cook, stirring constantly till thickened. Add sour cream and heat. Add meat balls. Makes about 48 small balls. Serves 6 to 8.

To assure a complete entertainment win, you might pass your guests a taste-tantalizing cheese football pie. It's easy to do and can be made well in advance.

CHEESE FOOTBALL

2 pounds Cheddar cheese, soft	¼ teaspoon garlic salt
1 pound cream cheese	1 (3½ oz.) can O & C French Fried Onions
1½ pound Bleu cheese	Food coloring
1 tablespoon prepared mustard	
1 teaspoon onion salt	

Save 1 cup of the cream cheese for frosting the football. Combine remaining cheeses with mustard, onion and garlic salt and just enough cream to soften. Be careful not to add too much liquid. Form into a football shape. Roll football into crushed French fried onions, pressing them firmly into the cheese. (This makes the ball easier to handle and shape.) Reserve a small portion of white cream cheese for lacing the ball. Color the remaining cream cheese red, 4 drops yellow and 1 drop of green.) Add the liquid coloring directly to the softened cream cheese and continue adding as many drops as necessary to give the desired color. Frost football with the colored cream cheese. Mark grooves on side of ball with skewer and pipe on white icing with pastry tube, cake decorator or waxed paper cone.

Curried Canned Turkey Vegetable Soup Sets A Party Buffet

Entertaining can be a joy and a delight—for both the hostess and the guest. One of the nicest invitations is the one which reads, "You are invited to meet..."

Buffet service is the easy answer to a problem of space. Food can be prepared ahead of time for the most part. Such is this party buffet, starting Curried Turkey Vegetable Soup.

Canned condensed turkey vegetable is the latest newcomer to the wonderful world of soup. Rich with vegetables, tender turkey, and shell macaroni, this easy soup adds even more variety to the soup centered menu. And, not content to present just one new soup this fall, the company responsible for the canned condensed newcomer, also introduced eight new canned soup mixes. Developed over a three year period by company chefs, these soup mixes have the major ingredients freeze-dried... the latest in processing procedure. To insure the locked-in flavor, the dried soup mixes are packaged (two per carton) in hermetically sealed aluminum cans. These virtually weightless cans solve myriad problems, particularly storage and transportation for the sports-minded. Included in the sports-

heef noodle, chicken noodle, cream of mushroom, cream of potato, noodle, old-fashioned beef onion, and vegetable.

Make Curried Vegetable Soup the center of your buffet table. Surround it with colorful garnishes: Green pepper strips, toasted coconut, flavored almonds, thin apple slices, crumbled cooked bacon or sliced green onion. A tart molded salad is a pleasing flavor companion.

Curried Turkey Vegetable Soup

- 1 can (15 1/2 ounces) condensed turkey vegetable soup
- 1 soup can water
- 1/4 to 1/2 teaspoon curry powder

In saucepan, combine all ingredients. Heat, stirring now and then. Makes 2 to 3 servings.

Another colorful luncheon or supper dish is this Spinach Potato Bowl.

- 2 cups cold water
- 1 can (15 1/2 ounces) cream of potato soup mix
- 1 cup milk
- 1/2 cup cooked chopped spinach
- Dash nutmeg

In saucepan, gradually blend water into soup mix until smooth. Bring to boil, stirring. Partially cover; simmer 10 minutes, stirring now and then. Add remaining ingredients; heat, stirring. Makes 4 to 6 servings.

Do-It-Yourselfer's Party

Invite your close friends to lend a hand to summer-end chores. Whether painting the basement, bringing up the boat, or taking down screens, many hands make light work—and light-hearted fun for all. Set out help-yourself food: ham-flavored sauerkraut with sausages and tiny onions; crisp salt sticks, and a pineapple punch with the where-with-all for lacing in decanters nearby. The steps of a small ladder make a handy perch for snacks and drinks.

SAUERKRAUT ALSACIENNE

- 1 1/2 lbs. sauerkraut
- 1 lb. Italian or farm sausages
- 10 tiny white onions, peeled
- 1 1/2 cups cooked ham chunks
- 1 Bouillon cube dissolved

Four boiling water over the sauerkraut, drain well. Brown the sausages slowly in a skillet, then remove. Add the onions and brown. Toss in the ham to saute briefly, then add the kraut and stir up in the drippings until shiny. Add the sausages, bouillon, and bake in a moderate oven (325°) about 1 hour. Serve in the pan or heaped in a fireproof dish. Sprinkle with dill seeds and serve to 6 hungry workers.

LACE-IT-YOURSELF PUNCH

- 1 can (8 oz.) frozen pineapple juice concentrate
- 1 can (8 oz.) frozen grapefruit juice concentrate

Reconstitute frozen juices and pour over ice in a tall pitcher. Serve in mugs or tumblers garnished with lemon and orange slices, pineapple sticks, or mint. Set out decanters of gin and whiskey, so that guests may choose desired flavors. Makes punch to serve 6-8.

FIRST BAPTIST CIRCLES MET THIS WEEK

Circle I Mrs. Charles Patterson was hostess to Circle One of the First Baptist Church for their October meeting on Monday afternoon when 12 members were present. Mrs. John Deramus, chairman, presided over the usual business. This being the first meeting of the new year, new committee chairmen were recognized: Mrs. Bill Reid was in charge of the program taken from Royal Service Magazine. Refreshments were served.

Circle II Circle Two met with Mrs. Melvin Mims on Monday for their first meeting of the year. In the absence of the chairman, Mrs. E. L. Mullins, Mrs. J. R. Mullins presided. She gave a very interesting devotional. The program was given by Mrs. F. N. Scott. She gave the women of the WMU pin. Cake and coffee were served to 11 members. The meeting was dismissed by the group joining hands and singing "Blest Be The Tie".

Circle III Mrs. J. L. Teel was hostess to her Circle on Monday P. M. at 3:00 O'clock. The meeting was opened with prayer by Mrs. J. E. Gowan. Mrs. Ralph Johnston read the names of the missionaries listed on the calendar of prayer. Mrs. Lester Jones, chairman, presided over the business. Mrs. W. C. Golden introduced the program "The Significance of The WMU Emblem". Others taking part on the program were Mrs. Luther Mims, Mrs. Ralph Johnston, Mrs. Howard Johnson and Mrs. A. D. Widman.

Mrs. Referee Lineberry was welcomed as a new member. Refreshments were served to 12 members.

Circle IV Mrs. Harold Lawrence was hostess to Circle 4 of the First Baptist Church for their first meeting of the year. Mrs. Joe Moore, meeting with a short devotional followed by prayer. She outlined the various objectives of the new circle and asked for reports from other chairmen. The mission program followed with Mrs. W. T. Parker, program chairman, in charge. She introduced the program topic "Significance of WMU Emblem" with Mrs. M. C. Hayes, Mrs. Cleo R. Cox, Mrs. L. G. Nichols and Mrs. Parker participating. Guests were: Mrs. Charles Moore, president and Mrs. J. Gilbert Hutchinson. Mrs. Moore offered prayer for those on the prayer list and Mrs. Hutchinson led the closing prayer. Delicious refreshments were served to fourteen members and guests.

FLASHBACK

Do you remember the 1939 World Series, when the Cincinnati Reds faced the New York Yankees for the first time? This also marked the first broadcast of the Gillette Cavalcade of Sports, which has brought the Series to fans away from the ballpark every year since then on radio and since 1947 on TV. The tenth inning of the fourth and final game was one of the wildest in Series history. Yankees Frank Crosetti and Charley Keller were on base when Joe DiMaggio singled. Crosetti scored and was followed by Keller, who bowled over the Red's catcher Ernie Lombardi. The Yankee Clipper sprinted around the bases and also scored before the dazed Lombardi could get to his feet. In photo Crosetti is No. 1; Bill Dickey is No. 8; DiMaggio is in front of Dickey, and Bill Werber of the Reds tries to aid the recumbent Lombardi. The umpire is Babe Pinelli.

"Help Yourself" Halloween Table

Although many Halloween superstitions have long since been debunked, the more pleasant customs have come down through the centuries, and both young and old alike make merry on this day. The custom of using pumpkins, gobins and corn stalks for decorations has been passed down to us from the ancient Druids.

There are parties galore for this fun holiday and the theme is carried out by an amusing "help yourself" table of goodies of candy, chocolate, donuts and apple cider, all in the best with and goblin tradition. For the many faces of Halloween, by stacking assorted donuts and put a large goblin face lollipop in the holes. Intersperse with chocolate gobins, witches and pumpkins on a large platter.

The container for your favorite cider or punch can be a fresh pumpkin which can be scooped out to hold the beverage—nose and mouth can be made from chocolate bars or laces; or, buy a large plastic pumpkin for the occasion. The center of your table can be the high spot of the Halloween high links and your "tricks or treats" are sure to be the "treats".

Morris Moatts Speaks To The Voters

As previously announced, I am a candidate for Representative from Chilton County, having no opposition in the way at primary, you the voters will decide in the November general election who will serve you in Montgomery. I announced on my own that I would seek this office without any group, parties, cliques, or political machine. I believe the county should be represented by a fellow who is interested in Chilton County and its people.

I am aware that we have many problems facing us. These problems must be met with clear thinking minds and by individuals who are energetic with a determination to solve the issues.

I am a native of Chilton County. I am proud of the tremendous growth that our county has made in recent years with the addition of Chilton County Hospital and Nursing Home, Schools, Health Center, Courthouse, Housing Project, Industries, and Drainage Project. Still we have many projects which must be met if we are to have a stable economy. We must strive to bring more industry to our County. We must get new and better markets for farm products which may mean a processing plant.

During the next ten years we should see tremendous growth along the Coosa River. Most of this has been in the planning stage for several years. Some areas are already beginning construction. As this work is being done, we must take advantage to develop on highways along the Coosa River for industry, scenic drives and recreational purposes. This should provide unlimited employment and additional income to our people.

I am particularly interested in good government. I'm convinced that we will have good government only when we have

interested individuals who are honest and strive to serve the people. We must have a tax party system if we are to have efficient government. A one party system is generally controlled by a clique which does not let the government represent the desires and wishes of the people. I am proud to run as a publican. It is time the people realized, an individual is either for, or against. And he belongs to one party or the other. It is easy to jump the bandwagon to win to a Republican I am free to voice my convictions for any cause. It is my desire to work with all city officials and county officials to do what is best for our people. We must fight in order to maintain stars right. We must fight against Communism and socialism movement in this country. It is time that we held our banner high — "BETTER GOVERNMENT FOR AMERICA", with God as our guide. (P.d. pol. adv. by Morris Moatts, Clanton, Ala.)

SMALL BUSINESS AND THE BELL SYSTEM. Western Electric, the Bell System's manufacturing and supply unit, last year bought raw materials, supplies, equipment, etc., from nearly 40,000 other firms. Nine out of ten were small businesses and Western Electric's purchases of \$1,200,000,000 meant a great deal to them and their millions of employees. Thus, a great part of the money the Bell System received from its customers went out to help thousands of small businesses. The interests of small business and the Bell System are intertwined. Each has a big stake in the growth and economy of the other.

versity presents, and the idea began more years ago than you think. 1879, in fact! Princess Like-Like of Hawaii, on a visit to San Francisco, read an advertisement about the "Bell talking telephone", and decided to get one for her brother, King Kalalaua. The King was so taken with the telephone, he had wires strung between the royal palace and the boat house where he spent his evenings with friends. It was a good idea in 1879. It still is. Next time

Opening Concert Acclaimed As "Huge Success"

Anybody who missed the concert in Clanton last Thursday night really missed a musical treat. Or so say the critics who DID take in the Concert. The first concert of the 1962-63 season was given October 18th at the new auditorium at the Chilton County High School. The American Folk Trio provided a musical evening for all having membership in the Mutual Concert Association. The program given by the trio was both varied and enjoyable. The concert began with the rousing "Good News".

The next part of the program was filled with much humor. Here there was an opportunity for audience participation in the delightful song "Ha Ha This-A-Way". "John Henry", a familiar and favorite ballad followed. The three voices of the Trio blended with much lively spirit of "John Henry, a steel driving man". "Blow The Wind Southerly", "Cindy", the "fourth" member of the trio "Olenna" and "The Carlton Weaver".

These were a few of the many beautiful and inspiring renditions by the talented group.

"The Last Flower" and "Where Have All The Flowers Gone", the story of the last flower on earth, were ballads of rare and heartwarming beauty.

As a closing number, the trio did "Fare Thee Well, Fare Thee Well" and they gave the audience a most entertaining evening—one they will not forget for some time to come.

The members of the American Folk Trio are: Dave Sear, Lee Kahn and Sonja Savig.

Most Valuable Player

FOR the second year in a row, Warren Edwards, was awarded a trophy for having been chosen the most valuable player for Legion Post No. 6.

Warren played five years of baseball for Chilton County High School and also for the local team in Legion play. He has been invited to speak

at the Veteran's Day Banquet which will be held Thursday night, November 8, at the Veterans Club in Clanton. Warren is the son of Mr. and Mrs. Van Edwards, Jr. of Clanton.

"Trick or Treat" For UNICEF, Monday

THE young people of the Clanton Churches will participate in the nationwide "Trick or Treat for UNICEF" on Monday evening, October 29th, beginning at 5:30 P.M. In other areas of the County similar groups will be formed to "Trick or Treat" in their own areas.

UNICEF is the organization that helps governments throughout the world develop programs for the welfare of their children.

In 1961 there were 57 million children and mothers in more than 100 countries and territories who benefited from UNICEF.

When the UNICEF "goblins" call on you next Monday evening, please give generously. Each group will carry a milk carton plainly marked with the UNICEF emblem. Each child will also wear a name tag stating his local church.

The UNICEF workers request that you give money ONLY to the children carrying milk cartons. Do NOT give these children candy or fruit. They are not asking for "treats" for themselves; they want money for the underprivileged children of the world.

Last year the children of Chilton County collected over \$300

for UNICEF. With your help they can reach the \$400 mark this Halloween!

In UNICEF one penny will buy five glasses of milk for a hungry child.

In UNICEF \$1.00 will provide 17 children with a daily glass of milk for a month.

In UNICEF 50c will buy sufficient DDT to protect four children from malaria for a year.

In UNICEF your pennies and dollars help children throughout the world who are unable to help themselves!

J. Brock, vice-chairman; and Commissioners Sam Powers, Wallace R. Wood and B. E. Reeves.

WEEKLY COTTON REPORT

DEMAND for current ginnings in south Alabama and west Florida was reported as light by the USDA Cotton Classing Office at Montgomery for the week ending October 22. Market activity was only moderate and the best demand is for Middling and higher grades in medium staples.

The percentage of cotton selling to shippers varied considerably at different locations. At some points most of the cotton is entering the loan, while at some few points some cotton is moving into trade channels.

Prices continued at about loan level to slightly above loan prices. Mill interest continued to lag for the lower white grades and the light spotted grades. Current ginnings are predominantly Strict Low Middling and lower. Prices quoted by the Montgomery Cotton Exchange were unchanged from last week.

Harvesting made good progress during the week and has reached the scrambling stage in most counties. A number of gins in the southern counties are operating only two or three days a week, and in other areas, gins are operating only a part of the day. Many gins report from 50 to 150 bales yet to be ginned this season.

Congratulations to Mr. and Mrs. Carey Mullins and Mrs. Earthe Carter on the arrival of a new grandson. He is the son of Mr. and Mrs. Howell Carter of Birmingham.

THINGS
We see
and hear
by BOB

WE practically always come to work on a Monday morning dressed in our practically best clothes, mainly because they just aren't quite dirty enough to return to the cleaners, and not quite fresh enough for a dress occasion, but the reason don't matter. A fellow invited us to a meeting later on this week and he looked at us and said, "You don't have to dress up, you can come just like you are." You know, it's a good thing he said that, because if he had said, "dress up in your finest duds!" we would have been dressed pretty much the same as we were when he asked us! Even when we're dressed up, we look like this! Shame ain't it?

IMAGINE to yourself two little three-year-old boys sitting on the floor, very intent on coloring a picture in colorbook. One of them has the hiccups. Pretty soon it gets annoying, and mother calls from the kitchen. "Who's that with the hiccups?" It's quiet for a minute, except for a hiccup or two and then Mark says, "It's me!" And Jay, without looking up from his studies or even missing a stroke, and not to be outdone, says, "I got some; but they're not jumping right now!"

MR. Bob White's grandson has accomplished a thing worth mentioning, see next week's News for details. . . . A feature article on Mr. and Mrs. G. V. Powell, of New Clanton Community, in next week's News.

Many informative and interesting "specials" in next issue of the News. Watch for it. . . . MRS. M. J. Bates underwent surgery at West End Baptist Hospital in Birmingham last Friday. Reports from Mr. Bates on Wednesday morning were that she was doing nicely, but would be confined to the hospital for a few more days.

SUNDAY afternoon, October 21, the A. B. Stanley's of the Mitchell Dam were honored at a lovely Tea in the Verbena High School.

Receiving the guests as they arrived were Mr. and Mrs. A. B. Stanley, Mr. and Mrs.

Decorations were profuse and lovely and refreshments delightful. All who came. Presiding at the tea table were: Mrs. W. A. Leroy, Mrs. Daniel, Mrs. D. I. Erasmus and Mrs. Winston Callaway.

Music for the occasion was played by Joy Burkhalter, Nanette Carmichael, Linda Sorrell, Ashley Yeargan and Linda Howard.

H. G. Daniel, Mr. and Mrs. W. A. Leroy and Mr. O. E. Howard (pictured above with the Stanley's) FTA President.

The Stanley's were presented with a beautiful silver tray and coffee service as a token

for a number of years.

At a specially appointed table about 200 guests registered during the afternoon. Serving on the planning committee were the following: Mds. Houston Robinson, R. V. Yeargan, Barnes Plyler, Jr., Leonard Robinson, Hubert Griffin, Crayton Taylor, O. J. McGriff and Miss Portia Ann Robinson.

Also assisting at the tea were: Mds. C. C. Foshee, John McGalliard, J. D. Hefflin, C. C. Carmichael, Natalie Anderson, S. L. Gibson, Ben Frues, Fred Gibbons, Jr. and Misses Judith Gib-

son, Angelyn Frucci, Gwen Frucci, Laurel Champion Dellah Bryant, Charlotte Davis, Carolyn Guinn, Cheryl Calloway, Peggy McGalliard and Carol Gibson.

The many friends of the Stanley's wish them much happiness in their new home and hope that they will return often to Chilton County, in the future.

Little Danny Mullins underwent surgery at the Chilton Co. Hospital recently. He came to his home on Monday of last week and is doing nicely.

Millions To See National Auto Show On Oct. 21 Colorcast From Detroit

Central theme area of the 44th National Automobile Show at Cobo Hall, October 20-28, is depicted in this artist's conception. A 30-foot-tall illuminated plastic tower will dominate the center and carry the Show's theme, "America Drives Ahead," on a revolving ring. Colored aluminum valances, reflecting pools and raised circular stage areas on which daily fashion shows will be presented add to the center's fantasy of color. A special colorcast of the Show will be presented on the NBC television network on Sunday, Oct. 21, from 5 to 7 p.m. in all time zones.

DETROIT—The nation's attention will focus on the 44th National Automobile Show in Detroit's vast Cobo Hall on the night of October 21.

Millions of families will attend the Show vicariously on that particular evening when NBC television beams the spectacular exhibits across the country in a special colorcast from 6 to 7 p.m. in all time zones.

In bringing this unique Show to the nation, famed newscaster Chet Huntley will head a top-rated NBC team which will include the cast of the "Today" show. In addition to the colorcast of the Auto Show, "Today" will originate from Detroit on the mornings of October 18, 19 and 22.

The Auto Show, which will be held October 20-28 in this city's 10-acre exhibition center, is shaping up into the greatest in the 65-year history of the event.

The multi-million dollar Show, sponsored by the Automobile Manufacturers Association, will display all of the new U.S. passenger cars and trucks together for the first time.

Illustrative of the spirit of this year's Show is the theme—AMERICA DRIVES AHEAD.

The Show will make use of all of Cobo Hall's 300,000 square-foot main exhibit hall to display the new car and truck models. The entertainment portion of the Show—an original half-hour musical revue—will be staged four times daily in the recently completed 9,500-seat Convention Arena.

Grand Prix Sports Coupe Star of the 1963 Pontiac Line

The custom-built 1963 Grand Prix, the most distinctive series ever produced by Pontiac represents an idyllic combination of sports car appeal and superior performance. The styling theme of simplicity is predominant in the sweeping grille, with vertically arranged head lamps flanked by impressive parking and turn signal lamps; crisply sculptured side panels and a concave rear window—an industry first. These features are accentuated by the clean-flowing lines of the rear styling that enhances the lower, wider, longer look. The Grand Prix will make its debut in dealer showrooms on October 4.

New Breakfast Treat

Breakfast or brunch becomes an occasion when "Pancakes with Hot Spiced Fruit" are on the docket. Dainty thin pancakes made with pancake mix are rolled and served with a hot canned fruit cocktail sauce spiced with cinnamon, cloves and lemon slices. Sausage patties and coffee, complete the meal.

PANCAKES WITH HOT SPICED FRUIT

6 whole cloves
1 lemon, thinly-sliced
2 tablespoons butter or margarine
2 tablespoons honey

Packaged pancake mix
1 can (1 lb. 14 oz.) fruit cocktail
1 tablespoon cornstarch
1 stick cinnamon

Prepare 15 thin pancakes as package directs. Roll and keep warm. Drain fruit cocktail, combining 2 tablespoons syrup with cornstarch. Simmer remaining syrup with cinnamon, cloves and lemon slices 10 minutes. Remove spices and lemon slices. Add cornstarch mixture, butter and honey. Cook and stir until clear and thickened. Add fruit cocktail and heat through. Spoon over warm rolled pancakes.
Makes 8 servings (about 3 1/2 cups sauce).

FAMILY BIRTHDAY CELEBRATION

A delightful family get-together was enjoyed on Sunday, October 14, when the Chandler family gathered at the home of Mrs. Jesse Gunn (Pearl Chandler).

This has been an annual affair, begun as a memorial to Mrs. Gunn's father, the Rev. R. S. Chandler, whose birthday was in October. Now it is a birthday celebration, too. Several members of the family have birthdays in October; Mrs. Gunn, Mr. J. A. Chandler and his son Michael, little Jacqueline Gunn, granddaughter of the hostess, celebrated with the group. Her birthday is September 29th.

There were more than 100 relatives and friends present. They came from Montgomery, Auburn, Birmingham, Center Point, Sylacauga, Calera, Clanton, Thorsby and Jemison.

Fall flowers and potted flowers formed a background for the long table under the spreading shade trees. A delicious covered dish meal was served and the food was beautifully arranged.

In the afternoon, Mr. and Mrs. Roger Gunn, the hostess' son and daughter-in-law showed moving pictures of the 1961 gathering and made some of the 1962 group by families and individually.

Time was spent delightfully in reminiscing and meeting new members of the clan by marriage and birth.

HERE'S THE PICK OF THE CROP IN FALL CASUALS!

Here's a harvest of color—a bumper crop of the most comfortable casuals you ever saw in a peck of new Fall styles. Called Hush Puppies! Made of soft, supple, water resistant pigskin. A few strokes of an ordinary wire brush keeps them clean as new. Each cushion crepe sole shoe weighs less than 12-ounces. Four widths, women's sizes 3-11. How do you like them apples?

J. J. Mathis' Celebrate Golden Wedding Date...

Mr. and Mrs. J. J. Mathis, of Elation celebrated their 50th wedding anniversary recently at a Tea at the home of their daughter, Mrs. James Preston at 311 Fairway Drive (Annisston). Mr. Mathis retired a few years ago after working for Southern Railway Company for 38 years.

The couple was honored by their children, Mr. and Mrs. James Preston, Mr. and Mrs. Milford Harrison, Mr. and Mrs. Wilma Mathis and Miss Del Mathis of Anniston, Mr. and Mrs. Hershel Graham of Cave Springs (Ga.), Mr. and Mrs. H. Carroll of Rome, Ga. and Mr. and Mrs. McGee of Selma, Ala. Mr. and Mrs. Winford Mathis of Selma were unable to attend due to a new baby girl in their family. They have eight children, 23 grandchildren and two great grandchildren.

Throughout the house a motif of gold was used to denote the Golden Wedding date. Many nice and useful gifts were on display.

The three-tier cake, decorated with gold spun sugar roses was on one end of the linen-covered table with punch served from the other end.

For the occasion Mrs. Mathis, the honoree, wore a brown three-piece suit with a corsage of yellow roses which matched her husband's boutoniere.

Mr. and Mrs. Mathis were former residents of Maplesville (in west Chilton).

EDITOR'S NOTE—The News regrets that it could not publish the picture of Mr. and Mrs. Mathis, but a glossy print, necessary, was not available.

MAN OF THE WEEK

GORDON ROBERTSON

Gordon L. Robertson, was born in Loachapoka, Alabama, in Lee County on January 24, 1904. He is the son of the late William N. Robertson and Lilie Page Robertson.

He attended the Loachapoka grade and high schools and then went to Virginia Military Institute where he graduated in 1923 with a BS degree in Electrical Engineering.

He was in the Artillery of the Alabama National Guard

in 1940. He attended Field Artillery School at Ft. Sill, Oklahoma. He completed his service with Uncle Sam in 1946.

He had started his work with the Alabama Power Co. as an engineer in 1923. He has served that Company in Anniston, Birmingham, Montgomery, Greenville and Clanton. He came to Clanton in 1951 and is District Manager of the Clanton District Office.

He is married to Clois Lisenby Robertson and they have two children: Gordon Lee Robertson, Jr. and Betty Robertson Gilmore of Montgomery. The Robertsons have one granddaughter, Nancy Lee Gilmore, two-years-old.

Mr. Robertson is a member of the First Methodist Church in Clanton, where he serves as Church Treasurer. He is also active in the Lay Speaker program of the church. He is a member of the Clanton Lions Club and the Chilton County Chamber of Commerce.

Witnesses Have

Successful Assembly

The New World Society of Jehovah's Witnesses, successfully completed their assembly in Waynesboro, Miss., last weekend. According to Wm. E. Robinson, presiding minister of the local congregation.

Sunday at 3:00 P.M. there were 609 assembled to hear Mr. J. A. Hinderer, a special representative of the Watchtower Bible and Tract Society, deliver the public talk "The Bible's Answer To Our Problem Of Survival".

The local Clanton congregation will have the privilege of having Mr. Hinderer at their Kingdom Hall at Lomax to show the film, "Dying Will International Assembly of Jehovah's Witnesses", at 7:50 P.M., Friday, October 26.

There will also be a public talk Sunday, October 28th, 3:00 P.M., title, "How Firm Is Your Faith", by Mr. Herbert Colburn. Persons of good will are invited to attend all meetings. No collections are taken.

ALASKA

The Capital's past is well summed up by one word: Gold! Even its name comes from a prospector, Joe Juneau, who with a partner found gold there in 1880. In boom days gold mines were all around town, the biggest and last closed in 1944. Today we see Juneau a modern town with its seven-story Baranof Hotel and the Governor's Mansion, the latter designed, surprisingly, in colonial style. A town with a most beautiful setting crowded between mountains and water. On display in the Historical Museum is a photostatic copy of the \$7,200,000 United States Treasury warrant to Russia: in payment for this land of which Juneau, its capital, is situated.

BUILDERS

The regular weekly meeting of the local Kiwanis Club was held Thursday night at the Dixie Cafe. The attendance was up to par which is always good.

Leo Thompson carried out a most impressive installation ceremony in inducting Thomas Gady into the Club. It is always well for members to be reminded of the high ideals on which Kiwanis has built its program over the years.

Bud Gerald was elected President for the coming year and we are expecting a most profitable year under Bud's leadership. B. G. Godwin and Barnett DeRamus are to serve as Vice Presidents and the Club feels fortunate in having these men head up our local Club.

This week's program was under the direction of Ivan Smith. Ivan introduced Woody Blalock who in turn, permitted us to take a trip through the West with him in viewing pictures that he has made of that area. Woody has done a wonderful job in recording his vacation on film.

THE POWER OF PRAYER
By BOBBY MARTIN

J. Edgar Hoover said, "The spectacle of a nation praying is more awe-inspiring than the explosion of an atomic bomb. The force of prayer is greater than any possible combination of man-made or man-controlled powers, because prayer is Man's greatest method of tapping the infinite resources of God. Invoking by prayer the mercy and might of God is our most effective means of gaining lasting peace and security for the harassed and helpless peoples of the earth."

PEP PILLS

Amphetamine sulphate tablets, or "pep pills", sold legally only on a doctor's prescription, are being bootlegged at an alarming rate. According to the U. S. Food and Drug Administration, two-thirds of these amphetamine tablets are marketed through illicit channels. In some individuals, amphetamine produces a state of exhilaration that may lead to aggressive behavior and crime.

Of concern to highway safety authorities and insurance companies are the highway accidents believed to be caused by the misuse of amphetamine tablets. The Interstate Commerce Commission has ruled that interstate drivers or trucks be given eight hours off for every ten hours on the road. Trucking companies and their insurers are worried about the use of amphetamine pills by long-haul drivers.

Taken to prevent drowsiness, the pills enable a driver to keep

The problem is chiefly involved with gypsy truckers and those carrier concerns which permit and encourage their drivers to use bootleg drugs. With the cooperation of trucking associations, motor fleet insurers, and state law enforcement authorities, the Food and Drug Administration is cracking down on the traffic in amphetamine pills. Graduates From Non-Com School In Germany

JAMES T. LUSK

Specialist Five James T. Lusk, 22, son of Mrs. Willie R. Lusk, 1310 Forest Ave., Ft. Payne, Ala. recently was graduated from the Seventh U. S. Army Non-Commissioned Officer (NCO) Acad-

my in Bad Tolz, Germany. Specialist Lusk received four weeks of refresher training in various military subjects, with emphasis on leadership and combat tactics. The purpose of the academy is to broaden the soldier's professional knowledge and to instill in him the self-confidence and sense of responsibility required of a combat leader. He is an automotive repairman with the 517th Ordnance Company. His father, Robert Lusk, lives in Plantersville.

Army's Flemings In NATO Exercise

U. S. FORCES in Germany—Army Specialist Four James E. Flemings, whose wife, Rosie, lives on Route 1, Thorsby, Ala., recently participated in FALLEX, a large-scale NATO exercise in Germany.

FALLEX is an annual exercise designed to test the over-all combat readiness and effectiveness of NATO forces in Europe.

Specialist Flemings, assigned as a mechanic in Battery C of the 28th Artillery in Aschaffenburg, Germany, entered the Army in October of 1961.

The 26-year-old soldier was employed by the Hays Corp., Ft. Rucker, Ala. before entering the Army. He is the son of Mr. and Mrs. Henry W. Flemings, Rt. 2, Montevallo.

DEAR 4-H JANES

Breakfast For 4-H's Good Idea For Everyone!

In November, the 4-H Clubs will have a program on the importance of breakfast to the day's efficiency. There is a growing need for more people to eat this meal since many have started leaving it out completely. Those who do skip breakfast are LESS efficient in their daily work and find themselves eating a snack of candy or cookies around 10:00 A.M. Studies have proven that a good breakfast is a foundation for a good day's work!

DON'T HAVE TO BE 'GLUTTON'

To eat a good breakfast does not mean that one must tuck away enough food to supply a log-roller for a day. However, it does mean that we should eat from one-fourth to one-third of the day's food.

We often hear the excuse "I don't have time to eat Breakfast." However, those who do not have this time, take time for a snack. Try getting up a little earlier every morning and eating before going about the

day's duties. A good breakfast can consist of fruit, cereal or bread and milk. To this can be added an egg, meat, or both.

Let's all try to eat some breakfast. It's good for you! Your assistant,

Progressive Woman's HD Club Elects Officers

The Progressive Woman's Home Demonstration Club met at the home of Mrs. Bert Milam Wednesday, October 10.

The President Mrs. Edna Giles called the meeting to order, and called on Mrs. Jewel Moates to give the devotional and prayer. Mrs. Lula Miller gave the Demonstration on a well-planned breakfast.

Our Club members elected officers for the following year. We chose our president, Mrs. Lula Miller, First V.P., Jewel Moates, Second V.P., Mary Sam Moates, Third V.P., Edna Giles, Sec. Treas., Mrs. Margaret Price and Recreation Leader, Mrs. Carole Nelson.

After the usual group game, the hostess served delicious refreshments.

San Francisco—Super Shell with Platformate has just delivered a mileage bonus of 4.33 percent. Platformate is Super Shell's mileage ingredient. Shell engineers test Super Shell for mileage in many different types of cars, in many different places. Here's how the test above was run. Exactly 250 cc (about half a pint) of a fuel blended without Platformate was fed into the test car's engine. The car was started, accelerated to 30 miles per

hour, then held there until fuel ran out and the car rolled to a stop. Distance: 6186 feet (indicated by dotted line in background). Next, test was repeated, using Super Shell—the same fuel as before but with Platformate added. Precise same volume of fuel. Same car. Same speed. Same driver. Same conditions. Distance: 6454 feet. That's 4.33 percent farther than the car traveled with non-Platformate gasoline.

MILEAGE TEST

New documented tests prove that one of Super Shell's 9 ingredients packs extra mileage into every gallon

The picture above was snapped a few moments after Super Shell with an extra mileage ingredient called Platformate delivered a mileage bonus of 4.33 percent.

That's a typical result from a series of mileage tests Shell engineers recently ran on the outskirts of San Francisco.

The tests compared two gasolines. One was a gasoline Shell scientists purposely blended without Platformate. The other was Super Shell—the same gasoline as before but with Platformate added.

Shell engineers used a 1962 convertible for the tests. You may be driving a similar car right now.

In test after test, Super Shell with Platformate consistently took the car about 4 percent farther than the gasoline blended without Platformate.

NOTE: For more details on these tests, see caption under picture. And for technical data, write to the Shell Oil Company,

50 West 50 Street, New York 20, N. Y.

Platformate gets its name from the platform re-forming process used to make it.

Pressures up to 600 pounds per square inch and temperatures up to 1000 degrees literally tear petroleum apart. A precious platinum catalyst then helps re-form the petroleum into super-energy components.

RESULT: Platformate can release more energy per gallon than the finest 100-octane aviation gasoline. Your engine can convert extra energy into extra mileage.

Super Shell has 9 ingredients for top performance

Extra mileage is just one part of the top performance story. Super Shell's other ingredients complete the picture. Here's what they are and what they do.

TCP* for power, mileage, longer plug life.

Pentane mix—for fast "warm-up."

Butane—for quick starts.

Anti-knock mix—to resist all kinds of knock.

Alkylate—to help control "high-speed knock."

"Cat-cracked" gasoline—for power.

Anti-icer—added in cold weather to help check carburetor icing stalls.

Gum preventive—to help keep carburetors clean inside.

Super Shell—the gasoline with 9 ingredients for top performance

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

Montevallo Kills Verbena's Winning Streak With 34-0 Win

by WINSTON BROOKS
News Sports Reporter

The Montevallo Bulldogs brought Verbena's winning streak to a screeching halt last Friday night a week ago at Verbena by solidly thumping the outmanned Red Devils 34-0.

Montevallo received the opening kickoff and drove for a tally in 11 plays with Bobby Hyde scoring from three yards out. Johnny Starks capped off another successful in the initial period as he swept left end for five yards and the score as Smitherman converted for both PAT's. A pass play from Starks to Hyde covered 15 yards for the Bulldogs third TD shortly before the intermission for a 20-0 halftime score.

In the 3rd quarter, after a Verbena drive was stopped on the Bulldogs 17 yard marker, Starks broke loose for an 83 yard jaunt to paydirt. Early in the 4th quarter Butch Kyer intercepted a Gary Griffin aerial and marbled 60 yards for a final score. Smitherman kicked both PAT's again.

The Red Devils of Verbena, while gaining considerable yardage only twice dented the Bulldogs 20 yard line and never the goal line. Coach Theron Fisher of Montevallo acclaimed this game as his team's finest effort thus far and named tackles Jerry and Wayne Smitherman as

defensive standouts for his team. Coach Gilliam said of his team: "We never quit; they just had too much speed for us!"

The lone Verbena standout was William Easterling, who caught five passes, led in tackles and blocked a punt.

Susan Elsevier Receives Prized Commendation

Susan Elsevier, a senior at Chilton County High School, received a Letter of Commendation for her performance on the National Merit Scholarship Qualifying Test given last spring.

Mr. S. E. Waters, principal, made the presentation Friday, October 12, at the student assembly program.

John M. Stalnaker, president of the National Merit Scholarship Corporation stated:

"The Semifinalists and Commended students together constituted about 2 per cent of all high school seniors. This certainly signifies noteworthy accomplishment by all of these original youngsters."

The annual Merit Scholarships competition is open to all high schools in the U. S. and its territories and is administered by the Guidance Department at CCHS. There are more than 3500 Merit Scholars currently enrolled in about 400 colleges and universities.

Susan is the daughter of Dr. and Mrs. Charles Moore of Clanton. She has an excellent scholastic record at CCHS and has participated in the school band, FTA, Beta Club, Science Club, and Student Council. She has served as vice-president of the Beta Club.

Joseph Peter Johnson and Joseph Wiley Hopper of CCHS attained Semifinalist status and will compete in December for scholarships in this same program.

Verbena WSCS Earns \$100 For Building

Mrs. John Frank Stevenson was hostess to the Verbena Methodist Woman's Society of Christian Service, Tuesday, October 17th. Before the meeting a social hour was enjoyed, and the hostess, assisted by Miss Judith Gibson and Mrs. S. L. Gibson, served a dessert course.

The meeting was opened with a devotional by Mrs. O. L. Howard.

The program was an observance of the Week of Prayer and was presented by Mrs. O. E. Howard.

The contributions from this observance go toward the many institutions the Methodist Church fosters.

The recent Seminar at Cain's Chapel was attended by Mesdames Charles Foshee, O. L. Howard, Ben Frucci, C. S. Struck, and O. E. Howard from Verbena.

Mrs. Charles Foshee reported on the day at Cain's Chapel and a short business meeting followed.

The treasurer reported that \$100 had been sent to the treasurer of the Building Fund from the proceeds of the recent Rummage Sale. We wish to thank all who contributed toward making these sales a success.

We were delighted to have present Mrs. Natalie Williamson Anderson and Mrs. Charlie Gullledge. Members present were: Mesdames D. L. DeRamus, Charles Foshee, Jeff Mims, O. E. Howard, O. L. Howard, J. S. Williamson, O. J. McGriff, S. L. Gibson, J. F. Stevenson, J. C. Gibson, C. S. Struck and Miss Judy Gibson.

Judge Mullins Orders Courts

NON-JURY SESSION

JUDGE Joseph J. Mullins of the 19th Judicial Circuit, this week ordered that the Circuit Court of Chilton County be convened on Tuesday, November 13 at 10:00 A.M. and that it run for a period of one week from that date.

This is for the trial of all cases both civil and criminal, that are now pending on the docket of said Court, and which may be placed on said docket of the Court, in which juries are not necessary, and have not been demanded.

CIRCUIT COURT IN EQUITY

Judge Mullins ordered the Circuit Court of Chilton County, in Equity, to be convened Wednesday, November 14 at the Court-house, at 9:00 A.M., to be in session for the remainder of the week for the trial of all cases, submission of cases for decrees, and for the transaction of any and all other matters and business that may properly come before said Court, in Equity.

This was ordered on the 23rd day of October.

Presented Explorer Charter

The Clanton Lions Club was presented an Explorer Post Charter by Scout Executive Jack Grady, Don Pullen, Jim Wade, Richard Maddox and Earl Monroe from Chilton County High School.

Scout Executive Jack Grady gave an interesting report on the Summer Camp activity at Camp Tukabatchee and expressed his appreciation for the \$1400 that was raised by the local Scout Fund Drive this year.

G. F. Wilkinson is shown receiving the Explorer Post 44 Charter. At this luncheon meeting the Clanton Lions Club had as their guests: Executive Scout Jack Grady, John Meredith, Scout Representative, and the new Clanton Explorer Post 44 staff of the following boys:

Gary Bennett, Butch Carter, Jerry Fulmer, Joe Hayes, Pete Johnson, Mike Johnson, Harold Lawrence, David McKee, Robert Mullins, Charlie Patterson, Geo. Tucker, Earl Wray, Randall Cox, Don Pullen, Jim Wade, Richard Maddox and Earl Monroe from Chilton County High School.

The Clinic is being sponsored by this Association and the Alabama Baptist Sunday School Department. Mr. Harold Marsh, Secretary of the State Sunday School Department, Miss Lillie Faulkenberry, Associate, Mrs. Charles Ed Howell, Mrs. Asa Marsh, both from Birmingham and Mrs. John Chaffin, Dothan will come to lead the workers in this Workshop.

Everyone is asked to bring a sack lunch. Those who work days please come at 7:00 P.M. All the pastors and superintendents are invited and urged to attend this great opportunity for much basic and helpful training.

Explorer's Hold Archery Tourney

In conjunction with the recent building of a field Archery Range in Clanton, Explorer Post 44 held its Fall Archery Tournament Sunday, October 28th.

In First Place was George Tucker; Second, Robert Mullins; Third, Gary Bennett; Fourth, Pete Johnson and Fifth, Charlie Patterson.

Adult judges were B. L. Adams, Dr. W. T. Parker, Post Advisor and Bill Turner, Associate Advisor.

The Explorers plan to make the Fall Archery Tournament an annual event.

The Sample Ballot is complete except for the names of two men running on tickets other than the Democratic or the Republican tickets.

Blank spaces, which appear on the Official Ballot, were omitted by us in order to conserve space.

A candidate, FRANK WALLIS, is running for Governor on the Independent Ticket and J. CHESTER ROBINSON is running for U. S. Representative on the National States Rights Ticket.

NEW LICENSE PLATE TIME...

ACCORDING to J. C. White, Judge of Probate, there have been 3,375 automobile tags sold by his office through Wednesday, October 17th.

Of them have been private vehicles. Others are taxicabs, 563, H-trucks, 312, H1 Trucks, 204, H2-trucks and 165, H3-trucks.

Don't you folks forget that the last day to buy your license is November 15th.

But they ask at the Probate Office: "Please, don't wait 'til the last minute!"

8 BOXES SPLIT

ON Monday, August 13, the Board of Revenue and Control went on record and resolved "to do something about the crowded voting conditions in some of the Boxes in Chilton County." And to do it before the General Election in November. This has been accomplished and voting should run much smoother, come next Tuesday, due to this move by the Board, upon the recommendation of the Chilton County Democratic Executive Committee.

The Boxes to be divided - 8 in all - are as follows:

Beat 2 - Box 1 Jemison
Beat 9 - Box 2 Thorsby
Beat 7 - Box 1 Mapleville
Beat 4 - Box 1 Clanton
Beat 4 - Box 2 Clanton
Beat 4 - Box 3 Clanton
Beat 4 - Box 4 Clanton
Beat 4 - Box 5 Clanton

"Little Miss Chilton"

YOU may see Little Miss Chilton in the window of the Fabric Mart. She is the bride doll with a complete wardrobe, which the Woman's Auxiliary of the Nursing Home, is going to send to some lucky person.

Information may be obtained from the Fabric Mart or any member of the Auxiliary.

The doll will be given away on December 1st at 3:00 P.M.

The doll, her clothes, and the furniture were all made by the members of the Auxiliary. See the News for details further next week.

Foul Play Ruled 'Dangerous'

DUE to the fact that in Chilton County, the Republican Party is active; and the Democratic nominees will have Republican opposition, a heavy voter turnout is expected next Tuesday, November 6th.

Informed sources tell us that they have been "warned" so to speak that the Polls will be watched by Federal officers and have warned against any "shenanigans" or foul play of any kind.

This said the source, was not to infer that any foul play was expected, but the Polls will be watched just the same.

There were over 6,000 votes cast in Chilton County in the 2nd Democratic Primary election in May of this year. Some believe that this figure—which was a record number—will be increased.

We urge you to do three things:

1. Decide who you will support
2. Clip the Sample Ballot from this issue of the News, and fill it out, if that will help.
3. Take it to the Polls with you next Tuesday and exercise your right as an American citizen.

VOTE your convictions!

Pranksters Warned!

THE Post Office Department receives numerous complaints of damage to rural and curb mail boxes during holiday seasons. Mr. T. P. Daly, Postal Inspector in charge of this (Chilton County) region issues this warning:

"The Postal Inspection Service warns pranksters to leave mail boxes alone unless they want to face prosecution. It is a violation of Federal law to damage, open, or otherwise tamper with any mail in mail boxes. A thorough investigation will be made of any complaint about damaged mail boxes or mistreatment of mail therein, and a full report of the investigation will be presented to the Department of Justice.

"The maximum penalty for violating this law is a \$1,000 fine, or three years in prison."

EISENHOWER FUMBLER BALL WITH

CUBA QUARTERBACKING

LET'S Go back a ways!

Eisenhower Administration:

'56: A year of political disturbances; revolution which Batista says he put down, but which Herbert Matthews of the "New York Times" said was continuing. Castro's Communist affiliations recorded by State Department since 1948.

1957: Castro forces active. Fidel Castro regarded as extreme radical. His brother Raul, a Communist; his chief adjutant, a Communist. March 13—U. S. tourist killed. U. S. government silent and inactive.

May 24—New revolutionary force lands in Cuba. Explosion knocks out Havana power works.

May 17—Earl E. T. Smith appointed ambassador after a pro-Castro briefing by Herbert Matthews. Aug. 1—Batista suspends the Constitution.

Revolutionists seized near Key West; their real base of operation is Miami, on American soil.

1958: Castro continues raids and revolution-activity. Receives arms and persons from the United States. Civil war continues throughout the year. American Ambassadors Gardner, Smith Hill, Braden, Pauley have warned the State Department of the character and nature of the Castro revolution and that the Castros were Communies or Communist affiliated. No action.

1959: Castro takes over. He sets up a revolutionary government in Cuba.

1960: Red China steps in to buy the Cuban sugar crop and Red Chinese advisers arrive in Cuba in large numbers. Poland, Rumania, Czechoslovakia and other Communist countries establish commercial pacts with Cuba.

And on and on it goes. A lone voice in Washington, consistently warning the government of the Cuban threat—was a Democrat—our own Armistead Selden, Representative from the Sixth Congressional District—a fact which even the Republicans admit. And the Democratic Administration in Washington is finally having to do something about Cuban-U. S. relations.

14 GOOD REASONS

1. Did you know that Reconstruction after the Civil War was administered by the Republican Party?

2. Did you know that the Republican Party placed the Freed Slaves in charge of local offices in the South after the war?

3. Did you know that The 1954 Decision of the United States Supreme Court, which abolished school segregation in the South, was under the leadership of Chief Justice Earl Warren, a California Republican, who was appointed by President Eisenhower?

4. Did you know that President Eisenhower sent U. S. Troops to Little Rock, Arkansas, to force local authorities to admit Negro students into an all white high school when there was a good Negro High School available?

5. Did you know that forced integration into schools is not for the interest of the Negro students, but purely for the purpose of political expedience? In states where there are two political parties of equal strength a block vote can determine the outcome of the electoral vote for President.

6. Did you know that while James Martin, Republican candidate for U. S. Senate, was president of the Associated Industries of Alabama, that Robert Kennedy was invited to speak to the group of businessmen.

7. Do you realize the danger of a two-party system in Alabama? It means that the Negro block vote can determine who the State Officials will be. There are now approximately 75,000 Negro voters in Alabama and more are qualifying each day.

8. Did you know that our Alabama Democrats on many, many occasions have denounced the invasion of Little Rock by Federal Troops? This invasion of a sovereign State came under the Republican leadership of President Eisenhower.

9. Do you know that Alabama Democrats have gone on record as denouncing the invasion of our sister State of Mississippi by the Kennedy Administration?

10. Did you know that in the heat of the battle at Oxford, Mississippi, recently, our Alabama Democrats stood firmly with the Mississippi Democrats in Congress?

11. Did you know that while Eisenhower was in office, Castro was brought to this country and given a "hero's" welcome, including a parade through New York?

12. Did you know that over 1900 votes were cast in the Democratic Primary in District One (Chilton County) on May 1st, as compared with 106 votes cast in the Republican Primary, on the same date?

13. Did you know that next Tuesday, November 6th, is your day to choose? Reason why, and vote!

The Democratic Party has a full ticket from which you can choose men of experience to represent you for the sober times ahead!

14. The Alabama Democratic Party has always and will forever be the party of the people. Through the Democratic Party the "little man", who is often never heard in other political parties, is heard by his Democratic Party.

RECORDS AND FACTS

NOTICE please, in this issue, that the Democratic Nominees for public office are "wanted" by their constituents. Even Governor-Nominate George C. Wallace has expressed a desire to work with our local Democratic nominee for State Representative, Mr. H. Grady Heflin.

And numerous County officials, already serving in public office have expressed confidence in Deputy Solicitor L. F. Gerald. All in all, the officials of the County desire experience in the men with whom they work to serve you. And experience lies 106 percent in the Democratic Ticket!

UnAmerican Activities Here In Chilton

TO THE VOTERS
OF CHILTON COUNTY:

I wonder if you realize that the Republicans of this County have hand-picked all their men now running for office? Furthermore they agreed not to oppose certain candidates if certain groups would support certain Republican Candidates in the General Election.

Now, fellow citizens, may I ask you if this is the true Democratic System of electing people to run our government?

It was my sincere desire to qualify and run on the Repu-

lican Ticket for Member of the Board of Revenue & Control from District Two. When I went before the Executive Committee, the Committee refused to allow me to qualify. Furthermore certain candidates now running on the Republican Ticket advised the Committee to take this action they did. May I ask you again: Do you think I was treated fairly? And is this the true Democratic way of doing things?

Dear Mr. Tucker,

Thank God for a free press! On the occasion of National Newspaper Week, let me thank you for your tireless efforts to keep the people in our state informed about the events of the day. Our people can more capably take their places as intel-

ligent citizens if they have the information available through a free and unbiased press. We as Alabama Baptists appreciate the continued interest you show in our churches by making your columns available for religious news. You are making a significant contribution to the moral and spiritual development of our land.

As one of the 727,000 members of 2,856 Baptist churches in Alabama, I say "thank you."

Cordially yours,

MAN OF THE WEEK

Judge J. B. Atkinson was born in Sears Chapel Community, three miles north of Rockford, Alabama and attended community school where his first textbook, was a Blue Back Speller.

His father having moved to Sylacauga when he was young, he attended the Fourth District Agricultural School at Sylacauga. His first employment was as a night operator for the Southern Bell Telephone Co. Exchange, and after several months a vacancy occurred for the Manager's job and he was then appointed Manager of the Sylacauga Exchange under Gen. Walter E. Bare and while in this position, he served several years in the Alabama National Guard under Col. Bibb Graves and Col. McElroy.

During that time he studied law in the law offices of Hon. John A. Darden and in 1912 attended the University of Alabama Law School and was admitted to practice law before the Supreme Court and other Courts of Alabama on March 17, 1913. After practicing law in Sylacauga for a short time, he moved to Birmingham where he practiced law for a short time and then moved to Clanton on July 1, 1915. To his first marriage was born three daughters:

A Little Bit O' Tuck . . .

BY BOB TUCKER

(Formerly Things We See And Hear)

I HAVE been writing this bit of prose for some 13 years now, and it apparently has been graciously received by the readers of the News. It has always been my intention to inform, to enlighten and to recognize accomplishment by the people of this community and Chilton County. Much water has gone over the dam. I also have come to the conclusion that the former title of "Things We See And Hear" has become a bit out of date for the writer, and therefore I am changing the name of my weekly column to better fit the content of article and the personality of the type with the letters on it. If you approve of the change, please let me know. I enjoy the writing . . . and hope you, at one time or another, get some bit o' something from the reading. Thanks for your readership and contributions up to now and I hope we can share a few laughs (and tears) for the next '33.

THE Republicans are wearing signs on their cars which read: "HAD ENOUGH VOTE R."

We understand what they're driving at, but don't understand their logic. What they mean we're sure is: that if you have "had enough" good living, had enough good representation in County State and National offices, had enough money to spend, and had enough of a full stomach, then vote Republican! But I ain't had enough o' that yet!

IRA Yeargan, one of the best men I have ever known; and one of the most humble farmers ever to be created says he does not know what he is going to do; he hasn't a thing to harvest this season, and therefore his hands are comparatively idle. His season of years has ordered that he "take it a little easier" than he is accustomed to

and he hasn't figured out just what to do with his "free" time. Number of years, if it is properly lived, begs respect, and Mr. Ira has lived his life up to now, with very little leisure and very much respect. I will not attempt to flatter him with accomplishments, because what he has done is reasonably commonplace; he is simply a good man. But a man as respected for his living as is Mr. Ira, deserves a bit o' leisure at this point in life. Many times he has come to the News office with the first cotton boll of the season, or the biggest watermelon, or some other oddity of nature, possibly more spectacular. He has lived close to the soil, and will continue to do so, and that is his greatest accomplishment; he understands Mother Nature, the way things grow, the temperament of the seasons, the demands of the crop. His life to now, has been a full one, because he has touched the secret of nature with his plow, and has tempered his life with the knowledge that man could not be, were it not for the wonderful hand of God and the tools which he gives to man to insure his well-being on this earth.

Mr. Ira may have been slowed down by time, but he has the world at his fingertips, because, having been a good farmer, he has learned and shared the closest relationship between God and man; that of growing things for the man's stomach, so that he is able to grow in mind and stature, and thus become a better individual. He has been a supplier of the raw material of life.

With the education which he has acquired of the work of Mother Nature and the soil, and having eyes and ears and a heart, Mr. Ira can enjoy many more years of full life. He cannot run a foot race, and may not harvest a crop, but his knowledge is full and he has something which few of us ever obtain, and that is an understanding of God's power and purpose for man; and man's ability to transfer the intention of God

into the accomplishment which means a fuller and better life for all of us.

The dirt farmer is God's chosen right-hand man, and it is an honor and a privilege to be chosen as such, just as it is an honor to know such a man. He realizes his assignment in life and does the best he knows how to accomplish the task which he is given. Fear of the Lord, is the beginning of wisdom.

And should be one of the happiest. He has a good life and a good wife; and lots of good children—what more could a man ask?

I HAVE missed October's bright blue weather! Mostly because I look forward to it with such relish each new season. It has a crispness, a newness that even Spring cannot touch. It renews the spirit and awakens the Summer-slumbered vitality from the past and shows us some bright, beautiful, clear blue skies before winter sets its hooks into us!

TID BITS TO REMEMBER

By Donald Martin

Hungry minds are easier to educate — There is a lot of difference between a "wise-guy" and a wise man — Stop! Look back over the hard climb, "Rest and Be Thankful!" — The more ideas a man has the fewer words he takes to express them — We men never talk to make time; they talk to save it — Friendship is the only cement that will ever hold the world together — There is always a right path.

HILL AND
MARTIN...

JAMES Martin, Republican, trying to unseat Lister Hill, Democrat. But Mr. Martin, and his constituents continue to work on behalf of Sen. Hill.

A newspaper account says: The Republican nominee for the U. S. Senate in Mass. has, unwittingly, given a big campaign boost to Sen. Lister Hill, and to senior Democratic incumbents in the South.

George Cabot Lodge says that one of the reasons why he wants to go to the Senate is to try to weaken the strong influence of southern committee chairmen in the South.

Let's take one example said Lodge. We (Mass.) have been ranked third among all the states in the Union to do space work. In this fiscal year we are getting \$30 million worth of space work while Alabama, Georgia, etc. are getting \$400 million and \$500 million.

It must be possible that Senator Hill had a hand in this. So seniority does count; and is being counted.

A source also tells us that the Harris Bill, introduced into Congress some time ago, would have removed controls from gas prices at the 'well head', estimated to raise heating bills 25 percent. Who urged the bill's passage? One Jim Martin, who refused and fought the bill, and helped to kill it? Sen. Lister Hill.

With that kind of 'support' in the enemy, what are Sen. Hill's friends working for?

November 6th Is

County Spends Over \$1,500 Annually On Each of 62 Buses

RECORD OF SAFETY ALSO AN ENVIABLE ONE

NO longer do the boys and girls in Chilton County who live a distance from their school have a problem of transportation. The Chilton County Board of Education operated sixty-two buses during the school year to transport pupils to and from schools.

Each school day the Chilton County fleet of buses traveled 2,628 miles, crossing railroad 113 times. For the year the mileage totaled 458,423 miles. In this travel, 4,290 pupils were transported daily and during the year 759,750 pupils were transported.

The average cost of operating a bus for the past year was \$15,227. The cost for the entire fleet for the year was \$100,949.67. The buses averaged 8.5 miles per gallon of gas.

The Board realizes that if buses haul "precious cargo" our children, and every precaution possible is always taken for their safety. The drivers attend workshops, classes and various courses each year. The Board is proud of the good record maintained by the drivers, and the wonderful cooperation and the many, many tenders each and every one of our educational personnel is appreciated.

HONORARY CLUB HEARS POEMS ON 'AUTUMN'

Friday the Honorary Club was called to order by the president, Penny Norris. We gave the Pledge to the U. S. Flag and sang our Club song. The devotion was given by Debbie Demaris.

Two poems were said, one by Wanda Cook and the other by Linda Jones.

The titles of these two poems were 'Autumn Leaves' and 'Jack Frost'. A report on Tenny Ellis was given by Mary Ann Elmore. A report on Kenneth Ellis was given by Mike Hays. This week we had \$4.60 in the treasurer. Sec. Mike Hays

Soil Conservation News

LLOYD Mims, Mt. Pleasant Community, and a cooperator with the Chilton County Soil Conservation District, has for years talked the value of Kudzu as a grazing and hay crop. The last two years Mr. Mims has baled over 2,000 bales of hay off a 22-acre field and the last crop he has grazed off with cows.

The two water holes that were dug in different pastures has made the management of pastures easier. Mr. Mims can now rotate the cows on different pastures more easily.

MAURICE Lind of Sunshine Community, states "The Kudzu I planted for hog raising has really paid off this year." Maurice is also a cooperator of the CCSC District.

O. R. CUMMINGS of the Isabella Community, and a Supervisor of the District Program, states, "one bale of Kudzu weighing 40-pounds is worth more than a 60-pound bale of grass hay."

R. O. WILLIAMS of Collins Chapel Community has cleared the right-of-way for the construction of a 700-foot drainage ditch. JOHN T. O'Neal, of Stanton, has made application for a Soil and Water Conservation Farm Plan on his land. He has completed the construction of a 700-foot drainage ditch and is working on another ditch 1900 feet long.

O. B. HUFF, Stanton, states "I want you boys with the Soil Conservation Service to bring my plan up-to-date."

JOHN Sorrell, of Cooper Community, reports planting six acres of Kentucky-31 Fescue.

GOV. NOMINATE WALLACE ASSURES HEFLIN OF COOPERATION

Confident Of Able Representation

Mr. Grady Heflin

P. O. Box 1057

Clanton, Alabama

Dear Grady:

It was a real pleasure to see you during our recent Legislative Conference and having the opportunity to discuss with you the program which I hope to carry out during the forthcoming administration and also local problems of interest to the people of Chilton County. From Our longstanding acquaintance and from talking with you, I eagerly look forward to working with you during the next four years. Not only am I convinced that you will support the majority of my program, which I will place before the Legislature, but I am convinced that you will give the people of Chilton County able representation.

I want to wish you every success in the General Election and predict that the voters of Chilton County will send you to the Legislature to serve them for the next four years. In this event, I feel that you will receive some very important Committee assignments and assure you of the cooperation of the Governor's Office in all of your endeavors to help your constituents in Chilton County.

With kindest personal regards, I am

Sincerely yours,
GEORGE C. WALLACE

72.9 Miles Paved Roads In County Chilton ; In Past Four Years

MORE THAN EVER IN HISTORY OF CHILTON CO.

DURING the past 4 years, the Chilton County Road Department, under the direction of the Board of Revenue and Control, has paved no less than Seventy-Two and Nine Tenths miles of roadway in Chilton County.

In District One—during the four-year period 13.8 miles of road were paved.

In District Two—20.2 miles of roads were paved.

In District Three—11.3 miles of roads were paved.

And in District Four—27.6 miles of roads were paved.

This does not include work on City Streets, which brings to four-year total of paving up to 87.9 miles of paving.

The County has also replaced and added new equipment to the road program amounting to a sum of \$211,119.

Chilton County's roads are in the best shape they have ever been in, and the County treasury is in good shape as well.

Chilton County has definitely come up out of the mud and ruts to one of the most progressive road systems in the entire State of Alabama.

Mr. and Mrs. Grady Mayfield had as guests Sunday, their son Mr. and Mrs. Sam Mayfield, and also visited Mr. and Mrs. Argle Mayfield.

Miss Margaret Wilson spent the week-end at home.

Mr. and Mrs. Varnie Atchison had as guests this week-end their daughter, Mr. and Mrs. James Thomas and son.

Re-elect Lawrence F. Gearld, Jr. Deputy Solicitor For Chilton County, Alabama

In the Circuit Court, as Deputy Solicitor, I assist Glen Curlee, the Circuit Solicitor, who is responsible for handling Circuit Court cases.

I wish to call to your attention that in the County Court of Chilton County, Alabama, there were 10,200 cases handled by the Court from October 1, 1958 to October 1, 1962 and, that there was paid to Chilton County, Alabama by the Clerk of the County Court \$91,280.74. There was paid to the State of Alabama \$85,154.19.

Of the 750 cases tried in Circuit Court, during that time, they brought into Chilton County some \$14,621.74.

IN the last term (October 1962) of the Circuit Court of Chilton County, the Solicitor's Office disposed of 66 cases out of approximately 90 cases on the docket.

Your Vote and Influence would be appreciated by me for DEPUTY SOLICITOR!

Yours very truly,

Lawrence F. Gerald, Jr.

You're In The Picture — With Them On The Job!

YOU... YOUR Interests... YOUR Well-being... are BEST represented in Washington by Alabama's experienced, hard-working Democratic Congressional team!

Nine members of this team — representing a combined total of 159 YEARS' Service to Alabama in Washington — are on the ballot November 6. These united Democrats, working together in the Nation's Capital, have know-how and the power with which they protect YOUR Interests.

Alabama's Democratic Congressional team keeps Alabama in the Washington picture — and the results of their efforts can be found from the Tennessee Valley to Mobile Bay.

Hospitals and housing opportunities... Waterway development programs to link all Alabama... TVA... Redstone Arsenal...

Income from military installations... Paved roads, new airports... Increased opportunities for farmers, veterans, small business... Industrial expansion...

And Alabama's Democratic Congressional team exerts its power to defend YOUR Way of Life! Through the years this Alabama delegation has worked with other SOUTHERN DEMOCRATS to stem the tide of radical civil rights legislation in Congress.

YOU and YOUR neighbors get the benefits which YOUR Congressional team has brought to Alabama. Your vote for the straight Democratic ticket on November 6 will be a vote for Alabama's Fair Share in Washington.

Remember: YOU'RE in the picture with THEM on the Job! Vote for the Party of Progress... Vote Democratic!

Nearly \$36 Thousand For Science Equipment

THIS group is discussing the Hill-Elliott Bill which is known as the National Defense Education Act, and which was passed by Congress in 1958.

The Act was written by our U. S. Senator, Lister Hill, and Congressman Carl Elliott and through the help of other Alabama Representatives in Washington, it was passed. This Act touches every level of education from elementary schools to the graduate schools.

Every child in Chilton County has received better education because of this Act, which provides adequate facilities and equipment for science, math, modern foreign languages, guidance and counseling, and it contains the college loan provision for deserving boys and girls and teachers.

According to records in the Chilton County Education Office the Federal Government, under this Hill-Elliott Act, provided \$35,943.40 to Chilton County for the purchase of equipment to improve instruction in math, science and modern foreign languages for the period June 1, 1959 to June 30, 1962. These funds were provided on a matching basis; therefore, more than \$70,000 has been spent for equipment to strengthen the instruction in Chilton County Schools.

Another phase of the program, written by Senator Hill and Representative Elliott and passed by Congress in 1958, was designed to encourage guidance for the children of Chilton County, as well as for the Nation. Through this program, tests have been administered to all the children in Grades 8 and 11 for the past four years. During the past three years the Federal Government, under the Hill-Elliott Bill, has provided \$5,022 toward the salaries of counselors in the Chilton County School System.

A check with the State Department of Education shows that approximately \$50,000 is now available under the Hill-Elliott Act to the Chilton County schools on a matching basis.

The college loan program for deserving boys and girls pro-

vides \$9 in Federal Funds and the local college provides every \$19 made available to the student.

Current Boat Registration Expires

Conservation Director William C. Younger advises all boat owners that their current registration certificates expired on December 30.

Boaters may re-register beginning (as of) October 1st at any courthouse by presenting the old registration certificate. Tom Shackelford, Alabama's Water Safety Chief, stated that replacement certificates for those lost or destroyed could be obtained by application to the Water Safety Division Office, Administrative Building, Montgomery, Ala., accompanied by a fee of \$6c.

TRANSFER CERTIFICATES

All boats previously registered in Alabama will be re-registered under their original number. The original number issued and affixed to a boat remains with that boat regardless of the number of times ownership is transferred. When a registered boat is purchased, a transfer certificate must be obtained by the new owner and presented at re-registration. Transfer certificates may be obtained in the same manner as duplicates, accompanied by a fee of \$1.00.

The present owner's name and address, the name and address of the former owner, and the registration certificate number must be supplied when a transfer is applied for.

Livery operators (rental boats) and dealers register by application to the Water Safety Division Office, Administrative Building, Montgomery, Alabama.

This information comes to you through the assistance of your Water Patrolman, Walter L. Bryant. Further information may be obtained by writing to him: Post Office Box 347, Clanton.

SHOWN above, left to right are Sixth District Congressman Armistead Selden; U. S. Senator from Alabama Lister Hill; and Congressman Carl Elliott from Jasper, in North Alabama.

The three Democrats are shown before the Chilton County Hospital and Nursing Home, on a recent visit to Clanton and Chilton County.

Basic Recipe For 'Progress'--

(Use the tried and true Democratic Method... it's foolproof and non-failing)

TAKE an entire Nation of fair wages for all and add old age benefits for senior citizens to assure welfare and dignity...

Blend soundly with crop insurance to strengthen the backbone of a Nation's agriculture...

Consider well 200 new Alabama hospitals marinated in Hill-Burton funds, linked with an Interstate Highway System...

Defend with one and one-half billion dollars spent in Alabama in the last five years at military installations...

Spread with new industries sprinkled abundantly with water from old and new river developments...

Knead with a sound program for veterans... Baste in an educated people not satisfied to stand still or slide back...

Sir the Program well and spread lavishly statewide...

Do not set aside but evaluate the contents until November 6th and then place in a ballot box and let it remain until the Polls close.

When basic recipe is removed at the end of election day, you will come up with NINE seasoned Democratic Leaders and Statesmen, enough to serve your family, Alabama, and the Nation for a period of two to six years of progress and prosperity!

OBITUARIES

MARTIN—Mr. Arthur D. Martin, age 78, a native of Chilton County and for many, many years, a prosperous businessman in Clanton, died at the local hospital last Thursday at 9:30 A.M. His father was the late David M. Martin and his mother's maiden name was Emma Glascock.

Funeral services were held at Clanton First Baptist Church, in which he and Mrs. Martin had been very active, until recent years when health began to prevent some of their activity.

Dr. J. Gilbert Hutchinson was the officiating minister and Spigener Brown-Service was in charge of the burial arrangements which were in the Clanton Cemetery.

Mr. Martin is survived by his wife, Mrs. A. D. Martin; three daughters, Mrs. W. E. Veazey of Birmingham, Mrs. C. W. Rasberry of Montgomery and Mrs. George H. Wilson of Fairfield, Ala.; two sons, John D. of Martinsville, Va. and W. L. of Guntersville, Ala. Also surviving are 10 grandchildren and seven great grandchildren.

The active pallbearers were: J. W. Rockett, A. C. Rogers, Pete McCray, Jim Wade, Cecil Carter and Harold Smith. Honorary pallbearers were: G. C. Walker, W. W. Bishop, S. D. Brown, M. C. Hamilton, W. C. Dickinson, B. F.

A Man Interested In
Chilton County For
Better Roads, Schools and
Government

Friends and neighbors: I would like to take this opportunity again to let the people of District 1, and Chilton County know that I sure have appreciated their kindness shown me in my canvassing. I especially thank the business people for the space where I left my personal campaign cards. I especially thank everyone for every encouraging

word spoken for me.

Friends and neighbors: I have tried hard to see each one of you personally, but I know that I have missed a lot of you.

But I am still pressing forward to see lots more of you. I am hoping to see every one of you, but if I fail, don't think that I didn't want to see you, and ask for your vote and support November 6th. Voters of District 1 and Chilton County: Davenport wants to tell the people again that I am not hooked up, or tied to anybody's string. If Davenport is elected on November Sixth, he will be under no obligations except to work and be honest to the people of Chilton County.

Davenport has not promised anyone jobs; he has not promised any certain road to be paved; he has not promised any individual certain things would be done; he has not said he would fire anyone. Now, Davenport promises the people of District 1 and Chilton County, that if elected, he will work for all the people, whether they voted for him or not. Voters: I promise to work for every foot of paved road we can get. I promise to improve our gravel roads; I promise the people that I won't wait till almost the term is out to work your driveways.

I promise the people that I will ride the roads and see what is needed to be done, and get it done. Davenport will stand for new industries for Chilton County; and when the County has a project, he will take every effort to use Chilton County labor first. After all, it is their tax dollar paying the bill. Davenport is in favor of support for County-wide library and Bookmobile. Davenport stands for better wages for roads employees, for hospital nurses, for law enforcement.

He also believes in all employees being covered with unemployment and Social Security laws, for their protection.

Now I want to say again I thank the voters for their fine support on May the 1st. I thank the voters and friends for their kindness and encouragements all over the County. Voters: I honestly ask you for your vote and support on November 6, 1962.

CARRY OUT LAW WITH FORCE IS NIXON ADVICE

LOS ANGELES, Sept. 27 (UPI) — Vice President Richard M. Nixon said today President Kennedy "should do everything necessary to carry out the law of the land" to integrate the University of Mississippi and measures might include arrest of the governor and use of Federal troops.

"The moment of truth has come," Nixon, California's Republican gubernatorial nominee, told a press conference. "Just as President Eisenhower had a difficult time in Little Rock, President Kennedy is having a difficult time in Little Rock. The President is having a difficult time in Little Rock."

HERSHEY, Pa., Sept. 27 (UPI) — Former President Dwight D. Eisenhower said tonight the University of Mississippi's refusal to admit James Meredith is "absolutely unconscionable and indefensible."

"I assume that something will be done about it," he told a news conference here, "otherwise the Federal government and the judiciary will be defied. We just

Eisenhower scoffed at Mississippi charges that the Federal Government was interfering in a state matter.

He said, "when the Federal government does not support the judiciary in the decisions it makes, in that day the American people will no longer exist."

SHOULD ELECTRIC POWER BUSINESS be a MONOPOLY?

WE DON'T THINK SO. With 85% of all today's power business in the hands of great utilities, we should be glad that healthy competition like Rural Electric Coops has been injected into an otherwise monopoly ridden industry. This fact . . . another reason why Rural Electric is good for Alabama and All Americans.

Can you afford to let selfish interests kill off these gains?

ARE YOU tired of being represented in the Senate by a man who has stood silent and voiceless while the Washington steamrollers are striking at our state liberties?

ARE YOU tired of the wanton waste in Federal government, the exploitation of farmers, the devaluation of our dollar, the growing intensity of our national debt?

ARE YOU tired of having no voice in the running of our nation, of being considered "in the bag" by National Democrats?

ARE YOU tired of the professional politicians controlling the way Alabama goes, the little tin gods that run around after the image of the senior senator and use taxpayers money to campaign? ARE YOU tired of giving away our money and resources to Communist countries?

SERVE YOURSELF AND SAVE!

SOUTH UNDERSTANDS MEANING OF 'SENIORITY' IN HALLS OF U.S. CONGRESS

BY BOB TUCKER

THE Southern Democratic priorities are returning more than 100 seats for the next Congress. They are also returning the whose already-powerful seniority system plus high political talent—is now being still more increased through the fact that again they have survived.

Since, thus far, is in no mood for much change in its Congressional delegations. Senior members have been renominated with little or no opposition.

For the Democratic South understands what no other section of the Nation understands so well. To have really potent representation, it is necessary to let your representatives and senators stay in Congress long enough to accumulate real seniority.

So, the already deep entrenchment of Southern (Alabama) power in Congress will be dug yet deeper and wider on November 6th.

NO ONE MAN'S VOTE automatically equals another man's vote in Congress. The true decision rests in the legislative committees—and the kernel of the true decision rests within the chairman.

These chairmanships do not fall mostly to Southerners thru dark conspiracy. They fall that way because seniority of service is the route to chairmanship, and the Southern fellow has a way of coming back and back (to Washington) to become incredibly "senior."

Alabama's Congressional Delegation has a combined "seniority" of 159 years of service to the people of this State.

(Pd. pol. adv. by J. T. (Jimmy) McDow, Columbiana, Alabama)

SENATOR Lister Hill greets the Receptionist at the Chilton County Nursing Home, on his tour of Clanton recently. Senator Hill has been extremely instrumental in the existence of these facilities for Chilton County and he insisted on visiting the personnel and residents of the Nursing Home

Democratic Women's Activities To Date In Chilton County

On September 20th, at 3:30 P.M. the Democratic women of Chilton County called a meeting for the purpose of organizing. The meeting was at the Holiday Inn and there were some 50 women present.

The following officers were elected:

Mrs. T. B. DeRamus, Verbenia, Chairman. Mrs. James Kincaid, Thorby, Co-Chairman. Mrs. R. M. Tucker, Recording Secretary. Mrs. O. N. Esco, Corresponding Secretary.

Mrs. Dick Hayes, General Chairman. Telephone Committees. Mrs. Bolden Robinson, Co. Coffee Chairman.

The chairman of the Telephone Committees selected a key chairman of each Beat in the County. The coffee chairman appointed her key chairman of each Beat to serve coffee.

HAWAII

Honolulu, Capital and chief city of the State of Hawaii. Situated on the south coast of the island of Oahu, 2,089 miles southeast of Yokohama. The population is a mixture of Japanese, Chinese, Portuguese, Filipinos, Puerto Ricans, English and Americans. There is an excellent harbor which is a port of call on most of the Trans-Pacific steamship routes. A modern city on the American style, it lies at the base of two 3,000 foot volcanic peaks and is noted for its excellent climate, and fine beaches, and the beauty of the numerous tropical trees and flowers. Honolulu harbor was discovered by Capt. Brown in November, 1794. The development of the modern city dates from 1816.

ON Monday, August 13, the Board of Revenue and Control went on record and controlled

NEWS OF—**POPLAR SPRINGS**

Bro. J. T. Meank, pastor S. S. 10 A.M. Worship Service 11 A.M. and BTU at 6 P.M. with Worship Service at 7.

You will always receive a hearty welcome and a blessing at Poplar Springs.

Mr. and Mrs. Max Smith of Auburn visited her parents, the E. W. Hills on Saturday night.

Mr. and Mrs. Preston Travick have just returned from a trip to Texas where they visited their daughter and son-in-law Mr. and Mrs. Floyd Collins.

The Intermediates enjoyed a Party last Tuesday night at the home of Mr. and Mrs. Sam Beard.

Remember to notice the change of our BTU starting time from 6:30 back to 6:00. Miss Dorothy Hill of Birmingham is visiting her parents, Mr. and Mrs. E. W. Hill.

guests for this occasion were: Mr. Henry Grady Hefflin, who is our next Representative to the State Legislature; Mr. Lonnie Cost, who is a candidate for the Board of Revenue; Mr. J. T. (Jimmy) McDow of Columbiana, Alabama, who is a candidate for State Senator and Mr. George Smith, who represented Democratic Executive Committee of Chilton County.

At this meeting it was voted that we make our Democratic Women's Organization a permanent one; and that we will hold quarterly meetings beginning after November 6th.

NOVEMBER 6TH—

We would ask that everyone go to the Polls on November 6th, and if there are any Democrats who do not have transportation please contact either Mrs. T. B. DeRamus (Tel. 995-J1) or Mrs. O. N. Esco (Tel. 701). This should be done prior to election day, November 6th.

November 6th Is "Load The Car" Day, In Chilton

by M. G. FIELDS
Supt. of Missions, C-U Assoc.

Tuesday, November 6 was set aside by the Chilton-Unity Baptist Association as "Load The Car Day" for the Children's Home at Troy, Alabama. Mr. Charlie L. Wilkins, Chairman; Rev. M. Lockhart, Mr. R. L. Duffey, the Committee, will be in charge. The car will be located at the peach shed at the L&N Depot in Clanton.

Corn, hay, other farm produce for cattle and hogs, and especially fresh home-canned foods, syrup, etc., will be donated and loaded on the car by the Churches. Everything must be carefully sacked or packed, and the price of each donation by the church be evaluated, and the list be given to the Car Committee.

from the resolution by the Board on that date.—EDITOR

... WHEREAS, It was brought out that there were two ways of overcoming the undesirable overcrowded condition and one was the procurement of voting machines or dividing the larger boxes, and

"WHEREAS, A voter re-identification program is now in progress and the time before the General Election being short, it was the consensus of opinion that it would be best to divide the larger boxes at this time and look into the feasibility of procuring voting machines for the larger boxes at the earliest practicable date.

"NOW, THEREFORE be it resolved and ordered: That necessary action be taken to divide the large voting boxes in Chilton County for the General Election to be held on November 6, 1962.

"THE above stated preamble and resolution were adopted by a unanimous vote of all members present and the Chairman declared same duly adopted."

The Boxes to be divided — 8 in all — are as follows:

Beat 2 - Box 1		Jemison
Beat 9 - Box 2		Thorby
Beat 7 - Box 1		Maplesville
Beat 4 - Box 1		Clanton
Beat 4 - Box 2		Clanton

Senator Dick Russell of Georgia and Senator Lister Hill of Alabama in caucus during civil rights fight in Congress.

LISTER HILL- on the job for ALABAMA

Lister Hill is **Your Senator**—and he is **on the job** for Alabama and for you. He has been **on the job**, fighting for your interest and for the people of Alabama—of North Alabama and South Alabama, of our farms and of our cities, from the Tennessee Valley to Mobile Bay.

Lister Hill's record is one in which all Alabama can take pride; for **your Senator**, Lister Hill, is recognized as one of the most powerful, effective law-makers in the Nation's Capital. Senator Hill, along with other Southern Democrats like Georgia's Senators Russell and Talmadge and Mississippi's Senators Eastland and Stennis present a solid Southern Democratic front against the enemies of our area.

Yes, Lister Hill is **on the job** fighting for Alabama and the South. . .

He is **on the job** for expanded medical and health facilities—223 in Alabama under the Hill-Burton Act. . .

He is **on the job** for Alabama water ways development and for Alabama industries. He is **on the job** for Alabama farmers, for rural electricity and rural telephones. . .

He is **on the job** for Alabama's working men and women, for the aged and dependent. . .

He is **on the job** for Alabama's Veterans, for Alabama military installations and payrolls. . .

Lister Hill is **on the job**—and he has been **on the job**—for you!

In the critical years ahead, Alabama—the South and the Nation—need men in Washington who have been **on the job**—and who know the job that needs to be done. **Your Senator**, Lister Hill, is such a man . . . a man you can support with pride and confidence in your State and its future.

What Southern Senators Think of Hill

Here is what Senator Dick Russell has to say of Lister Hill on the literacy test fight:

"No member of the Senate has displayed greater diligence, energy and erudition in pointing out the fallacies and the dangers which lie in legislation of the type which is now proposed, than has the Senator from Alabama. I always feel better when he has the floor for I know how thoroughly and completely he covers the subject, and the complete dedication with which he acts to preserve our dual form of government—an indestructible union of indestructible States."

Here is what Senator Stennis of Mississippi thinks of Senator Hill's battles for his people:

"When you handle the bills for hospitals and medical research I call you Dr. Hill, and when you are running the debate over on the Senate floor, I call you General Lee. You are always at your best when you are fighting for Alabama and the South."

Here is what Senator Talmadge of Georgia thinks of Lister Hill:

"It is an honor to serve in the United States Senate with a patriot of the stature of Lister Hill. His constant and vigorous efforts in defense of constitutional government and individual liberty are unmatched examples of statesmanship of the highest order."

And here is what Senator Jim Eastland of Mississippi thinks of Senator Hill's ability to do the job:

"I congratulate the distinguished Senator from Alabama. I have been in the Senate for nearly 20 years. Every year or two a poll tax question has been under debate in the Senate. I have heard many speeches of the subject, and I think the distinguished Senator from Alabama has made the most logical, most profound, and most statesmanlike speech that I have ever heard on this question. He has gone to the very vitals of the issue, and I will say that he has made the best argument on this question that has ever been delivered on the floor of the Senate."

Vote to Keep Experience and Know-How on the Job for Alabama!

VOTE NOV. 6 TO KEEP SENATOR LISTER HILL ON THE JOB for ALABAMA—ON THE JOB for YOU!

Chilton Demos Take All County Offices

Life Underwriters Officers

STATE OFFICIAL
ADDRESSES UNDERWRITERS
PICTURED above left to right are: Earl Wilson, vice-president; Stanley Davis, secretary; Bill Bennett, president; and Sonny Hornsby, executive assistant, Supt. of Insurance.

Mr. Ernest C. Hornsby, Executive Assistant Supt. of Insurance for the State of Alabama, spoke to the Central Alabama Life Underwriters Association at their October Luncheon.

As local group, along with others life it, nationwide are celebrating National Life Insurance Education Week, November 11th through 17th.

Mr. Hornsby, spoke on "Ethics in the Life Insurance Business" (See their Code of Ethics elsewhere in this issue). He congratulated the National Association of Life Underwriters or their Code of Ethics and the way that most of them have abided by them. He stated that it is almost impossible for the Insurance Department to police the entire activities of the 800 insurance companies licensed to do business in the State of Alabama and that they depended greatly on the Life Underwriters Associations to keep them informed on any irregularities.

He said that it was always best to know your agent when taking out new insurance.

Avoid the mail "gimmicks" and "bargains" in insurance. It is always best to buy insurance from your local agent. When you need service, he is there to help you.

John Will Wyatt To Speak; Youth Rally
FIRST SERMON TO BE AT MULBERRY ON 10TH SATURDAY night, November 10, at the Mulberry Baptist Church, the Youth Rally will hold its monthly meeting. The Youth Rally will be held to have as its speaker a Chilton County youth. He has recently dedicated his life to the ministry and has been very active in Baptist work here in Chilton County.

John Will Wyatt will present his first sermon at the Youth Rally. "This promises to be one of the best and most inspirational services presented in a long time."

The Youth Chole under the direction of Ray Cox will be there to sing. Ray has done a wonderful job of making young people. They will present a special number.

Young People are responding more and more to the Youth Rally programs. In the last meeting, there were more people present than ever before. There were also more young people in this group than ever before. You are urged to come and bring a car full of young people.

Library Board Seeks Flag Pole

THE Chilton Public Library Board is soliciting the interest of a club to erect a flag pole on the grounds of the library. Any group interested is asked to contact Mrs. Omar Reynolds, the librarian, Mrs. B. E. Reeves.

Presently at the library, the candle walk is in the process of being held. Expressions of interest for this worthwhile project go to the City and County governments. The work of maintaining the library grounds will soon get underway.

Famed "General" To Be In Clanton Monday, 12th

THE famed Civil War steam locomotive "GENERAL" and its one-car train, museum-coach 665, is making an extended tour of the L&N system, and it will be in Clanton on Monday, the 12th day of November (Monday), during the hours from 10:30 A.M. to 12:30 P.M.

Word from the schools in Clanton is that the children will be permitted to tour the historic display while it is in Clanton.

The General became famous during the Civil War when it was stolen at Big Shanty, Georgia by James J. Andrews, Yankee spy and leader of the "engine stealers." William A. Fuller, railroad conductor, pursued the General on foot, handcar and three locomotives from Big Shanty to Ringgold, Georgia, where he caught it after an eight-hour and 87-mile chase.

Andrews had 21 Yankee raiders with him and the locomotive Texas, running in reverse, finally caught the General near Ringgold. All the raiders were captured and Andrews and seven others were hanged.

Legion Memorial Service Tonight

AMERICAN Legion Post 6 will hold a Memorial Service to night at the Veteran's Club, beginning at 7 P.M.

There will be a free supper for all members and their wives.

Among the many outstanding guests to be present will be the State Commander of the American Legion, Mr. Raymond Weeks.

High School PTA To Hear Mrs. Ford

THE Chilton County High School PTA will meet on Tuesday, November 13 at 7 O'clock in the Library.

Mrs. John D. Ford, director of District Five, Alabama Congress of Parents and Teachers, will be the guest speaker. We are looking forward to all parents attending this meeting and hearing this outstanding speaker.

Shady Grove Plans New Parsonage

SHADY GROVE Methodist Church will hold a business meeting Friday, November 23 at 6:30 P.M. for the purpose of discussing the building of a parsonage at the church. Those interested in this project are asked to keep this date in mind and be present for this important meeting. Refreshments will be served after the business.

Methodist Youth To Meet On 12th

THE Central Sub-District of the Methodist Youth Fellowship will meet at the First Methodist Church in Clanton on Monday, November 12th, at 7:30 P.M. Mary Clyde Chism, Fellowship Chairman, will present a special program on "Recreation In The Local Church." All churches in the Sub-District, as well as all visitors who are interested in recreation, are urged to attend.

Snaghatti Supper At Adair School, 16

The Junior Class of Chilton County High School is sponsoring a Snaghatti Supper on Friday, November 16th from 5 until 7 o'clock P.M. at the Adair School lunchroom. Tickets are adults \$1 and children under 12 50c. There will be a football game at the adjacent field immediately following.

WEEKLY COTTON REPORT

THE U. S. Dept. of Agriculture Cotton Division Office at Montgomery reports that cotton prices remained steady to slight lower during the past week. The demand for current gins has decreased considerably and most producers are placing this cotton in the CCC loan. Demand is best for Strict low Midling plus and higher grades. There is very little demand for lower grades, and most of this cotton is entering the CCC loan. Mill demand is reported fair for the higher grades, but high for low grade cotton. Price range from below loan rates slightly above existing loan prices.

Near ideal harvesting conditions prevailed during the week and cotton producers are making a concerted effort to gather the remainder of this cotton crop.

Attend Farm Bureau Meet In Mississippi

THOSE from Chilton County attending the Alabama Farm Bureau annual meeting in Biloxi, Mississippi last week were:

Virginia Brown, who was chosen Alternate Queen of the Farm Bureau for 1962-1963; L. Traywick, Mrs. James Gillespie, Charles Segrest, John Sellers, P. F. Singley, Hoyt Freeman, Bill Hicks, Carey Mullins and Eddie Owens, all members of the Farm Bureau. Also attending were the officers of the County Council of Home Demonstration Clubs along with Johnnie Lane, Home Agent and Miss Rebecca Bentley, State Maid of Cotton, and her mother, Mrs. Sam Bentley, of Thorby.

The Queen of the Farm Bureau is Miss Patsy Bryant, of Anniston in Calhoun County. L. L. Traywick, president of the Chilton County Farm Bureau said: "Governor-elect Geo. C. Wallace looked straight at me when he said he pledged his efforts toward developing farm markets through private enterprise." "This will be one of Farm Bureau's prime interests in the future," the County president said.

This meeting was the 41st annual convention of the Bureau, composed of 67 counties in the State. The convention re-elected J. D. (Jimmy) Hays as State president and also voted to extend the president's term from one year to two, effective this year.

PROVIDENCE WMS

The Providence WMS will meet Thursday (today) with Mrs. Bob Green.

Telegram From Congressmen...

PEACH FARMERS TO BE PROTECTED

A telegram received late last week informs us that Chilton County will be offered for the first time in history, in 1953, crop insurance by the Dept. of Agriculture.

This word comes from Senator Lister Hill, Sen. John Sparkman and Sixth District Representative Annistead Selden.

Protection provided is against unavoidable loss resulting from drought, freeze, hurricanes, tornado, hail, windstorm, when accompanied by hail and insufficient chilling hours.

"Further details are available from Federal Crop Insurance representatives" the telegram said, "and interested peach growers should act promptly, since the opportunity to apply for this peach crop insurance ends on January 1, 1963."

See your County Agent.

Barbecue At City Park Friday

THE Chilton Quarterback Club, in their efforts to improve and add to the recreational facilities of Clanton are always looking for ways to "make a buck."

Martins 77-Vote Win Fails To Carry Local Republican Hopefuls

McDow And Heflin Are High Men In Chilton With 3060; 3056 Respectively

DEMOCRATS won a sweeping victory in Chilton County last Tuesday disturbed only by the fact that the County did not go for Senator Lister Hill. He was defeated in Chilton County by 77 votes and his Republican opponent James D. Martin.

J. T. (Jimmy) McDow, candidate for State Senator, led the ticket in Chilton County with 3060 votes and H. Grady Heflin, candidate for State Representative, those behind with 3056.

Other Demos winning in Chilton over Republican opposition were: L. F. Bud Gerald over Jon Will Pitts in the Deputy Solicitor race and Ronnie Cost over Clifford Davenport for Place on the Board of Revenue and Control.

Tickets To Ala.-Auburn Game

RIGHT smack dab on the 50 yard line!

Isn't that where you would like to be on December 1st at the Alabama-Auburn Classic in Birmingham?

You just might make it, according to Dr. Kenyon Vinson, president of the local Quarterback Club. They will award a pair of tickets to this game on Friday night, November 16th. The action will take place at halftime of the game between Clanton and Centerville (Bibb County), the final game of the season.

If you're curious, see any member of the Quarterback Club for further information. The tickets are for real and come by way of Coach "Bear" Bryant at Alabama. And like we said, they are good tickets!

Mary Clyde has won many State competitions and awards for her twirling excellence.

Decorations Committee Gets Going for Christmas

CHAIRMAN of the Christmas Decorations Committee for the City of Clanton, William Hicks, announced this week that his Committee would be calling on local merchants in the next few days for contributions toward lighting and decorating the town for the Holiday Season just ahead. Your help will be appreciated by Mr. Hicks and his workers.

The town needs beautifying for the Yuletide Season.

Short To Speak At Pletcher Holiness

REV. Melton Short will be the speaker at Pletcher Emmanuel Holiness Church on Saturday night, November 10th at 7:30.

Everyone has a cordial invitation to attend these services.

Twirling Classes

MISS Mary Clyde Chism announces this week that Twirling Classes will begin at her home on Tuesday, November 13th. If anyone is interested in these classes, they should call Miss Chism at 1015.

Mary Clyde has won many State competitions and awards for her twirling excellence.

SINCE 1942 Mr. and Mrs. Powell have made a creditable farm production record since they bought their farm in 1942. At that time the farm consisted of only 95 acres, but has since that time grown to approximately 260 acres. Of this, around 100 acres have been developed into improved permanent pasture. Mr. Powell said:

"If the farm labor problems get any worse I'm going to develop the whole farm for pasture and livestock produc-

tion." "I would like to keep my 15 acres of peach trees and cotton allotment, but farm labor is such a problem, I'm not sure that I can." "My cotton turned out poorly; just about one bale per acre. Dry weather and insects hurt real bad this year."

60 HEAD OF REGISTERED ANGUS

The Powell livestock interest first started with a Jersey herd producing milk for the Grade B milk route. This didn't return quite the income expected, so Mr. Powell purchased a purebred Hereford bull and changed to a grade beef herd. This was when Mr. Powell began developing good pastures.

After a few years Mr. and Mrs. Powell decided that this was not the type of beef herd they wanted and they sold the entire grade herd and bought 14 br. registered Angus heifers. Fifteen months later he had sold enough bull calves to take care of the entire cost of the original 14 heifers. Mr. Powell now has sixty head of registered Angus. He says, "I still have some fine bulls for sale."

GIVES AGENCIES THEIR DUE

Mr. Powell gives credit to the Soil Conservation Service, County Agent's staff, A.S.C.S. and other agencies for much of his progress. He stated that he has planted cover crops or winter legumes every year he has been on the farm, and will continue to improve the productivity of his land, develop pastures and produce necessary forage for his livestock.

ed 20 additional acres of Bahia, ed 20 additional acres of Bahia, cleared about 21 acres for additional clover and Bahia, and has 13 acres of Coastal Bermuda. The Powell's built a new home in 1948. They do a great deal of "on the farm living." Mr. Powell said, "we have some of everything grown on the farm in the freezer!"

Mr. Powell spends much of his spare time improving fences. He also does some public work when he can fit it into his schedule and needs.

Jemison 4-H'ers Elect New Officers

The regular meeting of the Jemison 4-H Club was held on Thursday, October 18, and called to order by Miss Martha Radford the 4-H counselor. Registration cards were filled out and officers were elected: President, Elaine Gentry; vice-pres., Donna McNeill; secretary, Norma Ray; reporter, Gay Nell Gilmore and song leaders, Pam Nelson and Kay Champion.

The meeting was adjourned until the next regular meeting in November.

National Life Insurance Education Week Nov. 11-17

Who Benefits From This Code Of Ethics?

Sam and Mary Scott finished reading Andy's letter. They smiled with quiet satisfaction. Having their son a freshman in college was something to smile about!

But the cost of education runs high, around \$2,000 a year. Fortunately, for the Scotts they do not have to carry all of this load. Life Insurance is helping them to pay the bill.

Years ago, an alert life insurance agent showed Sam and Mary Scott why they should buy an insurance educational plan for their son. Sam and Mary started saving right then and

there to help cover the cost of Andy's future education.

Now Andy is in college — and Sam and Mary can clearly see how life insurance — and a life insurance agent — had helped to make a dream come true. Without that policy, it's quite possible Andy wouldn't be in college today!

The Scotts are but one of millions of American families whose lives have been touched for the better by life insurance ... and by services rendered by a life insurance agent.

For many thoughtful Ameri-

cans, life insurance does a mighty big job in protecting the family if the breadwinner is taken out of the picture.

But it is becoming more and more obvious that life insurance is for the living too.

Life insurance is helping Andy Scott through college. For their neighbor, Jack Brown, a monthly life insurance check supplements his Social Security. Frank and Ethel Johnson, who live down the street, used the cash values in Frank's policies to move to a warmer climate when he was taken ill. When Ted Gregory wanted to remodel his corner grocery, a loan on his life insurance policy gave him the cash to do the job.

Add all the Scotts, the Browns and Johnsons and Gregorys together and you have millions of Americans benefiting from life

insurance. . . and from the service of life underwriters, who not only make them aware of their family thrift and protection needs, but also show how life insurance fits into the family's financial planning.

Probably the best way to indicate the tremendous service performed by life insurance and the agent who sells it is to cite these facts!

At the end of 1961 more than 120 million Americans owned about \$635 billion of Legal Reserve Life Insurance. Life insurance benefit payments to policyholders and their families averaged almost \$16,000 EVERY MINUTE. In 1961 these payments totaled nearly \$4 billion. It is interesting to note that \$39 out of every \$100 of life insurance benefits went to living policyholders themselves.

To a very great extent, this tremendous contribution by life

insurance stems from the fact that the life insurance agent is a trusted financial adviser to millions of Americans. The agent has earned this enviable position as a result of skill, dedication and the undeniable worth of the service rendered.

The career life underwriter knows how to arrange your financial program so that your plans may mature even if you don't!

Your life insurance underwriter is a person of character and skill. He is carefully selected for his job through a screening process that attempts to eliminate the indolent and the intellectually and morally unfit.

He studied Insurance, Finance and Business Law.

In most states he must pass a qualifying examination.

Once on the job, he continues to receive personal instruction in service and sales techniques.

If he is one of the more than 80,000 life underwriters who be-

long to the member associations of the National Association of Life Underwriters, he subscribes to its Code of Ethics:

"I believe it to be my responsibility:

1. To hold my business in high esteem and strive to maintain its privilege.

2. To keep the needs of my clients always uppermost.

3. To respect my client's confidence and hold in trust personal information.

4. To present accurately, honestly, and completely every fact essential to my clients' decisions."

The Life Insurance business is marked by strong emphasis on training and education. Much of this training and education has been fostered by the National Association of Life Underwriters through organizations it helped initiate and supports.

Life insurance is a very personal service. Often it is the

most valuable possession a family can own. It follows, therefore, that you should ask for and get the finest life insurance advice possible. Such advice can be yours if you rely on the good judgement and skill of the professional Life Underwriter.

It costs you nothing for his

advice - you're never obligated - except to those you rest with you.

For a wedding trip, they planned to visit the World's Fair in Seattle, and they will make their home in Washington, where the groom is stationed.

GOOD GROOMING

Of the 55,000,000 women in this country who shave about 48,000,000 use a safety razor. They have found that it's the fastest, easiest way to keep their legs looking well-groomed. The best time to shave your legs is while they're wet, perhaps during or right after your bath or shower. And make sure you have just as often as perfect grooming requires it, for as any skin specialist will tell you, shaving has no effect whatever on making hair grow back any faster or coarser.

LET US HEAR FROM YOU! Thank-

Chowder for Hearty Fall Suppers

It's National Macaroni Week! From October 15-27 the National Macaroni Institute calls attention to the versatility, nutritive value and appetite appeal of macaroni. Economy, convenience, nutritive value and appetite appeal—these are the reasons to make every week Macaroni Week at your home.

Medium egg noodles combine with tasty tuna in a Hearty Supper Chowder which will hit the spot these 10 autumn evenings. Canned tuna deserves a place on the cupboard shelf alongside macaroni, and for the same reasons. Thanks to industrious Japanese fishermen, who supply about 40% of all tuna canned in America, we can count on eating tuna as often as we like.

HEARTY SUPPER CHOWDER (Makes 2 servings)

2 tablespoons salad oil
1 cup chopped onions
4 cups chicken stock or bouillon
2 cups water
1 can (10-1/2 ounces) condensed tomato soup
4 medium carrots, thinly sliced
1 package (10 ounces) frozen cut green beans
8 ounces medium egg noodles (about 4 cups)
1 cup milk
1/2 teaspoon thyme
2 cups (about 8 ounces) grated process American cheese
3 cans (6-1/2 to 7 ounces each) tuna, drained and flaked

Heat oil; add onions and cook until tender, stirring occasionally. Stir in chicken stock, water, condensed tomato soup and carrots. Cover and cook slowly 10 minutes. Mix in remaining ingredients. Cook, uncovered, stirring occasionally, until noodles are tender, about 25 to 30 minutes.

New Idea At Harvest Time

Short autumn days are no deterrent to the resourceful American farmer when his crops must be safely and quickly harvested. Operating a high-capacity New Idea corn picker, this Midwestern farmer merely switches on his tractor's headlights and keeps going until the dew begins to settle on his cornfield.

JR. GA MEETING
Janelle Lenoir was hostess to the Jr. GA on Friday afternoon, November 2 at her home. There were 15 members present. Mrs. Louis Brasher is the counselor. The meeting was called to order by the president, Gay Nell Gilmore. Roll was called, minutes read and approved and Mrs. Brasher led in prayer.
The group gave the Watchword, Star Ideals and Allegiance.
Carol Giles was in charge of the program. Those taking part were: Cynthia Vines, Gay Nell Gilmore, Janelle Lenoir, Carol Giles, Donna Jo Adams, Becky Stephens, Jackie Woodley, Jimmy Bolton and Jackie Adams. Janelle Lenoir led the closing prayer. Mrs. Lenoir served refreshments.

JR. RA MEETING
The Jr. RA's met Monday night, October 29th, at the Baptist Church with the counselor, Mr. Joe F. Cobb.
Following the meeting, a social hour was enjoyed. Games were the diversion. Refreshments were potato chips, cookies and Kool-Aide.

OES SOCIAL HOUR
Thursday night, November 1 following the regular OES meeting, Mrs. Ferrell Northcutt and Mrs. Ruby Ellison were hostesses at a social.
The refreshment table held a harvest centerpiece of a pumpkin encircled with fruit and nuts and a bouquet of fall flowers. An assortment of cookies, nuts, marshmallows and corn candy was served with hot chocolate or coffee.
Plans were completed for a tea to honor two Golden Age members.

SURPRISE DINNER
Mrs. A. C. Bratton, her sisters, Mrs. Leila Wilson and Mrs. Hazel Anderson, honored another sister, Mrs. Ida Bean at a delightful birthday dinner, Sunday, November 4th at Mrs. Bratton's home.
It was a complete surprise for Mrs. Bean, as she had prepared her dinner at home.
There was a lovely cake, iced in white, decorated in pink flowers. Each one brought a covered dish to add to the already bountiful meal the hostess had prepared.
Mrs. Bean received gifts from those present: Mr. and Mrs. Carl Bean, Clanton, Mr. and Mrs. Jay Lloyd Bean and two children, Mr. George Collum, Mr. and Mrs. Herman Rosenberg and the one mentioned above from Blirming.

TEA HONORS GOLDEN AGE CITIZENS
Jemisonian Chapter No. 398 OES, entertained at a tea, honoring two of its Golden Age members, Mrs. Maggie Attaway and Mr. C. C. Conway.
The new dining room of the Masonic Hall was the scene of this Sunday afternoon November 4 from 2 to 4 o'clock.
Miss Lynda Clements registered guests of Mr. Conway at a lace covered table decorated with a bouquet of pink rosebuds in a brass vase. Mrs. Jewel Ellison registered guests of Mrs. Attaway at a table covered with cutwork cloth over blue, centered with a low bowl of pink 'mums'. There were lovely gift wrap-

SUNBEAM BAND
At the regular meeting of Sunbeam Band, Friday afternoon, the children heard their mission study book "Kenji And The Lost Kite" by their leader, Mrs. J. O. Cobb.
Ushers at the morning service of the Baptist Church: Mr. Joe Beasley, Paul Culp, Tommy Shields, and Murray Glass. Jr. Paul Culp led the offertory prayer.

WINNERS!
Winners in King and Queen Contest at the Halloween Festival Tuesday night, Oct. 30 were: High School: Ann Nelson and Johnny Cobb; Elementary: Trudy Burnette and Jimmy Davis.

SPORTS
Benny Sims and Marshal Bolton scored three times each at the game Friday night, Nov. 2 as Jemison High routed Marbury 55-0.
Sims, a 185 pound senior full-back ran 64, 32 and 12 yards for his TD's. Junior halfback Bolton dashed 75, 65 and 22 for his.
Other Jemison points came from a 64 yard pass by Gary Smith; a 2 yard plunge by Jim Emfinger and seven extra point kicks by Joe Brasher, out of 8 tries.
Coach Costs' Jemison record: 4 won; 4 lost.

VALLEY FORGE'S MAGIC CIRCLE

When 50,000 dogwood trees bloom at Valley Forge, nearly as many visitors converge on "the most famous military camp in the world," where in 1777 General Washington and his beleaguered army endured a bitter winter of privation.

Our Magic Circle auto tour starts at Washington's Headquarters, focal point of Valley Forge State Park. Colonial fittings and furnishings of the 1780 stone house are intact, even the fishnet canopy over Martha's four-poster bed. A blue and gold uniform hangs over a ladder-back chair, as if just discarded. The real feeling of Valley Forge emerges at the inner encampments and the soldiers' earthen log huts. Facing the parade ground is lovely Washington Memorial Chapel, with a 56-bell carillon that plays the Star Spangled Banner at a hushed moment at sunset.

The route of history is to Pottstown, iron production center since Colonial days, and its fully-preserved, showplace 1782 Pottsgrove Manor. Northeast is Quakertown, its old Meeting House still in use. Tiny Liberty Hall, today a barber shop, was a hiding place for the Liberty Bell when in Independence Hall in Philadelphia—to keep the British from melting it down for cannonballs.

As you continue through photographic green hills, there is a short side trip to Ringing Rocks, a strange garden of boulders, each emitting a different musical note when struck. The final stop is at Doylestown, famed for Mercer Museum of early American tools, utensils and machines.

PROCLAMATION
WHEREAS, more families own life insurance than any other form of built and savings, and WHEREAS, life insurance has become the great base of family financial security planning, and WHEREAS, life insurance has contributed to and benefited by the great social and economic changes, as well as by changes in the family's situation, and WHEREAS, life insurance renders a second great service by carrying the policyholder dollars back to individual communities, where they go to work aiding all segments of the economy and the community as a whole, while awaiting call for benefit payment, and WHEREAS, all persons, both as policyholders and beneficiaries, desire to learn more about life insurance, what it is, what it does, and how it operates, and WHEREAS, the Central Alabama Association of Life Underwriters is cooperating with the Alabama State Association and the Alabama Insurance Companies in a program to inform the public of the many and broad aspects of life insurance.

Now therefore, I, Hollis Jackson, Mayor of the City of Clanton, Alabama, do hereby proclaim the week of November 11-17, 1962, as Life Insurance Education Week in this City.

And do urge all citizens to avail themselves of this opportunity to learn more about their life insurance and what it can do for them especially making this the occasion to see that their insurance is so arranged as to be of utmost value to their beneficiaries.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Clanton to be affixed, this 8th day of November, 1962.

HOLLIS JACKSON
MAYOR.

To the People of Chilton County From Your Insurance Agent

THE week of November 11th through 17th has been proclaimed National Life Insurance Week. The purpose of this proclamation is to better familiarize the public on the functions of Life Insurance and the part it plays in the economy of our community and nation.

In 1960 a total of \$85 million was paid to the policyholders in the State of Alabama. Of this \$40 million was paid to living policyholders in the form of matured endowments, dividends, disability payments, annuity payments and cash values.

\$751 million was invested by insurance companies in Alabama Real estate, farms, new homes and sub-divisions. These investments do not belong to the insurance companies, but to the policyholders, the money is invested to earn interest to enable the companies to pay future claims as they fall due.

The National Association of Life Underwriters is proud of the part they have had in insisting on strict laws to help protect the public from unscrupulous agents and companies. The association is in close contact with your elected lawmakers. Every time a bill is introduced locally or nationally, that affects life insurance, the association has representatives there to fight for the protection of their policyholders. Each member of the association has been carefully screened and his company investigated before he is granted membership. He must subscribe to the following Code of Ethics: I believe it to be my responsibility to hold my business in high esteem and strive to maintain its prestige.

To keep the needs of my clients always uppermost.

To respect my clients confidence and to hold in trust personal information.

To render continuous service to my clients and their beneficiaries.

To employ every proper and legitimate means to persuade my clients to protect insurable obligations; but to rigidly adhere to the observance of the highest standards of business and professional conduct.

To present accurately, honestly and completely every essential to my client's decisions.

To perfect my skills and to add to my knowledge through continuous thought and study.

To conduct my business on such a high plane that others emulating my example may raise the standards of our vocation.

To keep myself informed with respect to insurance laws, regulations and to observe them both in letter and in spirit.

To respect the prerogatives and services of all others whose interests are constructively related to ours in meeting the needs of our clients.

We are proud of our association members in Central Alabama. Each one is qualified to handle life insurance needs and problems. When you need him he is close to your phone. He lives in your community. He supports your local organizations. Call on your local agent.

"How To Kill Rats"
By Neil Taylor
Concord School 4-H Club met November 5, and our president, Ray Easterling, called the meeting to order. Buddy Bates, our secretary called the roll and we sang "America" and "Oh, California".

"Mr. Futral, our leader, took over the meeting. We talked about how to kill rats and mice. He said that rats killed more people than all the wars in history, by spreading diseases.

"Some of these diseases are typhus, plague, rat bite fever, antrax, contagious abortion, trichinosis, tetanarria, food poisoning and jaundice. One rat or mouse can waste as much as \$20.00 worth of feed each year. They can also destroy property, chew wires and cause a fire.

"Pival is an anticongulant poison used to kill rats. Pival consists of 1 pound pival, 18 pounds ground cornmeal, 1 pound sugar. Pival must be eaten 3 or 4 times to kill anything. It makes rats or mice thirsty. You use about 1 quart of water with a tablet of water soluble poison in it. Meeting adjourned until next month.

WHAT would happen If all the Rural Electric Co-ops in Alabama ceased to operate?

"Nothing", you say? You live in town. Think again!

Rural electricity supplied by the Rural Electric Cooperatives has done more than any other thing to raise the buying power of the Alabama farmer. Thanks to low-cost rural electricity, he can operate his farm more efficiently, can produce more and better crops, can make more money. And this money that he makes he spends in the towns and cities of Alabama. Take away Rural Electricity and you take away the farmer's power to buy.

Can you afford to let selfish interests kill off these gains?

CAPITAL KNOWLEDGE

PUERTO RICO

San Juan is the Capital and chief seaport of the island. The older part of the city lies on an island off the northern coast of Puerto Rico, with modern residential districts across the channel on the main island. Four bridges and a highway over the water link these parts of the city. Trade, various manufactures, and Government are the chief activities. San Juan is the only fortified city in Puerto Rico. Some of the Spanish forts and the walls that surround the older part of the city are 250 years old. Morro Castle, built in 1584, lies on a bluff dominating the entrance to the bay, which is one of the best harbors in the West Indies. The city was founded in 1511 by Ponce de Leon, and was the seat of the Spanish provincial government.

Mrs. Tucker Accepts Junior Citizens Elect Officers Christmas Seal Chairmanship

Mrs. R. M. Tucker of Clanton, this week accepted the chairmanship of the 1962 Christmas Seal Campaign in Chilton County, which will begin in November. The appointment was made by Judge Conrad Fowler, Columbia, president of the Alabama Tuberculosis Association, and Governor-Nominate George Wallace, Honorary State Christmas Seal Chairman for Alabama.

Following the announcement of her acceptance, Mrs. Tucker said: "We have already been hard at work organizing the annual Christmas Seal Campaign, which provides funds for the voluntary program to wipe out TB and to control other respiratory diseases in our community, state and nation. I am sure the campaign will be a success, for it has become a real part of the Christmas traditions of this Country."

"The funds voluntarily contributed, in the privacy of the homes of our people without 'high pressure' personal solicitation of any kind, will do much to carry on the fight through education, case-finding, rehabilitation and research."

The 56th annual Christmas Seal Campaign opens November 13 and will run through December.

A special meeting of the Jr. Citizens' Club was called to order by its sponsor, Mrs. L. C. Warr, to elect the officers for the first term on October 15, 1962.

The first regular meeting of the Junior Citizens' Club was called to order by the President, Mary Holley, on Friday, October 19, 1962 in Mrs. L. C. Warr's room, and opened with the Club prayer, led by Delene Jones.

The Alabama's Creed followed. The song "Alabama" was led by our song leader William Eiland. The President, Mary Holley announced the Committee for the new term:

Activity Committee: Mike Alexander, John Rockett, Ricky Wood, Marshall Williams, Larry Posey, Maynard Cagle, Earnest Chapman.

Flower Committee: Peggy Mims, Lois Cleckley, Ricky McGee, Mary Murr, David Burnett, Kenneth Thomas, Roger Cleckley.

Room Committee: Lynn Brand, Tommy Lenna, Larry Minot, Connie Pice, Louise Katliff, Bobby Kirkland, Kenneth Lockhart.

Membership and Attendance Committee: Cindy Payton, Colyn Cooper, Madelyn Williams, Don Mahan, Roy Wileman, Henry Braswell, Johnny Bryant.

PTA Committee: Rebecca Langston, Terry Arnold, Barbara Traywick, Jerry Durham, Robert Guy, Eddie Mims.

Program Committee: Judy Wyatt, Joan Davis, Delene Jones, Barnett Gowan, Lynn Traywick, Jerry Connell.

In the new business, it was moved and seconded by Lee Easterling that the Club buy a victrola in order to have music for the Club meetings. The motion was carried.

During the program, the Parliamentarian, Laura Carlisle, requested that all members study and become familiar with parliamentary procedure.

The Club gave the Pledge of Allegiance to the flag of our Country.

How Super Shell's 9 ingredients can give cars top performance

POWER INGREDIENT in Super Shell works for world champion driver Phil Hill (above, in Ferrari racer). Hill, first American to win the World Championship for Drivers, relies on Super Shell. One important reason: *power*. Today's Super Shell contains "cat-cracked" gasoline—a power ingredient made by cracking heavier petroleum molecules into lighter, livelier ones. It works to give you the power you need for top performance.

NOISE-FIGHTING INGREDIENTS in Super Shell work for a quiet engine at all speeds. Shell scientists even use a stethoscope (above) to check effect of Super Shell's anti-knock ingredients. One of these ingredients, an anti-knock mix, is so effective that a teaspoon per gallon can boost anti-knock rating five points. Alkylate, another Super Shell ingredient, is noted for controlling knock in hot engines at high speeds better than anything else yet available.

MILEAGE INGREDIENT in Super Shell is Platformate. Shell scientists test it in many cars, many places. In a recent test in San Francisco (above), exactly 250 cc. (about half a pint) of fuel without Platformate was fed into test car. Car ran until fuel was used up, then coasted to a stop (left). Distance: 6186 feet. Test was repeated, using same blend of fuel with Platformate added. Same amount of fuel. Same car. Same conditions. In this test, Super Shell with Platformate took car 6454 feet (right), gave a mileage bonus of 4.3 percent.

TCP* AND FOUR OTHER INGREDIENTS complete Super Shell's 9-ingredient blend. TCP additive can help restore power lost due to combustion deposits—can also extend spark plug life. Butane is for quick starts. Pentane mix helps engines run smoothly during "warm-up." The gum preventive ingredient is to help keep carburetors clean inside. And, when the weather calls for it, Super Shell contains an anti-icer. That's nine ingredients in Super Shell—scientifically blended to give your car top performance.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

Importance Of Good Soil Stressed

PROCLAMATION Soil Fertility Drive

WHEREAS: There is a great and urgent need in Chilton County for an active campaign to increase public knowledge, acceptance, and proper use of fertilizer, and lime and the awards of such a concerted movement will be the satisfaction of helping farmers to harvest more profitable crops, of improving the economic position of business and conserving and building good soils for future generations; and

WHEREAS: The best use of soil should be of vital concern to everyone — those living on the farm land and in the city; and

WHEREAS: Everything man eats, drinks and wears, even the house in which he lives, comes from Mother Earth and the soil is eternal treasure of mankind; and

WHEREAS: For the soils of Chilton County to produce abundantly, right amounts of the right kinds of fertilizer and lime are essential; and

WHEREAS: In order to cause farmers and business leaders to become more conscious of the major role fertilizer and lime can have in making a better Chilton County agriculture, and to assist farmers in carrying out the best known fertilizer practices, and of increase farm industry and business income by sound fertilization methods

NOW, THEREFORE, We members of the Board of Revenue and Control and Probate Judge of Chilton County, do hereby proclaim the months of November and December as INTENSIFIED SOIL FERTILITY PERIOD in Chilton County and call attention to all citizens of this observance.

Local Housing Authority Taking Tenant Applications

THE Housing Authority of the City of Clanton is now taking applications for prospective tenants for the two projects located in Clanton.

Everyone interested in making application should either come by or contact the Housing Authority Office located at 614 1/2 2nd Ave. North (upstairs over Mullins Supply Company), between the hours of 8:00 to 12 o'clock noon, Monday thru Friday. If you cannot come during these hours, you can call the office at 1521 and we will set up a time that is convenient for both you and the Local Authority.

The amount of rent to be charged each family for these units will be determined by the total amount of family income, less certain deductions and exemptions. Therefore, in order to make application you will need to have information regarding the income of the family and deductions from income.

A RIDDLE...

by Phyllis McGinley

What's gay as a carnival, handy as chalk,

Jolly as puppies just learning to walk,

Useful as Band-Aids or money to spend,

Warning as fire is, kind as a friend,

Tempting as hamburgers ready to cook,

Far more exciting than flying?

... A BOOK

Children's Book Week is being celebrated all over America the week of November 11. This is the 44th annual observance. The theme is "I Like Books." This is a time for all of us as parents, teachers, and people who work with young people to be especially concerned with trying to create and develop within our children a love of books and reading.

Let's encourage our children to visit the library in our community or make use of the book mobile service which is available to all.

General Pays Visit To Clanton

THE famous "General" of Civil War fame puffed into Clanton last Monday, about an hour behind schedule, but welcome nevertheless, by the 100's of students and interested bystanders.

After a brief visit, the 107

year-old relic of a bygone era chugged out of town enroute to Montgomery for a week's visit. Scramie Scott, local photographer made the above picture and also enjoyed a ride on the General to Elmore. The General became famous

during the Civil War, when it was stolen at Big Shanty, Ga. by James J. Andrews, Yankee spy and leader of the "engine stealers". William A. Fuller conductor, pursued the General and caught it at Ringgold, Ga. some 87 miles away.

Girl Scouts Organized In Clanton

A Candlelight Investiture was held Thursday evening, November 8, in the auditorium of the Chilton County Courthouse. Nineteen Clanton girls became members of the Girl Scouts of America.

Mrs. William E. Elmore, Troop Leader, Mrs. Joe H. Johnson and Mrs. Jake Bynum pinned the following girls:

Joan Blacklock, Lee Easterling, Kathy Goddard, Belinda Headley, Carla Meank, Betty Moates, Sherry Moates, Kathy Nivens, Jane Norton, Carla Snead, Susan Blankenship, Sandra Calfee, LeSabre Johnston, Claudia Maddox.

Rhonda Patterson, Janine Rennings, Sandra Sellers, Vicki Thigpen and Andrea Wood.

Nine of these girls also received their Brownie Fly-Up Wings, which allowed them to "Fly-Up" to become Intermediate Girl Scouts. These same girls also received a one-year membership star, which shows they have completed a year in Girl Scouts. They are: Susan Blankenship, Sandra Calfee, LeSabre Johnston, Claudia Maddox, Rhonda Patterson, Janine Rennings, Sandra Sellers, Vicki Thigpen, Andrea Wood, Betty Moates. She has been an Intermediate Scout for one year.

Interest In Fallout Shelters On The Increase

INTEREST in fallout shelters in Chilton County has increased in the face of the current Cuban crisis, County Agent John Sellers said this week.

"Our immediate need is for shelters to guarantee protection from temporary hazards that follow an enemy nuclear attack," said Sellers.

Since many areas don't have community shelters, nearly every rural family along with many other families should consider a home fallout shelter.

Fallout radiation can be kept out only by the thickness of shelter-shielding materials. Three feet of earth cover guarantees safety for any underground structure. Foul protection is also provided by three feet of brick or two feet of concrete cover.

Although a minimum of 10 square feet of floor space per person is essential, more space is desirable. Location, of course, determines the size of the shelter. Inside the shelter or nearby, there must be room for storage of food, water, sanitary containers and other supplies. A two-week supply of food and water is needed. Allow one-half gallon of water for each person each day.

The cost of a simple fallout shelter is about \$75, complex ones will cost more depending upon the type of material used. Most of the designs depend upon do-it-yourself construction.

A battery radio, which is needed in the shelter, will usually require an outside aerial. Four one-cell batteries will provide light when wired to a 150 milli-ampere flashlight bulb. Although dim, this light will provide continuous light for at least 10 days.

A shelter doesn't need to be elegant; it only needs to be safe, and a person who cannot build a shelter can reduce the radiation hazard one-half by staying inside his house away from windows and doors.

For more information on how to build or what to do, contact your local Civil Defense Headquarters or your County Agent.

Verbena 4-H Girls Elect Officers

THE 4-H Girls of Verbena High School met in Mrs. Frances Guldridge's room at 8:30 A.M. on Thursday, November 1.

The meeting was called to order by Mrs. Johnnie Lane and she led the Club in the 4-H Pledge and the Pledge to the U. S. Flag.

Girls chosen for officer were the following: President, Cathy Carmichael; vice-president, Joyce Strength; sec-treas, Rene Cox; songleaders, Martha Ruth Robinson, Kathy Griffin, Beth Strength and reporter, Pauline Headley.

Mrs. Lane gave some instructive information to the officers concerning their duties. She also gave out some sheets telling the girls how to build their 4-H record books. The meeting was adjourned until December 6th.

Bud Gerald Writes "Thanks"

"I am deeply grateful for the vote given me in the general election, November 6th. I have always tried to put Chilton County first and will continue to do so. Justice is a precious part of our way of life; we must maintain it. Thank you again for the overwhelming vote of confidence. I will strive to fill the duties of my office with dignity and honesty."

L. F. (Bud) Gerald,
Deputy Solicitor

To The People Of Chilton County

Friends, I would like to thank each and everyone of you for the fine vote and support you gave me in the general election, November 6th. I hold no grudge against the one's who didn't see fit to vote for me and if I can ever be of any service to anyone at anytime, don't fail to call on me. Thank you.

November Supper Club Tonight

THURSDAY, November 15, at 7:00 P.M. will be the date and time for the November meeting of the 423 Supper Club, which will be held in the dining hall at the New Masonic Building on corner of 8th Street and 4th Ave. North. All members are urged to attend, and all others holding membership in any Masonic order in this vicinity are invited to visit with us. We have an interesting program planned, and believe that you will enjoy this hour of fraternal fellowship.

Verbena Baptists Hold Youth Meet

THE Verbena Baptist Church has recently organized for their young people a monthly youth meeting. It will meet Friday night, November 16 at 7 o'clock. Dr. James Swendenburg, Executive Secretary of Alabama Temperance Alliance will be the speaker. We are expecting to have a good service. All young people of the community are urged to attend.

Trade with your local merchant for those Christmas gifts. He will appreciate it - and you will profit by it!

TROY Maddox, well-known businessman in Chilton County, was killed Tuesday night near Southfield, N. C. at a railroad crossing. The vehicle he was driving stalled on the tracks and a train smashed into it.

Maddox was on his way to get his wife in Wilson, N. C. and they were coming to Clanton because of the death of Mr. Charlie Maddox, who was killed at Greenwood, Miss. in a truck accident. He was the father of Troy Maddox.

Spigener ambulance left Tuesday night at 11 o'clock to get the body of Troy Maddox and return it to Clanton for burial. Full details of arrangements were not available at presstime.

Mr. Maddox was the owner of Troy Maddox Motors, the Dodge dealer here in Clanton until it closed its doors some two years ago.

PTA Meets Tonight At Maplesville

THE Maplesville Elementary P.T.A. will meet tonight (Thursday), November 15th at 7:30.

The meeting will be at the school and all parents, friends and teachers are urged to be present for this meeting.

NOV. 11 - 17th we are supposed to become better acquainted with Hospitals across the nation. The Walsh's now live in Atlanta, Georgia.

A cordial invitation is extended everyone in this community to attend these services.

Revival Services Open At First Baptist

REVIVAL services will open Sunday morning, November 18, at the First Baptist Church of Clanton with Rev. Ralph E. Longshore as evangelist and Al and Ivy Walsh as singers. Services will be conducted each morning at 7:00 o'clock and each evening at 7:30.

Ralph Longshore, the evangelist, is a native of Gadsden, Ala. and a graduate of Howard College and the Southern Baptist Seminary. He has served as pastor in Alabama, Indiana, Tennessee and Oklahoma and taught in the Golden Gate Seminary in Berkeley, California.

Al and Ivy Walsh are not strangers to the people here, as they served this church in a most acceptable way in a revival two years ago. They are Canadians by birth and American citizens by choice. For a number of years they were in the entertainment world. Now they are devoting their full time and talents to Christian service. Al served with the Armed Forces in the Pacific during World War II and after his return gave his

time to entertaining in Veterans Hospitals across the nation.

The Walsh's now live in Atlanta, Georgia.

A cordial invitation is extended everyone in this community to attend these services.

Soil Testing Gives Answer Says Agent Sellers

"YOU can't look at soil and tell how fertile it is. You can't trust your judgement on how much and what kind of fertilizer must be added," says County Agent John Sellers.

He also explains that selection of the proper fertilizer depends upon the nutrient needs of the soil, and the nutrient-supplying power of the soil.

"Determining the nutrient need of your crops is like diagnosing human ills. The doctor observes the patient, obtains information by questions, then makes certain tests.

Similarly, a farmer can soil test to determine the soil's ability to feed plants a balanced diet. The test saves money by showing the kind of fertilizer to use and how much of it.

The question every farmer should ask himself is: Do I know the fertility status of my soil? If no, "Don't Guess - Soil Test!" You can obtain soil testing supplies at the County Agent's office, banks, feed and seed dealers, and vocational agriculture departments.

Local Team In Conference Playoff

Welterweight Playoff Here Saturday Night

THE Clanton Welterweights have tied with Columbiana for the Central Alabama Conference Championship.

The local team, under the able coaching of "Chick" Wade, will play the Columbiana team here this Saturday night at the Adair School Field. Kickoff time is 7:30 o'clock. The winner of this final game will be the Conference champs and will go to the Blue-Gray game in Montgomery.

Both teams have a record of 6 wins and 1 loss.

Here's your last chance to see these youngsters in action.

State CA Convention

THE Rev. Ira Stanphill, nationally-known song composer and publisher, will be the guest speaker, for the annual Christ Ambassadors Convention, to be held on Thanksgiving Day, November 22, at the Alabama Assemblies of God Headquarters located 10 miles southeast of Montgomery on US Highway 231.

Approximately 3,000 delegates representing 265 churches, will attend the services at 10:00 A.M. 2:00 P.M. and 5:30 P.M.

The Rev. Stanphill is the author of many church songs, among them are: "A Crown of Thorns", "Follow Me", "I Know Who Holds Tomorrow", "Super Time", "Room At The Cross", and "Mansion Over the Hilltop".

Rev. O. M. Dykes, State Youth President of the Alabama Christ Ambassadors, will direct all activities. He will be assisted by his vice-president, Rev. Nelson E. White, pastor of the Temple Assembly of God of Clanton. The public is invited to attend this convention.

CAPITAL KNOWLEDGE

UNITED STATES OF AMERICA
Washington, District of Columbia, is the seat of government. The District covers about 70 square miles on the northeast side of the Potomac River and is 38 miles southwest of Baltimore, Md. President George Washington was authorized to select the site for the capital. In 1791, Major Pierre Charles L'Enfant, a French engineer, was employed to draw up plans for the capital city. This he did in such a far-seeing way that Washington is today one of the most beautiful cities in the world. Congress held its first session in the new capitol in December, 1800. The first President to be inaugurated in Washington was Thomas Jefferson. Today the city covers the entire district, and is governed by three commissioners who are appointed by the President.

MR. AND MRS. JOHN D. YEARGAN CELEBRATE GOLDEN ANNIVERSARY

It was a happy occasion for Mr. and Mrs. John D. Yeargan when they celebrated their Golden Wedding Anniversary on Sunday, October 28th in their home.

Guests were greeted at the door by the hosts. Miss Shirley Yeargan, a granddaughter, registered the guests in the guest book.

The home was decorated throughout in gold and green. The dining table was covered with a green satin cloth overlaid with lace. The anniversary cake was four-tiered and done in green and gold with white wedding bells with gold lettering and topped with the figure 50 in gold. There were two six-branched crystal candelabra holding white candles with gold glitter. The crystal punch bowl was surrounded with mums in gold and

yellow tones. Mrs. Donald Yeargan, a daughter-in-law, presided at the punch bowl. The cake was cut by Mrs. Johnny Mac Taylor and Miss Sue Yeargan. The gift room, where many lovely and useful gifts were displayed was presided over by Misses Maveline and Emily Yeargan, granddaughters also. One hundred and twenty-five friends and relatives called during the hours from 2 to 5.

TEA-SHOWER FOR MRS. WAYNE LITTLE

Mrs. Hattie Little was hostess to a tea shower on Sunday afternoon, November 11th, honoring Mrs. Wayne Little (nee George Price) of Huntsville, recent bride.

Receiving the guests were the hostess who presented them to the honoree and her mother-in-law Mrs. Claud Little.

The living and dining rooms were decorated in pink and white gladioli and rosebuds. Mrs. Carl Baker, Jr. registered the guests from an appointed table with a single pink rosebud in a crystal vase. The dining table was covered with an imported linen cloth centered with an arrangement of pink roses. Serving at the punch bowl were Mrs. Kenneth Ray and Miss Judy Little alternating. Party cakes, mints carrying out the color scheme of pink and white and nuts were served with Mrs. Clyde Little assisting.

Misses Patsy and Donna Little received the gifts and they were put on display in the bedroom. Many guests called between the hours of 2 to 4 o'clock.

B&W CLUB HELD DINNER MEETING

The Chilton County Business and Professional Women's Club of which Mrs. Helen Atkinson is president, held its regular monthly meeting Thursday, November 8th with a dinner meeting at Bob's Restaurant with a large number of members and special guests attending. Mrs. Jewel Calloway, who was in charge of the program for the evening introduced the speaker Mr. James Adams, a member of the firm Cobb, Adams and Benton Architects of Birmingham, who gave a very informative talk on the subject of "Improving Our City".

The Club has for its project again this year decorating the Christmas tree for the Court-house lawn.

DON'T GUESS - SOIL TEST!

Nobody can look at a handful of soil—or a field—and tell what minerals it needs for best crop production. Anybody who tries this is simply playing a guessing game. Probably expensive guessing, at that. Without knowing what's needed, a farmer stands a big chance of using the wrong kind of fertilizer . . . or too much or too little of the right kind.

Soil testing . . . which finds out how much of what kind of fertilizers and lime are needed for a given crop in a given field on your farm . . . does away with guessing. It puts fertilizing and liming on a paying business basis.

Whether you have a farm or just a backyard garden, lawn, and shrubbery, soil testing is for you.

See your county agent for soil testing supplies and instructions.

A Goldmine For Both Builders and Developers

PICTURE WHAT THIS AREA WILL
BE LIKE IN JUST A FEW YEARS. . .

"Many have sought to buy lots here in the past,"
says Mr. Boozer. "This proves that this land close
to town with good schools, churches and other pub-
lic improvements is where good citizens want to
live. Every builder or investor knows his real profit
comes from being able to sell lots or houses quickly
at a good price. We believe you can sell houses easily
here. One look will show you that this is the
ideal spot for a model subdivision. To get ahead,
you must plan ahead. Be at this auction. Get the
best real estate in Chilton County at auction where
you set the price. Get a tract even if you have no
specific need for it, because you will share in the
appreciation in the value of surrounding land that
is developed."

Timber - Water - Lake Site - Paved Frontage

There is no waste land. There's marketable pine and hardwood on about 50 acres to provide for your
security, so cruise it now. WATER: All you can use when and where you need it. There's city water,
a bold branch and wells. Beautiful four acre lake site is a natural. GOOD FENCING: Nearly all the
land is under high grade barbed wire fence and cross fences with mostly treated posts. Good help
is available.

50 Acres Peaches

Peaches account for a high percentage of Chilton
County's multi-million dollar farm income, and
here is one of the most profitable orchards in
the county. The trees are only four or five
years old, and there's about 50 acres with eleven se-
lect varieties so you can sell from early to late
season. Trucks come from all over America to
pick up famous Chilton County peaches, or you
can develop your own premium price market.
Two acre site on U. S. 31 is ideal spot for road-
side stand. Get fine trees in their prime at an-
cient! Get income to quickly help you pay for
this property that will one day be covered with
houses.

2 ACRES OF LAND AND 1 ACRE UNDER
MODEL GREENHOUSE ON U. S. 31

Winter crops of tomatoes without soil — ready market — high profit — This development has
received wide acclaim, and the science of growing vegetables, fruits and flowers with chemi-
cals out of season has an unlimited future. This endeavor has proven successful, and will pro-
vide good income with surprisingly little work or worry. In the greenhouse, there are 25 du-
ble beds of tomatoes all 200' long. They're flourishing now, and will produce a bountiful crop
of high grade, luscious tomatoes with high calcium content in the dead of winter. Of course
you'll find a ready market and get a premium price for all you can produce. The layout is
complete with 161 4-ft. fans for cross ventilation, a pump with 36,000 gallon tank for irriga-
tion. Expand if you choose.

MAKE A THOROUGH INSPECTION NOW!

We have offered real estate of every description, but seldom land with so many features for pro-
fit, gain and all-round desirability. We invite you to check every detail of every acre. Com-
pare this investment with any you can make anywhere. See how it fits your needs now and
down through the years, then come and make your bid. Call our office should you want more
details, and illustrated BROCHURE!

Hello Friends

Clifford Lee Davenport

Is back before you again;

Thanking you the people
of Chilton County
for the Fine Vote
you gave me on
November 6, 1962

Friends: I want you the people to know that I appreciated
every effort that was made for me in this race for Board
of Revenue and Control. I appreciated every encourag-
ing word that was spoken in my behalf, thanking everyone
that worked at the Polls for their service; thanking the
Union Banner, Chilton County News and WKLF for their
fine services. I am still a free man and hold no grudge
at anyone; a man that's still interested in Chilton County.

Yours truly,

CLIFFORD LEE DAVENPORT

An Honor To Know You--

WE all look at "Trick-or-Treat'in" over the top of our glasses, and it's always pleasant to find that someone has taken the initiative to make something useful out of something that is completely worthless.

Such a thing has happened in Chilton County. Contributions to UNICEF this year, amounted to \$280.63 — probably a bit more, since this was not a 'grand total' count. But it didn't just happen to come in. The youngsters in the Clanton area, rather than wasteful Trick or Treating for their own satisfaction, turned out, in number, to help the needy children of other countries.

We feel they deserve recognition for their efforts in behalf of others and are publishing their names below. They represented the following churches in the area: Assembly of God, Catholic, Church of Christ, Church of God, Concord Baptist, First Baptist, First Methodist, Northside Baptist, Presbyterian, Seventh Day Adventist, Temple Assembly of God and West End Baptist. The youngsters included the following:

Chuck Kimbrel

They deserve the recognition, not for the specific cause so much, as for their willingness to sacrifice time and give effort to a cause which they felt was worthy of it. That is the Spirit of Brotherly Love in action, and it is very encouraging to see it displayed by so many of the younger generation.

A Good Impression--

DID you know that 87 percent of all the impressions delivered to the brain--are by way of your eyes? Which would indicate that to get a really good 'impression' folks have to SEE what you are talking about! Apparently nothing will ever take the place of the printed word -- it's the only way one can get a clear, detailed account of the thing they are interested in. In other words, it takes a 'looker' and a 'thinker' - first!

A Left To The Jaw; But Weak--

IT is apparent that a negative vote -- against the Kennedy Administration -- is what carried Jim Martin to a slim victory in Chilton County in the recent General Election over Senator Lister Hill.

There is no doubt that Mr. Martin made an impressive race statewide, but neither is there any doubt that, had it been another time, another situation, he would not have fared as well against such a man as Lister Hill. Martin was riding an "I don't like your opposition" bandwagon (against the Kennedys) but it was not popular enough to carry him to victory.

Chilton County, as a Republican stronghold, is no longer! The strength of the Republican influence has diminished greatly during the last several years. They are better organized than they have been for some time, but they do not have the vote-getting strength that was once so evident in local politics.

Anyone elected on the Republican Ticket from Chilton County, at least in the near future, will have to count on a very 'negative' vote by the Democrats, in favor of the Republican candidate.

They swung at us with everything they had -- and were found wanting. For the sake of clarity, however; we feel it only fair to warn that our guard has not dropped -- it's still up!

Too Expensive--

NOW we know why they only threaten of holding contested elections in every election that comes along! Someone said it would cost about a thousand dollars per county to contest a vote in a general election. It seems to be a whole lot cheaper to concede an election than to contest one.

Thanks To Advertisers--

THIS week marks the 52nd week of two series of advertisements in the News, which we know a lot of you have been interested in and have derived some enjoyment from. They were "Gems, Thoughts And Ideals" sponsored by Martin Funeral Home and "Capital Knowledge" sponsored by the Peoples Savings Bank. The News management and staff thinks that the series has been well-received by our readers and has been very informative--these two firms are commended for their choice of advertising in this particular case--they not only got their message to our readers consistently, each week--but they also entertained and informed at the same time. We were glad to cooperate with them in this series and appreciate their interest in our readers.

Count Your Blessings--

THANKSGIVING is next Thursday, November 22. And what have you to be thankful for? Most of us have so many things to be thankful for, that we do not know where to begin. A few in our midst honestly believe that they are the target of many wrongs--they like to think they are tragic figures. They are in a way; we feel sorry for the person who feels that the only heavy load in the world is his, and the most deprived and pitiful citizen is himself.

For goodness sake; count your blessings; see how much more good you have in life than you possibly deserve. Too many of us overestimate our own importance and worth; and underestimate the other fellow!

Thank God for whatever life you have, come next Thursday, and you'll enjoy a wonderful Thanksgiving Day--Happy Thanksgiving!

He's Makin' A List. . .

TOYLAND is open all over Clanton; and I would seem that old St. Nick will soon be coming to town! Probably, about now, he's making a list, and checking it twice; which might not be a bad idea for all of us. Giving is the very Spirit of Christmas, so you'd better decide now, what you're going to give, who to, and whether or not it will fit!

And if it don't fit. . . tell 'em to 'get into' the Spirit of things.

'Tis almost the Season to be jolly. . . but what's wrong with right now?

DEAR 4-HJANES

Last Monday the Concord 4-H girls met for their second meeting of hte year. This meeting was much like all the others being held this month, however, all the members at Concord turned in a copy of their project work. There are thirteen of these girls who are taking Food Preparation as a project, and each of them have done a good job on their project work so far.

Dean Foshee, daughter of Mr. and Mrs. Roy Foshee of the Refuse Community, has already cooked twenty - one dishes. Among these are many vegetables and also cakes and chicken. Velma Mims has prepared a total of twenty-five dishes so far this school year. The majority of her dishes cooked were also vegetables. She has also prepared cookies, cakes and pies.

Velma is the daughter of the John Lee Mims who lives on the Higgins Ferry Road, Clanton.

Another 4-H'er at Concord that also has a Food Preparation project is Diane Dunn. She has also been doing a lot of work on her project. She has prepared a total of twenty-three dishes, and it looks as though she is doing a very good job on her 4-H Club work.

From the above, I think you can see that our 4-H girls are doing a fine and commendable job on project work. Of course, the project mentioned above is not the only one chosen by 4-H girls in the county. We will talk about the others in the next few weeks.

Your Assistant.

HALT!

AND re-IDENTIFY YOURSELF!

Please try and Re-identify before January 1, 1963.

You must Re-identify before you can vote in any election after January 1, 1963.

You may Re-identify with the Board of Registrars on Saturday, November 3rd; Wednesday, November 7th; or on any 1st or 3rd Monday in each month or at the Office of the Judge of Probate.

Your cooperation in this matter will be appreciated.

'Christmas Mail' Rules For 'Men In Service' Items

THE period November 1 to November 20 has been designated for the mailing of Christmas parcels by surface transportation to members of our Armed Forces overseas. For airmail the period is December 1 to December 10. Greeting cards for the Armed Forces overseas should be mailed within the designated periods for "parcels" if they are to have a reasonable expectation of delivery prior to Christmas.

All articles should be packed in boxes of wood, metal, solid fiberboard, or strong double-lac corrugated fiberboard. All fiberboard boxes should be securely wrapped in heavy paper and tied with strong cord. A shipping list of contents and addressee should be enclosed in the parcel. Customs Declaration Forms are required on parcels to some destinations.

In addition to the articles normally prohibited in the mails,

**SODALITAN S.S. CLASS
MET MONDAY NIGHT**

Mrs. P. D. Ellison was hostess to her Sunday School Class of the First Baptist Church on Monday night, November 12th.

Mrs. Doyle McRae, president, opened the meeting with Mrs. Ellison leading in prayer. The devotional was given by Mrs. McRae the subject was Love, reading John 3:16.

In the business a Thanksgiving love gift for a worthy Clantonian was planned for also a Christmas Love Project for a needy family. The Christmas Party will be in the home of Mrs. McRae.

An enjoyable social hour ensued when the hostess served pie and coffee to members present, who were: Mrs. Grover Walker, B. F. Williams, McRae, Thomas Moore, W. A. Crowson, W. D. Hocutt, Tom Kemp, Flem Higgins, Referee Laneberry and a visitor, Mrs. Richard Sherrier.

**BAPTIST YOUTH CHOIR
ENJOYS SUPPER**

The Youth Choir of the First Baptist Church enjoyed a covered dish supper in the Fellowship Hall on Saturday night, November 10th, with 42 teenagers present. Mr. Cordell Harrison, Choir Director, had charge of the entertainment. Mr. and Mrs. Tom Widner, choir sponsors, did the planning and supervising of the various games. Everyone enjoyed the evening.

Prayer Meeting Wed. at 7 P.M. followed by meeting of all auxiliaries.

Preaching last Sunday was John Will Wyatt of the Concord Community Monticello College. He will be with us also next Sunday, due to the fact that our pastor, Bro. Meank, suffered an accident last Saturday and is now in the local hospital. Attendance was off Sunday. Don't let the pastor or John Will, and especially the Lord, down. Try to be present for every service.

A Little Bit O' Tuck . . .

BY BOB TUCKER

WHEN we read the following (from the Raleigh News and Observer reprinted in the Alabama Journal) we had to look twice to be sure our by-line wasn't under it -- it sounds a whole lot like the "Tuck" household:

"The mother with school children must think the old woman who lived in the shoe was as free of vexations as a wealthy spinster. When these days begin with tar on their feet and cobwebs in their eyes, the alarm clock tolls bedlam. Getting the children up is hard as getting an old-timey airplane off the ground. There is a frantic scrambling. Everybody eats with one shoe on and brushes his teeth around his sister's neck. The world is reduced to flying saucers of oatmeal, homework, socks and backtalk. Papa tries to be a militant police dog, but he must have swallowed a big bone. All he can do is whine nervously. The mama, with hair on curlers and no makeup, looks as if she barely escaped yesterday's scapling. Her world spins crazily with lost books, missing plants, lunch money and spilled milk.

However, the show gets on the road miraculously. The mother is so weak and jittery she couldn't pass fifth grade arithmetic, but in retting her kids to the school she has the same nervous sense of contrition that Euclid must have had when he first 'looked upon beauty bare'."

THANKS to Tom Sharnon and the boys at Thorsby for supplying the News with a weekly weather report to pass on to our readers. Something we all like to talk about, and pass a

little judgment on, is the weather!

If you haven't bought your car tag, and this is Thursday, it better not be after 4:00 P.M. And if you didn't read your paper on time and it's after Thursday, you'd better get someone to drive you down to the Court-house because your car is illegal!

MRS. Clara Mullins, who passed away on November 1st at the age of 81, taught Sunday School classes for more than 45 years. "Miss Clara" was an inspiring Christian woman and 'twas she who helped us to learn the books of the Bible; the Beatitudes and the 23rd Psalm. There is any doubt that a person like "Miss Clara" was needed and will be missed, just look around you at the people who have never been privileged to learn these things. She practiced her faith through the years, by giving it to others. A greater accomplishment cannot be made for the improvement of men's minds.

AND that reminds us of the story of "Little Bit". She too is a Christian who gives herself and her faith to others and is loved for it, by many. She gets quite a thrill out of telling about the little girl in her Sunday School class who was being questioned at home about her teacher. "I think," said the youngster, "she's Jesus' mother!" Quite a tribute to so humble a servant, and not entirely without merit -- if you accept comparisons!

HAD an opportunity to see the Clanton Volunteer firemen in action last Saturday morning along with Houston Nivens of the Alabama Power Company (also

a member of the Fire Department). As a team, these men work as smoothly as a well-oiled machine, and though they do not always "save the distressed victim", they are always on the ball and it's comforting to know. In this particular instance the building was a total loss, but it certainly was not due to any lack of efficiency on the part of "the team". They know their business, and go about it in a orderly, if hasty, fashion.

If anyone wants to name a really bad dose of medicine, it would suit to name it "Dick Nixon". According to all accounts, he is the most bitter after defeat that we have ever seen!

By Donald Martin

Turn an hourglass over and watch the thousands of tiny grains of sand go to work. Every grain is busy, trying and rushing to get through the small part of the glass. Notice that only one grain at a time can get through. There are times when we rush to get things done. We all have lots to do, but are we trying to shove too many grains of sand through at the same time? Do we have too many things going on at once, so that nothing is done well? For more efficiency, do one thing at a time--like the grain of sand, one at a time.

Your Telephone Manager

DID YOU KNOW that the telephone company has films, lectures and demonstrations on telephone and non-telephone subjects available for use by clubs, schools and organizations at no cost. Stop by your Business Office and pick up a booklet explaining these programs, then schedule (in advance) one of these interesting programs or lectures for your group.

A TELEPHONE OPERATOR answering a call with "Number, Please?" heard a voice reply, "Duston." "What number, Duston?" asked the operator. "No number, just Duston," replied the voice impatiently. "I'm dustin' the telephone."

YOUR VOICE IN PRINT... Scientists are learning that voices may be as distinctive as fingerprints. Several years ago Bell Laboratories scientists discovered a way to take "pictures" of voices. Now they are looking for ways to classify voices so that an unidentified voice can be matched against other voices already on file.

Six voiceprints were made of five voices saying "you." One said it twice. Which are from the same person? (Answer: Upper left and lower right.)

THANKSGIVING IS FAST APPROACHING and we hope you can be with your family on this special day. But if you can't, why not share the joy of the holiday by telephone. The sound of your voice across the miles is the best way to say, "I'm thinking of you. I wish I could be there." If you're one of the lucky ones planning a holiday trip home... call ahead. It's the quickest way to make happy plans. Whatever you do, wherever you are on Thanksgiving Day, your telephone company wishes you all the good things of this happy season.

Study Club Getting Ready For Christmas Parade December 7th

STUDY CLUB MET WITH MRS. F. N. SCOTT

Mrs. F. N. Scott was hostess to the Study Club of Clanton on Friday afternoon, November 2nd. Presiding was the president, Mrs. Robert Powers. She called the Club's attention to Federation Day of the General Federation of Women's Clubs, Alabama Federation of Women's Clubs and the Federation of the local Club in 1918.

Minutes of the October meeting were read by the secretary, Mrs. L. H. Borden, after which Mrs. J. E. Propst, the treasurer, gave her report. Mrs. Joe Moore, chairman of the Civic Committee reported that Mrs. Morgan Rey-

nolds, Mrs. Robert Powers and she had attended the First District meeting on October 19th in Fort Deposit. She stated that Mrs. Powers was chairman of the District International Affairs Committee. Mrs. Moore urged the members to help in the erection of a flag pole on the grounds of the Clanton Public Library, so the United States Flag, presented by the Cub Scouts Den 4, could be flown. She asked all the members of the Club to purchase tickets on the doll to be given away by the Hospital Auxiliary, proceeds from which will be used for the beautification of the Nursing Home grounds.

Members were also reminded to go to the Polls on (Nov 6).

Mrs. John Mullins, chairman of the Education Committee brought to the attention of the members, the name of one of our high school seniors, Colyn Moats, who has been selected along with one other boy from Alabama to go to our National Capital in January to see in person, the work of our National Government. Mrs. Mullins also gave the name of the books that are best sellers in fiction and nonfiction and the name of the opera and musical currently playing. She reminded the members of National Education and Book Week, November 11-17. The Mental Health Committee, Chairman, Mrs. Omar Reynolds, asked all to participate in Oper-

Baptist Churches Contribute \$2601.56 To Childrens Home

Gathering produce for the Children's Home at Troy (Baptist) was a great success, according to spokesmen for the Chilton-Unity Baptist Association. 32 churches brought in \$2,421.56 worth of produce and \$180.00 in cash, making a total of \$2,601.56 in all. According to M. Lockhart, "this represents a little more than was formerly announced since we located a batch of fruit from one of the churches,

that had not been counted."

"The Committee", he continued, "would like to say 'thanks a million' for such fine cooperation from the churches and the very good publicity given the project by the local press and radio station."

Some of the gifts included in the above total were individual gifts, not from churches as a group.

ation Santa Claus by bringing gifts to be sent to Bryce's Hospital.

Mrs. John Higgins, chairman of the Christmas Float Committee announced that the Christmas Parade would be on Friday, December 7. She asked all members who could to come and help decorate the Study Club float on Wednesday prior to the parade. Due to the date of the December meeting of the Club conflicting with the Parade date, it was voted that there would not be a December meeting.

The business session closed with the reading of the Club Collect.

Mrs. John Mullins presented the program. Her subject being, "Learn through Using Educational Television and Radio". At the close of the meeting refreshments were served by the hostess. She was assisted by Mrs. E. L. Mullins.

Pilot Club Wins Safety Award

MRS. AVA LECROY, president of the Pilot Club of Clanton made the announcement early Wednesday that a Pilot Club, Dalton, Georgia, had won first place Carol Lane Award of the National Safety Council.

A \$1,000 U. S. Savings Bond and a bronze sculpture symbolizing woman's protective instinct will be presented to the Dalton (Ga.) Pilot Club.

Ellis Geist, president of Geist Construction Company, built his own home on Arcadia Drive in Tuscaloosa, and installed the ELECTRIC heat pump.

Thomas L. Lake, building contractor in Northport, equipped this home of J. A. Boone with the ELECTRIC heat pump.

Heat Pump Assures Gracious Living Home Owners Say!

FLAMELESS, ELECTRIC Heat Pumps Receive Enthusiastic Endorsement From Tuscaloosa Home Builders

For the ultimate in comfort, convenience and gracious living the year-round, choose the FLAMELESS, ALL-ELECTRIC heat pump . . . that's the enthusiastic advice of three successful and prominent Tuscaloosa home builders.

"I have found through experience that the heat pump is unbeatable for even temperatures throughout the year," Ellis Geist, president of Geist Construction Company, asserts.

Declares Clifton Palmer, president of Cliff Palmer Construction Company: "The heat pump is the coming thing . . . its future is as secure as the refrigerator."

Thomas L. Lake, another prominent Tuscaloosa contractor, has built and sold several ALL-ELECTRIC homes. "I have owned two TOTAL-ELEC-

TRIC homes myself," he says, "and I have had wonderful experience with them." Buyers of heat pump equipped homes are equally enthusiastic.

The heat pump air conditions and cools in summer and heats in winter . . . automatically, efficiently and at only moderate cost. The heat is FLAMELESS, so requires neither vents, flues nor chimneys. Also unnecessary for its operation are expensive and unsightly water cooling systems.

If you are planning to build or remodel a home, discuss your plans with one of the Alabama Power Company's heating and air conditioning engineers. Wake Up... And Give Thanks!

(EDITOR'S NOTE: The following article is lengthy. It is the reason we do not have a 2 editorial column on page 2 this week; and we have contributed a great deal of Front Page space to this article because we think it is one of the best we have read on the subject and it makes a dandy Thanksgiving prayer, poem, editorial, reminder...)

Two years ago, in 1960, it was my duty to urgently warn our delegates in Miami that communism had gained already a strategic beachhead in nearby Cuba; that Khrushchov, Mao Tse-tung, Castro were dictators of the same order, driven by the same atheistic urge to dominate men and nations.

States today because, and only because, there is a dangerous flaw in our Nation's moral armor. Self-indulgence—the principle of pleasure before duty—is practiced across the length and breadth of the land. It is undermining those attributes of personal responsibility and self-discipline which are essential to our national survival. It is creating citizens who reach maturity with a warped sense of values and an undeveloped conscience.

There must be a moral re-awakening in every home of our country. Disrespect for law and order is a tragic moral illness. As Benjamin Franklin said, "Nothing is of more importance for the public weal, than to... train... youth in wisdom and virtue. Wise and good men are, in my opinion, the strength of a state; much more so than riches or arms."

third of the world's population and one-fourth of her land surface. The barbaric communist empire now stretches from the Wall of Berlin to the China Sea, from Asia's Mekong River to the Escambray Mountains of Cuba. In our country, this international conspiracy is represented by a bold and defiant Communist Party—fanatically dedicated to the destruction of our form of free government.

communist conspiracy. During the last 30 years, the United States has participated in hundreds of meetings with the communists—Teheran, Yalta, Potsdam, Panmunjom and Geneva. These meetings led to many agreements, almost all of which have been broken by Soviet Russia.

lows the Law of God; the other, no law. One is founded upon spiritual values; the other is complete secularism. One is characterized by deep religious conviction, the other, by ruthless, atheistic materialism. The communist world is a world of walls, searchlights, and guards—a prison for the heart, mind and soul.

HAPPY THANKSGIVING!
Address of J. Edgar Hoover, Dir. Federal Bureau of Investigation at the National Convention of the American Legion in Las Vegas, Nevada October 9, 1962

I referred also to the devastating encroachments of crime and corruption—avowed enemies of the very ideals upon which our Republic was founded. The poisonous effect of these enemies on the social, economic and political life of America is keenly felt.

Crime is a parasite, feeding upon public disinterest and moral lethargy. This day, more than 5,200 felonies—four serious crimes every minute—will be committed across the United States. They will include 430 crimes of violence—murders, forcible rapes, and assaults to kill. At least 250 robberies, 10 an hour will be recorded, as will 4,500 burglaries, major larcenies and automobile thefts.

More and more the judicial-legal system of this country is being revised to benefit the criminal—to the disadvantage of the innocent. More judges should speak out against this legalized perversion of justice.

The Communist Party, USA, is an alien force, an agency of a foreign power—the Soviet Russian government. Today, it is engaged in an intensive campaign to openly defy the law and destroy public confidence in our entire system of justice.

I repeat, a "soft" attitude toward communism can destroy us! We should unite as a people, around an intelligent, rational, sensible but very hard attitude against communism everywhere.

The United States is second to no nation in material wealth. From our free economy has emerged a standard of living beyond the reach of any communist-controlled people in the world. But, in luxury there is the danger of physical weakening and moral softness. Self-indulgence can prove fatal. It can accomplish from within what our most deadly enemies have been unable to do from without.

"AN AMERICAN'S CHALLENGE"
AT this critical hour in the life of our Republic, it is indeed a high honor to serve as keynote speaker for this great national convention. It is a great privilege to be thus honored by men and women who have demonstrated their patriotism and their courage in defending our beloved Nation.

Today, we stand at the same crossroads and are faced with threats identical to those which confronted us 16 years ago. These threats are accepted in some quarters as the normal climate of life, to be met with resignation or accommodation. The heavy inroads of international communist aggression continue with a terrible ruthlessness.

Since 1946, our national crime totals have more than doubled. Over the past five years, since 1957, these crimes have risen five times as fast as our growing population.

Too often, our parole boards are being influenced by impractical theorists—conference room "experts" who are without experience in the arena of action against crime.

There is not an avenue to the heart and mind of Americans that is not used to implant their false ideology. The communists are experts in the practice of treachery and deceit. Foremost among their targets have been America's young people, for the aim of communism is world youth and the capture and corruption of that youth.

Let us not forget that whenever we have stood firm, communism has retreated. From the moment the American Republic was conceived our country has achieved its proudest moments in the face of adversity. Valley Forge; Belleau Wood; Guadalcanal; Pusan, Korea—these are proud names in the Nation's history, places where our fighting men have risen to heroic heights to overcome deadly enemies. Challenge, not compromise—victory, not defeat—these words which have real meaning for true Americans!

We cannot defeat communism with socialism, nor secularism with pacifism, nor with appeasement or accommodation. We can only defeat communism with true Americanism.

We were aware however, that a brand of tyranny and fascism—Red Fascism—far more treacherous than that of Hitler and Mussolini, was emerging as a powerful threat on the international scene. By 1957, the virus of communism had spread in epidemic proportions, infecting vast areas of Europe and Asia. The stench of death from the brutal slaughter of Hungarian Freedom Fighters by Soviet hordes, paralleling the carnage of Genghis Khan, the Mongol conqueror of the 13th century, hung heavy in the world atmosphere.

We have failed to meet the postwar goals which America had established for herself because the "good men" to whom Burke referred—the forces for decency in our country—have failed in many respects to live up to their duties and responsibilities.

Nowhere has this increase been more pronounced than among America's youth. Last year, persons under 18 years of age were involved in 43 per cent of all arrests for serious crimes. They accounted for 22 per cent of the robbery arrests, nearly one half of the burglaries and larcenies, and well over half of the automobile thefts throughout the United States.

Responsibility for the wave of lawlessness now sweeping the Nation and the continued existence of conditions in which crime—corruption flourish, rests directly with the American people. The public, by its submissive attitude and its lethargic acceptance of infractions of the law, has helped create an atmosphere conducive to the invidious growth of underworld activity.

Colleges should bear in mind that communist speakers are not bound by any obligation to tell the truth. Today, there are 925 Soviet and satellite official personnel in the United States. The vast majority of them represent a cunning and dangerous espionage threat.

We must assume our strength—the moral strength endowed upon us by our Creator, the Author of Liberty. We must reaffirm our determination—the God inspired determination—to protect our freedoms and safeguard our democratic heritage at all costs.

Every strong nation in history has lived by an ideal and died when its ideals were dissipated. We can be destroyed only by our own gullibility. If we are not ready, we shall neither be Dead nor Red.

Crime and subversion are formidable problems in the United States today because, and only because, there is a dangerous flaw in our Nation's moral armor. Self-indulgence—the principle of pleasure before duty—is practiced across the length and breadth of the land. It is undermining those attributes of personal responsibility and self-discipline which are essential to our national survival. It is creating citizens who reach maturity with a warped sense of values and an undeveloped conscience.

What has happened to the time-honored precepts of hard work and fair play which influenced the American scene during the all-important formative years of this great Republic? Where is the faith in God which fortified us through our past trials? Have our national pride, our moral conscience, our sensitivity to faith and degradation, grown so weak that they no longer react to assaults upon our proud heritage of freedom?

It is utterly tragic that many otherwise intelligent people develop a blind spot with regard to the conduct of their own children. Until there comes about a greater degree of parental understanding—real interest, affection and concern—we will witness a continued upsurge in juvenile crime.

Crime has a sinister partner in promoting the breakdown of our moral standards. This partner is international communism—and aggressive and atheistic force which today controls one

One Soviet defector, a former intelligence officer, has estimated that between 70 and 80 per cent of the Soviet officials in the United States have espionage assignments. Years of personal experience qualify this man to speak with authority concerning the duplicity, the deception and the deceit which are inherent in every phase of the international

There is a vast difference between Americanism and communism. One teaches morality; the other, expediency. One follows the Law of God; the other, no law. One is founded upon spiritual values; the other is complete secularism. One is characterized by deep religious conviction, the other, by ruthless, atheistic materialism. The communist world is a world of walls, searchlights, and guards—a prison for the heart, mind and soul.

To foster the cause of liberty and justice—this is the goal of America and the goal of every Legionnaire. This goal has been challenged by communism and crime. America has accepted the challenge and we must and will meet it successfully. We are a god-loving people. This is our greatest strength. Let our national motto always be, "In God we trust!"

F. E. Wray Chosen "Kiwanian of The Year"

MUTT Wray was selected as the Outstanding Kiwanian of 1962 by the local Club. All jobs that Mutt was called upon to do, were done promptly and efficiently, says the citation. Mutt was the chairman of the Boy and Girl Scout Council. A Special Committee was appointed to draft the following citation:

WHEREAS, Kiwanian F.E. (Mutt) Wray has, by his loyalty, devotion, love and work with organizing Boy Scouts' Troops; enlarging scout hut; promoting scout counselors; Kiwanis Radio Program Day; Little League Baseball Program; Nurses' Training Scholarship Program; better health program for underprivileged children; by living, and leading, an exemplary Christian life, and other benevolent and humanitarian acts, enabled Clanton Kiwanis Club to render helpful services to mankind.

NOW THEREFORE, BE IT RESOLVED: That the Clanton Kiwanis Club does hereby issue this Citation of Commendation to Kiwanian Mutt Wray for outstanding service to Clanton Kiwanis Club, and the people of this community.

IN WITNESS WHEREOF, The Clanton Kiwanis Club has caused this citation to be executed by its President, and attested by its Secretary, on the 15th day of November, A.D., 1962.

Clanton Kiwanis Club
Orus L. Bennett, Pres.
Attest:
Lawrence F. Gerald, Jr.
Secretary

After President Bennett read the Citation and presented Mutt with a nice plaque the group sang "For he's a jolly good fellow."

The code of ethics under which the Kiwanis International operates was also read to the group.

Gospel Film At Temple Assembly

FILMED over a mile below the surface of the earth, the new sound motion picture film release "Dark Valley" will be shown at the Temple Assembly of God at 8:00 P.M. Sunday night, November 25.

"Dark Valley" shows the drama, tension and emotion involved when three men face the stark reality of death at any moment. Superb acting and outstanding photography of this production are combined with a message of eternal value that makes this film a must for the entire family.

This Gospel film, 40 minutes in length, was awarded the honors of being selected as the best religious film of 1961.

Pastor Nelson E. White invites the public to attend. The Temple Assembly of God is located three miles east of Clanton on Temple Road.

FOLKS and THINGS About Town
by Ben

JUST the other morning, when the wife was on her way to the dentist, we were a bit early, so we stopped at the Dixie

for a cup of coffee. J. E. Easterling said he didn't have to go to the dentist anymore—he just sent his by Jessie!

A WEEK or so ago when we had our first cool spell, Hyram Littlejohn pulled a boo-boo! On the first cool morning he rushed to the farm, gathered a pile of wood, filled his big black pot, brought his water to a boil, and then remembered he didn't have a hog to kill.

We wish to apologize to Mrs. H. H. Williams of Washington, D. C. We inadvertently left her name out of the list of out-of-town visitors at the funeral of her sister (Mrs. Pierce) last week. This was an error for which we are very sorry.

IT is with regret we learned last week of the accident to Rev. J. T. Meank. We understand he is much improved, but his recovery will be slow. He was working beneath his car when it fell on him. He is in the Chilton County Hospital.

AS of now, it looks as though we are in for a rainy, wet, Thanksgiving. It may dampen you physically, but do not let it prevent you from thanking the Good Lord for the many, many blessings that have been handed to us in the past 365 days.

Retarded Children Association to Meet

THE Chilton County Association for Retarded Children will meet Tuesday, November 27 at the Clanton Civic Hall.

Mr. Harkins, of the Vocational Rehabilitation Service will be in charge of the program. Everyone is invited.

MESSRS Ed Mullins and Roscoe Williams went to Pensacola Monday to inspect an aircraft carrier and naval yard. They were invited to go on this trip by the Chamber of Commerce in Selma.

EXPECT FROM HIS BANK?

He should expect to feel comfortable and at home the moment he walks through the doorway. He should expect to find complete banking services without having to go elsewhere for one or two. He should expect to receive safety for his deposits... earnings on his savings... protection for his valuables... credit when he needs it for a worthwhile purpose. In short, he should expect to receive the kind of service that we strive to give those who bank with us.

PFC MYRICK RECEIVES SAFE-DRIVING AWARD IN GERMANY

Giesen, Germany—Army Pfc. Robert Myrick, Jr., 23, whose father lives in Oakman, Ala., recently received a safe driver award in recognition of his outstanding driving record while assigned to the 543d Ordnance Company in Giesen, Germany.

Myrick, an automotive repairman in the company, entered the Army in November 1961 and completed basic training at Fort Chaffee, Ark., before arriving overseas last May.

SEAMAN CLACKLER COMPLETES BASIC TRAINING

He is a 1956 graduate of Verden High School. His mother, Mrs. Lottie Earnest, lives on Rt. 2, Verden.

Jerald W. Clackler, son of Mr. and Mrs. Claud W. Clackler of Route 1, Clanton, completed recruit training on November 9 at the Naval Training Center, San Diego, Calif.

During the nine-week indoctrination, recruits receive training in physical fitness, seamanship, basic military law, military drill, swimming and survival first aid and customs and traditions of the naval service.

Each recruit receives tests and interviews to determine his future training and assignments.

HIGGINBOTHAM RECEIVES ENSIGN COMMISSION

Official Photograph, U. S. Navy Pensacola, Fla.—Harry E. Higginbotham, son of Mr. and Mrs. Harry S. Higginbotham of Maplesville, receives his commission as an ensign in the Naval Reserve from Captain J. H. Caldwell, commanding officer of the Naval School of Pre-Flight at the Naval Air Station, Pensacola, Fla. Miss Maryellen McLeod attended the ceremony.

The ceremony took place Oct. 12, when he was graduated from the school under the Navy flight training program. The course at the school covers pre-flight and officer indoctrination subjects.

Upon graduation, students enter basic flight training, where they will learn to pilot a single engine aircraft and navigate on instruments.

Flight training, including experience flying jet aircraft, lasts 18 months. At the end of the training, students receive the symbolic gold wings of a qualified naval aviator.

Ens. Higginbotham entered the service in June 1962. He is a graduate of Alabama College at Montevallo.

PVT. PARKER 'AIRLIFTED' FROM GERMANY

Baumholder, Germany—Army PFC Fred A. Parker, son of Mr. and Mrs. James E. Parker, Plantersville, is a member of the 1st Battle Group, 28th Infantry, which was airlifted from Baumholder, Germany, Oct. 15 to Ft. Benning, Ga.

The battle group will be the first to return to the U. S. from Europe under ROTAPLAN, the Army's new rotation system. ROTAPLAN is designed to expedite the movement of troops between the two continents. Under the new system, battle group-size combat units will be stationed in Europe for six months and in the U. S. for 18 to 36 months.

Parker, a driver in the groups Combat Support Company, received basic training at Fort Jackson, S. C.

The 19-year-old soldier attended West Blocton High School.

WHAT kind of business institutions—these ELECTRIC CO-OPS?

They have brought light and power to Alabama farms and rural homes, schools and churches where there was no power or light before. They have made possible the decentralization of industry into rural areas. They have opened up a vast new market for all sorts of electrical goods and services.

Rural Electrics are free enterprise at its best, —good for all Alabama.

Can you afford to let selfish interests kill off these gains?

A Little Bit

Tuck... BY BOB TUCKER

DO you know what conformity means? We were reading an article the other evening which dealt with an Englishman's tour of one of our college campuses and he was truly amazed at how everyone made strenuous efforts at being "just like everybody else". This is carried too far in our every age group in our American way of life. We all seek the Status Quo, rather than seeking the individuality which the Lord gave to each of us. It is not a healthy thing for us to think hard to be "like everybody else". We all have individual talents, wants, abilities and capabilities. It is wrong for us to "smother" our individual traits just so we won't be different. We ARE different, that is one of the beautiful things of life. You are doing yourself and the world an injustice by seeking to be something you are not; and by looking for qualities which you do not possess just because it looks popular. You may be killing some better quality in the process and your "popularity" can only increase by showing your unlike qualities — not the common ones!

IF you are interested in Indians, shrunken heads and 500 years ago, be sure to read the informative of the Fourth Grade trip to Moundville State Park, an issue of the News. The students have written vivid accounts of their trip and they are very interesting and more educational than the usual account of such things on. The teachers responsible for this "field trip" are to be commended for exposing these youngsters to a glimpse of the past and a lesson on the scene — of Alabama history.

RAY McGee, 10-6g teacher at Jemison High, is doing a fine job with his Future Farmers of America there. They have a brood herd of registered hereford cattle, including a bull; just purchased a new tractor, already own clear a combine; have several acres of land under cultivation; are equipping their shop at school with modern equipment for maintaining their equipment and making new equipment; and have a complete stand, used at school activities, which brings them some ready cash. These boys, under their capable leader, are making great progress and we would think that they are gaining some invaluable knowledge about living from their efforts. The basic ingredients for their success includes foresight and lots of hard work and planning—the things which made America strong. It's wonderful to find that these principles are alive and being maintained by our younger generation.

THE loss of some fellow's boot sure made the Number One Team in the "football nation" look bad last Saturday. That "boot" has a way of making heroes and dethroning them, all in the same point!

YEP, last Saturday was Georgia's day alright! Tech stemmed the mighty Tide and State tore up Auburn's U.S. morale some'n fierce. Just one thing though: there had better not be a drummer from Atlanta come in to sell us anything for the next week or two. We're sore losers, and both our home teams "got it" last week. Any Georgian trying to sell us anything is going to have a hard-sell case on his victorious hands!

WINNING and losing reminds us of a note, to which our attention was called, where a local columnist (The Man On The Corner) reminded his Republican "bedfellows" that they fought a clean fight (the recent election) and did their job well, etc., etc., and then he said: "And what more could one ask?" We were always under the impression that there WAS something to be said or "winning". We believe strongly in "how you

YOUR HEALTH

CARTILAGE

The surface of cartilage is three times as slippery as ice. Cartilage is that gristle or elastic substance between the ends of bones in joints which gives resiliency to motion. Without cartilage at the joints, there is friction like in a rusty hinge. To have normal action at a joint, the formation of the bones that make the joint must be normal. Then the covering that lubricates the joint must moisten it just enough and not too much; the muscles that control the motion of the joint must function correctly; and finally, the associated cartilages and ligaments must have strength and elasticity.

What causes a wearing out of the joints? Wear and tear in joints of the human body imply a deterioration of cartilage. This implied deterioration ranges in degree from mild thinning of joint space to complete loss of all the cartilaginous surface.

Does the cartilage wear out; and if so, what is responsible? Aside from congenital and developmental defects, there are many factors causing trouble at the joints, such as fractures, dislocations, penetrating wounds, infection, and neuromuscular diseases.

It has been shown that degeneration of cartilage occurs as a part of the aging process and is speeded up by injury or infection. But as for the effects of wear and tear in joints, this is only observable in those joints in which degenerative changes have already started. Authorities say there is no evidence that degenerative changes in joints are caused by normal wear and tear.

THE pecan crop in Alabama is practically all this year, and Chilton County seems to be no exception. Here at our house, we have a great big pecan tree in our side yard which is about humpteen years old and as many feet tall and it just got plump tuckered out this year and didn't produce a'fall. Other folks say the same thing about their trees and it reminds us that if we all had last year's crop on this year's market, pecans would be high on the demand list!

JOINING with the other momentous occasions in history which took place during the week before Christmas, the News will add its "10-cents worth" this year. On December 17, 1903, the Wright Brothers took off for the first time; on December 21, 1920, the Pilgrims landed on Plymouth Rock; and on December 22, Winter begins. Well, between the time the Wright boys took off and the day the Pilgrims landed, the News will produce not one, but TWO issues; one on Tuesday the 18th and another on Friday the 21st. We're going to "take off" and "land" the same week! How's that for doubling up history? The occasion is to give our employees some time off for Christmas and to give you the "Christmas Edition" of the News before Christmas. And remember... you are there!

JESSIE Charles Mims told his doc that if the flu shot he gave him, made him sick and put him in the hospital, then his doctor and hospital was automatically paid. The doc said: "Boy, you've got rocks in your head; I just give 'em, I don't guarantee 'em!"

ROGER DAVID is the new son of Mr. and Mrs. Vernon Cleckler. He was born Tuesday before last at the local hospital and wouldn't you know it... he was out of town almost till the time it was all over. He is doing all the shouting' how ever, which is natural — do none of the work and all the bragging. Congratulations on number five for the Cleckler clan: three girls and two boys. And Papa says he isn't tired — he's retired!

This week's Kiwanis Club meeting was an outstanding one. The attendance was extra good which always helps any meeting. This was also an inter-club meeting with the Denopolis Kiwanis Club and the following Denopolis members were present: Lloyd F. Jones, Howard Parr, Clarence Brooker, Ed Spar and Phil Pfaffman. It was a pleasure to have these fellows with us and each gave a short report on their activities.

We were also privileged to have Mrs. Mutt Wray, Mrs. Charlie Patterson, Mrs. Bud Gerald and Mrs. L. G. Nichols with us for this meeting.

President Bennett reminded us of our meeting for next week that is to be held in the lunchroom of the Verbena High School and will be recognizing Farm and City Week in Chilton County. We are looking forward to having quite a number of farmers at that area meet with us at that time.

Trip To Moundville Annual Event For 4th Grade

PENNY NORRIS REPORTS—

Mrs. Moore's fourth grade class of Chilton Elementary School went to Moundville November 2. We all wore Indian costumes including Mrs. Moore. Mike Hayes and Randy Kelly did the best work and they got to wear real Indian headresses.

Moundville is located in Hel County on the Black Warrior River and was a village and burial ground of the Indians about 100 years ago.

Today Moundville is known as Mound State Monument. The area is made up of 320 acres of mounds, burial grounds and a museum is built over open burials, just as they were uncovered by the Archeologists.

First we went to the museum where we saw the pottery and other things which belonged to the Indians.

We saw about 35 burials. All of their pottery and other belongings were buried with them because the Indians believed they could use them in their other life.

We were shown a color movie about the Moundville Indians. The museum attendant explained how the Indians built their mounds by carrying basket after basket of earth to a certain spot, dumping the earth and returning another load. On top of each mound the Indians built a building which was most likely a temple or a council chamber.

We then went to the picnic area on the banks of the Black Warrior River and enjoyed a picnic lunch.

In this area was a souvenir shop. Most everyone bought a souvenir which was made by the Cherokee Indians who now live on the reservation in North Carolina.

After that we climbed two of the largest mounds and made believe we were Indians as we did the Indian Snake Dance on top of one mound. Some of our mothers, also a lady from Florida made our pictures while we

were dancing.
Then we returned home talking about our wonderful trip to Mound State Park.

DEAR 4-H JANES

FOODS-RECORD AWARD
TO MISS JANICE SHANKS

Last Friday, November 16th, Janice Shanks was presented an award for having one of the most outstanding Foods Records in Chilton County. Mr. J. L. Kelley, principal of the Maplesville High School, where Janice is a ninth grader, presented this award to her at an assembly program.

The award given to Janice was a copy of the General Foods Kitchen Cookbook and was presented by the General Food Corporation.

Brotherhood Supper 29th

By M. G. FIELDS, Supt. of Miss.

The Associational Brotherhood Department leaders made some changes for the Quarterly Meeting to be an Orientation Supper Meeting Thursday, November 29, 7:00 P.M. at the First Baptist Church, Thorshy.

The speaker will be Dr. W. J. Isbell, Jr., Secretary of the State Baptist Brotherhood Department who will also supply the men of the churches literature for instructions concerning officers duties and other phases of the Brotherhood and Royal Ambassador work.

The pastor and at least one man from each church, whether they have a Brotherhood or not, are invited and urged to attend. The host church will prepare and serve the supper, and the State Brotherhood Department will pay the bill. The interest manifested by many men of the churches for spiritual progress encouraged the leaders of the Associational Brotherhood Department to plan this meeting.

BILL SNIDER REPORTS—
On Friday, November 2, the Fourth Grade Class of Mrs. Leila Belle Moore went to Moundville.

Janice has been a 4H member for the past four years and every year she has had Foods and Nutrition as one of her 4-H projects. She has cooked a number of meals and has also helped prepare meals by preparing dishes. She has also had Baking projects during her years in 4-H. At the County 4-H Rally last spring, she was presented a medal for having an outstanding record in Foods.

Janice has been an outstanding 4H'er and served as Secretary of her Club last year. She is now a member of the Maplesville Older Youth Club. She is the daughter of Mr. and Mrs. H. E. Shanks and has two sisters, Judy and Jenny, who are both 4-H Club members, and a younger brother.

Congratulations to Janice!
Your assistant,

Next we saw a picture about Indians. Then we saw 35 Indian skeletons.

We then went to this mound B which is the largest mound on top of one of the mounds we did the Snake Dance and made pictures of our group.

Everybody returned home safely, rejoicing over a perfect trip.

—Bill Snider

Does change-of-life make you feel older than you are?

About Your Health

by Dr. R. I. Schattner

SORE THROATS

The Fall months herald the beginning of college football, chili weather . . . and the "sore throat season."

Each year, millions of Americans suffer a variety of illnesses which they lump together under the common complaint, "my throat is sore."

A sore throat may be a warning sign that a more serious condition is on the way. When a sore throat is accompanied by fever, or when it seems to "linger," a physician should be consulted promptly.

As most sore throat sufferers know, the pain and discomfort associated with it are difficult to relieve.

Gargling is of little value since we only gargle to the back of our teeth. A medication should reach into the deep areas of the throat to bring relief.

A new, non prescription medication which promptly relieves the pain of a sore throat while destroying bacteria locally in the throat is now available.

By using this topical anesthetic and antiseptic mouthwash (trade name: Chloraseptic) sore throat sufferers will be able to, literally, spray pain away — within seconds.

While infections are one of the major reasons for sore throats, your throat may become sore from other predisposing factors such as excessive smoking, hot, spicy foods . . . or even talking.

The most important thing to remember about a sore throat: **DON'T IGNORE IT!**

A Twist For Tradition!

Just for a change — serve a mincemeat dessert in a beautiful jellied mold instead of in a pie crust! It's delicious and as festive as can be. A delightful variation of the recipe is easily made by folding ½ cup whipped cream into the gelatin right after adding the mincemeat and walnuts.

JELLIED MINCEMEAT

1 regular size package (3 ounces) Jell-O Cherry Flavor Gelatin
1 cup boiling water
1 cup cold water
1 cup moist mincemeat*
¼ cup chopped California walnuts
if desired, ½ package (4-½ ounces) condensed mincemeat may be used. Prepare as directed. Cool.
Dissolve gelatin in boiling water. Add cold water. Pour ½ cup mixture into 1-quart mold or divide among 6 individual molds. Chill until almost firm.
Chill remaining gelatin until slightly thickened. Then fold in mincemeat and walnuts. Spoon onto gelatin in mold. Chill until firm. Unmold. Serve with sweetened whipped cream, flavored with rum extract, and garnish with whole maraschino cherries and mint leaves, if desired. Makes 6 servings.

THANKSGIVING DAY GREETINGS From The "NEWS" Staff

Governor Talks Turkey

That big smile on the face of Gov. John Patterson, right, shows his pleasure over receiving this 18-pound white gobble from the Alabama Turkey Assn. The governor, looking forward to a holiday meal of roast turkey, issued an invitation to all Alabamians to join with him in enjoying turkey and other poultry products during the Thanksgiving-Christmas season. Shown

from left are W. C. Bates Jr. of Fort Deposit, president of the Alabama Turkey Assn.; Morris Putnam of Hope Hull, president of the Alabama Poultry Industry Assn.; pretty Jerolyn Ridgeway of Fort Payne, reigning Alabama Poultry Queen; Allen Brown of Auburn, Extension Service poultry marketing specialist, and Gov. Patterson.

Gala Pineapple Holiday Dessert

Golden pineapple, green creme de menthe, crumbled macaroons and whipped cream are combined in this gala two-tone dessert mold with a lime gelatin base. Circle the mold with pineapple rings and top with red and green cherries for a gay holiday touch. Tropical Creme de Menthe is an elegant make-ahead that will serve 8.

TROPICAL CREME DE MENTHE DESSERT

1 (1-pound 4-ounce) can pineapple slices
Water
1 (8-ounce) family-size package lime flavored gelatin
Juice of 1 lemon
¼ cup green creme de menthe
¼ cup whipping cream
½ cup crumbled macaroons
Red and green cherries
Drain pineapple, reserving ¼ cup syrup. Measure remaining syrup and add enough water to make 2 cups liquid. Heat liquid and dissolve gelatin in it. Add lemon juice. To a little more than half of gelatin add creme de menthe and the reserved ¼ cup pineapple syrup. Chill until syrupy. Place remaining gelatin in bowl of ice or in freezer to chill. When thickened but not firm, fold in stiffly whipped cream and crumbled macaroons. Turn into oiled 6-cup mixing bowl or mold. Chill until firm. Stand drained pineapple slices around sides of bowl or mold on top firm white layer. Dice any leftover pineapple and add to syrupy creme de menthe gelatin. Spoon over firm white layer. Chill overnight or until firm. Unmold and garnish with additional pineapple, if desired, and red and green cherries. Makes 8 to 9 servings.

Turkey Encore Second-Day Feast

Leftover turkey becomes a second-day feast when combined with peas and mushrooms in a delectable sauce, and served shortcake fashion over hot corn bread. The creamed turkey mixture is made in one saucepan in a matter of minutes — an idea welcome to any cook. The full-flavored creaminess and smooth body of the sauce is due to double-rich evaporated milk used in the preparation, to say nothing of the extra food value which this whole milk concentrate provides. The shortcake is a whiz, made from a convenient corn bread mix with chopped green pepper for flavor accent.

TURKEY ENCORE

1 package frozen peas (10 oz.)
2 cups cut-up cooked turkey
1 tablespoon butter
¼ cup chopped pimiento
2 teaspoons grated onion
1 can mushrooms (4 oz.)
5 tablespoons flour
1 tall can evaporated milk (1-½ cups)
Hot corn bread
Cook peas according to package directions, but shorten cooking time to 3 to 4 minutes. Stir in turkey, then butter, pimiento, onion, mushrooms with their liquid. Remove from heat. Stir in flour, blending well; then gradually stir in evaporated milk. Return to heat and cook over medium heat until thickened, stirring constantly. Add salt, if needed. Serve hot over Pepper Corn Bread. Makes 6 servings.

To make Pepper Corn Bread: Prepare 1 package corn bread mix (10 oz.) according to package directions. Mix in ¼ cup finely chopped green pepper. (If milk is called for, you can substitute evaporated milk diluted with water.) Bake according to package directions. When ready to serve, split hot corn bread into two layers. Ladle half of turkey mixture over bottom layer, spreading evenly. Replace top layer and ladle over remaining turkey mixture. Garnish with parsley, if desired.

Mr. and Mrs. W. C. Davidson and Mr. and Mrs. Clifford Jones and son Alex spent the week-end in Atlanta, Ga., and attended the Ala-Ga. Tech out game on Saturday.

Mr. and Mrs. W. S. Redden of Pace, Miss and Miss Miriam Golden from the University of Alabama will be the guests of Mrs. W. C. Golden and Mr. and Mrs. Bill Reid during the holidays.

Mr. and Mrs. Ed Nunn spent the long week-end in Jeanerette, La. with Mr. and Mrs. Robert Landry.

MRS. Charles Carter and daughter Joy Kise returned home Friday after a week's visit with her grandparents Mr. and Mrs. O. D. DeLoach while her husband, Rev. Charles Carter, attended the State Baptist Convention in Montgomery.

Interest In
Fallout Shelters
On The Increase

INTEREST in fallout shelters in Chilton County has increased in the face of the current Cuban crisis, County Agent John Sellers said this week.

"Our immediate need is for shelters to guarantee protection from temporary hazards that follow an enemy nuclear attack," said Sellers.

Since many areas don't have community shelters, nearly every rural family along with many other families should consider a home fallout shelter.

Fallout radiation can be kept out only by the thickness of shelter-shielding materials. Three feet of earth cover guarantees safety for any underground shelter. Equal protection is also provided by three feet of brick or two feet of concrete cover.

Although a minimum of 10 square feet of floor space per person is essential, more space is desirable. Location, of course, determines the size of the shelter.

Inside the shelter or nearby, there must be room for storage of food, water, sanitary containers and other supplies. A two-week supply of food and water is needed. Allow one-half gallon of water for each person each day.

The cost of a simple fallout shelter is about \$75; complex ones will cost more depending upon the type of material used. Most of the designs depend upon do-it-yourself construction.

A battery radio, which is needed in the shelter, will usually require an outside aerial. Four one-cell batteries will provide light when wired to a 150 milli-ampere flashlight bulb. Although dim, this light will provide continuous light for at least 10 days.

A shelter doesn't need to be elegant; it only needs to be safe, and a person who cannot build a shelter can reduce the radiation hazard one-half by staying inside his house away from windows and doors.

For more information on how to build or what to do, contact your local Civil Defense Headquarters or your County Agent.

Soil Testing Gives
Answer Says
Agent Sellers

"YOU can't look at soil and tell how fertile it is. You can't tell your judgement on how much and what kind of fertilizer must be added," says County Agent John Sellers.

He also explains that selection of the proper fertilizer depends upon the nutrient needs of the crop and the nutrient-supplying power of the soil.

"Determining the nutrient need of your crops is like diagnosing human illness. The doctor observes the patient, obtains information by questions, then makes certain tests.

Similarly, a farmer can soil test to determine the soil's ability to feed plants a balanced diet. The test saves money by showing the kind of fertilizer to use and how much of it.

The question every farmer should ask himself is: Do I know the fertility status of my soil? If no, "Don't Guess - Soil Test!"

You can obtain soil testing supplies at the County Agent's office, banks, feed and seed dealers, and vocational agriculture departments.

"Rich relatives seem to have one big advantage. They always live long."

The Old Timer

The Brotherhood Department of the Chilton-Unity Association will highlight the November Quarterly meeting with a Supper Orientation program Monday, November 29, 7:00 P.M. at the First Baptist Church, Thorsby.

Dr. W. J. Isbell, Jr., Secretary of the State Baptist Brotherhood Department, will be the leader and speaker. He will also supervise.

Baptist Brotherhood
Supper Program
Monday 29th

The host church will prepare and serve the supper meal. Each place will have a super-addressed card of food. The State Brotherhood Department will pay for every plate. The host church will have to know how many plates to prepare. Each pastor and other leaders will receive a program and a self-addressed postal card to fill out suggesting the number of men who will attend the supper and mail it immediately.

This will be one of the finest opportunities of training in Brotherhood and Royal Ambassadors work we have experienced. It is unusual and outstanding and will be very inspiring to all the pastors and men of the churches.

Pranksters
Warned!

THE Post Office Department receives numerous complaints of damage to rural and curb mail boxes during holiday seasons. Mr. T. P. Dalv, Postal Inspector in charge of this (Chilton County) region issues this warning:

"The Postal Inspection Service warns pranksters to leave mail boxes alone unless they want to face prosecution. It is a violation of Federal law to injure, destroy or do damage to a letter box, or any other receptacle used to receive mail or to deliver it. Likewise, it is a violation of Federal law to damage, open, or otherwise tamper with any mail in mail boxes. A thorough investigation will be made of any complaint about damaged mail boxes or mistreatment of mail therein, and a full report of the investigation will be presented to the Department of Justice.

"The maximum penalty for violating this law is a \$1,000 fine, or three years in prison."

R. R. SUTLEY,
Postmaster

State Records Set
By 4-H Quartet

Clothes, food, canning and safety are the main 4-H interests of three Alabama girls who have won trips to the 41st National 4-H Club Congress in Chicago Nov. 25-29.

The three 1962 state winners in 4-H projects are Karen McGarrath of Greensboro, Anita Monrope of Marion and Katharine Davis of Sawyerville.

The three teen-agers will be among 1,500 delegates to the congress selected by the Cooperative Extension Service.

Another Alabama teen-ager, Jane Horn of Dothan, has received a wrist watch for winning top 4-H honors in beautification of home grounds. Miss Horn, 17, is a daughter of Mr. and Mrs. Clayton Horn, who operate a 505-acre farm.

An accomplished speaker, Miss Horn is secretary-treasurer of her 4-H Club and is active in the Houston County 4-Hers.

Miss McGarrath, 15, has won several Hale County prizes for her ideas and projects concerning safety in the home, community and state. She is a daughter of W. M. McGarrath.

"Four-H work is very important in my life," Miss McGarrath says. "I hope in the future I can share this learning with other people even more than I have in the past."

Miss Moore, 17, makes approximately 75 per cent of her own clothes and likes to model the outfits she makes. She is a daughter of Mr. and Mrs. Aubrey Moore.

Miss Moore won her congress trip with a stunning version of an evening dress. The strapless dress was crafted of pink tulle and embroidered with the name of the Misses McGarrath, Moore and Davis are gifts of General Motors, Simplicity Pattern Co. Inc. and Kerr Glass Manufacturing Corporation in the order named.

Miss Horn's watch was donated by Mrs. Charles R. Walgreen, Chicago.

Minceat Squares A Delightful Gift

No holiday gift is as meaningful as one from your own workshop. To a homemaker, that "workshop" is likely to be her kitchen. And why not? Confections, breads, preserves and cookies you've created are a thoughtful present to friends. Use your imagination in selecting inexpensive but ingenious containers in which to carry them.

Minceat Blondies, fruit-filled squares made with whole bran cereal, can be easily packed in a container which will later hold an indoor plant.

MINCEAT BLONDIES

- 1 cup sifted flour
- 1 teaspoon baking powder
- 1/2 cup chopped nuts
- 1/2 cup butter or margarine
- 1/2 cup brown sugar
- 1 egg, slightly beaten
- 1 teaspoon vanilla flavoring
- 1 cup prepared minceat cereal

Sift together flour, baking powder, soda and salt; mix in All-Bran and nuts. Melt butter in saucepan. Remove from heat. Stir in sugar, cool. Add egg, vanilla and minceat; mix well. Spread in greased 9 x 9-inch pan. Bake in moderate oven (350° F.) about 30 minutes. Cool and cut into squares or bars.

Yield: 36 1 1/2-inch squares.

Household Hints

BY JOAN MARCH WORDEN

Director, Pine Cleaner Information Center.

New arrival in your house? The littlest bundle of joy means for mother. Here are some shortcuts aimed at less work for mother, so she can spend more time with baby.

1. Babies are not the neatest eaters. Often there is more food on baby than in him. So as soon as he's through with one of his many meals, dunk his bib and kimona in cool water, then into a solution of pine cleaner and hot water. This quick action keeps the inevitable yellow formula and cereal stains to a minimum. You can rinse and hang up his tiny garments later on. If stains are stubborn and have been allowed to set, try scrubbing them with full-strength pine cleaner and a household cleansing pad. If it's bedtime, save time by soaking the baby clothes in the bath water after the baby's out, of course - then add your pine cleaner.

2. For diaper wash and general baby laundry add a high percentage pine oil cleaner-disinfectant to the wash water in machine or wash tub. This addition gives added cleaning power and banishes many germs - leaves baby's wash smelling-pine clean.

3. Borrowing for baby is standard operating procedure for mother. If you've borrowed a crib, bassinet, plastic seat or other item of furniture or layette, make sure it's clean and reasonably germ-free by giving it a once-over with a pine oil cleaner-disinfectant. Always give baby gear a good rinse.

For a set of free "Household Hints" leaflets, write to Dept. CB, Pine Cleaner Information Center, 208 East 42nd Street, New York 17, New York.

Meat Loaf Is Something Special

When formed into individual loaves and baked with a spicy barbecue sauce, meat loaf becomes something really special. Evaporated milk is used to blend and bind the ingredients for easy shaping. This whole milk concentrate assures a temptingly fork-tender brown outside and a juicy moistness inside - qualities so desirable in good meat loaf.

By making a loaf a "to each his own" affair, baking time is considered, then, too, for the tiny loaves take less than an hour in the oven.

BARBECUED LEEF LOAVES

- 1 1/2 pounds ground beef
- 1/2 cup fine dry bread crumbs
- 1 tablespoon instant minced onion
- 1/4 cup shredded raw carrot
- 2 teaspoons salt
- 1/2 teaspoon pepper
- 1 cup evaporated milk
- 1 small onion

Barbecue sauce

Every Baptist member of all the churches in Chilton-Unity Baptist Association will not have to miss what great association meeting will convene on December 3.

The Executive Committee has made preparation for this year's meeting to meet in the auditorium of the beautiful new Chilton County High School in Santa Clanton, morder to accommodate the many hundreds who planning to attend.

Every pastor, Sunday School Superintendent, Training Union Director, teacher and leader is beginning already to enlist the members to attend this inspiring, "learning program!"

Church choirs, and the Youth Rally Associational Choir, will inspire the congregation in a great inspiration. Also a feature of this meeting and a filmstrip will add lots of challenge, which will be followed by an inspirational message by one of the best pastors, preachers and most warm-hearted and dynamic men of our day. Every church leader will receive a copy of the program and business income by return advertising it in the near future.

1001 is the goal attendance. It is "M" Night!!!

Every pastor, Sunday School Superintendent, Training Union Director, teacher and leader is beginning already to enlist the members to attend this inspiring, "learning program!"

Church choirs, and the Youth Rally Associational Choir, will inspire the congregation in a great inspiration. Also a feature of this meeting and a filmstrip will add lots of challenge, which will be followed by an inspirational message by one of the best pastors, preachers and most warm-hearted and dynamic men of our day. Every church leader will receive a copy of the program and business income by return advertising it in the near future.

1001 is the goal attendance. It is "M" Night!!!

Don't Let Lack Of Acres Stop You A Strawberry Barrel? How To

STRAWBERRY growing can be fun and profitable for "up-town" adults and 4-H Club members needing a project, according to County Agent John D. Sellers.

Urban dwellers in recent years have been growing more and more vegetables in small, but high yielding plots. Now, strawberry barrels and pyramids are becoming popular for people who want to grow strawberries but don't have a suitable garden spot.

"You can gather berries next spring - and even more year after next - by planting them now in a barrel or pyramid," says J. D. Sellers, who outlined steps for adapting a barrel and building a pyramid.

Use any type of wooden barrel provided it has strong staves and hoops. First clean the barrel thoroughly to remove any chemical or material that might harm the strawberry plants. Bore holes 8 to 16 inches apart and about two inches in diameter. And leave 8 to 10 inches between rows. Make the first row at least 10 inches from the bottom and the top row six inches from

GRAVEL OR SAND

Place gravel or coarse sand two inches deep in the bottom of the barrel, then fill with fertile, loamy soil to the top of the lower row of holes. Now set one plant through each hole, spreading the roots in a fan shape and with about two-thirds of the crown covered with soil.

Next, add soil halfway to the next row of holes. At this point add a four-to-six inch drain tile in the center of the barrel and fill with coarse sand or fine gravel. Fill in around the tile with fertile soil to the top of the second row of holes, firming the soil slightly. Set plants as before.

WATER TWO TO THREE TIMES WEEKLY

Next, lift the tile several inches and refill with sand or gravel. Repeat these steps until the barrel is filled. Keep raising

the tile until it's level with the top of the barrel and leave it in the barrel. Leave the top six inches of the tile empty.

You'll need to water the barrel two or three times a week with three or four gallons of water. Four one gallon over the top surface of the soil and the rest through the tile to water the lower rows of plants.

Fertilize the plants immediately after setting and then thereafter, three times a year - late winter, June and late September. Each time use one-fourth cup of 8-8-8 fertilizer dissolved in one gallon of water and pour over the soil surface. Also use three-fourths pint of 8-8-8 dissolved in two to three gallons of water and pour it into the drain tile. Add extra water until it begins to drip from the holes.

Finally be sure to turn the barrel about once a week so all plants will get some sunlight.

OR PERHAPS A PYRAMID

You may prefer a pyramid

built with strips of metal bent into a circle and placed on top of each other in "door step" fashion. Or you can make a square pyramid with boards, leaving a 12-inch terrace for the plants.

Whichever type you choose fill each tier with fertile, loamy soil as it is built up watering each terrace to settle the soil. Set plants 8 to 10 inches apart in staggered rows around each terrace. A three-terrace pyramid 6 feet, 4 feet and 2 feet across will need two to three pints of 8-8-8 fertilizer three times a year. Broadcast the fertilizer over the entire soil surface when the plants are dry, then water it into the soil.

RECOMMENDED VARIETIES

Several varieties of berries are recommended for Central Alabama: Dixieland, Pocahontas and Albion. You should make a pint or more from each plant by the second year.

RAIN OR SHINE — YOU SET PRICE!

Property of Mr. and Mrs. Roy Boozer
CHOICEST PROPERTY IN CHILTON COUNTY
Clanton, Alabama AT THE CITY LIMITS

From downtown, go West on Highway 22 (Mapleview Highway) to Hinkle Road, turn left and go to first peach orchard on right. 40 acres is in city limits. 54 miles South of Birmingham, 45 miles North of Montgomery, in Alabama's widely-known Peach and Garden County, convenient to one of the finest model towns in the entire South. Prize location in path of natural growth.

A Goldmine For Both Builders and Developers

PICTURE WHAT THIS AREA WILL BE LIKE IN JUST A FEW YEARS...

"Many have sought to buy lots here in the past," says Mr. Boozer. This proves that this land close to town with good schools, churches and other public improvements is where good citizens want to live. Every builder or investor knows his real profit comes from being able to sell lots or houses quickly at a good price. We believe you can sell houses easily here. One look will show you that this is the ideal spot for a model subdivision. To get ahead, you must plan ahead. Be at this auction. Get the best real estate in Chilton County at auction where you set the price. Get a tract even if you have no specific need for it, because you will share in the appreciation in the value of surrounding land that is developed.

Timber - Water - Lake Site - Paved Frontage

There is no waste land. There's marketable pine and hardwood on about 50 acres to provide for your security, so cruise it now. WATER: All you can use when and where you need it. There's city water, a bold branch and wells. Beautiful four acre lake site is a natural. GOOD FENCING: Nearly all the land is under high grade barbed wire fence and cross fences with mostly treated posts. Good help is available.

50 Acres Peaches

Peaches account for a high percentage of Chilton County's multi-million dollar farm income, and here is one of the most profitable orchards in the county. The trees are only four or five years old, and there's about 50 acres with eleven select varieties so you can sell from early to late season. Trucks come from all over America to pick up famous Chilton County peaches, or you can develop your own premium price market. Two acre site on U. S. 31 is ideal spot for roadside stand. Get fine trees in their prime at auction! Get income to quickly help you pay for this, property that will one day be covered with houses.

Hydroponic Gardens Jackpot Profits

2 ACRES OF LAND AND 1 ACRE UNDER MODEL GREENHOUSE ON U. S. 31

Winter crops of tomatoes without soil — ready market — high profit — This development has received wide acclaim, and the science of growing vegetables, fruits and flowers with chemicals out of season has an unlimited future. This endeavor has proven successful, and will provide good income with surprisingly little work or worry. In the greenhouse, there are 25 double beds of tomatoes all 200' long. They're flourishing now, and will produce a bountiful crop of high grade, luscious tomatoes with high calcium content in the dead of winter. Of course the complete unit with 161 4-ft. fans for cross ventilation, a pump with 36,000 gallon tank for irrigation. Expand if you choose.

MAKE A THOROUGH INSPECTION NOW!

We have offered real estate of every description, but seldom land with so many features for profit, gain and all-around desirability. We invite you to check every detail of every acre. Compare this investment with any you can make anywhere. See how it fits your needs now and down through the years, then come and make your bid. Call our office should you want more details, and illustrated BROCHURE!

Oneal Robinson Ordained As Baptist Minister

On Sunday, November 11th, O'Neal Robinson, member of the Baptist Church of Lomax was ordained into the Gospel Ministry of the Baptist Church.

The following ministers served as the ordaining Presbytery: Rev. C. Wayne Smith, pastor of the Lomax Baptist Church, served as moderator. Rev. M. G. Fields, asked the questions. Rev. C. E. Handley and Rev. Calvin Ray, gave the charges. Rev. Bill Jackson preached the sermon and Rev. Paul Johnson led the ordination prayer. Rev.

Don Graham, and the ministers and deacons present, participated in the laying on of hands, at the 2:00 o'clock ceremony.

Bro. George Anderson, a Baptist deacon, presented the Bible which was a gift of the church, to Brother Robinson. Mrs. Robinson sat with her husband during the service as the preacher's

wife is also involved in the qualifications for the Gospel Ministry. Several churches were represented to witness the inspiring service. Among those was the Providence Baptist Church of the Central Baptist Association, South Two, Rockford, Alabama.

This church had extended a call to Bro. Robinson to serve them as pastor, and had asked his church, First Baptist of Lomax, to ordain him to the gospel ministry. Bro. Robinson is a student in the Howard Extension Center at the West End Baptist Church in Clanton, and is also serving as President of the Brotherhood Department of the Chilton-Unity Association. He is "a very devoted and dedicated servant of Christ."

IN MAPLESVILLE— Tea Shower For Miss Barbara Davenport

Mrs. Perry Thomas, Mrs. Thera Watson, Mrs. W. L. Hampton and Mrs. Kathryn Goff were hostesses to a tea shower on Wednesday afternoon, November 14, honoring Miss Barbara Davenport of Panama City, Fla., fiancée of Howard Graham, Maplesville. Receiving the guests was Mrs. Hampton, who presented them to the honoree, her mother Mrs. Sterling Davenport, her mother-in-law to be Mrs. Joe W. Graham, her grandmother, Mrs. L. M. Davenport, Howard's grandmothers, Mrs. Johnnie Hunter and Mrs. C. B. Ivey, Sr.

The living and dining room were in white and green. Mrs. Bobby Graham registered the guests from an appointed table with a single pink rosebud in a crystal vase circled by a blue silk garland. The dining table was covered with a white cut work cloth over green centered with an arrangement of white candles and butterflies, with miniature Bride and Groom.

The punch bowl was circled with ivy with white doves and white parasols in it. Serving punch were Mrs. Thera Watson and Mrs. Kathryn Goff alternating. Mrs. Perry Thomas escorted the guests to the bedrooms where Mrs. Jack Hampton and Mrs. Calvin Chambers were displaying the gifts. Party cakes sandwiches carrying out the color scheme of green and white nuts and punch were served. Many guests called between the hours of from 2 to 4 o'clock in the Hampton home.

Verbena WSCS Met With Mrs. Gibson

The Verbena Methodist Woman's Society of Christian Service met Tuesday, November 13 in the home of Mrs. Joseph Gibson. Our hostess served a dessert course before the meeting was opened, assisted by her daughters, Susan and Carol and Miss Judith Gibson.

The meeting was called to order. An opening prayer was offered by the president. Miss Carolyn Gibson played a beautiful piano solo. The business session was held.

The devotional was given by Mrs. O. L. Howard. The program was presented by Mrs. Ben Frucci; her subject being "A Ministry to Children With Special Needs" and the children of the sponsored home. Also incorporated into the devotional and program were beautiful poems on Thanksgiving. The following members were present:

Mrs. S. L. Gibson, John Frank Stevenson, Paul Higdon, D. I. Deramus, J. S. Williamson, C. S. Strock, Barnett Deramus, Oscar Howard, Ben Frucci, Joe Gibson and Miss Judith Gibson. The December meeting will be in the home of Mrs. Charles

Hands Across the Nation

Returning from an inspection trip aboard the U.S.S. Battleship Alabama, State Sen.-Nominee John M. Tyson of Mobile, center, is shown presenting an Alabama flag to retired Navy Capt. J. G. Thwing of Seattle, Wash., right, Alabama's West Coast representative in the campaign to return the famous battleship to Mobile as a state shrine. At left is retired Rear Adm. M. E. Eaton of Mobile, under whom Capt. Thwing formerly served. The Alabama flag was the gift of Alabama Gov. John Patterson, who has named a 23-member committee to save the U.S.S. Alabama from the scrap heap. The battleship now lies at anchor in a Navy moth ball fleet near Seattle.

ABOVE-AVERAGE FARMERS...

Above average farmers don't look down on soil testing. They use soil tests because they are interested in producing top yields of high-quality crops.

To get top yields, you should have your soil tested regularly and use sufficient amounts of fertilizer to build up and maintain a high fertility level.

Telephone Talk

TELEPHONES AROUND THE WORLD... In Norway there's a waiting list of 44,000 applicants for telephone installation. Some of the requests date back to the early 1940's! Japanese householders pay \$100 cash for a telephone and are also required to buy \$170 in company bonds!

VOICES UNDER THE SEA

Undersea telephone conversations travel through a strange and exotic world before they reach their destinations. Just how strange was discovered by men of the Bell System's Submarine Cable Laboratory as they studied the ocean floor via underwater television attached to an especially fitted ship called the Polar Star. The main purpose of the voyage of the Polar Star was inspection of trans-Atlantic telephone cables, but valuable knowledge about the ocean floor and deep sea fish and vegetation was also gained. Since ocean cables shift with the currents, the television eye searched the bottom of the sea for many hours before locating the cable. During the search, strange beasts stared back at the television camera, and schools of fish crossed the screen. Results of the trip: development of better ways of laying and repairing telephone cables and increased knowledge about the ocean floor, a frontier as challenging as space.

THE SPOKESMAN

A new Bell System product manufactured by Western Electric, broadcasts both sides of telephone conversations. Particularly useful in business, the Spokesman makes possible group listening on telephone conversations. And in the home, Spokesman lets the family enjoy hearing both sides of the conversation on calls from grandmother, or that son or daughter in college. This new "conversation piece" comes in standard colors to match your telephone. For further details, call your telephone company business office.

TELEPHONE SERVICE IN AMERICA is the most extensive and efficient in the world. But how are telephone communications in your home? Are you making the most of services offered by your telephone company? Do you have extension phones in time-saving, step-saving places? Do other members of your household—grandparents, teenagers—have their own listening in the telephone directory? Have you considered the advantages of the handy home interphone... the beauty and convenience of the bell chime? To find out how these telephone conveniences can work for you, call your telephone company business office.

DEAR 4-H JANES

Many of you girls have been asked to turn in monthly records of your 4-H Club project work. This is very helpful to me as it gives me an idea of what you are doing and it helps me to evaluate the girls 4-H program in the county so that I may make better plans for what is needed by you girls.

A very interesting report was turned in by Lou Ray, daughter of Mr. and Mrs. Duvard Ray. Lou is a member and song leader of the Jemison High School Club. From her report it seems that she is doing a great deal of work at her home. She states that she cleans the house, washes, irons, and rearranges the furniture. She also helped a friend in rearranging the furniture in her bedroom.

Pat Wideman, also a member of the Jemison High School Club has taken three projects for the year. These are Child Care, Clothing and Food Preparation. She has also participated in the Poultry Chain. Her parents are Mr. and Mrs. Alfred E. Wideman.

These are only two of the excellent reports I have been receiving. I will tell you more about 4-H projects later.

NEWS OF— REFUGE

Rev. M. Lockhart, Pastor

A few days ago a member saw he was not going to be able to be at church that following Sunday, and we were asked to come by and pick up his offering for the church that day. Has it ever occurred to you that your church membership remains the same whether or not you are present or absent for the services.

One of our soldier boys from Chilton County found the Lord while serving his country in the Philippines during World War II. He desired to become a member of his home church back home.

The chaplain wrote to the pastor and in turn the young soldier became a member in his home church while serving a long way from it. He sent in his tithes and offerings just as often as the Lord's day rolled around. Is that the way you do business with the Lord? I think that the young soldier set us a fine example, don't you? Well, if you think well of the example, let's do it that way from here on out. Of course, Paul admonishes us to BRING it.

We appreciate the nice offering over the week-end toward our Building Program. One nice offering came in from Birmingham.

If you do not go to church elsewhere, we invite you to come out and worship with us.

Weekly Earnings For Alabama Factory Workers Average 83.64

Ralph R. Williams, Director of Industrial Relations, said in Montgomery this week that Alabama continued its trend in exceeding the other Southeastern states as shown by weekly earnings figures for the month of September, 1962.

The study disclosed hourly earnings for Alabama factory workers in September were \$2.05, as compared to \$2.02 a year ago. Weekly earnings were \$83.64, as compared to \$82.42 a year ago. Alabama weekly earnings exceeded the average of all Southeastern states by almost ten dollars, and exceeded the low state, North Carolina, by \$17.14 in weekly earnings.

Weekly earnings of Southeastern states in September were:

Florida	\$83.43
Georgia	\$72.27

The Only Thing Necessary. . .

THERE seems to be the widespread opinion that the man in power is the automatic choice to be the nominee for the office which he holds, the next time around. In other words, it is a decision accepted, rather than arrived at, that John F. Kennedy will be the Democratic nominee for President in 1964. Many local political figures accept this as fact: undisputable and irrevocable. We say they ought to look again at their responsibility as citizens; and if John F. Kennedy does not fill the bill for the Democratic Party and serve the nation any better in the last two years of his administration any better than he has the first two, then we should turn away from him, and find a statesman of high order to fill the most important political office of leadership in the land.

Mr. Kennedy has failed to endear himself to us on more than one occasion and it is through his actions on integration, civil rights, and other domestic problems that we almost always disagree with him. We are only against him on his attitude—which resembles an obsession—of cramming the so-called "equality" down the throats of those who know more about it and practice it to a much greater degree than does he and his cabinet members. If it were only a rare occasion that this happened, we could justify it by calling it poor judgment, but we see it constantly in more and more fields of activity and it is not poor judgment alone, it is a pattern of belief on his part with which we totally disagree.

We saw a film at the local drive-in theatre the other night which points up what we are talking about. The film was possibly aiming at enlightening the people on the potential of our armed forces, new weapons, new techniques and manpower. But it was very difficult to ignore the fact that everywhere in the President's party, as he toured aircraft carriers and land bases in the country, Negroes were obviously high on the list of dignitaries and officials. It was objectionable because it was obvious, nothing more. It is in the very lowest of taste, in our opinion, for a man holding such an important position as President of our United States, to keep hammering people over the head with his ideas, and what he thinks is right. We did not vote for a dictator and we never shall, knowingly do so. A vote for anyone does not lessen our right to an opinion, no matter who he is. It is also not clear to us that the situation of which we speak would have been any better, had the present Commander-in-Chief been one Richard M. Nixon.

So, it is not the party that we take to task, but the President himself. He is not representing himself now, as he said he would, nor as he did, before he was elected.

If he thinks the American people are a flock of sheep, who can be fed any drivel that unfair minds think up, we disagree with him once more.

Our stand for the Democratic Party does not change; in fact, it is magnified by the present situation. We think that the Party which sponsors the President, should be able to say proudly that they do such. We cannot say that of President Kennedy, with the knowledge we now possess. Admittedly that knowledge may not be great; but the more we give him the benefit of the doubt, the more proof is offered to the contrary.

It is not irrevocable, in our opinion, that the Democratic Party must stand up for President Kennedy, unless he is willing to stand up for the people. The South is a very large and integral part of the people, the nation, and the Party, and he has never stood up for the South.

We feel no shame or guilt in denouncing the President's (and his Cabinet's) actions with regards to the race situations in the Country. He is being duped, perhaps unknowingly, and is hurting his Party, and more important, the American way of life. The Communists, applauding no doubt, are hoping that the racial strife will continue and grow, and they will make every

conceivable effort to insure that it does. But we must see that it is stopped.

We do not object to a Negro holding a responsible office if he is the most qualified man available for the job. It is obvious, however, that the President has made appointments of this nature, purely because the recipient was a Negro—a member of a minority—an 'underdog' to speak—and for no other reason.

In appointing a Negro to a responsible position because his skin is black, and for no other honest reason, the President becomes the greatest hypocrite of them all. He tells us that we must not show favoritism; that we must not deprive anyone of anything because of race, creed or color, and then he does to the white race, the very thing that he is chastizing us for doing to the Negro. That is not much grounds for respect from your peers. . . and in case President Kennedy has overlooked the fact. . . and in spite of his family, money and position. . . we are his peers—equal in every God-given right and responsibility; and we do not like, nor do we intend to condone, the overrunning and complete disregard of law and established procedure. We detest radical ways, because they are not progressive; they only look progressive on the surface—they have no foundation of support of the majority and are thus hollow and empty and serve only temporary minority opinion.

When our President returns to the ways of the sound doctrine of the Constitution, as interpreted by wise men of intelligence and fair-mindedness, then our respect for him may also return. Until that time, however, we will be looking for a GOOD Democrat to send to Washington. And in case you are wondering; we said a good Democrat! We believe in the Democratic Party and its principles, and will only abandon it when those principles are abandoned by it—we are not convinced that this has happened—we have too much to let radicals and political strategists destroy it in their ignorance of liberty and twisting of justice.

A rotten apple in the barrel, does not lessen our appetite or taste for apples.

Weekly Editor, Gone to Town--

WE have been noticing more and more lately, that the big daily newspapers are unwilling to state their political convictions—as such. They will ramble around, and jump on most anybody, if it's popular; but when it comes to constructive support, politically, they fall flat on their editorial pages.

They make it fuzzily discernible where they stand, but never crystal clear. It would no doubt hurt their pocketbooks to disagree with some of their advertisers—and so—not knowing who stands where—they stand in the middle, snapping at the flanks of their secretly chosen opposition. They have within their ability, great powers of communication and thus, persuasion. And they use it shamefully by not using it at all.

One of the rare exceptions to this 'dance of the dollar' is the Montgomery Advertiser. Mr. Grover Hall has proved, we think, that the pen is mightier than the dollar or the sword on more than one occasion, and he is one of the Country's greatest assets in the fight for good government, honesty and decency. Our respect to him, because he follows the weekly editor's thinking on the precept that the truth, and a man's convictions are primary—basic ingredients of life and freedom—should be foremost in thought when taking a stand—regardless of economical pressure or political consequence.

The chips fall where they may, and some burn with a fury—but they fall, nevertheless.

Ingredients of Strength--

IF you are not strong enough to protect that which you have; then you do not deserve it. But strength is measured by more than physical ability. It is also education of the mind; and direction of the spirit. It's what we call civilization.

Why Trade At Home?--

ESPECIALLY when you can get it "half-price" in the larger stores—out-of-town!

But consider the side effects of shopping outside your own community: It is not nearly so convenient as shopping close to home—The money you spend out-of-town is unlikely to be seen around these parts again—You are contributing to the economical backsliding of the community in which you live—When you trade with the "discount" stores out of town you are supporting the downfall of the small town merchant.

You cannot buy community growth, or economic stability wholesale! That's one thing they can't sell you at a "discount" Frankly it is a question of whether you are going to support your own community first—or someone else's! Community spirit, like charity, begins at home—and this is your home.

500 Pints Needed

ARMED FORCES WON'T BE ABLE TO GIVE; IT WILL BE UP TO YOU!!

The American Red Cross Blood Collecting Team will come to Clanton Friday, December 7, 1962.

This December 7, 1962 finds us in drastic need of blood. It was December 7, 1941 at Pearl Harbor where and when so much of this precious item was LOST. This year the Armed Forces, who have contributed a greater part of the daily need for our population, will not be able to do so. The present world condition has caused the Armed Forces here in Alabama to be in such a state of readiness to defend you and I that they will not be able to contribute their blood to help maintain our health.

With the present loss of blood from the Military Forces the civilian population is called upon to do their part by doubling the normal amount. This means we will scarcely meet the demand for our home folks in Alabama.

All of the blood collected PROBABLY will not be used in Chilton County, but will be used to pay back and build credits for Chilton County if and when we are in need, as well as to help save lives in other parts of the State.

At Pearl Harbor blood was lost — Here on December 7, 1962 this blood will be saved and used.

The Collecting Team will be located in the Clanton Masonic Lodge, corner of Fourth Avenue North (Selma Hwy.) and Eighth Street North.

The team will be ready to receive donors at 12 o'clock noon. The hours from 12 to 3 P.M. in the past have been the slow time. Those who are not working are requested to come as early as possible to assist the workers after 4 P.M. The schedule is to close at 6 P.M.

The Chilton County Chapter American Red Cross and the citizens would like to use this means to thank Doctors Johnson, Rennings, Dumas, Chas. Moore and Joe Moore for the time and efforts donated to this worthy cause.

"THE LIFE OF CHRIST"

THE BIRTH OF JESUS

(Editor's Note: This is the first in a series of six articles appearing in Chilton County News, condensed from Charles L. Allen's new book, *The Life of Christ*, copyrighted by Fleming H. Revell Company. Used by permission.)

The birth of Jesus happened in this way. When his mother Mary was engaged to be married to Joseph, before they came together, it was found that she was with child — of the Holy Ghost. An Angel came to her and said, "Hail, thou that art highly favored! The Lord is with thee, blessed art thou among women." But she was disturbed by what the angel said and did not understand.

And the angel said to her, "Fear not, Mary; for thou hast found favour with God. And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name Jesus. He shall be great, and shall be called the Son of the Highest; and the Lord God shall give unto him the throne of his father David; and he shall reign over the house of Jacob ever; and of his kingdom there shall be no end."

Then Mary said to the angel, "How shall this be, seeing I know not a man?" And the angel replied, "The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee; therefore also that holy thing which shall be born of thee shall be called the Son of God."

And, behold, thy cousin Elizabeth, she hath also conceived a son in her old age; and this is the sixth month with her, who was called barren. For with God nothing shall be impossible. "Behold the handmaid of the Lord; be it unto me according to thy word." And the angel departed from her.

Before long Mary went to the city of Judaea to see Elizabeth. When Elizabeth heard Mary's hello, her own baby leaped within her. She felt the Spirit of God and with a loud voice said, "Blessed art thou among women, and blessed is the fruit of thy womb. And whence is this to me, that the mother of my Lord should come to me? For, lo, as soon as the voice of thy salutation sounded in mine ears, the babe leaped in my womb for joy. And blessed is she that believed: for there shall be a performance of these things which were told her from the Lord." Mary then said: "My soul doth magnify the Lord. And my spirit hath rejoiced in God my Saviour."

A Little Bit O' Tuck.

.. BY BOB TUCKER

ELSEWHERE in the News you will find a column called "DEAR 4-H JANES" by Martha K. Radford, and it appears each week in this paper. We take special interest in this particular item each week because we believe that this program for young ladies is about the best there is. It is encouraging to see the young girls of the community taking such active interest in home, and feminine duties and responsibilities. We certainly recommend the 4-H program for young girls. It seems to us it could fill a need which is lacking in a great many families today; and might give the next generation a better perspective of just what a home is supposed to be and what wife-ly and motherly duties are. If it's possible we are certainly going to see that our daughter is exposed to the virtues of the 4-H program. We'll teach her at home, but a little practice with other girls her age won't hurt a bit. We congratulate Martha on the fine job she is doing with the little Misses of Chilton County.

ACCORDING to the statutes the speed limits—as such—do not apply to certain vehicles in certain situations. For example, an ambulance on an emergency call or a firetruck going to a fire. But this does not immunize them from the laws of careless or high speed driving when it endangers the lives of others. It is in the best interests of our volunteer firemen (for whom we have never had anything but praise in our news columns) that we remind them of this fact, to apply when they are driving their own automobiles to the fire hall to answer a call. Some of them must drive from quite a distance and through congested traffic. The fire is important, we know, but so are lives, and everyone along the way does not know that they are firemen going to a fire. Extreme care should be taken on the outskirts of town where there are no red lights to hold the traffic. We have also called attention, on several occasions, to the fact that private citizens should not follow a firetruck and also, that when they run a red light (because they are tired of waiting) they are just as liable under the law, then, as if they were running a traffic violation. If you must check on a fire, keep a safe distance from the fire, scene and do not block roads ways that may be used by official and necessary vehicles. You could cost a man his home by hampering the work of the volunteer firemen. So, we all need to be more thoughtful and more careful, whether we are firemen or curious spectators.

KIWANIS INTERNATIONAL BUILDERS

This week's regular Kiwanis Club meeting was held in the luncheon of the Verbena High School. Several farmers of that area were guests of the Club. The Club is grateful to Mr. Dan Jelf and the Verbena PTA for their support and help at this meeting. This was an observance of Farm-City Week.

The program was under the direction of the Agricultural Committee with Charlie Patterson as Chairman. Charlie presented Frank L. Haynes, Chief Information and Education Section of the State Dept. of Conservation. This was a most informative meeting and all present were made aware of the need to practice conservation. Our resources are not unlimited unless we carry out a strict Conservation Program.

Week of Prayer To Be Observed By Baptists Dec. 3-7

By M. G. FIELDS, Supt. of Miss.

The Week of Prayer for Foreign Missions and the Lottie Moon Christmas offering will be observed by the WMU and the Baptist Churches December 3-7. Foreign Missions Day in the Sunday School December 9, was set aside for special prayer and to receive the Lottie Moon Christmas Offering. \$10,700,000 was set by Southern Baptist as the goal for this offering. Every penny of this offering goes to the Foreign Fields where 1607 missionaries are serving in 57 countries. Missionary's homes, hospitals, school buildings, etc will be erected and paid for out of this offering. Many of the churches have set goals, cooperating in helping to raise a worthy goal for the Lottie Moon Christmas offering.

to the fact that private citizens should not follow a firetruck and also, that when they run a red light (because they are tired of waiting) they are just as liable under the law, then, as if they were running a traffic violation. If you must check on a fire, keep a safe distance from the fire, scene and do not block roads ways that may be used by official and necessary vehicles. You could cost a man his home by hampering the work of the volunteer firemen. So, we all need to be more thoughtful and more careful, whether we are firemen or curious spectators.

THIS has been the proudest Fall we have seen in our memory and it has lasted its full course for a change. Our Jemison correspondent, Mrs. George Naisb, says in her "From My Kitchen Window" article: "This Fall there were the nodding goldenrod stalks, some in bud, others in full bloom, others shedding their full, all shimmering limbs all in lemon yellow, the other limbs still green." And she goes on to say that "the woods could be called a 'bird haven', with Blue Jay, Thrush, Wren, Mocking Bird, Woodpecker and Sparrow." And squirrels and rabbits had their fun. "From My Kitchen Window" article: "This Fall there has been a beautiful season and like Mrs. Naisb, have taken our fill of the beauty around us. Now, with Winter upon us, we just look longingly for the first breath of Spring, for like the blade of green along with the new snow."

WE'VE got spooks in our house. Reddy Kilowatts are coming out of the downspout in the bathtub and we can't find out how come. You talk about a "shocking pink"—well, you get in that cold water in the bathtub you're liable to be "shocked red". And we don't like it! The heck of it is; it doesn't seem to be in our wiring, but in somebody else's. You can get shocked by your neighbor in more ways than one it seems. Shades aren't everything you know!

THERE'S something for everybody in the News each week and every week. We try to run features and local news from every community, and with the cooperation of our community correspondents and individuals in the various communities, we are able to give you a community newspaper which is unlike any other thing, in content. If you are not a subscriber, we think you would be being one—and you would enjoy getting the News to you each Thursday morning.

determine your fertilizer needs!

Maximum production largely depends on an ample supply of properly balanced plant food. And since soils vary in the amounts of plant food they furnish, only a soil test can determine the exact amount of fertilizer needed.

To be sure your crops are properly fertilized for maximum production, see your county agent today for soil testing supplies and instructions.

Meeting was called to order by Cathy Wyatt, president of the class. The group repeated the 100th Psalm together followed with sentence prayers. Minutes of the last meeting were read by Sue Cox, secretary.

Delightful refreshments were served by Mrs. Douglas Barton assisted by Susan, Kala Snead, Donna Gilbert, Sue Cox, Cathy Wyatt, Pat Bynum and Mrs. Willie Bean, teacher of the class.

Following the meeting Mrs. Barton and Mrs. Burt Snead carried the group to the Chilton County Nursing Home, where they sang some hymns. They were accompanied at the piano by Mrs. Snead.

"Brainstorming" Technique Cuts Aerospace Costs

WASHINGTON — The technique of "brainstorming" has been adopted by aerospace companies to slash costs without compromising quality, reliability or schedule.

Aerospace, official publication of the Aerospace Industries Association, said that substantial savings are realized through value engineering, which is designed to eliminate unnecessary duplications.

The publication noted that one aerospace company staged a 40-hour "brainstorming" session for 30 of its senior design and staff engineers. The value engineering seminar was conducted four hours a day for two weeks and the engineers spent the remainder of the two-week period developing six projects on a team basis.

Aerospace said the ideas developed at the "brainstorming" session may result in savings of as much as \$1,250,000 to that company. The savings were effected mainly through elimination of unnecessary functions being built into and performed by various missile components. Such duplication, it added, increased the cost and time schedule without contributing to the basic function of the components or the system.

RICKEY YEARGAN IS FOUR YEARS OLD

Master Rickey Yeargan celebrated his fourth birthday on Saturday, November 24th, when his mother, Mrs. R. V. Yeargan entertained a group of his friends and cousins with a party in their home from 2 to 4 P.M.

As the children arrived they were given party whistles and balloons and enjoyed several games outside.

Afterwards they came inside and sang Happy Birthday to Rickey and watched him blow out four candles on a lovely birthday cake which was given to him by his grandparents, Mr. and Mrs. Ira Yeargan.

Those enjoying cake, ice cream and punch and other party refreshments with Rickey were: Roslin and Butch Billingsley, David, Debra and Danny Shavers, Roy Holley, Carol Mayhan, Tanya Williams, Mike and Mary Catherine Riggins, Bill and Missy Yeargan.

Donna and Jeff Moore, Tammy Harrison, Ben, Terri, Mark and Timothy Tucker, Kala, Donna and Brent Wright and Janet Williams.

Following refreshments Rickey opened and displayed all the nice gifts he had received.

Those assisting Mrs. Yeargan with the serving were Mrs. Wayne Coleman, Mrs. Buddy Williams and Mrs. Leonard Moore.

THURSDAY, DECEMBER 6, 1962

Yule Parade to Be 14th; Santa will be There

Stores Open All Day Wednesdays Thru Christmas, 25th

The Clanton Merchants' Committee of the Chilton County Chamber of Commerce announces that their stores and businesses will be open every Wednesday afternoon in December before Christmas.

Stores will close on Christmas Day, Tuesday, December 25, and will remain closed all day Wednesday, December 26. Some merchants, however, will take inventory on Wednesday following Christmas and they announce that while personnel are present in the stores on the 26th, customers will be admitted.

Stores will close all day on Tuesday, January 1, 1963, but will open for a half day on Wednesday, January 2nd.

Throughout 1963, until next December, the stores affected will continue to close on Wednesday afternoons as usual.

According to the Chamber of Commerce, local merchants have stocked large inventories for the Holiday Season. This year the Clanton and Chilton merchants offer a wider variety of Christmas gifts, toys and foods than ever before.

Parade Route; Maid of Cotton To Be Guest

The Annual Jaycee Christmas Parade, this year to be on Friday, December 14th at 4:00 O'clock, is shaping up into the biggest event in history.

Each year this "Fishing in the Christmas Season" has drawn more and more attention and participation until today, it is the event of the year in Chilton County.

The Jaycee Parade Committee, with Bill Turner at the helm, is working night and day to insure the success of the big event. Assisting Bill are: Donny Martin, Larry Culpepper, and Headley. This year, the Civitan Club is in charge of the town decorations and lighting and the Business and Professional Women's Club is decorating the big tree in front of the City Hall.

WE COMMENT MRS. MUNCHER

ON behalf of the Clanton Jaycees and those who will enjoy this year's Christmas Parade, the News comments Mrs. Richard (Betty Jo) Muncher for her efforts to make the event a success.

Her part in contacting clubs and organizations, to participate in the Parade was invaluable, and according to the Jaycees, she has done quite a bit of the work on the entire parade. "I feel," she even helped us out here at the News on one occasion, relative to the Parade. Thank you Mrs. Muncher.—THE EDITOR.

Sixth Grade 4-H Club Elects Officers

The first meeting of the sixth grade 4-H boys met in Mrs. Littlejohn's room, Mr. Sellers talked to the group about 4-H Club Projects. Officers were elected. Social Security Trip Canceled Dec. 24th

DAVID Adams, Field Representative, Selfa office of the Social Security program, announced that the scheduled trip by him, to Clanton on December 24th, has been canceled by executive order of the President. It will be a holiday for all Federal employees.

All other dates, regular or special, will be as scheduled.

George Wallace Coins On Sale By High School

A Commemorative Coin honoring the inauguration of the 58th Governor of the State of Alabama will be sold by the members of the Chilton County High School Band.

These gold-colored coins, made of aluminum, are approximately the size of a silver dollar and will sell for fifty cents. One side bears the Arms of Alabama, the other side, the likeness of the 58th Governor, George C. Wallace, and the date of his inauguration.

It is possible that some day these coins will be collectors' items, since the gold plates have been destroyed and only a limited number of coins have been made.

These souvenir coins may be purchased from band members and patrons of the Band until the Inauguration Day, January 14, 1963, or until the supply is exhausted.

Clanton City Clerk Dies Suddenly

DEATH took Miss Marine B. Harris at 6:15 A.M. Wednesday morning in the local hospital.

Cause of death was unknown. Miss Harris, 55, has been the Clerk for the City of Clanton for many years. Her death was sudden and unexpected. Funeral arrangements have not been announced as yet.

She is survived by her mother, Mrs. Alice Harris and sisters: Miss Nora Harris, Mrs. Nina Gray, Miss Flora Harris, Mrs. Wilma Garner (Birmingham), Mrs. Dolly Belle Mitchell and a brother, F. L. Harris, of Birmingham.

Books On Drama Presented To Library

THE Associated Producers a group formerly very active in Clanton in dramatics, but no longer organized, has donated a sum of \$77 to be used for the purchase of books relative to the theater for the new Clanton library.

Books to be purchased have already been selected by a committee appointed by the Library Board and when they become available, a list of titles will be published according to Mrs. Clint Carlisle, Library Board secretary.

Former members of the Associated Producers include: Leonard Farley, Jr., Mary Clyde Sims Merrill, Cooper Speaks, Henry Grady Hedlin, and Joe Mullins, Jr.

"Youth Rally Time" Next Saturday

"YOUTH Rally Time", a monthly meeting, meets Saturday, December 8 at 7:30 P.M. at the Liberty Hill Baptist Church. This great fellowship service for Saturday will consist of a "Carol Sing, Sing", a pre-Christmas service.

The adult Youth Rally Representatives of each of the 34 Baptist Churches should provide transportation for the young people to attend.

Rev. Wayne Smith, president, and Rev. Don Graham, program chairman, have given assurance that this will be a great inspirational service at the commodious auditorium of the Liberty Hill Baptist Church.

MEN OF THE WEEK

E. A. (Red) Fulmer was born and raised in Chilton County.

He has been interested in this County for many years, having run for political office twice and thus knows a great many people by their first name.

To describe "Red" you would have to say "comfortable", because he is easy to know, pleasant to talk with, and though just a Country Boy at heart, commands the respect of those who know him.

He has been in the automobile business most of his adult life and is proprietor of the only city bus lines ever to be operated in Chilton County, to our knowledge.

He saw action during the second World War and was wounded and disabled in the Battle of The Bulge in Europe.

"Red" has three sons, James who is 22 and in college; Perry, 16 and Jerry, 14, both students at Chilton County High School. He is a Mason, a Shriner and a member of the Disabled American Veterans. In 1957-

Aside from his other obvious and well-known accomplishments, Leo Thompson was the first man in Chilton County to be issued a Pilot's License to fly an airplane — that was in the summer of 1934. Since that time he has logged many fun-filled hours in the air.

He hasn't done too badly while on terra firma either. He and his son Fred are the successful operators and owners of Clanton's oldest dry cleaning business — the Clanton Laundry & Cleaning Company and they are part owners of Fiesta Bowl, local bowling center.

Mr. and Mrs. Thompson also have a daughter, Ann.

Leo was the first Chairman of the Chilton County Hospital Board, having served faithfully and tirelessly in helping to acquire this facility. From 1944 to 1948 he was Mayor of the City of Clanton and he is now the President of the Chilton County Housing Authority.

He is a member of the Clanton Country Club, the Kiwanis Club of Clanton and a very active member of the First Baptist Church of Clanton.

N. L. "Buck" Roberts was born, and has lived his entire life in Chilton County. He is married to Sally Johnson Roberts and they have three sons: Benjamin G. (Buddy) Roberts, a graduate of West Point; he has two children; Samuel Roberts; he has three; and Norman L. Roberts, who is now a cadet at West Point.

"Buck" Roberts served Chilton County for 12 years as Tax Assessor and has been a "fire" in the Democratic Party camp for many years. He is active today in the Democratic Party of Chilton County, though he has "retired" so to speak, from active duty.

He is known to be one of the best political strategists in Chilton County, and before his retirement, he was an active Shriner, Mason and affiliated with numerous community activities. His main activities at present are his farming duties, but he still climbs into harness whenever the occasion warrants to support the Democratic Party in Chilton County.

In conjunction with his political activities, he has always tried to support the best interests of Chilton County and his judgment is respected by hundreds of Chilton Countians who avail themselves of his experience on many occasions.

We salute a man who has never let himself forget that politics—hard work—are a part of our American heritage and future.

E. A. (RED) FULMER

1958 he was State Commander. He spent many years with Ford at Clanton Motors and is presently a salesman for Shelton Motors in South Clanton.

F. LEO THOMPSON

He is a member of the Clanton Country Club, the Kiwanis Club of Clanton and a very active member of the First Baptist Church of Clanton.

N. L. "Buck" Roberts was born, and has lived his entire life in Chilton County. He is married to Sally Johnson Roberts and they have three sons: Benjamin G. Reap 4-H Project Awards

Five exciting days in Chicago await a trip of Alabama teenagers—two from Montgomery County, the other from Macon County, who have taken top 1962 state awards for their 4-H Club activities.

The three will attend the 41st National 4-H Club Congress Nov. 25-29 in all expenses paid. They are: Judy Crosby of Montgomery, James Poole of Letohatchee and Benjamin Spratling III of Roba.

Winners in the several categories of 4-H work were chosen by the Cooperative Extension Service.

Another 1962 state winner is Alice E. Todd, 18, a daughter of Mr. and Mrs. W. A. Todd. The Todds operate a 400-acre farm in Montgomery County. The daughter, who scored with her all-over leadership ability, is an Alabama College freshman.

Food preparation, canning and clothing are among Miss Todd's major interests. She is president of her county 4-H Club and a junior leader. She will receive a special citation from the Sears-Roebuck Foundation.

Miss Crosby, 17, is going to the congress as a guest of the Westinghouse Educational Foundation. Her forte in 4-H work is electricity and its uses.

A daughter of Mr. and Mrs. R. O. Crosby, she has made a number of attractive lamps and built a 1/4 horse power electric motor.

Says Miss Crosby: "We are now coming into an electrical age. I am planning for total electric living by learning how to use it wisely, and how to control it safely and efficiently."

Poole, 16, is a busy gardener. His main 4-H work has gone into cultivation of an acre of his parents' farm. He raises vegetables and has an orchard with 30 pecan trees.

"I like my gardening project better than any of the rest, because I love to work with the soil and plants," Poole says.

Poole, the son of Mr. and Mrs. Kirby Poole who operate 240 acres in Montgomery County, will have his congress trip donated by the Farm Equipment Division, Allis-Chalmers Manufacturing Company.

Spratling, 17, also was honored for his leadership abilities and over-all excellence of his 4-H projects. He is a son of Mr. and Mrs. B. B. Spratling, owners of a 2,000-acre Macon County farm.

All four state winners are eligible to compete for scholarships provided by their project sponsors.

Somewhere recently, I read that manufacturers of cake mixes had been forced to put weeks in advance to give it a chance to mellow. It is a rich cake with a lot of nuts, topped with almond paste and snow white icing. Christmas is a family time and in England everyone helps to ice the cake on Christmas Eve amidst the chaos of last minute pressing wrapping and the filling of traditional Christmas stockings.

Well, when it comes to doing my laundry I welcome anything that takes the confusion and work out of it. The long list of new fabric washers that I've resorted to, wash-wear, Orlon, Dacron, etc.—just about had me on the ropes.

Don't get me wrong, I appreciate all the "minimum care" fabrics when it comes to ironing. But to get the best job in washing, I had to tend my automatic like it was my mother's old wringer washer.

When I went looking for a new washer, I asked my friends about their new washers. They said everything was fine so long as you stuck to the recommended cycles. As soon as you wanted to do something different, it was back to standing by the washer again.

Then I discovered an automatic washer by Kelvinator that will do everything automatically for you, or let you pick and choose the washing recipe that best suits the way you like to do your laundry.

Their deluxe model has a selection of water temperatures and wash and spin speeds that can be combined for any load you have, and it does it from beginning to end automatically.

Like the women who objected to early cake mixes, I like to decide for myself how my family's clothes should be laundered. And my new washer also does the pre-scrubbing automatically at the beginning of the cycle, and puts the bleach and softeners in at the right time, too.

Use a large mixing bowl to combine the Dromedary chopped dates, cherries, cubed pineapple, fruits and peels and citron with the raisins, pecans, flour, brandy and rum. Cream shortening and butter for three minutes. Add eggs and continue beating another three minutes. Add baking soda to the molasses. Add to egg mixture. Sift together the 1 1/2 cups flour with the 4 spices. Fold into the egg mixture. Add this mixture to the fruit mixture and mix carefully until well-blended. Put mixture into a greased 9-inch spring form pan. Bake in a slow oven (275°F.) for 4 hours or until done. Cool in pan. Makes a 6-pound cake.

ICING: Spread a thin layer of apricot preserves over surface. Roll almond paste into 9-inch round to fit top of cake. Cover entire cake with white frosting, reserving 1 cup for decorating with rosette tube. Decorate with rosettes around edges and add holly leaves.

A CHRISTMAS CAKE FROM ENGLAND

Time flies! Christmas is just around the corner and with it comes all the fun, excitement and traditional food to which everyone looks forward. The Christmas Cake is part of this custom throughout the Western World although each country has a different way of presenting it. Shown here is a typical English fruit cake you will enjoy making. Try to make it 3 or 4 weeks in advance to give it a chance to mellow. It is a rich cake with a lot of nuts, topped with almond paste and snow white icing. Christmas is a family time and in England everyone helps to ice the cake on Christmas Eve amidst the chaos of last minute pressing wrapping and the filling of traditional Christmas stockings.

By Mrs. George Naish

MEETING OF J.O.Y. CLASS
Mrs. I. H. McNeill, Sr. was hostess to the JOY Sunday School Class of the Baptist Church Monday afternoon, November 26 at 2:30 O'clock.
Mrs. Sadie Shaw, president, called the meeting to order. Mrs. Cora Ellison read Psalms 15; Mrs. H. C. Reeves led in prayer. Mrs. Edna Cost read minutes of the last month's meeting and they were approved. She gave a financial report.
The class is again working on the Standard of Excellence, having reached the standard in 1961-62. The class also hopes to reach the Standard of Efficiency. There is a program of visitation now underway, to shut-ins and prospective members.
Plans were begun for remembering the extension class members at Christmas, who, if physically able, would attend this class.
The hostess served pound cake, coffee or cold drinks to the nine members present.

ATTEND OES CONFAB
Attending the Etta B. Smith

OES Conference at Montevallo, Friday night, Nov. 30. Mesdames Lois, Lena and U. V. Woodley, Ruby Ellison, Amy Blewster, Irma Naish, Lucile Clements, Elena Cost, Messrs. Elton Cook and S. M. Cost and Miss Mary Clements.
Mrs. Nannie DeMent presided. Mrs. Leila Holliday, Mrs. Annie and Lou Hooten and Mrs. Lillian Gilliland and Mrs. Wilson Associates Grand Conductress were introduced and given a hearty welcome.
Visitors from other conferences were heartily welcomed.
All present gathered around tables decorated in late fall flowers and Christmas motifs.
A sumptuous meal was enjoyed, turkey with all the trimmings furnished by Montevallo Chapter. Those attending from other chapters furnished the extras.
Mr. Jim Horton returned thanks. Following the meal, representatives from the eleven chapters gave reports of work and plans for the future.
Several chapters furnished entertainment, from Jemison, Miss J. A. Clements gave a humorous reading. The chapters forming

this conference are: Alabaster, Clanton, Columbiana, Centerville, Hixkema, Jemison, Montevallo, Thursday, Calera, Wilsonville and Woodstock.
The group sang two Christmas carols and Mrs. Dan Harrell gave the closing prayer.
GENERAL ASSEMBLY PROGRAM
Mr. William Vines, general Superintendent of the Baptist Sunday School, presided at the open assembly program; all departments meeting together.
Topic: "Our Motives For World Outreach." Miss Jane Porter read the Scripture and Mr. Vines led in prayer.
Requests for all who would take part in the Christmas program was made known.
Richard Stephens read Matt. 28:19-20, each Christian motive for world outreach.
Robert Lowery and Miss Rosa Cofer sang, "Here Am I, Send Me" accompanied by Miss Pat Shaw.
Mr. Vines commented on how each Christian could carry out the Great Commission.
Miss Pat Shaw accompanied by her mother, Mrs. Leo Shaw, sang "How Long Must We Wait?"
Silent prayer, closed by Mr. W. J. Stephens.

ON THE CAMPUS
Five girls and six boys from JHS took the American College Test at Alabama College on November 10th. Results will be known early this month.
Most colleges in Alabama require students to take this test and make satisfactory grades to be eligible for entrance. The test was divided into four parts: English, math, natural science and social studies reading.
Participating: Lynda Clements, Nancy Easterling, Billie Gore, Nell Champion, Charles Tryon, Faye Foshee, Robert Lowery, Rovee Davis, Jerry Gore, Joe Gentry and Jimmy Martin.
Two students contributed a paper, Margie Moore "No Need for Loneliness" and "How Do You Rate" by Margaretha Dobbs, to the school paper.
The Science Club and Mrs. Betty Giles spent November 26th at the Wilsonville Steam Plant. The day started with a meeting in the Conference Room with details about the plant. The Club was divided in seven groups, a guide for each. They went through most of the plant and saw many machines.
Christmas Cantata: Carolyn Garner makes this report. The Jemison School Glee Club will present a Christmas Cantata at the Jemison Baptist Church on December 16th at 3 P.M. They will sing "Love Transcending".

NANCE - BEASLEY VOWS SPOKEN
The marriage of Miss Faye Beasley to Charles Nance of Clanton took place Prattville, November 17 at 4 O'clock.
Rev. James Clark, Baptist minister, performed the double ring ceremony at his home.
The bride is the daughter of Mr. and Mrs. Joe Beasley, Jemison; parents of the groom, L. Z. Nance of Prattville and Mrs. Gladys Nance of Clanton.
The bride was wearing a beige street length frock, fashioned with a round neckline and bouffant skirt. Accessories matched the frock. Her corsage was white carnations. The couple will reside in Clanton.

MEETING OF JR. GA'S
Jr. GA's met at the Baptist Church, Friday, afternoon at 3 O'clock. The meeting was called to order by the president, Gaynell Gilmore. Janelle Lenoir read Psalms 100, Mrs. Louis Brasher, counselor, led in prayer. Girls repeated in unison, the Watchword, Star Ideals, Pledge of Allegiance and Stewardship. The group worked together on Forward Steps. Present: Jacki and Donna Adams, Becky Stephans, Judy Burnett, Wanda Lowery, Polly and Jennie Bolton, Janelle Lenoir and Gaynell Gil-

Medal Given To Local Hero; Pulled Two Men From Burning Auto

(Taken from San Diego, California, Evening Tribune, November 15, 1962.)
By **BILL HARTLEY**
A navy chief petty officer yesterday received a medal for bravery and a man whose life he saved watched the ceremony.
Douglas E. Lowery, son of Mrs. Leslie Lowery of Clanton and the late Herbert Lowery, a senior chief aviation structural mechanic, received the Navy-Marine Corps Medal at Miramar Naval Air Station. Lowery, 40, is attached to Fighter Squadron 154. The medal was presented by RADM. Marshall W. White, Commander fleet air, San Diego.
Lowery and another sailor, Paul Ortega, an aviation electrician, pulled Merton J. Batchelder from a burning car on

more. There will be a Christmas Party and a study of the Mission Book "The Talking Snowman". Dismissed by sentence prayer. The group played games and enjoyed ice cream.

MASONS BURN MORTGAGE
Thursday night, November 29 was of special interest to Jemison Masons and friends. Members of the lodge were the families met at the Hall for the purpose of burning the mortgage on the building.
Rev. Rickette, pastor of Union Grove Baptist Church gave the invocation and the introduction of visitors was by Jack Lenoir. The Worshipful Master, W. A. Smith, welcomed all present.
A brief history of Jemison Lodge was given by Erman Hand. Willard Cost, Chairman of the Building Committee, discussed the building of the new lodge building, the splendid manner in which everything worked out.
A report of the expense of the building was given by Dalton Champion.
Mrs. Ruby Lee Ellison, Worthy Matron of the OES, introduced other members of the order.
Willard Cost burned the mortgage, assisted by W. A. Smith and Erman Hand.
Rev. Brasher, Mrs. Doris Champion and Sara Nell Champion led the group in singing several "ps" songs. Members of OES served a delightful meal.

GOLDEN AGE CITIZEN
Mr. Festus T. Atkinson is the Golden Age Citizen of the Month. Born in 1876, he is now 86 years "young". Mr. Atkinson was married to Melissa Scott in 1897 and to this union were eight children, seven living. This couple lived in the Jemison area since childhood. Mrs. Atkinson passed away several years ago.
The children all live in Alabama with the exception of one son, Erdis, who resides in California. The names of the children all begin with "E", which in itself, is unusual.
Mr. Atkinson was a successful farmer for many years, but is now retired and living with a son, Ernest in Northeast Jemison.
VISITINGS
Luncheon guests of Mrs. H. C. Reeves, Thursday, were Mrs. R. A. Benefield and Mrs. Marshall Ellis of Alabaster.
Sunday guests of Mr. and Mrs. H. C. Reeves were: Mr. and Mrs. Ray Benefield of Alabaster, their daughter and husband, Mr. and Mrs. Horace Garner of Bessemer.

U. S. 385, Nov. 22, 1961.
Batchelder, 33, of 3864 West Haven Drive, Carlsbad, was at Lupton I. Airport, November 14, here if the chief hadn't been in the right place and had the presence of mind to come forward," Batchelder said.
"A lot of people would have stood by and watched us roast in that car."
Lowery and Ortega also pulled William E. Buckland of Ocean-side from the car. Buckland died the next day in Sharp Hospital.
Lowery's wife Hazel was pictured with the chief and Batchelder in the Tribune article.

Clanton FHA Honor New Members

Alabama Soils receive only 1/5 of the lime needed annually!

Alabama uses only a fifth of the lime it needs. On thousands of fields a shortage of lime is holding down production. Unless something is done about this, yields will drop even more severely in the future than they have in the past. Soil test to determine how much lime you need this year.

Christmas For The Forgotten Men

Publisher
 Chilton County News
 Dear Sir:

"In the four institutions I serve as Chaplain, there are several hundred men who will not receive anything for Christmas. Nothing other than that will be permissible. We call them "The Forgotten Men", because they receive no mail or visits from their families or friends. Each year at Christmas time we ask the newspapers throughout the state to publish a small article explaining our program to the public, asking them if they would make a donation toward helping our "Forgotten Men".

We make up packages to give these men at an estimated cost of two dollars each. Last year we gave out over six hundred of these packages. This shows the need is great. Thus, we are appealing to individuals, Church groups and the general public for donations.

Christmas Seals On Way To Your Home

The Chilton County Christmas Seals are on their way to each home in Chilton County. The Seal Committee, along with the Health Department, the children and teachers from all the Elementary Schools in the County and the four (4) Sixth Grade teachers at Henry Adair School; Mrs. Thomas, Mrs. Nivens, Mrs. Littlejohn and Mrs. Sexton, have been busy as little beavers, preparing stencils to take home as publicity; placing posters and the older group getting the letters ready for mailing.

Please watch for your letter; and if it fails to come in the

They may send cash, check or money order, or if they prefer, they may send a package of the permissible items such as cakes, cookies, shelled nuts and home-made candies, and cheese. Nothing other than that will be permissible.

All food must be in plastic, cardboard or cellophane containers. Clothing such as shirts, underwear and handkerchiefs (all must be white and made of cotton), solid color socks made of cotton and black or brown solid color shoes, may also be sent. Please send all contributions to: R. S. Watson, Chaplain, Door of Hope Chapel, Kilby Prison, Montgomery 10, Alabama.

In closing we wish for you and your staff the very best in health and happiness, A Merry Christmas and a prosperous New Year.

500 Pints Needed

**ARMED FORCES WON'T BE ABLE TO
 GIVE; IT WILL BE UP TO YOU!!**

The American Red Cross Blood Collecting Team

will come to Clanton Friday, December 7, 1962.

This December 7, 1962 finds us in drastic need of blood. It was December 7, 1941 at Pearl Harbor where and when so much of this precious item was LOST. This year the Armed Forces, who have contributed a greater part of the daily need for our population, will not be able to do so. The present world condition has caused the Armed Forces here in Alabama to be in such a state of readiness to defend you and I that they will not be able to contribute their blood to help maintain our health.

With the present loss of blood from the Military Forces the civilian population is called upon to do their part by doubling the normal amount. This means we will scarcely meet the demand for our home folks in Alabama.

All of the blood collected PROBABLY will not be used in Chilton County, but will be used to pay back and build credits for Chilton County if and when we are in need, as well as to help save lives in other parts of the State.

At Pearl Harbor blood was lost — Here on December 7, 1962 this blood will be saved and used. The Collecting Team will be located in the Clanton Masonic Lodge, corner of Fourth Avenue North (Selma Hwy.) and Eighth Street North.

The team will be ready to receive donors at 12 o'clock noon. The hours from 12 to 3 P.M. in the past have been the slow time. Those who are not working are requested to come as early as possible to assist the workers after 4 P.M. The schedule is to close at 6 P.M.

The Chilton County Chapter American Red Cross and the citizens would like to use this means to thank Doctors Johnson, Rennings, Dumas, Chas. Moore and Joe Moore for the time and efforts donated to this worthy cause.

THE LIFE OF CHRIST

(Editor's note: This is the second in a series of six articles appearing in Chilton County News, condensed from Charles L. Allen's new book, "The Life of Christ", copyrighted by Fleming H. Revell Co. Used by permission.)

JESUS' YEAR OF PREPARATION

Every year Jesus' parents went to Jerusalem for the feast of the Passover. The year Jesus was twelve went as usual, along with many other people. Afterward, they started back home but Jesus lingered behind in Jerusalem. Joseph and Mary supposed he was in the group until that night when they could not find him.

They went back to Jerusalem and after searching for three days found him in the temple. He was with the teachers, listening to their conversations and asking them questions. These men were surprised at how much he understood and the answers he gave. When Joseph and Mary saw Jesus, they could hardly believe it, and Mary said, "Son, you have lost your mind. Behold, thy father and I have sought thee sorrowing." Jesus replied, "How is it that ye sought me? Wist ye not that I must be about my Father's business?" But his parents did not understand. He then went back home with them, and was an obedient son; but his mother wondered about the meaning of many of the things he said.

And Jesus grew in mind and body and in his relations with God and men. In the fifteenth year of the reign of Tiberius Caesar, when Jesus was about thirty years of age, John the Baptist came to the Jordan, crying: "Repent: for the Kingdom of Heaven is at hand."

Large crowds came to hear John preach, confessed their sins and were baptized by him in the Jordan river. John wore a camel's hair coat and a skirt made of skin. He ate locusts and wild honey. When he saw so many of the Pharisees and Sadducees come to hear him, he said to them, "O generation of vipers, who hath warned you to flee from the wrath to come? Bring forth therefore fruits meet for repentance."

The people asked him, "What shall we do?" He answered them, "He that hath two coats, let him impart to him that hath none; and he that hath meat, let him do likewise." Also, tax collectors came to him to be baptized and they asked him, "Master, what shall we do?" He replied, "Exact no more than that which is appointed you."

Likewise the soldiers asked him, "what shall we do?" He said to them, "Do violence to no man, neither accuse any falsely; and be content with your wages." As the people were expecting great things from John, and wondering if he were Christ, he said to them, "I indeed baptize you with water; but one mightier than I cometh, the latchet of whose shoes I am not worthy to unloose: he shall baptize you with the Holy Ghost and with fire."

Jesus came from Galilee to John at the Jordan to be baptized. John discouraged him, saying, "I have need to be baptized of thee, and comest thou to me?" Jesus replied, "Suffer it to be so: for thus it becometh us to fulfill all righteousness."

Then John baptized him and, when Jesus came out of the water, the heavens opened up and he saw the Spirit of God coming down like a dove and lighting upon him. Then a voice from heaven said, "This is my beloved Son, in whom I am well pleased." At this time Jesus was about thirty years of age.

Afterwards Jesus felt led by the Spirit to get away into the wilderness. There he was tempted by the devil. He went without food for forty days and nights and he became very hungry. Then the tempter came to him and said, "If thou be the Son of God, command that these stones be made bread." Jesus answered him, "It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God."

Then the devil took him up on a high mountain and showed him all the kingdoms of the world in a moment of time. The devil said to him, "All this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it. If thou therefore wilt worship me, all shall be thine."

Jesus replied, "Get thee behind me, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve."

Then the devil brought Jesus to Jerusalem, set him on a pinnacle of the temple and said to him, "If thou be the Son of God, cast thyself down from hence: for it is written, He shall give his angels charge over thee, to keep thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone."

Jesus answered, "It is said, Thou shalt not tempt the Lord thy God."

When the devil ended these temptations, he left him for the time being. Then angels came and ministered unto him. Jesus returned to Galilee in the power of the spirit and news about him went throughout the countryside. He taught in their synagogues and was praised by all.

NEXT WEEK: "Jesus Mighty Works."

"Doctor asked Ez Tike how well he sleeps. Ez claims he sleeps purty good nights and mornings, but afternoons, he just seems to twist and turn."

THE CHILTON COUNTY NEWS

The three local Kiwanis Club members that were absent at this week's meeting, missed a very good program.

Definite plans were made for the building of a float for the Christmas Parade, December 14. We are expecting to have one of the best floats in the parade, built under the direction of Bob Alexander and his Committee. We are hoping that everyone in the County will support this Christmas Program, but above all we are hoping that no one will forget the true meaning of Christmas and will celebrate the occasion in the right spirit.

Committees were appointed to make all the plans for the annual Ladies Night Christmas Party. We know that these Committees will do an excellent job in planning and preparing for this annual event.

The program was under the direction, this week, of the Public Relations Committee, L. G. Nichols, chairman.

Tom Widner introduced Walter Bryant, local water patrolman for this area. Bryant gave us a report on the purposes of his organization and its functions.

After his talk, he showed a series of slides and made a brief comment on each, which everyone seemed to enjoy very much.

YOUR HEALTH

STANCE FATIGUE

Stance fatigue is a type of fatigue produced by quiet standing. It is similar to what is known as sedentary fatigue. Persons who sit at desks all day and do no muscular work to speak of suffer a type of fatigue that is enervating. They make no sweeping motions, even though they do use muscles to keep themselves stationary.

Because sedentary workers do not activate the circulation enough to prompt an adequate intake of oxygen, there is discomfort, and the impulse to stretch and move about increases. Fatigue is usually defined as a state of increased discomfort and decreased efficiency resulting from prolonged or excessive exertion. A person feels fatigued when his activity is restricted to less than would be expected from his general mental and physical equipment.

A fatigued animal follows the prompting of nature and rests. Man sets up artificial standards in his daily habits of eating, working, resting, and living in general. Loss of sleep, extreme and long-continued physical exertion, poor environment, and inadequate diet tend to produce fatigue in otherwise healthy individuals.

There is normal fatigue, chronic fatigue, and nervous fatigue. Nervous fatigue is frequently over-fatigue in persons with limited endurance who overdo themselves. Fatigue is normal in daily living, and at day's end we don't mind being pleasantly tired.

Abnormal fatigue is as harmful as normal fatigue is beneficial. Work while you work and rest while you rest is a good rule to follow.

A Little Bit O' Tuck.

.. BY BOB TUCKER

IT BECOMES increasingly difficult for us to understand the attitude of many, not to ask some folks to trade at home. To our way of thinking it is no different from personal courtesy: If a person comes to your home, he does not enter it, until invited to do so. The comparison may be far-fetched, and may not be completely parallel, but the resemblance is still there. Our advertising motto here at the News has been for many years: "If you don't tell them, how will they know — referring of course to items or services which you wish to sell. We think the same principal applies to trading at home — especially in this incoming era of the "Discount Store" — If you don't ask them, why should they come (to your store)?

If you think repetition is useless and out of style, then why does the preacher preach every Sunday, and why does the rooster crow every morning.

Repetition of "Trade At Home" cannot possibly do anything but help a community, if that is what the merchants collectively believe. When it comes to inviting people to Trade At Home with local merchants, there seems to be a wee small voice, and an unusually large wilderness!

This newspaper endorses Trading at Home — and says so — at every opportunity. Are you standing behind the idea; or the newspaper?

WHILE everyone at the U of A was in Birmingham, busily beating Auburn U, we sneaked in the side door and took the kids through the Museum there on the campus. Of particular interest to us was the big Kodiak Bear they have on display. And of course the rocks, fossils and other stuffed animals were interesting, as always. About centerways of the trip, son Mark remarked: "Daddy, this isn't the way you go to get lost is it?" You know, we've never physically lost him, but he's lost us on more than one occasion, by merely asking a question.

We enjoyed very much the trip to the University, but there is one thing that puzzles us. We think they have a major attraction in that his Kodiak Bear, why in the world do they not give it the display it deserves. Perhaps they will eventually, but right now it is stuck off in an upstairs corner and we doubt if many visitors have the opportunity to see the monster. It is worth seeing.

THANKS to George Fulmer, Mr. Bates, Mr. Dale, Mr. Kilgore, Woody Fulmer and others, we have the Christmas lights up in Clanton. Those fellows put in some real work getting those lights strung each year, and we hope they turn them on for us before the 14th. That's too late in the season fellows in charge!

DAVID Adams, who is the Field Representative in this area for Social Security asks us to remind you that the scheduled trip to Clanton, by his office, for December 24th has been canceled. Executive order has declared that as an official holiday for Federal employees. Dave said to tell you Merry Christmas and his visits will continue on schedule after the Christmas holidays.

YOU may note that the "Man Of The Week" resumes its place in the News this week.

This feature, in conjunction with the News Mystery Man feature, has caused more comment and created more interest than anything we have ever done. We want to say we appreciate your acceptance and will continue it as long as we have subjects to present. We think we have given you an insight, already, on some of the finest men in Chilton County.

THE Christmas Parade was delayed this year on account of inspection or something or other at the local Armory and that's where all the float activity always takes place. We are sorry about the delay, but we wish the lights and other "Christmas Spirit" could be brought in a little earlier. Some of us aren't going to wake up to Christmas until New Year's. And some of 'em won't wake up after Christmas until New Year's. Merry Christmas anyway; and we hope you make plans to attend church as much as possible during this most Holy of Seasons.

NOTE the pages of the News this week and see how a lot of shopping and Christmas buying you can do right here in your own community. With products and service like we have here at home, it is foolish to go to some one else's community looking for bargains and specs. Christmas gift Shop with the merchants who advertise in Chilton County News, your alert community newspaper.

THE Paw-Paw patch might be coming to Chilton County. Mr. Howard at Wayside Gardens in Thorby tells us that he has in stock what is called a Paw-Paw Tree and it grows bananas — or a reasonable facsimile. He says the fruit is delicious and the trees are small. Be nice to step out in the backyard and pick out a banana sandwich, now wouldn't it?

MISS NORWOOD'S EFFORTS RECOGNIZED

From all the compliments I have received about Miss Norwood's Physical Education Program, recognition should be given to her efforts in preparing Christmas boxes for the needy, as well as to the Physical Ed. girls who work so diligently with her, carrying out this splendid program.

Miss Norwood originated this plan five years ago and made it possible for many, many tiny tots to be happy Christmas morning, when otherwise they would never know Christmas Day had arrived. To Miss Norwood and her Physical Ed. girls, we are grateful.

Rev. Robert Carden, pastor

Things are stirring and people are busy. Christmas will soon be here. Let's not forget during the Holiday Season, the real meaning of Christmas.

A nice crowd was out for services last Sunday. Sunday School is at 10 o'clock and preaching services at 11 with Training Union at 6 P.M. and services again in the evening at 7 o'clock.

Mr. Alvin Porter is our Training Union director and is doing a wonderful job. Don't forget to come out for Training Union next Sunday Night.

The YWA's of Providence Baptist Church met at the church on Family Night, November 22. The President, Mildred Holcomb called the meeting to order and read the devotionals with scripture reading and prayer was given by Ann Killingsworth.

The program was entitled "Here's Mexico". A meeting of prayer for Lottie Moon Christmas offering was discussed. Members present were: Mrs. Shirley Samuels, Mildred Holcomb, June Veazey, Carolyn Killingsworth, Ann Killingsworth, Lula Hall, Ann Horton and Jean Harrell.

The WMS will observe the Week of Prayer Thursday, meeting at the church.

The wedding will be an event of December 22 at West End Baptist Church in Clanton.

Governor Salutes Legion

The American Legion is celebrating its 44th anniversary this year, and Gov. John Patterson has proclaimed next week as American Legion Week in Alabama. The occasion will mark the start of a statewide membership campaign which State Commander Raymond Weeks of Birmingham hopes will make the Legion a 100,000-member organization in Alabama. In this photo, Mr. Weeks, left, and Gov. Patterson show off the executive proclamation honoring the Legion for its efforts to preserve the American way of life.

Legion Stages All
Out Drive

THE American Legion has organized an all-out membership drive to bring all 300,000 eligible veterans in Alabama into the Legion.

Promotion of the many advantages to veterans to belong to the Legion begins this week by more than 200 posts scattered across the State.

The drive will be to get one

out of three to join which will boost the Legion membership to 100,000 strong.

Department Commander Raymond Weeks of Birmingham stated that the press has been very instrumental in focusing the attention of the public on the efforts of the Legion for the American way of life, and he said: "The American Legion is engaged in a tremendous fight to drive Communism out of Alabama. If we are to rid ourselves of these gangsters and killers, we will need strength in members, so strong that this evil will never show its ugly head again!"

December 9th through 16th is designated as "American Legion Week".

Pecan Trees

We have them now, ready for you to plant. The old reliable Stuart and the wonderful new Mahan-Stuart. See a sample of the fine, big Mahan-Stuart nuts we have here at Wayside Gardens.

Why plant oak trees? People don't eat acorns. Pecans make a fine shade, are beautiful and will make you a profit. In just a short time they will be bearing delicious nuts. Don't put off planting any longer. Now is the best time to plant. They make excellent Christmas gifts, too. Leaflet giving full instructions on the best way to plant, fertilize, water, etc. given with each purchase of trees, so you will have complete satisfaction in early-bearing, fast growing trees.

CHRISTMAS GIFT CERTIFICATES

Make your Christmas shopping easy this season by giving FIFTY Certificates for shrubbery or trees from WAYSIDE GARDENS. The person who receives the Certificate can choose from our wide variety and many sizes of evergreens, trees and house plants. This way they will get what they want, because they pick it out themselves. Could anything be easier and more satisfying? Come by or mail your order for Gift Certificates now. One copy will be mailed to the recipient and another to the giver. Priced at \$3.50 and up to any amount you wish. Please add 4% tax. Do it now!

Jones, Andie and Scott of Birmingham, Mr. and Mrs. D. B. Jones and granddaughter, Toni Allen of Baton Rouge, La. and Mr. and Mrs. Bill Minor and Patsy and Mr. and Mrs. Charles

Wright and children of Clanton. Mr. and Mrs. Leo Alred from Las Vegas, Nev. visited with Mr. and Mrs. W. M. Polk, Jr. Mrs. Hattie Alred and other relatives and friends during the holidays.

VISITING Mr. and Mrs. M. C. Hamilton and the Walter Giddens last week was Mrs. Hamilton's daughter, Mrs. Searles and the Don Beckers (Betty Harris) and children Gregory and Teresa of Middleport, Ohio. They left for their homes on Saturday. On Sunday the Hamilton's and Giddens visited Mrs. Alice Dean and Mrs. Sauley, sisters, in Goodwater. They attended the 80th birthday celebration of Mrs. Sauley.

SATURDAY visitors of Mrs. Mamie C. Smith and Mrs. Flem Giggins were Mr. and Mrs. Frank Smith of Birmingham and Mrs. Smith's grandson, Billy Benton Smith, wife and little daughter Lisa of Montgomery.

Mrs. Propst Hostess To Gardenettes

The Gardenette Club of Clanton met with their president Mrs. J. E. Propst, who presided.

Mrs. M. L. Batson introduced Mrs. Robert Bowers, program chairman. The theme of the program was "Beauty At Holiday Time". Mrs. Bowers presented Mrs. Robert Powers who demonstrated making most attractive and different package wrapping for the holidays. She then presented Mrs. Richard Muncher who demonstrated the making of Christmas wreaths. The arrangement of the month was done by Mrs. Propst of "Seeds and Berries".

Delicious refreshments were served to 16 members and Mesdames Powers and Muncher.

Tim Carter Observes Third Birthday

On Saturday, November 24th, at 2:30 at his home on Ollie Ave. young Timothy Carter greeted little friends, who came to help celebrate his 3rd birthday.

The guests were invited into the den where the center of attraction was the birthday cake decorated in the "3 ring circus" theme including a "Bozo Clown figurine", a stunt elephant and dog and inscription "Happy Birthday Tim". Inflated balloons hung from the ceiling above the table.

After singing the birthday song and opening the gifts, ice cream and cake and punch were served to the following guests, Nancy and Sherron Hooper, Brenda Hardy, Rebecca and Danny Alred, Barbara Klinner, Richard Williams, David Norman, Keith Driver, Danny Carter, brother of Little Tim, Clint, Terry and Gerry Cox, his cousins, from Marianna, Fla. and his grandmother, Mrs. O. Assisting Mrs. Carter were Mrs. Dan Alred, Mrs. Charles Cox, Mrs. Roscoe Williams and Mrs. Bill Driver.

NEWS OF— REFUGE

Rev. M. Lockhart, pastor

The pastor is bringing a series of messages on the subject "The Cup Which Jesus Drank". You are always invited to any of the services at Refuge.

Mr. J. S. Easterling is in the Selma Baptist Hospital undergoing a thorough checkup. Mr. John Mark Easterling went to Birmingham Monday for a routine checkup.

The new front recently added to our church is looking good, even though it is not yet completed. Work on the interior will begin when the work on the front is finished. Again we wish to express our appreciation for the fine gifts to the building program. We certainly appreciate the nice gift last Sunday.

We will have our Christmas Program on Sunday night before Christmas. A fine program is planned and we are looking forward to a good time.

Our pastor, Bro. Lockhart, who has been serving on the Committee for gathering produce for the Children's Home at Troy, says they are planning on getting one hundred dozen fruit jars brought up from the Home in time for canning purposes next year. The jars will be stored at the Farmers Gin and Warehouse on 2nd Ave. North in Clanton. The churches of the Chilton-Unity Association will be notified so they can pick up the jars on a specific day. It will be several weeks yet before the jars are brought up. Mr. Goodgame of the Farmers Gin and Warehouse said they would

be happy to store the jars and cooperate with the people in getting them out to the churches.

The evidence clearly shows there is no public need for a loan of YOUR funds to Alabama Electric Cooperative

Evidence presented in the now concluded hearing before Alabama Director of Finance Maurice Patterson clearly shows that a proposed loan of taxpayers' funds to Alabama Electric Cooperative would not be in the public interest and would not serve a public need.

The evidence also shows that approval of the proposed \$20,350,000 loan would violate the Rural Electrification Act of 1936.

That Act states that funds are to be loaned by the Rural Electrification Administration only "for the furnishing of electric energy to persons in rural areas who are not receiving central station service. . . ."

Yet, every one of the 35,000 customers to be taken away from Alabama Power Company and Gulf Power Company by the cooperative if the proposed loan is approved already are receiving low-cost central station electric service from these investor owned, taxpaying utilities.

Alabama Electric Cooperative also has stated that one of its purposes in seeking the proposed loan was to provide "competition" for Alabama Power Company.

Yet, when the REA Act was passed, its proponents—including the late Speaker of the House Rayburn and the late Senator Norris—emphatically declared that its purpose was NOT to provide "competition," but only to bring electricity to rural residents who do not have central station service. *This original purpose of the REA Act has never been changed!*

Other reasons for Alabama Power Company's opposition to the plans of Alabama Electric Cooperative include:

1. Approval of the proposed loan would mean a financial loss of more than \$45,500,000 to the taxpayers of Alabama and the Nation. This staggering loss was shown by unrefuted evidence. It would consist of unreimbursed interest cost to the Federal Government and tax losses to the State and Local Governments and to the Federal Government.
2. The generating plant and related facilities to be built if the loan now proposed is approved is described in a report by the cooperative as the first step in a grand scheme. Cost of this grand scheme, including a network of thousands of miles of transmission lines, was estimated for the co-op at more than \$72,000,000 based on 1958 prices.
3. The facilities which the co-op plans to build if the loan is approved would duplicate and in some instances render useless existing facilities owned by Alabama Power Company.
4. The facilities proposed by the co-op would result in higher power costs to the customers to be taken from Alabama Power Company. The co-op's own figures show that power cost to distributing cooperatives to be taken from the Company if the loan is approved would be 7.18 mills per kilowatt hour. Yet, the evidence shows that the cost of power purchased by these distributing cooperatives from the Company in 1961 was only 6.69 mills per kilowatt hour, including ownership costs of certain transformation facilities of the co-ops.
5. The facilities which Alabama Electric Cooperative seeks to build would not be economically feasible unless AEC increases substantially the rates it alleged it would charge. The co-op's engineer even failed to take into consideration the possibility of future increases in the cost of labor, materials, supplies, equipment and coal.
6. If approved, the loan would multiply the number of Alabama electric consumers who are not protected by the Alabama Public Service Commission. Rates of the co-op are fixed by its directors, subject to adjustment by the REA in Washington. Rates of Alabama Power Company are fixed by the members of the Alabama Public Service Commission who are elected by you.

The hearing before Mr. Patterson is ended. To approve the proposed loan, he must find it would be in the public interest and serve some public need. There is no evidence to support either consideration.

If you believe that *spending taxpayers' funds without public benefit makes no sense*, and you haven't already done so, we hope you'll express your feelings to the Alabama Director of Finance, State Capitol, Montgomery.

Again, we extend sincere appreciation to the many Alabama taxpayers who already have voiced their opposition to the needless and wasteful expenditure which Alabama Electric Cooperative proposes to make with *taxpayers' funds*.

"Gas O.K." Says Mayor; As Cold Continues

Grant, Powers Hood Win Football Trophies

AT a most impressive banquet Wednesday night the local football team was jointly honored by the Clanton Quarterback Club and the American Legion.

Boye Hood, a senior guard was awarded the Sportsman-ship Trophy.

Bobby Powers, a junior center, won the Best Lineman Award. This was the first time a junior has won this trophy.

Douglas Grant, a senior halfback was voted the Outstanding Back on the Tiger team and was awarded a large trophy with a football halfback as the top figure.

All Clanton fans as well as the student body can be proud of these three boys and the entire team.

The Banquet was held in the new cafeteria at Chilton County High with over 100 people present, including wives of Legion and Quarterback Club members.

Claude Grant showed a film of the Clanton-Maplesville game.

Awards were made to all seniors and letters were passed out to all members, who earned them this year.

There will be pictures in next week's paper of these events.

Supper Club Meets December 20th At Holiday Inn

THE 423 Supper Club will hold their regular monthly meeting and Christmas Party, December 20th at the Holiday Inn Restaurant. Please make your plans to attend this meeting, as an unusual program is being planned by the Program Committee, and we believe that it will be a joyous occasion. The arrangements have all been made and the plates will be the same price as always, but because they will be prepared by the Restaurant for us this time, it will be necessary to make reservations for the number to be in your party.

These reservations must be in by Monday, December 17, so that ample time will be given for the arrangements to be completed.

To make your reservation, see Jimmy Bell or Russell Sutey on or before the 17th, and make your plans to attend the special meeting on Thursday, the 20th, at Holiday Inn Restaurant.

First Baptist Tells Yuletide Plans

SUNDAY begins the Christmas services and activities at the First Baptist Church of Clanton as announced by the pastor Dr. J. Gilbert Hutchinson.

CANTATA PROGRAM

On December 16th at 7:00 P.M. the Sanctuary and Carol Choirs will be featured in a Sunday evening of music under the direction of Mr. Cordell Harrison, Minister of Music. The Sanctuary Choir will present the cantata, Love Transcending, by John W. Peterson. Soloists for the cantata will be Mrs. William P. Burnett, Mrs. H. Glenn, Jr., Mr. Billy Wyatt, Mr. Tom C. Widner and Mr. Roy Wood.

CAROL SINGING

On December 21 at 6:30 P.M. the Annual Christmas Carol Singing will be held. The Intermediate and Young People's Departments will go throughout the city singing to the shut-in members of the church. At the close of the carol singing the group will enjoy a spaghetti supper and fun period at the church.

YOUTH AND CHERUB CHOIRS

On December 23 at 7:00 P.M. the Sunday evening service will present the Youth and Cherub Choirs in an evening of carol

Notice!

DUE to the fact that your Christmas Seals and materials were late arriving to your County Committee and some of the addresses were incorrect, you may not have received them. If you would like to have your Seals and/or make your contribution to this worthy and necessary cause in YOUR COMMUNITY, then will you please contact the Chairman of the Committee, and they will be sent to you immediately.

The mailing list will be corrected before next year, we assure you.

Thank you,
Mrs. R. M. Tucker,
Chairman.

Attention: All A-Legion Members

COMMANDER Cecil Martin has called a special meeting of all members of Post No. 6 tonight (Thursday) at 7 P.M. This will be the last meeting of this year and is most important that a good crowd be present.

If you have not mailed your dues and cannot attend, please send or mail yours in this week.

5th Sunday Hymn Sing To Be Caroling

By M. G. FIELDS

THE churches of the Chilton County Baptist Association are looking forward to the Fifth Sunday Hymn Singing Sunday, December 30 at 2:30 P.M. at the West End Baptist Church, Clanton. A Carol hymn sing, sing was planned by the Committee of the music department. Also some special numbers will be rendered by soloists and ensembles. The choir, every singer, and gospel music lovers, will gather for this great music festival, which affords one of the great opportunities for Fellowship on the closing of this Christmas Season. This is a cordial invitation to one and all to attend and let's make a joyful noise unto the Lord together at West End on December 30th! See you then.

Wreck On 2nd Ave At Hinkle Road Late Tuesday

TOMMIE E. Baker is in good condition at Chilton County Hospital, after a wreck Tuesday night about 10:20 heavily damaged her automobile.

Also involved in the accident at 2nd Avenue and Hinkle Road, were Jerry Fulford, his wife Fay and their small baby. Mrs. Fulford and the child were taken to the hospital, but were reported unharmed and released. Mr. Fulford was uninjured.

Property damage was severe, but no one was badly injured. This particular corner in West Clanton is notorious for this type of accident. Be careful, and observe the stop and caution signs well before crossing.

THREE-CAR COLLISION SUNDAY

SUNDAY afternoon about 4:00 P.M., a three-car collision about five miles north of Jewson on Interstate 65, injured Mr. J. Nathan Chancy of Enterprise, Alabama, it is reported. Mr. Chancy was rushed to Chilton County Hospital by a Spigener Ambulance, and was released Tuesday of this week, reportedly in good condition. Property damage was high, but no other injuries were reported in this accident.

Howard Extension Center Begins 2nd 12-Week Session

By M. G. FIELDS

THE Howard College Extension Center second 12-week session began last Tuesday and will continue to meet every Tuesday at 6:45 P.M. for the "Preview of the Sunday School Lesson," and "Expository Preaching" classes. Rev. Louis Brasher and Rev. Neil Glauster, teachers, and at 8:00 P.M. for the study of the "New Testament (I and II Peter)." Rev. Cecil O. Sewell, Sr., teacher, at the West End Baptist Church, Clanton.

It is not too late to enroll; pastors, other preachers, deacons, officers and teachers, other workers, in the churches serving Christ, are cordially invited to visit and look forward to enrolling in one or two of the three classes. The teachers are doing a marvelous job teaching. This Bible teaching program offers a great opportunity of learning for every Christian visitor.

Exchange Cafeteria Opens

SINCE 1927, DeWitt Easterling has been in and out of the restaurant business in Clanton and in that time he has learned a great deal about what the public wants in a good "eatery" and what to give them.

Mr. Easterling, and son George Sam, who was raised up in the restaurant and cafe business, have opened up the Exchange Cafeteria here in town. It is a completely new and different kind of eating place for this locality and they will specialize in homemade pies and family-style meals. Everything is served cafeteria style.

The new place is open and located in the Exchange Hotel building on Seventh Street. Drop in and pay the boys a visit.

Verbena Elementary To Present Annual Christmas Play

THE Verbena Elementary School will give their annual Christmas Play for the Verbena PTA on Monday, December 17, at 7:00 P.M. It will be staged in the High School auditorium.

The name of the play this year is "Christmas in Fairyland" and is under the direction of Mrs. Mary McCallister, assisted by Mrs. Myrtle Jenkins, Mrs. Audrey Burkhalter and Mrs. Frances Gullestad. All parents and friends are cordially invited.

Mercury Hits Low Of 9 Wednesday

ABOUT the only thing working "two shifts" this week, besides plumbers and their friends, is pajamas.

As the temperature continues to threaten the Zero mark on local thermometers, and "long hanks" being somewhat out of style, it would be interesting to know how many folks just kept their pajamas on when they awoke Wednesday and Thursday mornings.

The mercury recorded Wednesday at a low of 9 degrees above Zero in Chilton County and the Thursday forecast was for that cold or colder. A hard freeze is threatening Chilton County, and seems to be reluctant to let go.

According to Mayor J. Holis Jackson Wednesday morning the gas and water situation were holding up pretty well, but the gas pressure was not up to normal on the north side of the City. The explanation for that, or so says the Mayor, is that "we are outgrowing our capacity for supplying gas."

Season Activities At Samaria

Don Graham, pastor

The Young Married People have planned to have a Christmas Supper at the church on December 17th. This will be a covered dish supper which will be followed by a Carol Sing. They will visit the sick people and those who are shut-ins.

On December 22, the Young People will visit those people who were not visited by the Young Married People. They will have a hayride which will begin at 6:30. After this, they will have coffee and donuts at the church. Make your plans to come to the one you fit into.

The church will have a party and supper December 20 at 6:30. During this each family will present its gift to the church. If you have not yet decided what to give, contact the pastor.

Choir practice is after prayer meeting on Wednesday nights. All during the Christmas holidays we will have a recreation period and refreshments afterward.

Next Sunday afternoon the Friendship Baptist Church will use our battery for baptismal services. This will begin at 2:00.

Don't forget our Visitation Program. We visit every Thursday night. Come visit with us.

This Christmas, don't forget the Christ that makes Christmas. Attend the church of your choice.

Information Sought On Unmarked Graves

THE Brotherhood of the Maccabees Baptist Church is in a project to improve their cemetery. The ground will be leveled, shrubbery removed, and sod in areas. There are several unmarked graves and if you can help identify any of these, you are asked to notify any one of the following Committee before February 10, 1963.

Pratt Crumpton, M. R. Oats, Hoyt Freeman, Coy J. Rasberry, Roy W. Rasberry. 50-61c

Piano Recital Sunday At First Methodist

AT 3:30 Sunday afternoon, December 16th, five students of the LaMar DeLoach will be presented in Recital at the First Methodist Church in the Wesley Fellowship Room.

The program of piano music will include compositions from the seventeenth to the twentieth centuries.

Featured in the recital will be Mary Arkie Cickler, Jean Kimbrough, Nancy Carmichael, Beverly Hicks and Carol Gibson.

The public is cordially invited to attend this program.

Christmas Play At Maplesville

COME and see the children "Entertaining Santa Claus" at the Maplesville Elementary School at 7:30 P.M., Friday, December 14. Admission will be 25c and 50c.

Mrs. J. A. Parsons Wins "Little Miss Chilton"

MEMBERS of the Chilton County Nursing Home Auxiliary wish to thank the people of Chilton County for their cooperation in making the project of "Little Miss Chilton" a huge success.

The lucky number on the ball and her complete wardrobe was drawn at 3:00 o'clock Friday afternoon, by the lovely Miss Rebecca Bentley, Chilton's own Alabama Maid of Cotton.

Mrs. J. A. Parsons held the winning ticket. The proceeds from the sale of tickets amounted to \$563.00. Part of this will be used to buy a hi-fidelity record player for the Nursing Home.

We specially would like to thank Mrs. Mims at the Fabric Mart who so graciously gave us of her window and her time to this project. Our appreciation is also extended to Bobby Lane and John Fonder Lawrence and to the many ladies who sold tickets.

Mrs. Dick Hayes, chairman, Chilton County Hospital Aux.

Business Houses Open Wednesdays

THE Clanton Merchants Committee of the Chilton County Chamber of Commerce announces that their stores and businesses will be open every Wednesday afternoon in December before Christmas.

Stores will close on Christmas Day, Tuesday, December 25, and will remain closed all day Wednesday, December 26.

Some merchants, however, will take advantage of the day following Christmas and they announce that while personnel are present in the stores on the 26th, customers will be admitted.

Stores will close all day on Tuesday, January 1, 1963, but will open for a half day on Wednesday, January 2nd.

Throughout 1963, until next December, the stores affected will continue to close on Wednesday afternoons as usual.

According to the Chamber of Commerce, local merchants have stocked large inventories for the Holiday Season. This year the Clanton and Chilton merchants offer a wider variety of Christmas gifts, toys and foods than ever before.

Maplesville Choir To Present A Christmas Cantata

A CHRISTMAS Cantata, "Night of Miracles," will be presented by the Sanctuary Choir of the Maplesville Baptist Church on Sunday evening, December 16, at 7:15 P.M.

The public is cordially invited. "Night of Miracles" was composed by John W. Peterson and has a new and different theme for Christmas Cantata. Mr. Peterson has endeavored to portray the miraculous truth of the incarnation in an original way.

I am with you... beholding your order... (Cor. 2:5).

Try working with the thought of divine order. Try it when you need patience and poise; try it when you need to speak firmly but kindly.

Weather to His Liking; Santa Arrives Friday

If the cold continues through the week-end, residents in the City of Clanton could do well to shut off part of their homes and conserve as much gas as possible so that there will not be a shortage, or the supply taxed too greatly.

A report from Supt. of Education Gordon Conway, Wednesday morning, was to the effect that schools would remain throughout the week un-

less there was some appreciable change in the weather, such as snow, ice, etc. The freezing temperatures, in themselves, will not close down the schools.

The schools at Verbena were closed part of Monday of this week because of repairs being made on the heating system. Other than that, classes are functioning normally over the County.

And Brer' Peach, he lay low!

THE Annual Jaycee Christmas Parade, this year to be on Friday, December 14th at 4:00 O'clock, is shaping up into the biggest event in history.

Each year this "Ushering in of the Christmas Season" has drawn more and more attention and participation until today it is the event of the year in Chilton County.

The Jaycee Parade Committee, with Bill Turner at the helm, is working night and day to insure the success of the big event. Assisting Bill are: Donny Martin, Larry Culpepper and Melvin Headley. This year, the Civitan Club is in charge of the town decorations and lighting and the Business and Professional Women's Club is decorating the big tree in front of the City Hall.

DEAR 4-H JANES

As in everything, there are keys to success. Below are the seven keys to be applied to 4-H success. The first key is to have the right attitude. It is more than just signing your name. You must join the group with all your enthusiasm and energy aimed at being the best club member you can be.

Key number two is determination. After you have joined, you must always try to do the good job that is expected of you. A good project is the third key. Do a good job on your project. Start with one project and when you see that you have done a good job on that one, try some more.

The fourth key is resourcefulness. This is to do the best that you can with what you have to work with. This key is really a golden key because any boy or girl who decides not to grumble but to do his best with what he has, owns a key that will open many a big important lock.

Leadership is the fifth key to success. Becoming a leader may seem rather complicated. It must be developed day by day. Neat, concise, and accurate records of all 4-H projects, leadership activities, speeches, exhibits, programs, demonstrations and offices held are essential in the 4-H program. Therefore, records that you keep are the sixth key.

The seventh and last key is an old rough rule used one that opens many locks throughout life. It is work. Thomas Edison once described genius as five percent inspiration and 95 percent perspiration. Hard work day by day will bring success in nearly any enterprise. Combine this key with all the others and you will unlock the big door to success in 4-H Club work. Learn to use all seven of the keys: Proper attitude, full participation, a good project, use of available resources, leading others, keeping good records, and hard work — to make the most of your 4-H Club life.

Montgomery; Mrs. Myrtle Wilson, Clanton; Mrs. Ella McIlwain, Jacksonville, Fla.; Mrs. Roberta Jones, Autaugaaville, Ala.; mother, Mrs. Hattie Dickinson, Billingsley, Ala.; two brothers, G. T. Dickinson, Billingsley and J. M. Dickinson, Tuscaloosa. Spigener Brown-Service Funeral Home was in charge.

CAMPBELL—Mrs. Never Nancy Campbell, age 77, Rt. 2, Jemison, died at 11:05 A.M. on November 29th in the local hospital. She was a native of Chilton County and was born on June 9, 1885. Funeral services were held at 1:30 P.M. Saturday at Rocky Mt. Methodist Church with interment in church cemetery. The Rev. Jesse Shackelford, Jr., and Rev. Robert Archibald, were the officiating ministers.

Pallbearers were: Robert and Hollis Ellison, Tommy and Robert Willis, John Bates and Roger Harris. Flower ladies were: Glenda and Jettie Ellison, Carolyn Brewer, Sandra Glass, Barbara Marcus, Nance Bolton, Dianne Crim, Karen Thornhill and friends.

Surviving relatives include: four daughters, Mrs. Margie Merrell, Mrs. Bertha Harris both of Siluria; Mrs. Naomi Bates, Jemison; Mrs. Deanne Willis, Mrs. Katie Bolton, both of Bessemer; three sons, Luther and Aubrey Campbell, Jemison; Clinton Campbell, Bessemer; one sister, Mrs. Fannie Robinson, Ensley, Ala.; two brothers, W. G. Glass, Calera and Jim Glass, Tuscaloosa. She also had 11 grandchildren and 10 great grandchildren. Spigener Brown - Service Funeral home was in charge.

NOTICE
House Trailer Owners

The 1961 Alabama Legislature passed a new revenue law, House Bill No. 53, requiring a tag for all HOUSE TRAILERS, the same as for automobiles.

The only exception granted by this law is on NEW trailers still in the inventories of Alabama Dealers. In view of the fact that trailer owners who have not yet bought tags are now subject to a citation fee and penalty, should they be cited by a law enforcement officer, I am again publicizing this new requirement.

The same requirements that apply to assessing and getting tags for automobiles now apply to house trailers so if you have bought a NEW house trailer since January 1, 1962 then bring your bill-of-sale with you when you come for your trailer tag. If your house trailer is not a new one then we will need to know — MAKE, MODEL, LENGTH, WIDTH and identifying numbers.

Please permit me this opportunity to make a statement to property owners concerning re-assessment of taxes in general. It is NOT NECESSARY to re-

assess every year unless you have made some changes in the valuation of your property, such as (1) bought more land, (2) sold some land, (3) built new buildings, (4) buildings torn down or burned, or (5) you are assessing personal property. Some items of personal property that have to be re-assessed each year are (1) tractors, (2) machinery, (3) places of business.

If you are assessing some of the above items of personal property and have not re-assessed this year then may I ask that you please make the necessary re-assessment before January 1, 1963.

Those who may have built a new residence this past year should make the assessment before January 1, 1963 if the building was reasonably near completion or being used as a residence at the beginning of the current tax year, October 1, 1962.

The period for making real estate assessments is from October 1st thru December 31st.

Sincerely yours,
Charles L. Patterson
Tax Assessor 49-2tc

THORNSBY METHODIST
Rev. C. T. Davis, pastor
Sunday School at 9:45
Evening Worship at 6:00.

Make your plans now to attend the Fellowship Supper Friday night at 6:30 at the church.
There's always plenty of good food and good fellowship when the church family gathers for this monthly affair. Invite a friend or neighbor to come with you this time.

The WSCS will have its Christmas Party this Thursday afternoon at 2:30 at the home of Mrs. H. H. Robinson. All members of the WSCS and any guests they wish to ask, are cordially invited. We would like to remind you of the Annual White Christmas offering that goes to the Methodist Children's Home in Selma.

There will be a special offering at the Morning Worship Service Sunday, December 23 for the White Christmas Fund. Take the time now to add this name to your Christmas Shopping List, and be as generous as you can to these children.

Mrs. Effie Robinson, who is visiting her daughters, Mrs. Chas. Shelby in Key West, Fla. and Mrs. J. C. Satterwhite in Miami, is reported to be ill. We hope she's well soon and back home.

This column welcomes Mr. and Mrs. Cal Moore back to Thorsby from Mississippi. They moved last week.

Mr. and Mrs. Johnny Partridge visited his sister Mr. and Mrs. Jean Calzaux in Cedartown, Ga. he week-end.

Mrs. Faye DeVaughn of Montgomery spent the week-end in

Thorsby with her sister, Mrs. Harvey Cleckler and daughter, Marsha.

Mr. and Mrs. L. C. Cagle of Hueytown had dinner with her sister, Mr. and Mrs. Marvin Wright. Mr. and Mrs. Cagle spent Saturday night in Montgomery with his dad, who is in a hospital there.

Mr. Dewey Collins and Mrs. Curtis Collins, Mr. Willie K. Littleton, attended open house at the Frosty Morn Packing Co in Montgomery Sunday.

This column expresses sympathy to the Pilgrim family who lost their son Forest Pilgrim. May the Lord bless him in this dark hour.

140 Attend Baptist Orientation Night

THE Baptist Associational Brotherhood Orientation Program held last Thursday at the First Baptist Church, Thorsby, was a great inspiration of fellowship. 25 churches, 17 pastors, 11 church brotherhood presidents, 11 Associational leaders, with a total of 140 men attended this fine meeting. Brother Fred Bowles, President of the Chilton-Unity Baptist Brotherhood Department, presided, also hereby expresses his deep appreciation for the cooperation of all present, and to the host church and pastor for their gracious hospitality so wonderfully expressed, and for the fine supper.

Appreciation was also expressed to Dr. W. J. Isbell, Jr., Secretary of the Brotherhood Department of the Alabama Baptist State Convention, for the very helpful literature presented.

BIRTHDAY CELEBRATION

Mrs. Fannie Short celebrated her 86th birthday last Tuesday when several of the ladies from the community surprised her with a spend-the-day party. Each lady carried a covered dish and a gift for "Aunt Fannie".

The birthday cake was baked by Mrs. Ruth Deason. Those helping her enjoy this get-together were: Mrs. Kathleen Wright, Mrs. Era Sansom, Mrs. Melba Ratliff, Mrs. Lola Davis, Mrs. Earl Bray, Mrs. Ruth Deason, Mrs. Willie Margaret Short, Mrs. Alice Adams, Mrs. Lillie Short, Mrs. Mary Hayes and the honoree. This party made "Aunt Fannie" very happy.

SURPRISE BIRTHDAY SUPPER

Wednesday night, December 5, Miss Della Cost honored Miss Nell Champion with a birthday supper. Miss Sandra Jo Ellison assisted in the preparations.

The birthday cake was placed in the center of the table. Around it were colorama candles and pink roses. Mrs. S. W. Cost enjoyed the occasion with the young ladies.

ANOTHER SURPRISE

Mr. and Mrs. Vester Rogers, Miss Sandra Rogers and her fiancé, Johnny H. Robinson, Mrs. A. C. Blewett and Mrs. Ola Sammons were guests of their son and wife, Mr. and Mrs. Frank Rogers on the occasion of Frank's birthday, December 1st.

Mrs. Rogers kept the preparations a secret and the dinner was a complete surprise. Roast turkey with all the trimmings was served.

The home was artistically decorated in pine sprays interspersed with large and small poinsettias. The honoree was well-remembered with gifts.

For several months, he was seriously injured when a stack of lumber fell on him while working. He would like to say "thanks" to his many friends for the kindness shown him. Mrs. Tolbert Roseberry, Mrs. Lola Davis and Mrs. Earnest Ratliff called for donations in the towns of Manlesville, Stanton, Plantersville and Selma and the response was great. Mr. Lewis would like to thank everyone that helped him.

Our visitors to church Sunday were Mr. and Mrs. Charles Cox of Cleveland Tex. and Mrs. Pearl Hayes of Clanton. Mr. and Mrs. Cox visited Mr. and Mrs. Mose Donovan and Mr. and Mrs. J. H. Cherry. Mrs. Cox is a sister of Mrs. Donovan and Mrs. Cherry.

Rev. E. W. Ratliff visited Mr. and Mrs. C. B. Owen and Mr. and Mrs. Earnest Ratliff on Sunday.

Also Mr. and Mrs. S. B. Ratliff of Selma visited Mr. and Mrs. Earnest Ratliff.

Rev. W. S. Cox was the Sunday guest of Mr. and Mrs. Dewey Deason.

Mr. and Mrs. Douglas Cleckler of Birmingham spent the week-end with Mr. and Mrs. Maurice Wright and girls.

Mrs. Era Sansom and Mr. Burdick Culp was on the sick list last Sunday and were unable to attend church services.

NEWS OF—

Providence (Beat 13)

by Kathryn Shaw
Katheryn Shaw - Your Reporter

Rev. Robert Carden, pastor
The chilly winds of winter seems to be here, but they failed to hinder a nice crowd out for church Sunday and Sunday night. Come each Sunday. The church is nice and warm and the message will warm your heart.

Mr. and Mrs. Oscar Anderson celebrated their Golden Wedding Anniversary when they were honored with reception at the home of their daughter, Mr. and Mrs. Edgar Samples.

Sunday afternoon, December 9th was the date. Mr. and Mrs. Anderson have 12 living children, 25 grandchildren and 20 great grandchildren. Throughout the house yellow and gold Pom Poms were beautifully arranged and the lace covered table held a beautiful wedding cake. Golden candles completed the lovely scene which over 50 friends and relatives viewed during the afternoon. Punch, coffee, cake and nuts were served to the guests. Each one wishing Mr. and Mrs. Anderson continued health and happiness. The many gifts showed the love and esteem for them each one bore.

God has been wonderful to this couple. This is the grand-children of the Rev. Sidney Samples.

The many friends of Mrs. Thomas, the mother of Mrs. Hazel Weyman, are sorry to hear of her illness. Hurry and get out again "Granny".

Are You A Square?--
"SQUARE" was once an honorable word! Back yonder a ways, "Square" was one of the most enviable of descriptive terms that a person could use: You gave a man a SQUARE deal if you were honest; and a SQUARE meal if he was hungry.

When you got out of debt, you were SQUARE with the world, and that was when you could look your fellowman SQUARE in the eye.
Then some boulder rounder got hold of the word and look at it today! In today's modern terminology, a "square" is the fellow who never learned to get away with it; he volunteers without having to, and he gets his kicks from trying to do something better than anyone else can--he's the guy who puts all he's got into his work.
In the realm of work--today the trend is to get by with as much as possible without getting caught; and with as little effort as is necessary to stay out of the boss's way.

This is something to be desired??
We'll take the old fashioned term, coupled with the modern version of "Square" for our part. There is more to be said for the peace of mind that is derived from doing a job well, and being paid fairly for it than all the material possessions that "pussy-footing" out of the boss's way, and "goofing off" can possibly buy.

A "Square" properly defined: is straight on all sides and the same on every side." Are you a "square"?

A Partnership--
THERE'S a fellow around town who says he and his wife have a financial arrangement that is mutually beneficial to all concerned. He says, she says, it is the only fair and equitable way for a man and wife "team" to balance the budget and keep the wheels of family progress turning on an even keel!
Their plan is: He makes it, and she spends it! No comment!

Somebody Yell "Fire"?--
AFTER a call from a reader this week we checked into the procedure of the local Volunteer Fire Department on answering a call.

To answer a fire call--whether the real thing or a false alarm, costs the City of Clanton in the neighborhood of \$100.00. It is logical then, that every precaution be taken against "false alarms".
If someone reports that there is a grass fire in the vicinity, the Police Department is dispatched to the scene to determine whether or not homes or buildings are endangered. If such is the case, then the police radio to sound the alarm and the trucks are sent post haste. All this takes place in a matter of minutes, of course. If the police see no need for the firetrucks, then the City is saved a useless expense.

This procedure is to insure against excited people sending in false alarms to the City, when there is no real hazard.

Some people disagree with this idea, because, they say, "time is precious when a fire breaks out; and there is not always time for such a procedure." This is very true, but we don't suppose there is a "perfect" solution to such a problem; and so long as the Police Department stays on its toes, this seems to be a good and workable plan.

We do know this: that the Mayor and City Council, as well as Police Chief Wallace Foshee and Fire Chief Houston Nivens, along with their respective departments will do, and are doing, a commendable job of co-ordinating efforts to insure Clanton of maximum protection at a minimum expense. If you don't believe that takes planning and teamwork, then you haven't tried it! If there is a better way of protecting your home from fire, with greater efficiency, we are confident that these men will find it, and put it to use.

Annual Welcome To Santa--
THIS year (Tomorrow in fact) Chilton County welcomes Santa Claus on Friday, December 14th, with the Annual Christmas Parade.
Each year, for the past several years, the Clanton Junior Chamber of Commerce sponsors the Christmas Parade, which depicts the Yuletide Spirit and Season in float decorations, marching music and gay laughter of children. The Jaycees are to be commended for this effort in behalf of their community. We're a little late this year, but it was unavoidable. Maybe it's for the better anyhow: The kids will get to tell Santa what they want, and mom and dad won't get tired of it all, before it's over with.
Merry Christmas,
Deck the halls...
If this weather keeps up,
You can throw snowballs!..

Parking In Clanton--
ONE thing that does point up the fact that Chilton Countians are buying in Chilton County this year is the parking-pedestrian problem!
Looks like the Police Department is going to have to get "sticky" with enforcing it folks continue with their careless ways. Jaywalking seems to be the order of the day, and blocking alleys is causing quite a bit of confusion, too!
More automobiles on the streets requires more careful attention to walking and driving. It would help to improve the situation, if each of us would consider the other fellow--in the proper Christmas Spirit--and use a bit of common sense. If everyone would practice what he preaches, we wouldn't have any traffic problem!

The Weather In Chilton--
WE ARE experiencing some unnaturally cold weather in these parts for the first of December. Temperatures are running below normal fairly regularly as this is written. Last Thursday, December 6, a low of 26 was recorded and on Sunday another 26 went on record. Monday morning (which is blue for many people anyway) was literally turning folks blue in many quarters--the low Monday was a cool 17 degrees. This past Tuesday the low was recorded at 32 degrees with a prediction for Wednesday of "the low teens"--including some snow. Heck we're going to move North if this keeps up. According to the newspapers, Anchorage, Alaska is having warmer temperatures than we are!
You know: North to Alaska - the cold rushes on!

Save The "Spirits"--
A MAN was seen coming from a state ABC (Alcoholic Beverage Control) store with a package, presumably containing something in the nature of "spirits of pink elephants". He leaned over into his compact car, carefully fastened the seat belt around the package and drove away. We sincerely hope that this is an isolated case--of whatever it is!

The Highest Order--
THERE is a certain fellow in town, who, believing in, and practicing, the fine art of "back-scratching" (as opposed to back-sliding), always uses the Chilton County News when he advertises his products and services and also checks with us first about office stationary and Job Printing. We, in turn, whenever we are in need of his particular line of services (and that seems to be frequent) always go to his place of business first. Although it doesn't seem to be a very popular pastime around these parts, you'd be surprised how satisfying and gratifying this fine art can be, when properly applied and when used regularly. It seems to be especially effective in keeping the stomach from grumbling.

Seeing Is Believing--
A NEWSPAPER publisher, who felt that he was not getting the idea across to prospective advertisers, had a brainstorm!
He lifted a one-inch classified ad from one of his newspaper forms and had it printed on one of his job presses 1900 times. He then pasted his front office with them and when folks complained to him about the cost of "just one inch of advertising," he explained:
"You're not buying just one one-inch ad--you're getting 1900 inches of advertising mailed to your prospective buyers." And he continued to say that "the postage alone, at 3c each, would be \$57.00."
He also failed to mention, however, that at the regular rate (60c per col. inch in the News), that much advertising space would cost you \$1,140.00. In other words, applying this idea to your hometown Chilton County News: You can get nearly \$1200.00 worth of advertising for 60c! Now who says that ain't cheap at half the price?

American Legion Stands Tall In Patriotic Endeavor
WHEREAS, This year of our Lord, Nineteen Hundred and Sixty-Two, marks the 44th anniversary of the founding of The American Legion, and

THE LIFE OF CHRIST
Editor's Note: This is the third in a series of six articles appearing in Chilton County News, condensed from Charles L. Allen's new book, "The Life of Christ", copyrighted by Fleming H. Revell Company. Used by permission.
There was a marriage in Cana to which Jesus and his disciples were invited. Soon Jesus' mother told him, "They have no wine." Jesus said to her, "Woman, what have I to do with thee? Mine hour is not yet come." His mother said to the servants, "Whatsoever he saith unto you, do it."
There were six water-pots of stone sitting nearby, as was the Jewish custom, each one holding twenty to thirty gallons. Jesus said to them, "Fill the waterpots with water." And they filled them up to the brim. Then he said to them, "Draw out now, and bear unto the governor of the feast." And they did so. When the ruler of the feast had tasted the water that had been changed into wine, and knew not where it came from (but the servants knew), he called the bridegroom and said to him, "Every man at the beginning doth set forth good wine; and when men have well drunk, then that which is worse: but thou hast kept the good wine until now."
This was the first of the miracles of Jesus through which he manifested his glory; and it led his disciples to believe on him.
After this he went down to Capernaum with his mother, brothers, and his disciples but they did not stay there many days. As it was time for the Feast of the Passover, he went to Jerusalem. There many believed in him when they saw the miracles he did.
Crowds of people pushed around Jesus to hear the word of God. One day he was standing by the lake of Gennesaret. He saw two boats at the shore, but the fishermen were out washing their nets. He got into one of the boats, which belonged to Simon, and asked him to push out a little way from the land. Then he sat down and taught the people from the boat. When he had finished speaking, he said to Simon, "Launch out into the deep, and let down your nets for a draught." Simon replied to him, "Master, we have toiled all night, and have taken nothing; nevertheless at thy word I will let down the net." When they had done this, they caught so large a number of fish that their nets began to break. They waved to their partners in the other ship to come and help them. They filled both the ships so full that they began to sink. When Simon Peter saw it, he fell down at Jesus' knees and said, "Depart from me; for I am a sinful man, O Lord!" He was amazed at the large catch which they had taken, as also were James and John, the sons of Zebedee, who were his partners. Jesus said to Simon, "Fear not, from henceforth thou shalt catch men." And when they had landed their ships, they left everything and followed him.
When Jesus was in one city, a leper came, knelt before him and begged, "If thou wilt, thou canst make me clean." Jesus was moved with compassion, put out his hand and touched him and said, "I will; be thou clean." As soon as he had spoken the leprosy left the man and he was healed. Then he instructed him and sent him away with the words, "See thou tell no man; but go thy way and shew thyself to the priest,

State Jaycees To Honor Outstanding Young Men In Jan.
THE Alabama Junior Chamber of Commerce has announced plans to conduct its seventh annual "Four Outstanding Young Men" Program to honor the young men who have contributed the most to their professions, communities and state.
The awards will be presented at a banquet in Montgomery on January 26th during the regular winter board meeting of the Alabama Jaycees.
Qualifying the young man must be between the ages of 21 and 36, a resident of Alabama, and does not necessarily have to be connected with the Jaycee organization.
There are several young men in Chilton County who fit into this category and who have contributed much to their community, profession and state during the past 12 months.
The winner will be picked by a select panel of judges all over the age of 36.

and offer the gift that Moses commanded for a testimony unto them." But he went and began to tell everybody what had happened with the result that Jesus could not go into the city, but stayed out in the country. Even so people came to him from every side.
After several days he went into Capernaum again, and it was told around that he was in the house. Quickly so many gathered together there was not room in the house for them, or even about the door. The people had come from every town of Galilee, and from Judea and Jerusalem, including Pharisees and doctors of the law. He preached to them and the power of the Lord was present to heal them. Some men brought a man on a bed who had palsy. They tried to find a way to get into the house to lay the man before Jesus. Because of the crowd, they got up on the roof of the house and let him down on his bed through the roof in front of Jesus. When he saw their faith, he said to him, "Man, thy sins are forgiven thee."
The Scribes and Pharisees began to say among themselves, "Who is this which speaketh blasphemies? Who can forgive sins, but God alone?" When Jesus understood their thoughts, he answered, "What reason ye ye ye here? Whether is easier to say, Thy sins be forgiven. But that ye may know that the Son of man hath power upon earth to forgive sins, I say unto thee, Arise, and take up thy couch and go into thine house. Immediately he got up in front of them, picked up his bed and went home, praising God. They were amazed and they praised God and fearfully exclaimed, "We have seen strange things to-day."

SCHIZOPHRENIA
There are at least 250,000 schizophrenics in the United States. Schizophrenics account for more than half of the mentally ill patients who now fill more than half of the hospital beds in this country.
Schizophrenia, also called dementia praecox, is mainly a condition in younger people between the ages of 15 and 28. The word schizophrenia comes from the same Latin source as praecox.
Schizoid personalities are popularly characterized as odd, or peculiar, or eccentric; and some of them are specially gifted. In schizoid individuals, sometimes the outstanding symptom is a complete withdrawal from ordinary interest; and they show little or no response, or even inappropriate response, to other people and to their environment.
The schizophrenic entering a state hospital has little better than an even chance to ever return to society as a normally behaving individual. The percentage of cures has been improving as psychiatry has developed in recent years. If the patient is given modern treatment in the early stages of his mental illness, his prospects are good. Untreated schizophrenia usually leads to profound deterioration.
Next to schizophrenia, the most common types among the

HD CLUB MEETS
The Isabella Home Demonstration Club will meet with Mrs. J. H. Wells, Tuesday night, December 18 at 6:30. This will be the Christmas Party. Each one is asked to bring a gift not costing over 50c, or a homemade gift to exchange. Visitors are welcome.

PERSONALS
Mr. and Mrs. Conger Cummings spent last week-end in

given in St. Luke. After the Scripture reading the group sang "Silent Night".

The member answered roll call by naming a favorite food enjoyed by their families at Christmas time.

The president, Mrs. Meroney, then called for the gifts for Mrs. Williams, an expectant mother, and the dolls for the Christmas Chest.

Mrs. Lane gave information on items for the Chest, to be assembled at Clanton Armory on December 15th.

Members suggested the names of worthy citizens of the Verbena community, eligible for Christmas baskets.

Miss Annie Lamar reported that she had made Christmas stockings for all the guests at Chilton County Nursing Home and other shut-ins and a collection was taken to purchase candies and small gifts to fill the stockings. A trip to the Nursing Home to deliver the stockings and to sing carols, was planned for December 23.

Mrs. Lane reported on the officers Training and Program Planning meeting, held at Clanton on November 28, and distributed folders covering the duties of officers. The meeting was closed by repeating the Mizpah.

During the pleasant social session gifts were exchanged and the group enjoyed a display of interesting gift items created by Mrs. Turney.

The hostess, assisted by Mrs. Howard and Mrs. Massey, served delicious chicken salad, relishes, tiny sandwiches, Christmas candies and hot beverages to ten members and the Agent, Mrs. Johnnie Lane.

The meeting was adjourned until January.

Neil Taylor, reporter.

Verberna HD Club Gets Into The Christmas Spirit

The Verbena Home Demonstration Club met in the home of Mrs. Anna Mitchell on December 6, with Mrs. Mary Turney as hostess.

The rooms were decorated with artistic arrangements of Christmas greens, red berries, candles and handmade ornaments and with the arrival of Club members bearing gaily packaged gifts for exchange and the dolls they had dressed for the Christmas Chest, a delightful Holiday atmosphere prevailed.

The meeting was opened with the reading by Mrs. Oscar Howard of the Christmas poem "The First Noel". Mrs. Johnnie Lane read the story of the First Noel followed by the reading by Mrs. Meroney of the Christmas story.

Concord 4-H Club Met

Concord School's 4-H Club met December 3. The meeting was called to order by the president, Ray Easterling. We had our meeting with the girls club and sang Christmas Carols.

Mrs. Radford, the girls leader, showed us how to make some nice Christmas gifts such as pencil holders, napkin holders and pictures.

The meeting was adjourned until January.

NEWS OF—
REFUGE

Pastor, Rev. M. Lockhart
The attendance was off some last Sunday, but there are always faithful ones who can be depended upon through cold or hot, thick or thin, rough or smooth.
We will be looking forward to having you in the services next week-end. The pastor will bring the message Sunday morning, and his son, Stanley, will bring the message Sunday night.

Bring the whole family and let's worship together.
The Christmas Program, which we will have on Sunday night just before Christmas, promises to be very interesting.
Mr. J. S. Easterling remains in the Baptist Hospital in Selma where he underwent an operation a week ago. The latest report has it that he is recovering nicely. Mr. John Mark Easterling has been laid up for a few days with an injured leg. He will spend three days this week in a

Birmingham Clinic completing his checkup. Mr. Bud Maddox was absent from services Sunday because of illness.
Mr. and Mrs. Floyd Mims were unable to attend services Sunday because the children had Chicken Pox.
The home of Mr. and Mrs. Virgil Minor was completely destroyed by fire last Friday morning about seven o'clock with all its contents. They were away from home at the time. The origin of the fire is not definitely known.
Several from our church attended the Youth Rally at Liberty Hill last Saturday night.
The Building Program is moving along nicely at the church. We greatly appreciate the nice offering recently received from Mr. and Mrs. Roger Dale Mims of Oakland, California, of the U. S. Navy. They expressed great concern toward the Building Program and also the rest of the activities of the church. Thanks to Roger and Evelyn for the nice gift. If you have a gift just send it in — or better still, bring it!

NEWS OF—
MT. PLEASANT

by Irene Riggins
Rev. Calvin Ray, pastor
ON CHRISTMAS EVE
Two small stockings hanging there,
Just below the open stair,
And beside them, fair to see,
Is a wondrous Christmas Tree.
In the nursery overhead,
Fast asleep in dainty bed,
Two wee youngsters; and the while
Angels watch — and smile, and smile.
Two small stockings, old and torn,
In a room of gladness shorn,
No bright Christmas tree,
Only gnawing poverty.
Two wee youngsters in their bed
Sadly shiver, side by side;
And as restlessly they sleep,
Angels watch — and weep, and weep.
Mr. Floyd Cole is in Chilton County Hospital and Mr. Sanford

Cole is in Veteran's Hospital in Birmingham. We pray for them a speedy recovery.
Our heartfelt sympathy goes out to these families: The Hammock family in the death of Mr. Hammock's mother; the Lucas and Healer families in the death of their mother and grandmother; and the McGee family in the death of their nephew. May God bless and comfort these families in their sorrow.
Mr. Sawyer is improving also as is Mr. Jim Foshee. All things are possible with God. Keep praying for all the sick and shut-ins.
We have had a number of visitors in our church the past two Sundays. Everyone is welcome at our church and we invite them again.
Mrs. Ivan Smith and mother went shopping in Birmingham last week.
Mrs. Peggy Harris went shopping in Birmingham over the week-end.
Several Brotherhood men from our church attended the Supper and messages brought at the Thorsby Baptist Church.
Also there were several to attend the record-breaking Youth

Rally at Liberty Hill Church.
We enjoyed the fellowship and the good eats at our church this past week. We had a good attendance and everyone enjoyed it.
Mr. and Mrs. Herlie Mims went to Montgomery over the week-end.
December 20th at 7 P.M. we will give our presents at the Church and everyone is invited. We will have a film and a story about Jesus.
Make this your best Christmas by giving until it hurts—may you have a very Merry Christmas.

Shrinks Hemorrhoids Without Surgery
Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation 179. At all drug counters.

MINUTES OF THE BOARD OF REVENUE AND CONTROL OF CHILTON COUNTY, ALA.

BOARD MEETING
NOVEMBER 26, 1962

The Board of Revenue and Control of Chilton County, Alabama, met in regular session at the County Courthouse at Clanton, Alabama, on November 26, 1962, at 8:30 A.M. The following Associate Members were present: Sherman Motley, Dalton Chapman, Acie Mims, A. D. Headley, and J. C. White, Judge of Probate and Chairman of said Board. Judge White presided as Chairman of the meeting and a quorum being present, declared the meeting open for the transaction of business.

WHEREUPON, The Clerk of the board read the minutes of November 12, 1962, and the Chairman of the Board asked for corrections to said minutes. WHEREUPON, there being no corrections or additions to said minutes and the same being correct, all members of the Board present affixed their signatures to said minutes in the presence of the Board and the Clerk.

WHEREUPON, The Clerk of the Board presented to the Board a list of purchases and claims filed with him against the County. WHEREUPON, the Board proceeded to audit said purchases and claims, and it appearing to the Board that each of the following claims are itemized and sworn to, with evidence of delivery of each item to the County, as provided by law, and it further appearing to the Board that all claims are just and correct, and unpaid, and no part of same has been previously paid, Mr. Headley offered the following resolution for adoption which was duly seconded by Mr. Tommie and unanimously adopted by the vote of the Chairman and all members of the Board present: **BE IT RESOLVED:** That the minutes of the Board meeting of November 12, 1962, stand approved as read, and **BE IT FURTHER RESOLVED AND ORDERED:** That said purchases and claims are hereby audited, allowed, passed and approved by the Board, and **BE IT FURTHER RESOLVED AND ORDERED:** By the Board that each of the following claims payable to the respective parties, for the materials or services, in the amounts as hereinafter set out, be allowed and **BE IT FURTHER RESOLVED AND ORDERED:** That the Chairman of the Board is hereby authorized and directed to draw a proper county warrant in favor of the person, firm or corporation to whom it is due, from the funds listed.

Alabama Rural Electrics are the "little man's" chance in a world of bigness

Numbering 176,000 strong in Alabama, Rural Electric Co-op members are the sole owners of the Electric Systems which service them. These Electric Co-ops perform the same function as commercial Power Companies with one exception—Rural Electrics are not in business to make a profit. They are in business to provide a service for their members.

Can you afford to let selfish interests kill off these gains?

FOLKS and THINGS About Town by Ben

A guest columnist this week: Vernon P. Payne, who was associated with the News for many years contributes to Folks & Things this week. P. S. Apologies to Mr. Moore, also—BEN.

'Twas the night before Christmas, and all through Forest Hills Not a creature was stirring, except that the wind was blowing. The presents were stacked under the new tree of foil. All bought on the credit of next year's toll. The children were snuggled in their discount beds. While visions of electronic toys danced in their heads; Me in my p.j.'s and Mom in her shortie. Had crawled under the electric blanket to grab a fast forty. When out on the street there arose such a clatter, I ran to the picture window to see what was the matter. I managed to get one foot in the skates And on my first orbit tore down Mom's new drapes.

The leaves which had fallen on my clean-raked yard Made taking in the scene doubly hard. When, by what should my wandering eye be stoned. But a delivery truck from the store where we shopped. With a little old driver, so lively and quick, I knew for sure it was the store's own St. Nick. More rapid than eagles his helpers they came, As he whistled and shouted and called them by name: "Get the stereo, Clyde. The movie camera, Bill. The chord organ, Jasper! The transistor, too, Will! Clean to the floor and over to the wall, Everything in our wrapping; be sure to get all!"

As wives at a sale day do burst through the door, These elves of the night stomped on to our living room floor, So to their grim task these couriers did trudge While I from my dark corner was fearful to budge. Then from the whispering, I just caught the gist, These jokers seemed to have a copy of our Christmas list! As I swallowed a lump, and was turning around, Through the door this pseudo St. Nick came with a bound. He was still dressed in his suit of black and red With a store truck driver's cap askew on his head. A clip-board and pencil were clutched in his hand As he stepped gleefully before his mace-banded band. Their eyes how they twinkled as our presents they beheld. But the spirits of Christmas weren't the only ones I smelled! "Santa's" doll little mouth was drawn in a quirk, As he apily predicted: "We'll clean out this jerk!" The stub of a cigar was stuck in his face, And the aroma thereof stunk up through the door. His suit was of plastic and it squeaked and it cracked As he stooped to see that our presents were well-stacked. He was enjoying himself, in spite of his raiment, And I fervently wished I had made a down payment. From the method they used, so quick and deft, I knew I'd be lucky to have anything left.

He spoke not a word, but came straight to my corner; I signed the repossession slip and knew I was a goner. With my tree in his hand out the door he did duck, And stood it very carefully in the back of his truck. He sprang to the cab, to his crew gave instructions: At forty more houses, we have to make our deductions! But to me he exclaimed, and he gave it to me straight. "Next Christmas don't buy on a delinquent charge-plate!"

Christmas Decoration Winners Announced

CLANTON Jaycee Christmas Activities Chairman, Bill Turner this week announced the winners in the Jaycee Home and Business Lighting Contest and also the winning float in last Friday's Christmas Parade which brought Santa Claus as well as thousands of people to Clanton.

Winners in the Homes Decorating Contest was the home of Mr. and Mrs. F. E. Mutt Wray of west Clanton. Second Place went to Mr. and Mrs. Dick Hayes and Third to Mr. and Mrs. Al Liebold.

Winners in the Business Decorations Contest were: First Place Shelton Motors; Second Place Stokes Chevrolet Company and Third Place, Knight Engineering Co. in South Clanton.

The winning float was entered by the Hemerocallis Garden Club of Clanton.

Out-of-town judges were chosen for picking the winners and the First Place winners will be presented bronze plaques by the Jaycees.

The News 'Mystery Man'

WINNERS in week before last Mystery Man guessing were Acie Mims and Katherine K. Horton, of Rt. 2, Montevello, guessing Dalton Champion.

Last week, winners guessing L. F. "Bud" Gerald were Auklee Baker, Rt. 2, Clanton and Mrs. Marie Sims of Rt. 1, Clanton.

Mr. Gerald was the 44th Chilton County man to be featured as the News Mystery Man and Man of the Week. All you have to do is guess who the man pictured above is, and come by the News—or send in a post card—earliest in the winner.

As in the case of the past two weeks, there can be two winners each week—one in our office and another on a post card.

The prize to the winners is a six months subscription to the News—and quite a few folks have been winners since the first Mystery Man graced the front page of the News!

Youth Carol Sing At Verbena

A YOUTH Carol Sing will be held at Verbena Baptist Church on Thursday, December 20th at 7:00 O'clock P.M. All young people of the community are urged to attend.

Christmas Hymn Sing At First Baptist Church

AN evening of Christmas music, Sunday, December 23, at 7:00 PM at the First Baptist Church of Clanton is being announced by the pastor, Dr. J. Gilbert Hutchison.

Three choirs will be featured: the Youth Choir of 30 voices, the Cherub Choir, under the leadership of Misses Alicia Jean Adams and Judy Cox, and, for the second time this Christmas Season, the Carol Choir of 40 voices.

In addition, Mr. Cordell Harrison, minister of music, plans for the congregation to join in carol singing, with Mrs. L. G. Nichols, organist and Mrs. Billy Wyatt, pianist.

The public is cordially invited to attend.

'White Christmas' At First Methodist

THE annual "White Christmas" Pageant of the First Methodist Church in Clanton will be presented in the Church Sanctuary on Sunday, December 23, at 5 PM. The presentation will re-create the scenes of "The Annunciation," "Mary and Joseph at the Inn," "The Birth of Christ," "The Angels and the Shepherds," "The Shepherds Find the Child," "The Wise Men Come To Herod," and "The Wise Men Find the Child."

The scenes revolving around the Story of the Christ Child will be blended with an outstanding selection of Christmas music by the Adult Choir. The Choir under the direction of Mrs. Gordon Robertson, will present: "A Gallery Carol," "O Come, Immanuel," "O Bethlehem," "Winds Through The Olive Trees," "Gloria In Excelsis Deo,"

Methodists throughout the Alabama-West Florida Conference, is the main support of the Home.

Christmas Play At Cedar Grove

THE Juniors and Young People of the Cedar Grove Church will present their Christmas Play on December 23rd.

The title of the play is "Christmas For Grandpa."

Pageant At Temple Assembly, Sunday

"WHY Christmas?", a four scene Christmas Pageant, will be presented by the Christ Ambassadors at the Temple Assembly of God at 6:00 PM Sunday, December 23rd.

Preceding the play will be songs and recitations by the children under the supervision of Mrs. Nelson White, the pastor's wife. Every boy and girl present will receive a lovely treat.

Gifts will be exchanged from beneath the beautiful big tree.

The Temple is located three miles east of Clanton on Temple Road.

Peach Growers Get 'Last Call'

THE last chance to get Federal Peach Growers Insurance is coming—the last day to apply for 1963 crop protection is December 31st.

Any growers interested should contact T. E. Blackman at 277-W1 or F. T. Williams at 1591-J1.

Christmas Eve Gift (almost)

DON'T be alarmed if you find a Chilton County News in your Saturday morning mail or on the stands in town—it will be sold.

In order for some of the local merchants to get in some last minute shopping ideas, and so our staff can enjoy the Christmas Holidays with their families, the News will publish next week's edition on Friday of this week. That means you will get yours in the mail Saturday morning.

We hope you enjoy the Holidays and pray your hearts are filled with the Spirit of this Holy Season.

Books Can Prove Exciting Says Lady In Distress

TEN degree weather and the early darkness of last Wednesday afternoon brought a distressing but exciting adventure to Mrs. Beatrice McGough, Bookmobile Librarian, as she was grounded by the freeze-up of her car enroute to her home in Prattville from the Library Demonstration headquarters at Clanton.

A passing truck driver had no room to invite her to ride (there were already four passengers in his cab) but he kindly relayed a message of her plight to Mrs. Mary Alice Baker, business manager of

Alabama Public Library Service.

Mrs. Baker promptly called upon another State department for assistance, and a Highway Patrolman sped to Mrs. McGough's rescue.

She arrived at her home, a little shaky from cold and fright, but still saying firmly "I wouldn't swap jobs with anyone I know. The opportunity to put books into the hands of eager readers is the most thrilling experience of my professional career."

Circulation figures continue to increase. November records show a total of 20,043 books checked out from the Bookmobile.

Governor's Greetings

For their annual Christmas portrait, Gov. and Mrs. John Patterson pose with their children—Albert, 13, and Barbara Louise, 9—in front of Alabama's historic State Capitol. They are shown only a few feet from the spot where Gov. Patterson was inaugurated just less than four years ago. This is the picture which the governor selected for his 1962 Christmas greeting card, wishing all a Merry Christmas and Happy New Year!

Mid-State Co-op Dines Concord Farmers

MID-STATE Farmers Co-op of Clanton entertained its farmer friends in the Concord Community last Friday evening for the purpose of promoting a membership drive and stock sale. A delicious chicken supper was prepared and served by the Concord FFA to about one hundred guests.

Mr. Acie Mims introduced the main speaker of the evening, Mr. H. D. Ballard, general manager of the Co-op, who outlined the benefits of membership in the organization. He also presented an outline of the Co-ops general

aims and accomplishments since its organization two years ago.

Two distinguished guest speakers from a giant co-op in north Alabama attended. They were Mr. John Matthews, Asst. General Manager, and Mr. Royce Wood, Feed Dept. Manager of Alabama Farmers Co-op in Decatur, Alabama.

At the close of the meeting a drawing was held and nine door prizes were awarded to eight lucky people.

It is reported that this meeting is a forerunner of several more to be held in various communities over the County in the near future.

On Christmas Eve

Two small stockings hanging there,
Just below the open stair,
And beside them, fair to see,
Is a wondrous Christmas Tree.
In the nursery overhead,
Fast asleep in dainty bed,
Two wee youngsters; and the while
Angels watch - and smile, and smile.
Two small stockings, old and torn,
In a room of gladness shorn,
No bright Christmas tree,
Only gnawing poverty.
Two wee youngsters in their bed
Sadly shiver, side by side;
And as restlessly they sleep,
Angels watch - and weep, and weep.

SAME TUNE,
SAME WISH,
SAME WORDS...

May you have great happiness every hour of this Christmas Season!

Candies For Giving

Homemade candies are an ideal gift for an open house, tea or reception because they show that you have taken the extra trouble of making them yourself. During the holiday season particularly, they are useful to have on hand for that unexpected gift. This recipe for Malted Walnuts comes from a folder of homemade candy recipes, from no-cook varieties to divinity and apples on a stick. You can obtain a free copy of the folder, called "Dandy Homemade Candies." Write to: Home Service Department, Best Foods-Corn Products, 10 East 56 Street, New York 22, New York.

Malted Walnuts

- | | |
|--------------------------|----------------------------------|
| 1/4 cup light Karo syrup | 10 marshmallows |
| 1 cup sugar | 1 teaspoon essence of peppermint |
| 1/2 cup water | 3 cups walnut halves |

Combine corn syrup, sugar and water in a saucepan. Cook over medium heat, stirring constantly until mixture boils. Continue cooking to soft ball stage (235 F.) or until a small amount of mixture forms a soft ball when tested in very cold water. Remove from heat; quickly add marshmallows and essence of peppermint. Stir until marshmallows are dissolved. Add walnut halves. Stir until walnuts are well coated. Pour onto waxed paper. Separate walnut halves, while still warm. Makes 1 1/2 pounds.

NEWS OF—
Providence (Beat 13)

Rev Robert Carden, pastor

Don't forget the Christmas Program Friday night, December 21. My apologies to Mrs Ann Wyatt, who is in charge of the program at that time. Through error it was reported last week that Miss Ann Killingsworth would be in charge.

Rev Sidney Samples will be with us Wednesday night, December 26th showing slides of the pictures he made of the Holy Land while he was there last summer. Don't forget to come

out.

If you are visiting friends or relatives in our community over the week-end for Christmas holidays we wish to extend to you a hearty welcome to come out to church and celebrate our Savior's Birthday.

MR. and Mrs. Jimmy Dennis from Auburn University are here to spend the Holidays with Mr. and Mrs. James Dennis.

Use Your Holiday Best

Too often pretty tablecloths, napkins and other linens spend their lives in the drawer. That's a pity—and now that it's so easy to do them up prettily it's a double pity not to show them off during the holidays. There's nothing quite so elegant as smooth, freshly ironed table linen, just lightly starched for crispness.

Washer starching is the easy—economical—way (and did you know starched things wash cleaner after use?). The technique is to wash the articles as usual, then reset the machine to Final Rinse and gradually add the contents of a small—or half of a large—box of instant cold water starch, such as Niagara, to the water after agitation has begun. The washer does the work. Properly starched things make ironing easier too.

Economical New Dish For

Trim-The-Tree Party

Share the fun of the holiday preparations with others by giving a Trim-The-Tree Party. Begin with a festive dinner featuring economical, easy-to-make "Tuna Crisp Casserole." This savory combination of crisp saltine crackers, canned tuna fish, mushroom soup and pimientos can even be prepared ahead and refrigerated until you're ready to bake and serve. Brighten your holiday season this way:

Tuna Crisp Casserole

- | | |
|---|---|
| 1 7 1/2-oz. pkg. Sunshine | 4 7-oz. cans tuna flaked |
| Krispy Saltine Crackers | 2 10 1/2-oz. cans condensed mushroom soup |
| 1/4 cup melted butter or margarine (1 1/4 sticks) | 1 1/4 cups milk |
| 2 4-oz. cans pimientos, drained, chopped | 1 lemon, cut in 12 wedges parsley |

Crumble crackers into bowl; drizzle with butter or margarine, toss together and set aside. Mix tuna and pimiento into soup blended with the milk. Spread about 1/4 cracker mixture in bottom of large, shallow casserole (2 1/2 to 3 quarts); cover with about 1/2 tuna mixture; add another 1/4 crumbs, the remaining tuna and top with last of crumbs. Bake in moderately hot oven (375°F) about 30 to 35 minutes, or until top is lightly golden. Garnish with lemon wedges and parsley. Yield: 12 servings. (If prepared early and refrigerated until baking time, let come to room temperature before placing in oven.)

MAN OF THE WEEK

LAWRENCE F. (Bud) Gerald has lived in Clanton for 45 years and practiced law for 22 of those years.

He was recently re-elected to another term as Deputy

Solicitor of Chilton County, a post he has held for a number of years.

He has also been active in the County Bar Association and has "succeeded himself" a number of times as secretary and is at present the President elect of the local Club.

Mr. Gerald is one of the most conservative men on the local scene, and when he gives advice, you can count on it being reasonably sound and well thought out.

We are proud to add his name to our distinguished Honor Roll of Men Of The Week.

MULBERRY CHURCH

HOMEMAKER'S CLASS

PARTY

Rev. Ivel Glausier, pastor
On last Saturday night, December
15 the annual Christmas Party
for the Homemaker's Sunday
School Class of the Mulberry
Baptist Church was held at Bob's
Drive-In Restaurant. There were
30 members and their guests
present. The Party was also a
lovely meal planned in banquet
style, after which all the people
present took part in games planned
by the Social Committee of
the Class.

An appreciation of the work
the class is going under Mrs.
Molly Smith as teacher, she was
presented with a lovely corsage
which she wore throughout the
evening.

CHRISTMAS PROGRAM

Next Sunday night, December
23 our church will present its
annual Christmas program under
the direction of Mrs. Avoline
Lecroy. You will not want to
miss this program which will
be our worship service for the
evening. As a part of this evening
service an offering will be
received for the Children's Home.
Plan for a wonderful time of
worship and giving to this grand
cause, next Sunday evening at
our church. For your Christmas
to be a happy one, look around
you and you can certainly find
someone to help make their
Christmas more Christlike.

Mrs. W. J. Cummings, church
reporter.

CIRCLE MET

The Ruth Ford Circle met in
the home of Mrs. Garland Smith
on Monday night, December 10
at 7:00 O'clock. The meeting was
called to order by Mrs. Garland
Smith, Chairman. Prayer by
Mrs. Casey Cummings. Minutes of
last meeting were read by secretary,
Mrs. W. J. Cummings. Business
was attended to. As a
community mission, the Circle
plans to help an 8-year-old girl
have a more enjoyable Christmas.
After the business session
a program was presented with all
five ladies present taking part.
After the program was over a
game was played and refreshments
were served by the hostess
assisted by Mrs. J. D. Conway.

PERSONALS

Visiting Mr. and Mrs. J. D. Conway
and James Olen over the
week-end were Mr. and Mrs.
Johnny Smith, Gay and Scott
from Tampa, Florida. On Sunday
afternoon, the late Sexton
Jim and Jan, of Clanton, Sheila
Traywick of near Clanton and

Hill. James Olen is home
from Auburn University for the
Christmas Holiday.

Mr. and Mrs. Quinton White and
daughter Florida from Demopolis
visited the J. W. McCraws and
Mrs. W. T. White and Mitchell
on Sunday.

Little Allen Cummings, son of
Mr. and Mrs. Quinton Cummings
had the misfortune of breaking
his arm Sunday while trying to
bridle his pony.

We welcome into our community
Mr. and Mrs. Ed Thornton and
three children who have moved
in the house where Mr. and Mrs.
Randall Veazey used to live,
across in front of the Methodist
Church.

The community extends sympathy
to the parents and other
relatives of William Lawson
Brown, who was killed Friday
night when his car overturned
and ran off highway 22 on Walker
Hill.

Mrs. E. S. Short of Birmingham
visited Mrs. E. C. T. and
Mrs. Talmadge Short and children
over the week-end. Mrs.
Talmadge Short and children
returned home with her for a visit.
Mr. and Mrs. O. F. Davenport,
Jr. and children of Montgomery
spent week-end here with the
Sr. Davenports. The Sr. Davenports
went with them home for a
few days visit.

Li Leslie Smith is home with
his parents, Mr. and Mrs. Garland
Smith for the Christmas
holidays. He has been going to
school in Dayton, Ohio for the
last three months.

WATCH NIGHT SERVICE

On December 31st at 9:00 P.M. an evening of fun, food, and fellowship will be enjoyed. The evening will close with a service of prayer and dedication.

BUILDERS

The local Kiwanis Club enjoyed a most informative meeting presented by local Boy Scouts and their leaders. This week's program was under the direction of the Boys and Girls Committee with Charlie Patterson serving as Chairman.

Mr. J. A. Baker, Scout leader of Troop 232 from Verbena, told us that he has been in Scouting work since 1916 and has enjoyed every minute of it. Mr. Baker brought Braxton Ballard, a member of the Verbena Troop, with him and Braxton reported on the activities of the Verbena group during the past year.

Mr. Boyd Alawine, leader of Troop No. 57 was present and he brought Woody Fulmer to report on what Scouting has meant to him. Woody is the Senior Patrol Leader of Troop 57.

Mr. E. W. "Shorty" Walker, leader of Troop 157 and Senior Patrol Leader Jimmy Morgan represented that Troop. Jimmy reported on ranks of Scouting and things that a boy learns in each rank. Shorty, along with others, expressed their appreciation for the help that the Kiwanis Club has given the Scouting movement of this area.

President Orus Bennett (Kiwanis Club) and Alex Jackson represented Troop 257. Alex reported on what Troop 257 has done during the past year.

Dr. W. T. Parker and Joe Hayes represented the Explorer Program. Dr. Parker has charge of the Explorer Program of the Scouting Program that is to be presented in Montgomery during the Spring. Joe explained the steps to be followed in attaining the Eagle Rank.

John Meredith, Scout Representative of this area of the Tukabatchee Council gave a short report on Scouting in this Area. There are 132 boys in the Scouting Program in Clanton. John showed a film on physical fitness and reported that the Scouts are stressing this program of fitness in their activities. President Bennett presented to

Henry Arthur Roper, a representative of Stokes Chevrolet Co., a distinguished service award as a token of appreciation for the services rendered in putting into first class condition, the motor and braking system of the Scout bus. President Bennett also expressed appreciation to Clanton Motors for their contribution to the lighting system and signal system of the bus.

Kenneth Brown was welcomed into the Club as a new member. Mr. Brown is a newcomer to Clanton from Demopolis and is employed by the Alabama Power Company.

Most people need not die of TB. Death can usually be prevented if the sickness is discovered early. Christmas Seals fight TB and other respiratory diseases.

Chilton Has Three At Jax State

Chilton County has three students enrolled at Jacksonville State College this semester. In the total enrollment of 2,397 there are 44 Alabama counties, 18 states and 14 foreign countries represented. Calhoun County leads with 741; Etowah County is second with 400 and Jefferson County is third with 231.

Students enrolled from Chilton County are Kermit Lane DeVaughn of Clanton; Clarence Calvin Aycock of Verbena and Ernest Peters, Jr., of Jemison.

These names were taken from the registration cards in the Dean of Student's office.

May our friendship continue to blossom this CHRISTMAS and in the days to come.

Brownies Go Glamorous

Welcome afternoon or after-dinner guests with this gorgeous dessert in company with hot coffee. Gosh, though it looks, this treat is a quick trick, if you use the convenient new fudge brownie mix which even chops the walnuts for you—a generous portion of nuts comes right in the mix. The results are sure to please your guests—everyone likes brownies. Especially when they're baked in a pie-pan and made so festive and lush with a Nesselrode topping. This is one recipe you'll want to repeat many times!

Nesselrode Brownie Pie

Prepare 1 package Pillsbury Fudge Brownie Mix with Walnuts and Real Chocolate as directed on package. Spread in well-greased 9-inch piepan.* Bake at 350° for 35 to 40 minutes; cool.

Beat 1½ cups whipping cream until thickened. Add ¼ cup powdered sugar and 2 tablespoons maraschino cherry juice and continue beating until of spreading consistency. Fold in ¼ teaspoon nutmeg, ¼ teaspoon rum flavor, ½ cup chopped candied fruit and 2 tablespoons chopped maraschino cherries. Spoon onto brownie crust. Garnish with candied fruit pieces. Chill 2 to 3 hours before serving. Cut into wedges. Serves 8.

*Or bake in 8 or 9-inch square as directed on package; serve cut in squares. Serves 9.

Christmas Joy. . . Thanks to You

"Will the joy and happiness of the Christmas Season be a reality to the boys and girls at the Alabama Baptist Children's Home this year?"

Because of the love and generosity of Alabamians the answer to this question is "Yes!"

People throughout the state have the opportunity again to share in the support of the Baptist Children's Home at Troy which ministers to more than 300 children each year. Goal of the Christmas Of-

fering for the Children's Home this year is \$300,000.

The Alabama Baptist Cooperative Program provides some of the support of the Home each year, but the principal financial aid comes thru the annual offering. Continued progress at the Home depends greatly on the increased Christmas offering.

There are more than 200 children at the Home. Another 100 are served through the Mother's Aid Program, and 24 are in colleges or special schools.

DEAR 4-H JANES

During the month of November the 4-H girls in the County had as their program "Eating A Better Breakfast". This demonstration proved to be both helpful and interesting to the 507 girls who participated. Following the program, each of the members was asked to complete a questionnaire concerning breakfast.

Among the questions asked were (1) Do you usually eat breakfast. If not, why? (2) If you do, what does this meal consist of, and (3) Age.

It was determined that 82 per cent of those answering ate breakfast. This was a much higher percentage than I had hoped for. Of the 18 per cent that did not eat 90 per cent were between the ages of 13 and 17 and the reasons given most frequently were "I am not hungry" and "I don't have time".

Both of these can be remedied very easily. The girls who stated they did not have time, can set their alarms a few minutes earlier or tell their mothers to get them up a little earlier.

The business of not being hungry can be stopped too. Many

people eat the majority of their food between 12:00 noon and the time of retiring. Almost all these girls said they ate a snack or maybe a small meal before going to bed. If these were cut out or down, I believe they would be hungry at breakfast.

Breakfast is important and I think we should all try a little harder to eat something every morning before going about our daily tasks. Let's all try!

AZALEA TIME AT CHRISTMAS—Almost anytime is azalea time in Mobile, Alabama, known the world over for its beautiful early spring flower season. And Christmas is no exception as this picture of Santa and some of the city's early blooming azalea plants shows. The pretty Azalea Trail Maid is Cissy Laird of the 1962 Azalea Trail Court. December blossoms on a number of the city's many azalea plants are not unusual.

PERSONAL NOTES

MR. and Mrs. Lewis Figh of Montgomery were week-end visitors to their daughter, Mrs. Tom Widner, Mr. Widner and children.

MR. and Mrs. Pat Gilbert and family visited relatives in Alexander City Sunday.

ALPHA DELTA KAPPA MET WITH MRS. MIMS

The Alpha Delta Kappa held its meeting with Mrs. Ralph Mims on Tuesday night, December 11th.

The entrance hall and living room was decorated in tones of pink and silver. Flowers used were pink snapdragons.

Miss Elizabeth Barton, president, presided. Mrs. Alvin Harphorn and Mrs. Rayford Jones were initiated into the Sorority in a beautiful and solemn ceremony. At the close of the initiation, the members exchanged Christmas gifts. Mrs. Mims assisted by Mrs. Herman Lecroy served delicious refreshments.

FLEUR DE LIS GARDEN CLUB HAS CHRISTMAS GET-TOGETHER

Mrs. W. R. Cobb was hostess to the Fleur de Lis Garden Club on Tuesday, December 11th at her home on Selma Road.

The Christmas motif was used in the decorations of the living and dining rooms. A silver tree was decorated with red balls and adorned the living room, where the prettily wrapped packages were placed for exchange. The dining table was covered with a red linen cloth.

Members answered the roll call with their favorite Christmas decorations. Mrs. Howard Maddox, was presented by Mrs. W. F. Haywood, program chairman. Mrs. Maddox demonstrated the making of Christmas decorations. A wreath for the door at the Public Library was made. A silent auction was held. The door prize was won by Mrs. Tol Kumle and was brought by Mrs. G. T. Murphree.

Dainty party refreshments were served from the dining table where coffee was served from the silver service.

Fourteen members and one visitor Mrs. Maddox, enjoyed this hospitality.

GOODWORKERS HEAR CHRISTMAS POEMS; CONTESTS ENJOYED

Pat Bynum was hostess to her S. S. Class of the First Baptist Church on Thursday night, December 13th at 7 O'clock.

Cathy Wyatt, president of the class, called the meeting to order. Susan Speaks had charge of the program. Donna Gilbert read John 3:16 and Karla Snead led in prayer.

Christmas poems and contests were led by Pat Bynum and Mrs. Willie Bean, teacher of the class.

Susan Barton played "Joy To The World" with the group singing. Each of the girls took turns in playing Christmas Carols as they were sung.

Rally Officers Invited To Youth Conference

by M. G. FIELDS

The Youth and their adult representatives of the churches, and the officers of the Youth Rally Organization of the Chilton County Association are invited to attend the Alabama Baptist Youth Convention Thursday and Friday, December 27-28 at the First Baptist Church, Montgomery.

This State-Wide Youth meeting for all young people ages 15-24 is sponsored by the State Baptist Training Union Department.

Governor-elect George Wallace, will speak Thursday night. Dr. Kenneth Chafin, Evangelism Professor at Southwestern Seminary, Ft. Worth, Texas, is the principal speaker. He will speak Thursday afternoon and Friday. Some of the churches are planning to carry carloads of young people to this meeting in Montgomery next week.

Jr. Music Club To Have Party, 28th

The Jr. Music Club met at Susan Elseviers on November 19. Ellen Wright presented the program on the musical "And Never Been Kissed". Plans were made for the Holiday Party to be held at the Veterans' Club on December 28th.

Baptists Giving Generously To 'Lottie Moon' Fund

by M. G. FIELDS

All Southern Baptist Churches are giving generously out of the heart of love to Foreign Missions through the Lottie Moon Christmas offering to aid in the spread of the gospel to every available foreign country where the word of God is allowed to be preached or taught. Every church in Chilton County is making generous contributions to this very worthy cause for Christ's sake. The goal to be reached is \$97,700,000.

Care For Your Christmas Plants

On the basis of enjoyment and sentiment, many recipients of Christmas plants such as Poinsettia and Cyclamen desire to keep the plants as long as possible. By selecting the location where the plant is to be used in the home and following a few

precautions, these plants can remain beautiful for several weeks.

The Poinsettia is one of the most striking and colorful of the Christmas plants. However, it will not remain as such unless

a few precautions are followed. In selecting a place in a room, remember that bright light (not direct sun) is desirable. Also, if possible, the room temperature should be as uniform as possible with temperatures of 65 to 70 degrees.

Cooler night time temperatures are desirable. A location with a moist atmosphere rather than very dry air is preferred. Soil moisture should be maintained, thereby avoiding an excessively dry or excessively wet soil. Also, Poinsettias should not be subjected to drafts or sudden temperature changes.

The Cyclamen is a most attractive Christmas plant with its many unusual shaped flowers. It too is slightly temperamental as to the environment in which it will continue to bloom. Cyclamen often will bloom for two to three months provided it receives proper care. The two essential requirements are that the plants be placed in a cool room and watered regularly. If a cool room is not available, the plant may be kept in a cooler location such as an unused bedroom or basement.

This plant may be moved into the warmer parts of the house for two to three days at a time. Then a recovery period of a week to ten days will permit the plant to overcome the exposure to the warm temperatures.

Good luck with your Christmas plants and may your Holiday Season be most joyous.

MAN OF THE WEEK

ONE of the finest men in Chilton County — bar none — is Dalton Champion, resident of the Union Grove Community, and last week's Mystery Man; this week's Man Of The Week!

A quiet, unassuming, young man, Dalton Champion was born February 3, 1920, the son of Clyde Champion and Evie Childress Champion. His mother lives at Jemison; his father is dead.

Born in Beat 14 in Chilton County, Dalton attended Jemison High School. He is married to Doris Martin Champion, also a native of this County and they have four lovely daughters. Patricia Ann is 23 years old; Mrs. Betty Joyce Posey, 19, the only married daughter; Sarah Nell, 18 and little Linda Kay, 11 years old. They all live in Chilton County.

Mrs. Champion is the daughter of Pink and Irona Martin of Chilton County also.

Dalton went to work for the Tennessee Coal & Iron Company (TCI) in Ensley on

NEWS OF— REFUGE

Rev. M. Lockhart, pastor
We were grateful for the ser-
vices last Sunday, even though
the attendance could have been
better. The pastor brought the
message Sunday morning, and
his son Stanley, brought the
evening message.

The Rev Donald Parker
will bring the message next
Sunday morning. We will be
looking for you and all the
family.

We will have the Christmas
Program Sunday night at the
regular hour of 6 O'clock. It
promises to be very interesting
and not too lengthy. We will
also have a Christmas Tree and
the exchanging of presents. So
come and be with us. You will
enjoy it.

Mr. J. S. Easterling remains in
the Selma Hospital, but is getting
along fine. He will be carried
out to the home of his step-son-
in-law, Mr. Luther Johnson to-
day (Tuesday). He will proba-
bly stay there for two or three

Church-Wide Christmas Party Tonight At Samaria

DON GRAHAM, Pastor

Last Monday night the Young Married People had a carol sing at 6:30 which was followed by the supper at the church. They visited the sick and aged of the community and really got to know the Spirit of Christmas.

The Young People have planned to follow this with a hayride on Saturday night at 6:00. They will visit those who were missed Monday of this week. This will be followed by cocoa and doughnuts at the church. Make plans to attend.

The Juniors will have a Party at the church on Monday afternoon. This will last from 5:30 to 7:30. There will be refreshments and games for these children.

Tonight at the church the Church-Wide Christmas Party will start at 6:30. Each family will bring a covered dish and will present their gift to the Church. If you have not made a decision as to what you would like to buy, come anyway and enjoy the fellowship. There will be plenty of food and more fun than you can handle, so come and enjoy it, too.

Every Saturday morning at 7:00 our pastor has a radio devotional which lasts 15 minutes. We hope you are listening.

Every Wednesday night after Prayer Meeting, we have choir practice. During the holidays, make a special effort to come, because we will have refreshments and games afterward. This will be every Wednesday night while we are out for the Holidays.

During the month of January the Baptist churches have planned to have a Bible Study in Matthew. We have our planned for the week of January 21. The Youth Rally will hold its monthly meeting at the First Baptist Church here in Clanton. We will have as our speaker, brother Davis, who is a missionary to Venezuela. We will have special music presented by the Youth Choir directed by Ray Cox.

There is only one Christmas each year and here in America we are free to celebrate it the way we want to. Somehow we forget that our Saviour was born on this day and we put up the bright lights and send our Christmas cards. This year let's change everything by celebrating it in church and remember to leave Christ in Christmas.

State 4-H Entomology Award winners from eight southern states won all-expense trips to the 41st annual 4-H Congress in Chicago, November 25-29. The trips were donated by Hercules Powder Company, donors of the national Entomology Awards Program. The winners were guests at two Hercules affairs while in Chicago, a buffet and a dinner, and heard J. M. Martin, Hercules vice president, talk about "4-H and the Space Age".

Front row left to right: Edwina Goolsby, Lavonia, Ga.; Barbara Becnel, Vacherie, La.; Karen Miller, Elizabethton, Tenn. Second row left to right: John R. Sartis Jr., Tylertown, Miss.; Gail Smith, Clayton, N. C.; D. H. Sheffield, general manager, Synthetics Dept., Hercules; Emily Wheeler, Ridge Spring, S. C.; Alan Pruitt, Elmo, Mo.; Peter Fekete, Weaver, Alabama.

Cane Creek HD's Donate Dolls To Needy

The Club House took on a Holiday air of festivity for the meeting of the Club Tuesday, December 11th. Mrs. Tomie Connell, Sr., presided in the absence of Mrs. Walter Giles.

Mrs. T. L. Williams brought the devotional, prayer was by Mrs. Maggie Jones.

Everyone was happy to have Mrs. Jones back; she was missed during her illness.

Members brought the dolls they had dressed to be donated to the Christmas Community Chest. After the business meeting everyone got the Christmas Spirit as names were drawn and gifts were exchanged.

Mrs. M. A. Rutherford and Mrs. Tomie Connell, Sr. served delicious refreshments to the County Agent (HD), Mrs. Johnnie Lane and seven Club members.

About 40 million Americans have TB germs in their bodies. At least one out of 20 of them may come down with active tuberculosis during their lifetime. Christmas Seals fight TB.

THORSBY NEWS

By Mrs. Estelle Hayes

Mrs. Paula Margaret Wilson was admitted to the Chilton County Hospital Saturday night. We wish her a speedy recovery.

Mr and Mrs Marvin Wright were called to Tuscumbia, Ala. last Wednesday due to the illness of a grandchild, Rusty Merrill. Reports are that he is better.

Mr. Roger Littleton came home Sunday after being in the hospital for several days.

Word was received Sunday that Mrs. Effie Robinson suffered a heart attack Sunday afternoon at the home of her daughter in Miami, Fla. Reports are that she is seriously ill.

Mrs. O. R. Pilgrim was called to the bedside of a daughter in Ft. George, Fla. Saturday.

This column expresses sympathy to the Jeff Cocker family and sisters and brother, who lost their father, Hansel Powell in death last Wednesday. May the Lord bless each in this hour.

Miss Frances Mizell and Michael, Mrs. Tiny Price, returned home Thursday from a visit with Miss Mizell's sister, Mr. and Mrs. Johnnie Dennis.

WE wish to express our sincere thanks and appreciation to our many friends and neighbors for their consoling words, acts of kindness, messages of sympathy and also for the beautiful floral offerings rendered to us during our sad bereavement in the illness and death of our beloved sister and daughter, Miss Marine B. Harris. Especially do we thank Dr. J. Gilbert Hutchinson, the Rev. Jerome Robinson, Dr. Joe H. Johnson and nurses, Mrs. Alice V. Harris and Family. 51-11c

ON THE SUBJECT OF Christmas greetings, many people will be calling relatives and friends on Christmas Day, and the lines will be much busier than usual. If there is a delay in your call, we are sorry and hope that you will try the call again later.

ACCORDING TO THE WEATHER-MAN, this is the coldest December we've experienced in Alabama since 1886. However, we do not need to be reminded or even to watch the mercury in a thermometer drop to know that it's too cold to leave a warm home and face the weather outside. At times like this, we truly realize the value of shopping by telephone and even more, the convenience of a bedside telephone. Maybe one of those friends or relatives on your Christmas list would appreciate a gift telephone. Call your Business Office and let us arrange the gift for you.

AS A NEW SERVICE TO TELEPHONE USERS WITH IMPAIRED EYESIGHT, a plastic covered dial number plate with adhesive backing has been developed. The dial has extra large numerals and letters, and can be installed beneath the dial of a telephone. Both the special number plate and cover are available now and can be installed on your phone at nominal cost. If you are interested, just call our business office.

CLASS ANNUAL SUPPER
The Ruth Class of the Baptist Sunday School supper in the annual Christmas supper, Thursday night, December 15th in the church dining room.

The tables were beautifully decorated with holly sprays and pots of Poinsettias, down the center. Napkins further carried out the Yuletide motifs.

The menu consisted of baked ham, string beans, English peas, tossed salad, potato salad, candied

yams, asparagus casserole, spiced apples and peaches, hot rolls, coffee, tea. Dessert: chocolate, coconut, lemon, pecan and butterscotch pies.

Members and their husbands gathered in a circle and as record music was played, gifts were passed around. Gifts were the fun kind.

Those enjoying the occasion were: Rev. and Mrs. Louis Brasher, Mr. and Mrs. Donald Jones, Mr. and Mrs. J. O. Cobb, Mr. and Mrs. Bill Blackmon, Mr. and Mrs. W. C. Burnette, Mr. and Mrs. L. L.

All of our staff joins with us in wishing you the Very Best Christmas ever, and lots of joy for all the days ahead!

Geographical Distribution of Tuberculosis

This map shows the TB case rate per 100,000 people in each state in 1959. TB is a serious, infectious disease that may attack anyone without warning, sometimes not making its presence felt for years. One undetected case can infect scores of people. TB can be eliminated only by stopping new infections. Your TB association's program to wipe out TB is supported by Christmas Seal contributions.

YWA MEETING

On December 10th the YWA's met at the Baptist Church at 3 P.M.

Sue Gilmore, president, called the meeting to order. Jane Porter led in prayer. Business was discussed. Lynda Clements read the minutes of the last meeting and they were approved.

The title of the program: "God's Gift — The Light Of The World". This program was for the season of prayer for Foreign Missions and the Lottie Moon Christmas Offering.

Those taking part: Sue Gilmore, Lynda Clements, Jane Porter, Rena Blackmon, Mrs. Marie Plier, counselor.

Jane Porter, reporter.

ASSEMBLY PROGRAM

Miss Miriam Harvey, supt. of Young People's Department, called the Assembly to order. Harry Hale led in prayer. Title of the program: "The Story Is To Share". The group sang "We've A Story To Tell". Reading the Scripture: Richard Guy, Donald Davenport, Mike Chandler, Randall Chandler, Sue Gilmore, Jerry Stephens, Kenneth Davenport, Paul Culp, Sidney Chandler and Jane Porter.

Mrs. Sam Woodley led the prayer.

ANNUAL CHRISTMAS CANTATA

The Glee Club of Jemison High School presented a Christmas Cantata, "Love Transcending" Sunday afternoon at the Jemison Baptist Church.

Twin standards filled with seasonal greenery, gilded magnolia leaves, gilded lace puffs, an arrangement similar to the above on the Communion table and miniature arrangements of greenery in the window recesses added to the Spirit of the occasion.

Donald Davenport presented a piano prelude. The congregation joined the Club in singing "O Come All Ye Faithful".

The devotion was by Joyce Thrash.

The Christmas Story from Luke 2 was read as the theme of the Cantata proceeded.

Ned Lowery, a former Club

member, led the Club and congregation as they sang "Silent Night". Rev. Louis Brasher led the benediction.

On account of the illness of Pat Shaw, Ned Lowery served as soloist. Other soloists: Chas. Munday and Robert Lowery, Jr.; Joe Brasher, Richard Guy and Charles Munday. Linda Block, Ned Lowery and Jeanie Ellison assisted Robert Lowery in "O Holy Night". The senior and junior Club members were in white and black; the Cherub members in white and red.

The Club expressed appreciation to Mr. Shields, Mrs. June Lowery and the Baptist Church for cooperating in the presentation.

Mr. and Mrs. Sheril Ingram and two children of Mobile spent Saturday night with her family, the C. C. Culp.

Mr. and Mrs. Ned Lowery and two children of La Grange, Ga. were week-end guests of his family, the K. V. Lowerys and her family, the Louis Brashers.

The J. O. Y. Sunday School Class of the Baptist Church was 100 percent last week. This class is composed of members who are over 60. The Seekers Class was 75 percent.

Everybody in this firm, wishes each and every one

Henry Adair Students Tell Story-

"Christmas In Story And Song" Given

Youngsters Charm
In Year Season

The joyous and tender sentiments of the Season were expressed by the sixth grades in Mrs. Sexton's, Mrs. Littlejohn's, and Mrs. Niven's rooms at the Henry Adair School on Tuesday, December 18 at high noon when they presented a program "Christmas In Story And Song" for parents and friends.

Choirs wearing white robes adorned with scarlet bows, and seasonal decorations in red and green accented with white formed an impressive background for the Manger Scene in the gymnasium.

Flautists were: Belinda Headley, Patricia Byrum, Debbie Fulmer, Cathy Wyatt, Susan Barton and Barbara Brown.

Welcome: Jimmy McKee.

Cast: Mary, Mary Hicks; Joseph, Jerry Lowery; Angel of the Lord, Brenda LeCroy; Wise Men, Richard Moore, Danny Doss, and Danny Eiland; Angels, Laura Ann Kinler, Donna Little, Lynn Thrash, Brenda Godbold, Patsy Little, Karen Smith, Donna Moats, Vicki Crew, Wilma Connell and Sue Jones.

Shepherds, Mark Easterling, Bobby Payton, Wade Connell, Ricky McKee, Franky Mims, Chris Burnett, Bob Culp, Larry Popwell and Ken Poole.

O Little Town of Bethlehem, song. Scripture: Luke 2:1-7.

Donnie Headley, Geraldine Knight, Barbara Brown, Sue Cox, Leland Gore, Wendell Hand and Susan Barton.

The First Noel; Away In A Manger, songs. Scripture, Luke 2:8-11. Harold Byrand, Patricia Byrum, Jay Meank, Roger Willis, Edna Lucas, Jimmy Rogers.

Silent Night; It Came Upon A Midnight Clear, songs. Scripture, Luke 2:15-20.

Mike Jones, Bill Winton, Donna Jones, Mike Mims, Audrey Moates and Doris Lowery.

Hark The Herald Angels Sing, song. Scripture, Matthew 2:1-3. Norma Bates, Francine Moates and Myrtice Jones.

We Three Kings, song. Scripture, Matthew 2:1-12. Ray Giles, Wan Thomas, Irene Wright, Karen Henderson, Wayne Walker, Leslie Newton, Joan Ray, Ruthie Arthur and Diane Cummings.

O Come All Ye Faithful, song. Scripture, Matthew 2:13-23. Donnie Roy Mims, Linda Blackmon, David Daniel, Wayne Braswell, Donald Knight, Annelin Bolton, Carla Ann Meank, James Hatchcock, Steve Joiner, Janice Patterson and Jerry Pledger.

Joy To The World, song. "His Name is at the Top," by Alice Mortenson; Jim Waters. Announcer, Jimmy Walker.

Deck The Halls, song. "Just For Christmas" by Eugene Fields; Billy Mims.

Up On The House Top, song.

"Santa Claus And The Mouse" by Emily Poulsson; Tony Smith; erman. Piano solo, "Winter Wonderland"; Brenda LeCroy.

"Twas The Night Before Christmas"; Ginger Alred. Jingle Bells, song and Jolly Old Saint Nicholas, song.

"Christmas Glow" Pam Davis, Randle Foshee, Jimmy Langston, Ann Mims, Connie Baker, Steve Norton, Roy Knox, Glenn Jones, Janice Phillips, Sue Cox, Albert Byrd.

Finale: "We Wish You A Merry Christmas, song."

THE automobile which was involved in the accident with Jimmy and his motorbike, was driven by Mrs. Leon Easterling, also of Clanton. Cause of the accident was not determined.

Jimmy received the motorbike only a few days ago, as a Christmas present, it is reported.

Hospital reports early Friday morning were that Jimmy had a fair night Thursday night and was only in "fair" condition. Extent of his injuries are not known at this time.

THE E. H. Davises, on Selma Road, Clanton, invite you to come by their home between the hours of 2 and 5 on Sunday, December 30th in celebration of their Golden Wedding Anniversary.

Quite a bit of property damage was reported and the Hospital reports that Mrs. Sallie Bell Wilson, wife of Mr. Wilson, was treated in the emergency room and then released. No other injuries were reported.

Early Friday, the Power Company was replacing a utility pole which was almost knocked down by the impact of one of the autos.

Mrs. R. M. Tucker, Chairman of the Chilton County Tuberculosis Association, would like to thank the school teachers in both white and colored schools over the County. The members of the County Health Department and the Board of Education, for their assistance in the Christmas Seals Program this year.

State To Get \$71 Million For Roads Construction; '63

ALABAMA is scheduled to receive more than \$71 million in Federal-aid highway funds next year, according to an announcement by the Bureau of Public Roads, a division of the U. S. Department of Commerce.

Alabama Highway Director Sam Englehardt said the appropriation is part of the \$3.55 billion authorized by Congress for the U. S. fiscal year 1964 which begins July 1, 1963, making funds available to the state at that time.

The bulk of the appropriation, \$53,635,075, will go for continuing work on Alabama's 878 miles of interstate routes.

AN ANNOUNCEMENT

The Public Library of Clanton will be closed next week on Monday, Tuesday and Wednesday. It will be opened for service on December 28th at the regular hours.

THE Probate Office, the Tax Assessor's Office and the Tax Collector's Office will remain open all day on Saturday, December 22nd, but will be closed all day on Monday, December 24th, and Tuesday, December 25th for the Christmas Holidays.

Peach Growers Get 'Last Call'

THE last chance to get Federal Peach Growers Insurance is coming — the last day to apply for 1963 crop protection is December 31st.

Any growers interested should contact T E Blackmon at 277-W1 or F T Williams at 1591-J1.

Nursing Home Expansion To Be Done by Local Firm; 180 Days

In Tribute To A Great Man

THE first Hill-Burton Nursing Home built in the South located at Clanton, Chilton County, Alabama, received the first load of materials December 18, 1962, for an expansion of 30 beds.

On Dasher, On Dancer.

THE Spirit of the Season brings many things to many people. In the Spirit of the Holy Season, we, here at the News have put next week's News into your hands this week! There are two reasons: First, there are some important announcements in this issue, which would be too late coming next Thursday; and Second, we wanted our employees to be off for the Holidays with their families.

In the newspaper business, which we dearly love, days off are few and far between. We like to make Christmas something special and we are having a couple of days off.

We'll be back on regular schedule next week, God willing. Thank you, and may your Christmas be Merry and bright.

—THE EDITOR.

An X-ray is the simplest way of telling whether you have tuberculosis. It also shows up other respiratory diseases. Christmas Seals fight TB and other respiratory diseases.

With the completion of the addition the nursing home will have a capacity of 82 residents and a total plant operation of 111 persons care facility.

The food served is prepared in the central hospital kitchen and transported to the patient room or dining area in the modern heated and refrigerated food carts. The food carts used here are of the most modern design and one of the few hospitals in the South using this up-to-date system. Those carts will retain food hot or cold as placed in the cart.

Further plans have been made for an addition to the hospital, a second wing of 30 beds for the nursing home and laundry expansion for a 500-bed total facility.

The five doctors serving the hospital are: Joe H. Johnson, Harold Dumas, W. W. Rennings, Charles R. Moore and Joseph W. Moore.

The total construction and equipment will be in excess of \$225,000.

Mr. Elmore, the administrator, spent several days last week at the exhibits by the top firms in textile service industries at Miami, Florida, in the final selection of equipment.

The new Nursing Home will be dedicated to Dr. C. O. Lawrence and will be known as Lawrence Hall.

Faith That Actually Moved A Mountain

It began on a quiet Sunday morning in Portland, Oregon. Bob Blankenship was busy with his Sunday newspaper. His son was occupied with a Sunday School lesson.

"Dad," the boy asked, "how much does it cost to go to the Holy Land?"

"Oh, I don't know," Bob Blankenship gave the matter a moment's absent thought. "About three thousand dollars, I guess."

"Then we can't go, can we?"

"No, I guess not, son," Bob answered.

It was the same quiet morning. But a chain of events had started that changed Bob Blankenship's life.

A 2000 year old scene. Soil leaves the inner city of Jerusalem.

Blankenship's life, influenced the lives of thousands of others and may even affect your own in the near future. And it actually moved a mountain!

A question occurred to Blankenship. A simple question but one that held him, would not let go, that dogged him continually. "If so few can make the trip to the Holy Land," he asked himself, "why shouldn't it be possible to bring the Holy Land to them? Not in a picture or story but in actual tangible form."

Today Bob has solved the problem. It took nearly ten years of constant effort and finally the enthusiastic cooperation of a group of dedi-

cated Portland businessmen and ministers.

The solution is carried in the pockets of thousands of devout Christians and in the cars of thousands of others. You will find it in homes and offices. It is simplicity itself, but beautiful simplicity.

It is called the Gift of Peace medallion.

And it actually accomplished Bob Blankenship's original plan! It brings a bit of the true Holy Land to your hand. The Medallion has four plastic containers; they hold visible soils imported from Mount Calvary, Gethsemane and Bethlehem as well as a capsule of water from the River Jordan. The reverse side of the medallion, which is about the size of a silver dollar, has a striking, embossed representation of the head of Christ. The container side also carries an embossed representation of Christian unity, the familiar clasped hands of the kiss, or gift, of Peace.

How did this symbol and the title "Gift of Peace" come about?

"It was a natural selection, I guess," Blankenship says, "for an ex-combat-infantryman during these days."

But actually, he goes on, the title came from a special Christmas issue of Life Magazine in 1955. In it he read of the "Oneness" symbol used in South India by the Anglican, Methodist, Presbyterian, Congregationalist and Reformed denominations in that country. It was the clasped hands symbol of the "gift" of peace.

"As used on our medallion," Blankenship says, "it is simply an aid to what former president Eisenhower called 'The need for fresh vigor in our practice of Christianity.' The Soils serve the same purpose—an instantly recognizable symbol of Christian zeal and a stimulant to continued effort."

Bob Blankenship, still at 1301 West Burnside in Portland, Oregon, has made this a full time job and a happy one. It all began with a small boy's question. And the faith one man held did literally move a mountain.

Christmas Offering For Baptist Home

by M. G. FIELDS

Alabama Baptist are giving generously to raise a goal of \$300,000 Christmas Cash Offering for the Baptist Children's Home at Troy. It is encouraging to see the great spirit of love and concern for this cause of Christ manifested by the churches of Chilton-Unity Association, and for the fine spirit of unity and fellowship expressed by the congregations in the spread of the Gospel.

Soil Conservation News Of The Week

VASTINE Powell of the Billingsley Community has constructed a 1100 foot drainage ditch. ALLEN Watts, on the adjoining farm, is in the process of constructing a waterway.

TERRACE lines were run on Cooperators A. C. Gilliland and Pat Ferlic's farms this past week. Pat has a lease on the G. C. Vance property and is planting a contour orchard on all the open land.

A permanent drainage ditch has been constructed on J. O. Gray and Curtis Bryant's farms. Both farmers are cooperators of the Chilton County Soil Conservation District.

ALLEN Watts has shaped and seeded to Fescue a one-half acre waterway.

REEDIE Taylor has constructed the third water hole on the Maple Springs farm. This is in addition to a farm pond.

BEN Wells has built 7,095 feet of gradient terraces.

S. R. COLLINS has constructed 4,972 feet of terraces and sowed a field border to Rescue grass.
